**AGENDA ITEM:**

F.5. ConnectED MOU

**SUBJECT:** Establish a non-binding Memorandum of Understanding (MOU) for the district with the California Center for College and Career (ConnectEd) to implement high school Linked Learning programs as outlined in SB1070 and AB790.

**ITEMS:**

- Approval of the MOU allows the district to enter into a consortium agreement for AB790 grant opportunities. The MOU is a consortium project between five districts: Oceanside, Escondido, Carlsbad, Grossmont and San Diego. The Boards of each of the other districts approved the MOU in October 2012. The MOU is a starting point for a discussion with schools with CCTE currently implementing the California Partnership Academies rubric, which is the basis of the Linked Learning rubric for Pathways. Superintendent Kowba and Director Loescher recommend the MOU which was passed on November 27, 2012.
