

Academics

Students will be critical and creative thinkers, able to integrate and apply their knowledge, skills and interests.

Accordingly, all students will achieve their full academic potential, as measured by a broad performance index of success, minimally achieving one academic year's gain each year. *All schools will achieve their academic potential by gaining one year's growth. Students will:

- 2.1 Set high expectations and work to attain them.
- 2.2 Achieve at individually and appropriately challenging levels.
- 2.3 Demonstrate skills and content knowledge in the core disciplines of:
 - 2.3.1 English language arts:
 - 1.3.1.1 Reading.
 - 1.3.1.2 Writing.
 - 1.3.1.3 Communication.
 - 2.3.2 Math.
 - 2.3.3 Science.
 - 2.3.4 Social studies.
- 2.4 Communicate in at least two languages.
- 2.5 Explore, understand, and value the fine and practical arts.
- 2.6 Effectively use technology to access, communicate, and apply knowledge and to foster creativity.

Monitoring Method: Internal Report

Monitoring Frequency: Annually in September

San Diego Unified School District Board of Education

*One hundred percent of district schools will meet their API growth target each year with accountability measures. Added as an Indicator of Achievement for GSA-2, overarching goal, new number one.
