## Meet Title 1 ESEA Parent Involvement Requirements with Free Classes for Parents at Your School

This resource packet is designed to help schools increase parent involvement, to engage parents in their children's education and to help you meet Title I ESEA Parental Involvement Requirements, Section 1118. In it you will find a variety of classes available for parents at your school.

All workshops are **FREE** for parents with children enrolled at Title I schools and brought to you by the District's Title 1 Harold J. Ballard Parent Center and the San Diego Parent University program (SDPU). The classes offered are taught by our own San Diego Parent University teachers, many of whom are former SDUSD teachers.

Your school can host any one of the following academic or parenting classes at your school today. *It's easy.* Simply review the class information and contact the San Diego Parent University staff to schedule your parent training today!

---

To schedule a class for your school today or have a question answered contact:

***Derri Ironfield***  
*San Diego Parent University*  
*Coordinator*

***phone: (619) 293-4431***  
***e-mail: [dironfield@sandi.net](mailto:dironfield@sandi.net)***

**Please note:** Due to budget constraints we are no longer able to pay our instructors for evening classes. If your school has Title 1 or other funds available and would like to pay for one of our instructors via a time card, please let us know when you call to schedule classes.

---

## School Site Responsibilities

---

The SDUSD School requesting services agrees to provide the following:

- ❑ Recruit a minimum of 25 parents for each class.
  - *Please note that typically 2/3 of parents who register for workshops actually attend.*
  - *Classes of less than **15** enrolled parents may be canceled or may need to be rescheduled.*
- ❑ **Provide childcare in a separate room. (This is very important!)**
- ❑ Make Connect-Ed calls to parents and send home weekly reminders to maintain class enrollment. *A sample script is provided for you on the next page.*
- ❑ Provide a room with tables and chairs for group work.
- ❑ Provide a document camera with projector and screen or an overhead projector.

***Some classes may need the following items:***

- ⇒ Chart paper and/or easel or whiteboard with markers.
- ⇒ TV and VCR/DVD player.

***The instructor will inform you if the class will require one of these items.***

---

## San Diego Parent University Responsibilities

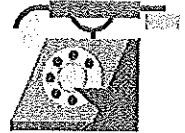

---

San Diego Parent University agrees to provide the following:

- ❑ Promotion materials to recruit parents: Includes a template of registration forms, flyers, etc. for you to personalize with your school information to send to parents.
- ❑ An hourly certificated teacher to teach the class
- ❑ Parent folders with paper and pencils
- ❑ Parent handouts
- ❑ Books as prizes for a raffle at the end of every class
- ❑ Sign-in sheets *(A copy will be left for your records at the end of all classes.)*
- ❑ Parent evaluations

## Connect Ed Phone Call Reminder Sample Script

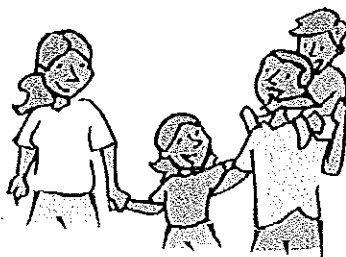

Use the following script to remind parents to come to the workshop.

Good afternoon parents of School name School. This is Principal name of the Principal, calling to remind you that tomorrow date and time there is parent workshop on name of class. It will be held in location. Every parent who comes has a chance to win free books. You won't want to miss it. If you have questions please call the school office at school phone number. Thank you and have a good evening.

---

Buenas tardes habla el director de la escuela nombre de la escuela para recordarles que mañana fecha tendremos un taller para padres titulado nombre del taller. Se llevará acabo en lugar. Cada padre presente tendrá la oportunidad de ganar libros gratuitos. No puede perderselo. Si tiene alguna pregunta favor de llamar a la oficina al número de teléfono. Gracias y que tenga una agradable noche.

## One-Hour Workshops

### **Internet Safety: Keeping Your Child Safe:** (English or Spanish)

Learn about the risks your children may encounter while accessing the internet, as well as various ways in which you can prevent your student from becoming another cyber victim. (Grades K-12)

### **Homework Essentials:** (English or Spanish)

Parents can help their children get better organized for homework by following 3 simple steps: Special time, special place, special tools to prevent homework hassles. Solutions to common homework problems will be discussed. (Grades K-5)

### **Discovering the Genres:** (English or Spanish)

Parents will discover and explore the 8 main genres and the importance of making sure their children are reading from each one. Participants will also receive a Home Reading Log to keep track of their children's reading progress through the genres. (Grades K-5)

### **Math: What are you teaching my child?:** (English or Spanish)

Parents will view a video to learn how Math is being taught today. They will experience how children use manipulatives, cooperative learning and problem solving in the classroom. (Grades K-5)

### **Preparing Students for College and Career: The A-G Requirements:** (English or Spanish)

Parents will learn about A-G classes their students will need to take in high school in order to be prepared with essential skills for college and career. It's not too early to plan for high school classes. (Grades 6-12)

NEW

### **The Keys to Reading:** (English or Spanish)

This class will focus on key words all students need to know that will give their reading a boost and ways to help them become fluent readers. Choose between High Frequency Words or Word Families for this workshop or schedule them both. (Grades K-3)

NEW

### **Family Communication:** (English or Spanish)

Good communication skills are essential for all families. Parents will learn proven techniques on how to talk so that kids will listen. (Grades K-12)

NEW

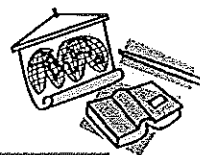

### **Writing Across the Grades:** (English or Spanish)

This class is designed to give parents an overview of the development of writing skills students learn in grades K-5 and ways in which they can encourage and support writing in the home. (Grades K-5)

**Please note: Classes are taught in (1) language only: English or Spanish.**

Schools may pay for interpretation services if desired. Contact the Translation Department at (858) 496-8366 or email [amorales@sandi.net](mailto:amorales@sandi.net).

## Academic Support Classes Available:

The following classes are designed to help families support student learning:

- **Jump into Kinder:** (English or Spanish)

This class requires 3 sessions and focuses on developing good homework habits early in school by utilizing a special time, special place and special tools. Grade level expectations in reading and math will also be discussed. Every parent will receive a Homework tool kit in the last class.

- **Get Your Child Organized for Homework:** (English or Spanish)

This series of 3 sessions helps parents learn how to maximize their children's time for completing homework; what to do when your child does not want to do homework, and planning for an effective parent-teacher conference to solve homework concerns. Parents will receive a Homework tool kit in the second class. (Grades 1-5)

- **Help Your Child Improve in Reading:** (English or Spanish)

In this 3-session class, parents will learn ways to help their children develop a love of books and increase their reading level through a variety of activities. The class is organized for parents of students in grades K-5.

- **Reading to Learn:** (English or Spanish)

In this 3-session class, parents will learn how to boost their children's reading comprehension using strategies such as making connections, questioning, and predictions. (Grades 3-5)

- **Writing Family Stories:** (English or Spanish)

In this 3-6 session class, parents will learn about different types of writing: poetry, biographies, letters; while creating a family album featuring photos from home and their own class writings. The class is organized for parents of students in grades 3-5.

- **Mathematics Today:** (English or Spanish)

This 4-session class helps parents understand how Math is being taught differently today. Parents will learn that problem solving and cooperative learning using manipulatives is the approach today instead of memorization and worksheets. The class is organized for parents of students in grades K-5.

- **Passport to Success:** (English or Spanish)

In this 3-session class, parents will learn study skills to help their children develop strong study habits to build success in school such as how to take notes, study for tests and organize their time. The class is organized for parents of students in grades 4-12.

**Please note: Classes are taught in (1) language only: English or Spanish.**

Schools may pay for interpretation services if desired. Contact the Translation Department at (858) 496-8366 or email [amorales@sandi.net](mailto:amorales@sandi.net).

## Parenting Classes Available:

---

- **Parents Growing Together (PGT):** (English or Spanish)  
PGT consists of 6 sessions: This class helps parents learn skills such as communication, consistency in parenting through the ABC Method to improve discipline techniques and how to raise cooperative children. (Birth - 6)
- **Active Parenting:** (English or Spanish)  
*Active Parenting* consists of 6 sessions. This is a DVD or video-based series that teaches parents how to communicate more effectively with their children, solve behavior problems and set up a system to resolve conflict within the family through regular family meetings. (Grades K-12)
- **Can We Talk?:** (English or Spanish)  
*Can We Talk?* consists of 5 sessions. This class helps parents improve their communication with their children, learn how to have a conversation about feelings, self-esteem, peer pressure, mixed messages and human sexuality. (Grades K-12)
- **Second Step:** (English or Spanish)  
*Second Step* consists of 6 sessions: This class helps families learn how to identify feelings and care for others (empathy), manage anger and what to do about it, and how to solve problems using three steps: 1) How do I feel? 2) What is the problem? and, 3) What can I do? When children learn these problem solving steps at a young age, they learn how to manage anger for life. (Grades K-5)
- **Guiding Good Choices:** (English or Spanish)  
This 5-session class is designed to help parents strengthen family bonds while reducing the risk factors associated with substance abuse and addictive behaviors. Many students in grades 7 and 8 try drugs or alcohol for the first time and 1 in 2 may become addicted. Parents will learn how to establish clear expectations for behavior and manage family conflict. (Grades 4-8)
- **Effective Black Parenting:** sponsored by Project Ujima  
*For information about this class please see page 8.*

**Please note: Classes are taught in (1) language only: English or Spanish.**

Schools may pay for interpretation services if desired. Contact the Translation Department at (858) 496-8366 or email [amorales@sandi.net](mailto:amorales@sandi.net).

# Computer Basics

Helping Parents Break the Digital Divide

Computers are a part of our student's learning at all grades. Parents need to have the computer skills necessary to support their child's learning at home, to ensure their safety online and to access their child's progress using the district's Parent-Connect program. Therefore, we are offering *FREE* computer training classes for parents.

For more information or to schedule classes please contact:

**Marthita Huezo (Mac Lab)**  
[mhuezo@sandi.net](mailto:mhuezo@sandi.net)  
(619) 293-4431 X 2125

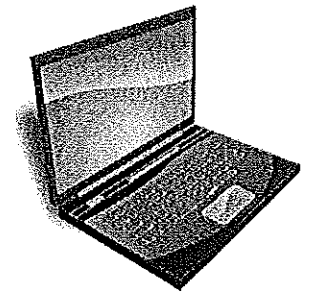

or

**Itzell Olivares (PC Lab)**  
[olivaresquintero@sandi.net](mailto:olivaresquintero@sandi.net)  
(619) 293-4431 X 2121

## Classes Available:

### Computer Basics Level 1 (6 classes)

In these hands-on classes, parents will become familiar with the basic components of a computer: how to properly connect the computer, turn the computer on and off, and use basic Microsoft applications. This class is designed for parents new to computers.

### Computer Basics Level 2 (6-7 classes)

This is the follow up class to Computer Basics 1. Parents who wish to take this class must complete Computer Basics 1 or have basic computer skills. Choose from any or all of the following computer classes:

#### Internet Safety (1 class)

Parents will learn ways to monitor their children's use of the Internet and ideas on how to keep them safe.

#### Email (2 classes)

In this hands-on class, parents will learn to set up a free email address in order to facilitate communication with school staff.

#### Parent-Connect (2 classes)

Parents will learn to use the district's Parent-Connect program, a web-based application that allows parents to monitor their student's attendance, grades, test scores and other important information.

#### Online Activities to Support Learning (2 or more)

Parents will learn about online resources to support literacy, math, science, etc. This class is offered as a single presentation, or as a hands-on workshop *when computers are available for participants*.

### Practice Your Computer Skills at the Ballard Parent Center

We have open lab sessions on Friday mornings from 9:00 a.m. - 12:00 p.m. Participants can receive *one-on-one support*, practice their computer skills or work on their own projects. *Please call to check the availability of the Lab or to inquire about free child care.*  
(619) 293-4431.

# Project Ujima

A Program of the San Diego Unified School District

## Project Ujima

We meet the 2<sup>nd</sup> and 4<sup>th</sup>  
Thursday of the month from  
5:30-8:00 pm at the

Tubman/Chavez Multicultural Center  
located at  
415 Euclid Avenue in San Diego

**Project Ujima** was founded in 2009 and is named for the third principle of *Kwanzaa*, collective work and responsibility. Project Ujima is designed to strengthen existing resources within African American families in the San Diego Unified School District.

Workshop topics are culturally focused and provide resources designed to support African American families in improving the academic, social and behavioral environment within the family and community.

Information presented in the workshops is valuable to all families and all are welcome to join. *Free childcare and Spanish translation are provided.*

## Effective Black Parenting\*

*Raising Proud and Capable African American Children*  
Free Classes sponsored by Project Ujima

This series of 6 classes introduces parenting skills within the unique history and perspective of African American Families. A common thread throughout the curriculum is strengthening the family bonds in order to promote positive social behavior and academic achievement for all students preparing them for college and career.

Some of the topics covered include:

- The Pyramid of Success for Black Children
- Pride in Blackness/ Coping with Racism
- Effective Parenting Strategies
- Positive Communication
- Value of Homework/ Getting Organized
- Study Skills and Test Taking strategies
- Goal Setting for Family and Student
- A-G graduation requirements

The information and skills presented in this class are relevant for all families and all are welcome. Effective Black Parenting is a program of the Center for Improvement of Child Caring.

To schedule Effective Black Parenting classes or for more Information about our programs contact:

**Elneda Shannon** - Project Ujima Manager  
(619) 293-4431  
[eshannon@sandi.net](mailto:eshannon@sandi.net)

# **Southeast Asian/Pacific Islander Family Program**

*Free Classes for  
Parents*

Also serving Somali, Burmese and Karen families

The **Parent Advocate Program** provides parent workshops and trainings on topics specifically designed for Southeast Asian, Pacific Islander and Somali families. Workshops are also presented in Burmese and Karen languages for refugees from Myanmar (formerly Burma).

**The goals of the workshops are to:**

- share with participants the value of parent involvement and how to partner with the schools
- reinforce their family values and beliefs in education
- provide families with information about the American school system
- increase the engagement and involvement of parents in their children's education

**Workshops and training classes are organized in the morning and evenings for different language groups.**

Four-session workshops are offered on the following topics:

1. **Accessing School Information:** Key personnel, programs, school policies, problem solving and school/student issues.
2. **Supporting Learning at Home:** Study skills, helping with homework, monitoring TV, and utilizing after school activities such as tutoring and student clubs.
3. **Building a Home-School Partnership:** Parent-teacher conferences, being involved at schools, cultural activities and ethnic celebrations that support school success.
4. **Planning for Success after High School:** Dropout prevention, A-G graduation requirements, college entrance, and community service opportunities.

To schedule these workshops, please contact:

**Bounhong Khommarath**  
Southeast Asian & Somali Parent Advocate  
Tel.: 619-209-4562  
Fax 619-293-4425  
Email: [bkhommarath@sandi.net](mailto:bkhommarath@sandi.net)

## Schedule of days and times classes are available:

---

Scheduling classes at your school site is dependent upon the teacher's availability. Because of the limited number of teachers, all classes are scheduled on a first-come, first-serve basis. Therefore, the sooner you call us, the sooner we can schedule your classes. Don't wait, call today!

*Classes are scheduled:  
Monday - Friday starting at 9:00 a.m.  
Please call to check for available dates and times.*

*Keep in mind that we need at least 2 weeks notice before a class is scheduled to begin to prepare materials for your school. In addition, this also provides you with adequate time to recruit parents and arrange childcare.*

---

## **New Change beginning the 2010/2011 school year**

Due to budget constraints, we are no longer able to pay our instructors for evening classes. If your school has Title 1 or other funds available and would like to pay for one of our instructors via a time card, please let us know when you call to schedule classes.

---

To schedule a class for your school today or have a question answered contact:

**Derri Ironfield**  
San Diego Parent University  
Coordinator

**Telephone:** (619) 293-4431  
**E-mail:** [dironfield@sandi.net](mailto:dironfield@sandi.net)

# Celebrate National Parent Involvement Day

**Thursday, November 15, 2012**

*18th annual celebration held on the third Thursday in November*

National Parent Involvement Day provides a yearly opportunity for schools to welcome, honor, and highlight the powerful contributions parents and caregivers provide at school and home to support student success.

## Keep in mind:

1. Save the date on the school master calendar
2. Plan a special event for this day with your PTA or parent group representatives
3. Promote the event to your school community

More information will be available on the following websites by September 2012:
