Closed Session Meetings – The Governing Board considers confidential items such as student matters, personnel actions, and litigation in closed sessions held prior to the regular open session meeting. The typical process is that the board meets briefly in open session at noon in Room 2249 and publicly announces the matters to be considered in closed session that day. The board then goes into closed session and considers the confidential matters. At the conclusion of the closed session, the board returns to open session, and announces in writing actions taken on any reportable matters. The written report forms are thereafter maintained in the Board Services Office. Items for closed session are listed on an agenda which is posted in advance in the glass window area at the entrance to the Auditorium. Following the completion of this closed session process, the board reconvenes in its regular open session meeting which takes place in the Auditorium as announced on the open session agenda.
