**Agreement/Contract Intake and Status Form**

**Intake (Data provided by Requester)**

Intake Date:	March 18, 2013			
Requestor:	Mary Bostwick	858-503-1854	mbostwick@sandi.net	5451
	(Name)	(Phone)	(E-mail)	(Dept. ID)
Previous Agreement Number (attach copy):	None		Targeted Board date:	
New Agreement?	<input type="checkbox"/> YES	Amendment to current Agreement:	No (amendment number)	
Title for Board Agreement with:	Automotive Youth Educational Systems (AYES)			
Agenda:	To Provide:	the AYES school-to-career model including educational training and marketing processes and resources that will provide curriculum, materials and support (including train-the-trainer training) to prepare AYES Students and designated mentors for workplace internships.		

• **RECOMMENDATION:**

This Agreement will provide the District with (e.g.: **WHAT** from **WHOM** and for **HOW LONG**) information, guidance and assistance to increase awareness of local automotive technology programs and their benefits to students and employers, provide guidance and assistance in engaging local employers for student internships and/or post-graduation employment, provide opportunities for donations of vehicles, components, teaching aids, curricula, tools and equipment to NATEF-accredited automotive technology programs, and provide access to the SkillsUSA Personal Development Program (PDP Level 1 and 2) for the 2013-14 school year or until such time that any of the agreements herein expire or remain unfulfilled for a period of thirty (30) days.

• **FISCAL IMPACT:**

Provide the **annual not to exceed amount** and describe any other aspect of the expense involved with this item?

There are no costs to the district associated with this program.

• **PRIOR YEAR FISCAL IMPACT:**

(e.g.: There is no previous expense history; or the prior year total expenses)

None. New program.

• **IMPACT TO DISTRICT STAFFING:**

(e.g.: No additional District positions will be required/or the contractor will provide all staffing necessary to provide these services.)

No additional staffing required. Current CTE instructors will use these services as part of their established curriculum.

• **CONSULTATION WITH BOARD ADVISORY COMMITTEE:**

(The board advisory committees listed below, were created/established to serve in an advisory capacity to the Board of Education and staff on behalf of their specific target communities and to assist the board in the performance of its responsibilities:

- Audit and Finance Committee
- Advisory Committee on Utilization of Excess School Property (ACUESP)
- Career Technical Education Advisory Committee (CTEAC)
- Community Advisory Committee for Special Education (CAC)
- District Advisory Committee for Compensatory Education (DAC)
- District English Learner Advisory Committee (DELAC)
- Independent Citizens' Oversight Committee for Prop S (ICOC)

 Agreement No.: \_\_\_\_\_  
 Date Received by SSC: \_\_\_\_\_

(If this does not apply to your agenda item, state **Not Applicable**; otherwise, please indicate date(s) consulted with committee and outcome.)

Career Technical Education Advisory Committee

**BACKGROUND:**

Provide any pertinent associated information: (e.g.: **WHO, WHAT, WHEN, WHERE AND WHY this agreement adds value to SDUSD, student learning, etc.**)

These agreements serve as the foundation for successful AYES business-education partnerships. Establishment of this partnership allows employers to benefit by obtaining the best trained, motivated and qualified AYES Graduates for entry-level employment or to sponsor in continuing post-secondary education. Schools benefit from the affiliation and support of the industry's national brands as materials and supplies are provided to their automotive programs and AYES Graduates obtain industry recognized certifications and other credentials.
