SCHOOL PLAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY**PURPOSE AND DESCRIPTION**

This School Plan for Student Achievement fulfills the requirements of Schoolwide Program School. The staff at Barnard Mandarin Magnet Elementary School (Barnard) strives for excellence and equity in meeting the needs of all students. School programs are strategically designed to engage students and staff in teaching and learning. To provide a rigorous academic Mandarin Immersion program, the staff at Barnard work collaboratively in PLC is to provide opportunities for students to grow and develop appropriate social/emotional, critical thinking, and problem-solving skills to promote life-long learning; and to ensure all students have access to a high-quality Mandarin Immersion program, blended with a rigorous English program that is standards-based.

This School Plan for Student Achievement includes goals and strategies that will improve student achievement and attendance. The primary goal is to cultivate a safe, supportive, and collaborative learning environment for all stakeholders.

PURPOSE AND DESCRIPTION (ESSA REQUIREMENTS)

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

LCAP Goal 1: Closing the achievement gap with high expectations for all.

LCAP Goal 2: Access to broad and challenging curriculum.

LCAP Goal 3: Quality leadership, teaching and learning

LCAP Goal 4: Positive school environment, climate, and culture – with equity at the core and support for the whole child.

LCAP Goal 5: Family and community engagement with highly regarded neighborhood schools that serve students, families and communities.

STAKEHOLDER INVOLVEMENT (REQUIRED)

Jan. 30, 2020 - SSC, ELAC, and SGT met to discuss evaluation and assessment surveys.

Feb. 11, 2020 - SSC, ELAC, and SGT met, reviewed, and approved the 19 -20 budget.

Sep. 30, 2020 - SSC and ELAC met to review and revise SPSA for 2020-21

Oct. 1, 2020 - Staff Meeting for SPSA input and collaboration

Oct. 2, 2020 - SSC and ELAC met to approve SPSA for 2020-21

RESOURCE INEQUITIES

Barnard's largest site funded investments in student achievement continues to be our ELA resource teacher and professional development. We have seen gains in ELA and Math since 2016-17. The 2019-20 school year was unique, and one of our challenges is that we are unable to measure student growth in the manner we have in past years, using CAASPP. We are continuing to support student needs through these two primary investments.

Historically, Barnard's root cause analysis has involved examining the data from CAASPP, the California Dashboard, California Healthy Kids Survey, California Parent Survey, site data; and a review of the previous year's SPSA.

An analysis of the student groups (3rd-5th) CAASPP results indicate an overall growth in the areas of ELA and Math. Barnard has seen an overall gain in ELA of 16.4% since 2015-16 according to CAASPP results. However, since 2017-18, ELA scores have remained flat, at 77%. Barnard has seen an overall gain in Math of 21.0% since 2015-16 according to CAASPP results. Since 2017-18, Math scores have remained virtually flat, with 1.0% growth from 75% to 76%. Based on the data, we need to continue to focus on improving student achievement and closing the achievement gap specifically with our English Learners, Hispanic, Socio-Economically Disadvantaged, and Students with Disabilities.

9.4% percent of Barnard students in TK-5th grade are chronically absent; with five subgroups surpassing the overall school Chronic Absenteeism Rate. Barnard has seen an overall decrease in chronic absenteeism since 2017-18 according to the 2018-19 Dashboard report.

To support student progress in both ELA and Math:

- Monthly professional development will focus on studying and gaining an in-depth understanding of Common Core standards, curriculum and assessment alignment, and best practices
- Collaboration will occur during regular PLCs
- Tier One instruction will be strengthened by utilizing Benchmark Advance curriculum
- Common formative and summative assessments will be administered throughout the year

To support chronic absenteeism:

- There will be consistent communication with families, to ensure that students are attending school regularly
- Barnard's certificated staff will work collaboratively and closely with the principal, school counselor, office staff, Special Education teachers, and health tech to monitor attendance and social-emotional needs.
- In addition, there will be goals put in place to increase parent engagement and strengthen the home-school relationships with families.

The school community recognizes the importance of a positive, safe, supportive, and inclusive school environment and will begin to implement Restorative Practices school-wide to cultivate a positive school culture for all stakeholders. Barnard students will also benefit from the Ally Action (anti-bullying) program, which will be launched in conjunction with SDUSD Youth Advocacy, and our .3 counselor.

In addition, the goal is to increase parent engagement and strengthen the home-school relationships with families. There will be a school physiologist, school counselor, and school nurse on-site once a week to support students with social-emotional needs. In addition, our Special Education Resource teacher, SLP teacher, and school counselor will support students by conducting weekly executive functioning and coping skills lessons for students with this need.

GOALS, STRATEGIES, EXPENDITURES, & ANNUAL REVIEW

Goal 1 - Safe, Collaborative and Inclusive Culture

Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

District LCAP Goals

4. Positive school environment, climate, and culture – with equity at the core and support for the whole child.

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The overall rate of chronic absenteeism at Barnard declined by 1.9%, from 11.3% to 9.4%

The rate of chronic absenteeism for students with disabilities declined by 16.5%, from 22% to 5.4%

The rate of chronic absenteeism for students learning English declined by 2.6%, from 15.6% to 13%

The rate of chronic absenteeism for Hispanic students declined by 2.5%, from 16.2% to 13.7%

The rate of chronic absenteeism for Socioeconomically Disadvantaged students declined by .5%, from 15.9% to 15.4%

The rate of chronic absenteeism for White students declined by 2.3%, from 13.3% to 10.9%

Unfortunately, the rate of chronic absenteeism for Black students increased by 10.8%, from 5.9% to 16.7%

To encourage attendance, Barnard has implemented a morning Walk/Jog program in which students walk the perimeter of the blacktop and earn small "tennis shoe" charms that they can put on a necklace or backpack chain. A charm is earned for every 20 laps completed. Students love collecting these charms, and as a result, do not want to miss the opportunity for earning them. As noted above, our schoolwide data from the 2019 California Dashboard shows that our Chronic Absenteeism dropped from 11.3% to 9.4%, however, we need to ensure that ALL subgroups are attending school regularly.

Barnard will establish a Site Attendance Committee, consisting of at least three staff members. This committee will review data and develop communication strategies for students, staff, and families. Research about the importance of, as well as strategies to support regular attendance will be presented to students during our All-School Monthly Monday Morning Spirit Rallies. In addition presented to staff during professional learning opportunities and shared with families during Principal Chats. Additionally, email and the school marquee will be used to promote the importance of regular attendance.

Barnard Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

The rate of suspension overall at Barnard is 0% and is consistent in all subgroups. Our goal is to maintain the 0% suspension rate for the 2020-21 school year (and beyond). Barnard staff and students will be trained in Restorative Justice Practices, and in conjunction with the Youth Advocacy Department and our counselor, will establish the Ally Action student leader training. These two strategies/activities will promote positive culture and climate at Barnard, and ultimately will lead to fewer suspensions.

*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

COVID-19 halted our attendance and suspension data collection when the school closed on March 13th, 2020. Any further data collection was based on a change of criteria deeming a student to be absent, or suspended, potentially affecting the final data.

*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

While the overall rate of chronic absences at Barnard has declined by 1.9% (11.3% to 9.4%), the rate of chronic absences for our black students has increased by 10.8% (5.9% to 16.7%). Our Attendance Committee, in partnership with our School Counselor, will begin, then continue to, analyze data to identify appropriate prevention and intervention strategies to support the regular attendance of our black students and families.

*Goal 1 - Safe, Collaborative and Inclusive Culture

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK - 5th	Decrease	9.4%	7%	Chronic Absenteeism	monthly
June 2021	TK- 5th	Maintain	0%	0%	Suspension	monthly

*Identified Need

Data from 2019 California Dashboard Chronic Absenteeism

While the overall rate of chronic absences at Barnard has declined by 1.9% (11.3% to 9.4%), the rate of chronic absences for our black students has increased by 10.8% (5.9% to 16.7%). Our newly formed Attendance Committee, in partnership with our School Counselor, will begin, then continue to, analyze data to identify appropriate prevention and intervention strategies to support the regular attendance of our black students and families.

Students with Disabilities subgroup decreased their rate of Chronic Absenteeism by 16.5%, is now at 5%, and we want to maintain that number in the current school year.

In addition, it will be our goal to have all students engage in the Walk/Run Club, and staff will encourage students/families to participate on a regular basis, as well as office staff looking at transportation schedules, to ensure that students who utilize district transportation have equitable opportunities.

The rate of suspension overall at Barnard is 0% and is consistent in all subgroups. Our goal is to maintain the 0% suspension rate for the 2020-21 school year (and beyond).

*Online Learning Implications

Barnard has systems in place to monitor and evaluate supports for students in the areas of mental health and social-emotional well-being. These systems

Barnard Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

include, but are not limited to, Social-Emotional Learning, Restorative Justice Practices, Ally Action Student Leadership, Culturally Responsive Practices, and Anti-Racism programming. The aforementioned will benefit both Chronic Attendance and Suspension rates at Barnard.

*Social-Emotional Learning (SEL) - Supporting the physical and mental well-being of our students by including social-emotional learning into daily lessons and units of instruction.

*Restorative Communities - Acknowledging student behavior and promoting healthy relationships to ensure ALL students and staff feel valued and respected.

-SEL will be embedded in the instructional core during online and onsite learning.

-San Diego Unified School District will continue to provide Trauma-Informed Care and Resilience Education training for educators to equip school site teams in understanding the complexities of these student populations and best practices that can maximize school site efforts.

- Creating a wrap-a-round model of student services through building a strong, healthy foundation for learning, trusting relationships, identifying trauma, and ensuring student needs are met in and out of the classroom, especially for those students who fall into the high-risk category.

Attendance/Chronic Absenteeism Strategies:

-Tier 1 - Classroom teachers will be required to take attendance daily in PowerSchool. Parents of students who are absent will be notified through School Messenger that their child(ren) was absent from the day's learning. Teachers will adjust (within 5 calendar days) daily participation and attendance records when students submit completed assessments and/or assignments.

-Tier 2 - School/district staff and counselor will monitor attendance and participation on a weekly basis and contact the families of students who have multiple days of absences. Additional measures will be taken, and resources offered, to support families of students who are chronically absent.

-Tier 3 - San Diego Unified's Family and Community Engagement team will follow-up with any family that cannot be reached by school site staff. This team will also conduct Home Visits, and wellness checks to connect with students who are not engaging in online learning.

-Classified clerical/noon duty staff adjusting their work to focus on monitoring attendance and working with families to ensure access to online resources and instruction.

Chronic Absenteeism

*Students to be served by this Strategy/Activity

All students in TK - 5th will benefit from this strategy/activity in the area of Chronic Absenteeism, specifically the following subgroups: English Learners, Socioeconomically Disadvantaged, Hispanic, and Black students. Students with Disabilities subgroup decreased their rate of Chronic Absenteeism by 16.5% and is now at 5%, and we want to maintain that number in the current school year.

All students in TK - 5th will benefit from this strategy/activity in the area of Suspensions, but specifically the following subgroups: English Learners, Socioeconomically Disadvantaged, Hispanic, Black, and students with disabilities.

*Strategy/Activity - Description

In order to encourage student attendance, Barnard has implemented a morning walk/jog program in which students walk the perimeter of the blacktop and earn small "tennis shoe" charms that they put on a necklace or backpack chain. These charms are earned for every 20 laps completed. Students love collecting these charms and as a result, do not want to miss the opportunity for earning them.

Barnard staff and students will be trained in Restorative Justice Practices, and in conjunction with the Youth Advocacy Department and our counselor, will establish the Ally Action student leader training. These two strategies/activities will promote positive culture and climate at Barnard, and ultimately will lead to fewer suspensions.

Attendance Committee

*Students to be served by this Strategy/Activity

All students.

*Strategy/Activity - Description

Barnard will establish an Attendance Committee, consisting of at least three staff members. This committee will review data and develop communication strategies for students, staff, and families. Research about the importance of, as well as strategies to support regular attendance, will be presented to students during our All-School Monthly Morning Spirit Rallies, presented to staff during professional learning opportunities, and shared with families during Principal Chats. Additionally, School Messenger and the school marquee will be used to promote the importance of regular attendance.

Barnard staff and students will be trained in Restorative Justice Practices, and in conjunction with the Youth Advocacy Department and our counselor, will establish the Ally Action student leader training. These two strategies/activities will promote positive culture and climate at Barnard, and ultimately will lead to fewer suspensions.

Goal 2 - English Language Arts

Call to Action Belief Statement

We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

NOTE Data from 18-19 baselines and 19-20 targets will continue into the 20-21 school year targets. This is due to the inability to assess in the third trimester because of school closure as of March 13th, 2020.

Resources were allocated to fund the following:

In-school resource teacher to support struggling students with Tier Two interventions; provide support to English Learners in acquiring English and accessing grade-level content; Collaborate with teachers to affect the effectiveness of the teacher in providing more individualized instruction and supports for students in core content areas. Additionally, the Professional Learning Community (PLC) teams will meet regularly, focusing on student performance targets in core content, and design intervention strategies and supports.

*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No differences.

*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Barnard Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

Professional Development for staff will focus on identifying "learning targets" for each concept across all content areas, along with "success criteria" for students. This will ensure a clear understanding of the learning expectation/outcome for each lesson, with the goal of enabling students to self-advocate for their learning, make adjustments, and be able to seek help and/or additional resources when and where needed.

Student Support Team (RSP, SLP, School Counselor, School Psychologist, In-school Resource Teacher, principal, health tech) established to provide in-class academic and socio-emotional support during content area instruction in class.

Visiting teachers will release classroom teachers for regular PLCs, providing teachers' time to collaborate, align, and analyze student work for uniform learning targets and success, criteria will be developed.

*Goal 2 - English Language Arts

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	3rd - 5th	Meet or exceed standards	78%	86%	CAASPP ELA	yearly

*Identified Need

The school's overall data for the 2019 school year indicates 78% of 3rd - 5th-grade students met or exceeded standards in ELA. In the 2018 school year, the data indicates 78% of 3rd - 5th-grade students met or exceeded standards in ELA. There was no gain or loss in ELA for the 2019 school year. Based on the sub-group data we need to continue to focus on improving student achievement and closing the achievement gap specifically with our English Learners, Black Students, and Students With Disabilities. The data also indicates there is an achievement gap with students who are Hispanic.

*Online Learning Implications

- Daily assessment strategies may include exit slips, student discussions, self-assessments, peer reviews, and conferring with students. Weekly assessments may include assessing student writing or student-developed presentations or videos. Monthly or unit assessments may include performance tasks, real-world projects, the development of web pages, and other similar presentations.
- It is critical that summative assessments be used to assess mastery toward grade-level standards and in determining student grades
- Structures and digital tools to support student collaboration
- Flexibility for teachers to provide whole group, small group, and individual instruction
- Multiple assessment opportunities embedded throughout to allow teachers to assess and provide feedback to support students as they move toward mastery
- Professional development for educators
- English Language Development - both Integrated and Designated, in addition to strategies for differentiation and scaffolding instruction for English Language Learners
- Standards-Based Grading

Support for Struggling Students

***Students to be served by this Strategy/Activity**

All students, with an emphasis on the needs of students with disabilities, Black students, Hispanic students, English Learners, and foster youth.

***Strategy/Activity - Description**

Resources were allocated to fund the following:

In-school resource teacher will continue to support struggling learner groups (Hispanic, SWD, Black, ELs) with Tier Two interventions; provide support to ELs in acquiring English and accessing grade-level content; collaborate with teachers to impact the effectiveness in providing more individualized instruction and supports for students in Designated ELD, ELA and Math for target sub-groups, including Hispanic, Black, ELs, and SWD.

In-school resource teachers will continue services for students who were not meeting grade-level reading expectations at the end of the 2019-2020 school year and will collaborate with classroom teachers to identify additional students in need of Tier 2 supports.

In partnership with the principal and classroom teachers, the In-school resource teacher will analyze DRA data for students who are not meeting grade-level standards and will reconfigure groups and strategies as needed. Principal and In-school resource teacher will meet at the end of every grading period, to look at student growth, trends, and where targeted interventions are still needed.

Additionally, PLC teams to meet regularly, focusing on student performance targets in Math and ELA, to develop and implement intervention strategies and supports for all struggling learners, and students performing below grade level.

Weekly assessments may include assessing student writing or student-developed presentation or videos. Monthly or unit assessments may include performance tasks, real-world projects, the development of web pages, and other presentations.
- It is critical that summative assessments be used to assess mastery toward grade-level standards and in determining student grades.
- Structures and digital tools to support student collaboration
- Flexibility for teachers to provide whole group, small group, and individual instruction
- Multiple assessment opportunities embedded throughout to allow teachers to assess and provide feedback to support students as they move toward mastery
- Professional development for educators

Supporting Struggling Learners

***Students to be served by this Strategy/Activity**

All students with an emphasis on the needs of students with disabilities, Hispanic students, Black students, English Learners, and foster youth.

***Strategy/Activity - Description**

Professional Development for staff will focus on identifying "learning targets" for each concept across all content areas, along with "success criteria" for students. To ensure a clear understanding of the learning expectation/outcome for each lesson, with the goal of enabling students to self-advocate for their learning, make adjustments, and be able to seek help and/or additional resources when and where needed.

Visiting teachers will release classroom teachers for regular PLCs, providing teachers' time to collaborate, align, and analyze student work, for uniform learning targets and success criteria to be established.

In-School Resource Teacher

***Students to be served by this Strategy/Activity**

All students with an emphasis on the needs of students with disabilities, Hispanic students, Black students, English Learners, and foster youth.

***Strategy/Activity - Description**

Resources were allocated to fund the following:

In-school resource teacher will continue to support struggling learner groups (Black, Hispanic, SWD, ELs) with Tier Two interventions. The in-school resource teacher will also provide support to English Learners in acquiring English and accessing grade-level content. Additionally, collaborate with teachers to impact the effectiveness in providing more individualized instruction and supports for students in Designated ELD, ELA and Math for target sub-groups, including Black, Hispanic, ELs and SWD.

In-school resource teachers will continue services for students who were not meeting grade-level reading expectations at the end of the 2019-2020 school year and will collaborate with classroom teachers to identify additional students in need of Tier 2 supports.

In partnership with the principal and classroom teachers, the In-school resource teacher will analyze DRA data for students who are not meeting grade-level standards and will reconfigure groups and strategies as needed. Principal and In-school resource teacher will meet at the end of every grading period, to look at student growth, trends, and where targeted interventions are still needed.

Additionally, PLC teams to meet regularly focusing on student performance targets in Math and ELA to develop and implement intervention strategies and supports for all struggling learners and students performing below grade level.

Goal 4- Supporting English Learners

Call to Action Belief Statement

We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities, which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

NOTE Data from 18-19 baselines and 19-20 targets will continue into the 20-21 school year targets. This is due to the inability to assess in the third trimester because of school closure as of March 13th, 2020.

Resources were allocated to fund the following:

Barnard's English Learner population makes up 24% of our enrollment in grades TK-5 (86 students identified as English Learners and 49 students reclassified). In-school resource teacher to support English Learners with Tier Two interventions; provide support to English Learners in acquiring English and accessing grade-level content; collaborate with teachers to impact the effectiveness in providing more individualized instruction and supports for students in Designated ELD and other content areas. Additionally, PLC teams will meet regularly, focusing on student performance targets in Math and ELA and designing intervention strategies and supports.

*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No differences.

*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis.

Identify where those changes can be found in the SPSA.

Professional Development for staff will focus on ELA, Math, and ELD with an in-depth analysis of the Critical Concepts and "learning targets" for each concept, along with "success criteria" so that English Learner students have a clear understanding of the learning expectation/outcome for each lesson. To ensure students self-access their learning, make adjustments, and be able to seek help and/or additional resources when and where needed.

Student Support Team (RSP, SLP, school counselor, school psychologist, principal, and nurse) established to provide in-class academic and socio-emotional support during content area instruction in class for English Learners and other student subgroups.

Visiting teachers will release classroom teachers for regular PLCs providing teachers time to collaborate and analyze Critical Concepts for ELA, Math, and ELD for uniform learning targets and success criteria to be established.

***Integrated English Language Development**

Professional Development for staff will focus on ELD with an in-depth analysis of the "learning targets" for each concept, along with "success criteria" so that students have a clear understanding of the learning expectation/outcome for each language lesson. This is to ensure students self-access their language learning, make adjustments, and be able to seek help and/or additional resources when and where needed.

District training has been provided to educators in the areas of English Language Development (ELD).

Visiting teachers will release classroom teachers for regular PLCs providing teachers time to collaborate and analyze ELD standards so that uniform learning targets and success criteria can be established, and quality ELD lessons developed.

***Designated English Language Development**

Designated and Integrated ELD woven into the English classroom 50/50 schedule.

Professional Development for staff will focus on ELD with an in-depth analysis of the "learning targets" for each concept, along with "success criteria" so that students have a clear understanding of the learning expectation/outcome for each language lesson. This is to ensure students self-access their language learning, make adjustments, and be able to seek help and/or additional resources when and where needed.

Goal 5 - Supporting Students with Disabilities

Call to Action Belief Statement

Ownership: Principals, teachers, and support staff take ownership of all their students, including students with disabilities.
 Access: Students with disabilities are general education students first and should have access to a meaningful course of study.
 Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

District LCAP Goals

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

NOTE Data from 18-19 baselines and 19-20 targets will continue into the 20-21 school year targets. This is due to the inability to assess in the third trimester because of school closure as of March 13th, 2020.

43.8% of students with disabilities met/exceeded the standard on the 2019 CAASPP ELA assessment, resulting in an increase of 2.6% since the 2018 CAASPP.

31.3% of students with disabilities met/exceeded the standard on the 2019 CAASPP Math assessment, resulting in a decrease of 4.0% since the 2018 CAASPP.

*During the 2019-20 school year, Barnard was in the process of establishing a baseline for % of students with disabilities who met their IEP goals and will continue to track this data for the 2020-21 school year.

The current models for students with disabilities include, but is not limited to, the following:

- Co-teaching by the Education Specialist in the general education classroom for all students receiving push-in services
- Education Specialist works with all grade levels to coordinate student services, for maximum effectiveness in core subjects, and to support inclusive practices
- Classrooms with more than 2 SPED identified students in the room, ideally will also receive support from a paraeducator, depending on staffing
- Para-educators received district training on providing supports using various strategies, targeting best practices for each students' goals

Teachers work in grade-level PLC's to analyze student data and written work, to uncover areas of instructional gaps in learning in the core content areas in both languages.

*Major Differences						
Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.						
Due to not being able to take the CAASPP because of COVID19 in the 2019-2020 school year, we are continuing the same goals and target growth areas into the 2020-2021 school year.						
*Changes						
Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Goal 6 - Supporting Black Youth

Call to Action Belief Statement

Developing antiracist and restorative school communities.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

***Goal 6- Supporting Black Youth**

By Date	Grade	Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	K-5	Black students	Improve academic success as measured by grades	Baseline	+10%	Grades	Annually

***Goal 6 Supporting Black Youth - Additional Goals**

- ✓ 1. Beginning in the Fall of 2020, Barnard site selection/hiring panel will complete anti-bias training before conducting any interviews.
- ✓ 2. In the 2020-21 school year, Barnard will develop and implement a site-specific system for tracking classroom referrals.
- ✓ 3. Barnard will create a process for ensuring a student is assigned a Student Champion (staff member) to help them through any suspension or expulsion process.
- ✓ 4. Barnard will develop a Site Equity Team that meets quarterly throughout the school year to monitor attendance and grades with a focus on Black Youth as well as staff diversity goals.
- ✓ 5. In the 2020-21 school year, Barnard will develop and implement a site-specific system for tracking school police detainments.
- ✓ 6. The staff diversity goal at Barnard is to maintain or increase the percentage of diverse educators from the current year to the following year.

***Identified Need**

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by

districts to measure pupil achievement.

At Barnard, we understand the importance of supporting Black students. In looking at the data that has been collected previously, we are facing some challenges in determining how to best identify and track the educational supports and progress of this student group. We believe that there may be students who identify as being "Two or more races", or Black (not an option currently), instead of choosing the provided "African American" option. The "African American" population at Barnard is currently hovering at around 2%, which then means that student data for this sub-group is not reported on state-level assessments. We understand that at our site, Black students have additional needs that are not being met by the current systems in place, and we are working to establish new systems to better support Black youth and all students of color at Barnard.

***Online Learning Implications**

We will work with the SDUSD Youth Advocacy Department to provide resources and online training for all site staff around Culturally Responsive and Sustaining Practices. Additionally, we will offer a parent workshop to provide student support in the areas of learning, building trusting relationships, identifying trauma, and ensuring all student needs are met in the classroom.

Barnard Site Equity Team

***Students to be served by this Strategy/Activity**

Black youth and students of color will be the focus, but ALL students at Barnard will benefit from the Equity Team, and the strategies provided.

***Strategy/Activity - Description**

The Barnard Equity Team will work to establish a method of identifying Black youth at Barnard so that we can better track academic success; develop site resources, and a plan to support this group of students. The team will also determine ways to better involve families in this work at Barnard. They will use parents as resources to determine what needs to be put in place to ensure these students are successful during online learning and provide additional supports as needed. The Equity Team will share their findings with other site staff to develop a unified vision of supporting Black youth site-wide.

Goal 7 - Family Engagement

Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

District LCAP Goals

5. Family and community engagement with highly regarded neighborhood schools that serve students, families and communities

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

In order for parents to be involved, parents often request events to be scheduled on weekends or evening times during the week.

Principal Chats/Coffee with the Principal, Coffee with the PTA, open attendance to SSC, ELAC, and SGT meetings were widely advertised in order to seek and gain more input from parents regarding school programs.

*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Events were held on weekends and later, however, families' attendance rates remained the same. A few parents who normally do not attend a school event were able to attend an event because of the changes.

*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

- Our goal will be to communicate with 100% of our families in the 2020-21 school year regarding their students' academic and citizenship progress.
- Communication with Barnard families includes, but is not limited to, the following ways:
 - Progress and Report Cards
 - Letters/Emails home to families (including positive communication)
 - Parent/Teacher conferences
 - Share formative assessment results

Barnard Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- Phone calls home (including positive calls)
- Absent Students frequently have additional interventions that we will employ to keep them connected to school:
 - PowerSchool auto message home
 - Follow-up call by school clerk
 - Referral to a school counselor or military counselor (if applicable)
 - Teacher calls the family to check-in
- Families receive communication about school events in the following formats:
 - through weekly Principal Update emails home to families via School Messenger
 - social media updates from our PTO and Principal
 - teacher letter/emails sent home
- The families of Barnard contribute in the following ways: - PTA - School Site Council - Site Governance Team - Yearbook - DAC - GATE DAC - English Learner Advisory Committee - Monthly Principal Meetings - Parent Surveys/Input Meetings

*Goal 7- Family Engagement

By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2021	Other (Describe in Objective)	School actively seeks the input of parents before making important decisions	72%	90%	CAL - SCHLS (CSPS)

2018-19 CSPS.

*Online Learning Implications

- A District Welcome Week will be hosted for educators, students, and families in which virtual lessons, training, and professional development will be offered for all
- All Students will receive a district-issued device to ensure access to the curriculum while in an online learning format
- Internet connectivity is supported for any SDUSD family that does not have an internet connection to support online learning
- District is also supplying families with training on SEL, Wellness, Health and Safety
- These training sessions will cover topics such as the introduction to SEL competencies, identification of emotions in self and others, expression of

Barnard Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

emotions, wellness practices, and health/safety recommendations

- These training opportunities will be communicated to families and available throughout the year via District Website and Parent Leadership groups
- For students and families with unique circumstances such as challenges related to transportation, housing, or other factors, the SDUSD team developed a 'special delivery' process. This process empowered principals or other district staff to initiate options to provide families with devices and/or connectivity via local delivery, shipping, or other approaches to meet their technology and internet access needs
- Training for parents/other caregivers information may be shared with school staff, ELAC (English Learner Advisory Committee), or SSC for parents to consult, provide feedback or advise
- Reduction in on-campus volunteering due to restrictions of volunteers being allowed on campus
- Annual traditions of Back to School, Moon Festival, Chinese New Year, and parent conferences week may have to be relocated to an online format
- Evaluating new ways to maintain families' connectedness to the school - Virtual Pep Rallies - Virtual Spirit Week - Birthday Celebrations via Social Media - digital story time - conversation buddies

*Annual Measurable Outcomes

By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2021	ELAC	Establishing site ELAC Committee, consisting of at least 5 members, with attendance of at least 51% of committee attending at least one meeting. Measure of success will be number of committee members and sign-in sheets at each meeting.	Baseline being established	51%	Other - Describe in Objective

Family engagement

*Families to be served by this Strategy/Activity

All Barnard families, but specifically EL families.

*Strategy/Activity - Description

Since Barnard is a 100% dedicated magnet school, most of our families live outside of our school boundary. To engage all families in the school, Barnard will incorporate various times and days for events so that families living further away from the school have an opportunity to attend Barnard school events, and/or classroom events. Some of the ideas that Barnard is trying this year, are to hold events on a Saturday so that families who cannot attend a weekday event can have an opportunity to attend a weekend event. Some of those events include, but are not limited to, Moon Festival, Barnard Dragon boat race, PB holiday parade, and our Chinese New Year fair.

Goal 8- Graduation/Promotion Rate

Call to Action Belief Statement

All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning

Closing the Equity Gap

***Students to be served by this Strategy/Activity**

All students, with an emphasis on the needs of students with disabilities, Hispanic students, Black students, English Learners and foster youth in 3rd and 5th grade.

***Strategy/Activity - Description**

Resources were allocated to fund the following:
In-school resource teacher will continue to support struggling learner groups (Black, Hispanic, SWD, ELs) with Tier Two interventions, as well as provide support to English Learners in acquiring English and accessing grade-level content. Additionally, collaborate with teachers to impact the effectiveness in providing more individualized instruction and supports for students in Designated ELD, ELA and Math for target sub-groups, including Hispanic, Black, ELs, and SWD. Additionally, PLC teams to meet regularly focusing on student performance targets in Math and ELA to develop and implement intervention strategies and supports for all struggling learners and students performing below grade level.

Professional Learning Communities

***Students to be served by this Strategy/Activity**

All students, with an emphasis on the needs of Hispanic students with disabilities, Black students, English Learners, and foster youth in 3rd and 5th grade.

***Strategy/Activity - Description**

Professional Development for staff will focus on identifying "learning targets" for each concept across all content areas, along with "success criteria" for students to have a clear understanding of the learning expectation/outcome for each lesson, to enable students to self-advocate for their learning, make adjustments, and be able to seek help and/or additional resources when and where needed.
Visiting teachers will release classroom teachers for regular PLCs, providing teachers time to collaborate, align, and analyze student work, for uniform learning targets and success criteria to be established.

STEAM

Our Vision

Our work is about widening the sphere of success by engineering equitable learning outcomes for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive educational experiences in order for students to be agents of change and make hope a reality.

STEAM Belief Statement

We believe students grow and thrive in powerful and dynamic STEAM classrooms where they experience a collaborative, interdisciplinary, and inquiry approach to learning. The curriculum is grounded in Next Generation Science Standards with many opportunities for complex, real-world problem seeing and solving. Each day students will experience hands-on, integrated lessons inviting them to design, innovate, and apply their literacy, numeracy, science, engineering, arts, and 21st century skills to non-routine tasks. Students in STEAM classrooms are empowered to see opportunities, build empathy, and create innovations with the potential to impact their world in real and powerful ways.

Leading, Implementing, Monitoring, and Actualizing a Coherent Plan

The Next Generation Science Standards are integrated within the English and Mandarin components of Barnard's Mandarin Immersion program. Each day, Barnard students have the opportunity to explore, investigate, question, hypothesize, and apply their literacy and mathematical reasoning skills in Science in both languages through the district Science program, Mystery Science for elementary students program, and the San Diego Youth Science program for 3rd - 5th-grade students. Barnard students have the unique opportunity to develop these 21st-century skills in two languages, English and Mandarin. To build capacity in STEAM, Barnard 3rd - 5th-grade teachers co-teach alongside a local Marine biologist conducting lessons that include our local environment and ecosystems, and the problems each face in our community. Barnard students are problem-solving and developing solutions to real-world issues in our community.

School Leadership Actions

Leadership Practice

The administrator leads with a clear rationale, vision, high expectations for achievement, and immediacy for change. The administrator collaborates with and motivates staff through providing support, sharing leadership, paying attention to the work and magnifying new learning. The administrator monitors belief systems and teaches the importance of embracing diversity and respecting all cultures. The staff knows why change is important, and collectively acts to propel it through seeking out new learning.

Leading, Implementing, Monitoring, and Actualizing a Coherent Plan

Implementation of SPSA Goals and Priorities:

The site principal will monitor the implementation of priorities and strategies outlined in the SPSA. As indicated in the site plan, several of the focus areas have priorities and strategies that overlap, requiring the integration of resources to actualize precise implementation.

Strategic Plan Implementation:

The 2020-2021 strategic plan revolves around the three focal points of Teacher Clarity, Safe, Collaborative and Inclusive Culture, and Guaranteed and Viable Curriculum (GVC). When considering the San Diego Unified's Plan of Action for our students, and working with the Student Support Team, the three focal areas were constructed.

Evaluation: Teacher Clarity

As the instructional leader, I will create opportunities for self-reflection, analysis, and implementation of best practices. This will require that I coach closely, alongside the classroom teacher, and develop capacity builders within my school site. As we, (teachers and myself) learn together, the outcome is for better communication of learning targets and success criteria between the teacher and the learner.

This criterion includes, but is not limited to, the following:

- Soft Observational Data in ELA and Math: Learning intentions clear, and explicitly taught, success criteria clear, various types of feedback from the teacher.
- Hard Data-subgroups: Students With Disabilities (SWD), Black, Hispanic, and English Learners (EL) and closing the equity gap in SBAC (ELA & Math), DRA, FAST (Reading/Math), Raz-Kids, and Achieve 3000.
- Task alignment to Critical Concepts; expectations communicated by teachers, and understood by students.
- Metacognition-high occurrence of students being able to share overtly what they are learning, and how they strategically have learned it.
- High levels of students being able to communicate what, why, and how they know they have learned.
- Professional Development foci on Cultural Proficiency, Equity, Restorative Practices, Co-Teaching/Inclusion, Growth Mindset/Power of "Yet", "learning targets" and "success criteria" in ELA and Math throughout the year (D. Fisher; N. Frey; O. Amador model), with a specific emphasis on our sub-group students.

Evaluation of Safe, Collaborative School Culture:

As the instructional leader, I will create opportunities for self-reflection, analysis, and implementation of best practices. This will require that I coach

closely, alongside classroom teachers, and develop capacity builders within my school site. As we, (teachers and myself) learn together, the outcome is for better communication of learning targets and success criteria between the teacher and the learner in a safe, collaborative school environment.

- Ensure that subgroups are receiving the interventions and feedback they need.
- Coach teacher leaders how to model what it looks like to assist students in consistently actively processing their learning at higher levels, and with high expectations.
- Ensure consistent experiences of students communicating their learning and/or learning expectations with each other.
- Ensure consistent experiences of students creating viable arguments defending their learning with each other in a respectful manner.
- Encourage student-led discussions, with more "guide on the side", and less "sage on the stage" pedagogy.
- Raise subgroup data for SWD, Hispanic, Black, and EL student performance levels to close the equity gap.
- Professional Development foci on Cultural Proficiency, Equity, Restorative Practice, Co-Teaching/Inclusion, "learning targets" and "success criteria" in ELA and Math throughout the year (D. Fisher; N. Frey; O. Amador model), with a specific emphasis on our sub-group students.

Evaluation of GVC at Barnard:

As the instructional leader, I will create opportunities for self-reflection, analysis, and implementation of best practices. This will require that I coach closely, alongside classroom teachers and develop capacity builders within my school site. As we, (teachers and myself) learn together, the outcome is for better communication of learning targets and success criteria between the teacher and the learner.

- High-quality PLCs ensuring instruction in grade-level classrooms is student-centered, based on data, and with high expectations for all students.
- Instruction and rigor is set high, to meet the needs of our Hispanic, Black, EL students, and students with disabilities.
- We need to develop more teacher leaders and set up time/space for cross-teacher observations.
- Growth in teacher instruction & student performance to enhance Math language/Math literacy focus.
- When grade level PLCs meet, student data (reading levels, formative/summative assessments) will be reviewed and analyzed to allow data to drive instruction.
- Task alignment to expectations of Critical Concepts
- In our data-driven culture, we will strengthen Tier One instruction and Tier Two supports for ALL students and in PLC meetings, teachers will analyze student supports needed.
- PD foci on Cultural Proficiency, Equity, Restorative Practice, Co-Teaching/Inclusion, Growth Mindset/Power of "Yet", "learning targets" and "success criteria" in ELA and Math throughout the year (D. Fisher; N. Frey; O. Amador model).

Online Learning Implications and Actions:

- At Barnard we have an attendance outreach team that consists of the school principal, clerk, counselor, ESA, health tech, and district team developed for reaching out. In addition to our first line of outreach: our amazing teachers. In collaboration, all of the above-outlined staff are working together to ensure that all of our students are actively engaged in learning this year.
- Staff attended a series of professional development learning opportunities during the first week of school to learn about student engagement and the carrying factors that they experience.
- Also, our professional learning has been utilizing the text, "Distance Learning Playbook" to drive our professional learning this year. The book includes strategies for engaging all students, ways in which to adjust learning to meet all students' needs online, and strategies for building positive classroom

culture and system of support.

- In August and September 2020, the Barnard teacher team engaged in a Book Club, created to discuss the "Distance Learning Playbook", and share ideas and pedagogical strategies around best practices for online teaching and learning.
- We are also working closely with the Youth Advocacy Department to implement Restorative Practice, Ally Action, Culturally Proficient, and Equity programs.
- The ability to ensure equitable access and opportunities for all students is our staff-wide goal. Beyond the professional learning and training that our staff has attended, we continue to set weekly and monthly monitoring benchmarks around what we are doing. We are ensuring this work by keeping this topic at the forefront of everything that we are doing this year in the service of our students. In addition, during grade-level PLC meeting time, we are reviewing students who are at risk and utilizing our team approach to determine what resources are needed.
- Parent access is an important component of our program. We use weekly School Messenger, school supply distributions, updates on the school website, principal updates, social media, PTA social media and weekly newsletters, school marquee, personal phone calls, parent meetings, monthly principal chats, and more, to stay in communication with families. When applicable we are having our materials translated for access for all families.
- For me as the leader, one of the biggest actions that I am going to take, is staying present and connected to the teachers, students, staff, and families. Now more than ever, all of the stakeholders involved need to know that I am present and available to lead, support, communicate, and provide a stable base. I must provide strong leadership that is focused on the goals that we have highlighted throughout the SPSA.

PARENT & FAMILY ENGAGEMENT POLICY

San Diego Unified School District
Finance Division
Financial Planning, Monitoring and Accountability Department

Barnard Mandarin Magnet Elementary School
PARENT AND FAMILY ENGAGEMENT POLICY 2020-21

Barnard Mandarin Magnet Elementary School (Barnard) has developed a written parent and family engagement policy with input from parents. The Barnard Site Council (SSC) committee, comprised of teachers, school staff members, and parents, developed the parent involvement policy. This policy has been distributed to all parents and guardians through the SchoolMessenger system.

This policy describes the means for carrying out parent and family engagement requirements pursuant to ESSA Section 1116(c).

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of subsections (c) through (f). How are parents notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand? How is the policy made available to the local community? How and when is the policy updated periodically to meet the changing needs of parents and the school (ESSA Section 1116[b][1])?

To involve parents the following practices have been established:

The school convenes an annual meeting to inform parents about the right of parents to be involved in the school program. Add details about the annual meetings in the box below:

SSC (School Site Council) meets to review and develop programs to support implementation of parent policies.

During annual Back to School Nights, Principal Updates, Social Media, PTA Meetings, and Principal Chats during the first month of school, parents are informed on ways parents can participate in their child's education and be involved at Barnard.

The school offers a flexible number of meetings for parents, such as meetings in the morning or evening. Add details about the meetings in the box below:

At Barnard, we are committed to providing a flexible number of meetings to engage parents in order to increase student achievement. We have a variety of opportunities for parents to become involved in the education of our students. We also have several committees to encourage involvement such as SSC, SGT, ELAC and the Barnard Parent Teacher Association (PTA).

The school involves parents of students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's programs and the parental involvement policy. How does the school involve parents?

At Barnard, we have monthly meetings scheduled for parents to be involved with committees such as the SSC, SGT, ELAC and PTA. Topics during the meetings include (but are not limited to):

- Discussing student assessment data and student progress
- Evaluating instructional programs
- Reviewing Single Plan for Student Achievement
- Improving communication between school and home
- Understanding the school site and district budgets
- Evaluating the effectiveness of the school's parent involvement policy to increase parent involvement

The school provides parents of students with timely information about the schools programs. How does the school provide the information?

- Barnard School Website and Barnard PTA Website
- SchoolMessenger System
- All-School Monthly Morning Meetings
- Mission Bay Cluster Meetings
- Parent Tours (when safe to do so based on Federal, State, County, and District guidelines)
- Back to School Night and Open House
- Social Media (Facebook and Instagram)

The school provides parents with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet. How does the school provide the information?

- SSC, SGT, ELAC, PTA
- Back to School Nights
- Parent/Teacher Conferences
- Parent Tours (when safe to do so based on Federal, State, County, and District guidelines)
- Report Cards (3 times per year)

If requested by parents, the school provides opportunities for parents to participate in decisions relating to the education of their children. How does the school provide the opportunities?

- Parent/Teacher Conferences
- Student Study Team Meetings
- 504 Meetings
- Individualized Educational Plan Meetings
- SSC/SGT
- ELAC

The school engages parents in meaningful interactions with the school. The Compact supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides parents with assistance in understanding the state’s academic content standards, assessments, and how to monitor and improve the achievement of their children.

- The school’s responsibility to provide high-quality curriculum and instruction.
- The ways parents will be responsible for supporting their children’s learning.
- The importance of ongoing communication between parents and teachers through, at a minimum: annual parent-teacher conferences; reports on student progress; access to staff; opportunities to observe classroom activities.

The school provides parents with materials and training to help them work with their children to improve their children's achievement.

- Back to School Nights
- Parent/Teacher Conferences
- SchoolMessenger System
- School Website
- Parent Workshops

The school educates staff members in the value of parent contributions, and in how to work with parents as equal partners.

- We encourage staff members to build positive relationships with parents in order to best support our students.
- We encourage parent volunteers (when safe to do so based on Federal, State, County, and District guidelines)
- Staff members and parents communicate via e-mail, video conferencing, phone and in-person conferences (when safe to do so based on Federal, State, County, and District guidelines)
- Review of District Vision 2020 and Parent Involvement Standards

The school coordinates and integrates parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.

- New Student Orientation Meetings
- Schoolwide Programs for Parent Involvement: Writer’s Night, Moon Festival, Chinese New Year
- Parent Tours (when safe according to federal/state/county/district guidelines)
- Parent Workshops

The school distributes Information related to school and parent programs, meetings, and other activities to parents in a format and language that the parents understand.

Methods:

- PTA Website
- Social Media
- SchoolMessenger System

- Digital/Paper Flyers (when back on-site)
- Materials in languages upon request
- Translators for individualized meetings as necessary

The school provides support for parental involvement activities requested by parents.

- Teacher representatives at PTA meetings
- Facilities rentals or usage (when safe to do so based on Federal/State/County/District guidelines)
- Communication of messages to parents through SchoolMessenger
- Ongoing communication and collaboration with the principal

The school provides opportunities for the participation of all parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand).

- Materials in languages other than English, upon request as available
- Translators at individualized meetings as necessary

This policy was adopted by Barnard on September 30, 2020 and will be in effect for the period of the 2020-2021 school year.

The school will distribute the policy to all parents of students on, or before: 10/05/2020.

APPENDIX C**SCHOOL PARENT COMPACT**

San Diego Unified School District
Finance Division
Financial Planning, Monitoring and Accountability Department

**BARNARD MANDARIN MAGNET ELEMENTARY SCHOOL
SCHOOL PARENT COMPACT**

This School Parent Compact is in effect year 2020-21.

Barnard Mandarin Magnet Elementary School (Barnard) distributes to parents and family members a School Parent Compact (Compact). This Compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. This Compact describes specific ways the school and families will partner to help children achieve the state's high academic standards. This Compact addresses the following legally required items, as well as other items suggested by parents and family members of students:

REQUIRED SCHOOL PARENT COMPACT PROVISIONS

Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating children to meet California's student academic achievement standards.

Hold parent-teacher conferences (at least annually in elementary schools) during which this Compact will be discussed as it relates to the individual child's achievement.

Provide parents with frequent reports on their child's progress.

Provide parents reasonable access to staff.

Provide reasonable access to staff, opportunities for parents and family members to volunteer and participate in their child's class, and to observe classroom activities.

How does the school address this?

Barnard Faculty will:

*Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating students to meet California's student academic achievement standards as follows:

* Foster a nurturing, learning environment where all students feel safe to share their ideas and take risks; a learning environment that has rigorous academic standards and high expectations for all children to succeed.

* The Barnard Mandarin Magnet (mission philosophy): Barnard Mandarin Elementary students will develop the ability to use their knowledge of diverse cultures and Mandarin to think critically and become self-directed, thoughtful, responsible, and successful global citizens who understand the world around them. The blending of a world language program with a rigorous and well-rounded English program will prepare Barnard students for the challenges of the 21st century.

* Barnard Mandarin Magnet recognizes that parents, teachers, and community members function as genuine partners in the education of all children. A variety of programs encourage collaboration in service of educational development to empower each and every child at Barnard to achieve their highest expectations. We respect diversity, and promote the development of each child as a lifelong learner and a global citizen. Students are challenged to strive for excellence in a supportive, nurturing and interactive environment.

* To create global citizens, we believe we must provide students with opportunities to solve problems in innovative (outside the box) ways. Thus, students will become problem solvers who think critically.

* We provide programs to meet the needs of every student. We have rigorous programs for all, and supportive Special Education programs for students with IEPs. Our students also have many opportunities to discover their talents. Students in upper grades, 4 and 5, participate in the SDUSD VAPA department instrumental music program.

* Will have a Library Media Center. Our Library Media Center is staffed with a librarian who provides story time as well as lessons on effectively using the library for research. Our library is supplied with novels, dictionaries, encyclopedias and online resources.

* Will have parental Involvement at the site including, but not limited to, School Site Council, Site Governance Team and PTA. Barnard is fortunate to have a very active Parent Teacher Association (PTA). The PTA provides additional funding to purchase instructional materials, resources, and enrichment opportunities. Our School Site Council and Site Governance Team provide guidance to the principal in budgetary decisions as it relates to student achievement and school facilities, staffing, maintenance and operations.

Hold parent/teacher conferences during which this compact will be discussed as it relates to Barnard and the individual student's achievement.

* All parents are offered a parent-teacher conference in the first reporting period. Additionally, minimum days for parent-teacher conferences are calendared in the spring after the second reporting period.

* Individual Parent/Teacher Meetings (upon request)

* Student Study Team Meetings - these meetings are interventions to support students who are struggling academically and behaviorally (upon request)

* 504 Meetings - these meetings support students with an identified disability (upon request)

* Individualized Educational Education Program Meetings - these meetings support students with special needs (annually or upon request).

- * Provide parents with reports on their student's progress as needed.

Provide parents reasonable access to staff.

- * Barnard has a voicemail system and an email system where parents can leave voicemails or send email correspondence to their student's teacher and/or other staff members. All staff members will return correspondence as soon as possible and no later than three business days during the work week.
- * On the Barnard website, barnard.sandiegounified.org, information is available.
- * Parents can also contact the administration in order to support their student academically, socially and emotionally.

Provide parents opportunities to volunteer and participate in their students' classes and to observe classroom activities, as follows:

- * All classroom volunteers, parent chaperones must have a TB clearance and pass a security clearance. Please contact the main office for more information.
- * Room parents serve as parent representatives in all classrooms to coordinate the flow of information between the teacher and the parents.
- * Barnard welcomes all parents to visit our classes (when it is safe to do so). If you are interested in visiting our classes, please contact your child's teachers to make an appointment to visit your student's classes.

The school engages parents and family members to improve the achievement of their children in meaningful interactions with the school. This Compact supports a partnership among staff, parents and family members, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides parents and family members with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children in the following ways:

Barnard Faculty will:

- * Outline academic and behavior expectations by creating a Back-to-School Night Power-Point Presentation.
- * Organize events such as Back to School Nights and Open House.
- * Provide ongoing feedback regarding student achievement.
- * Provide individual conferences annually and others if needed to discuss progress.

The school provides parents and family members with materials and training to help them improve the achievement of their children in the following ways:

Barnard Faculty will:

- * Organize events such as Back to School Nights and Open House.
- * Provide opportunities to support families in health and wellness and being eco-friendly.

With the assistance of parents and family members, the school educates staff members in the value of parent and family member contributions, and how to work with parents and family members as equal partners in the following ways:

Barnard faculty will:

- * Continue to learn ways to build relationships with students and parents via professional development meetings.
- * Plan professional development around parental involvement and how to increase student engagement such as reaching your focus students, meeting all student needs through an equity lens.
- * Partner with community organizations to promote cultural awareness.

The school coordinates and integrates parental involvement program with other programs, and conducts other activities, such as resource centers, to encourage and support parents and family members in more fully participating in the education of their children in the following ways:

At Barnard we have various opportunities to support our families such as:

- * School Tours (when safe to do so)
- * Kindergarten and New Student Orientation
- * All-School Monthly Morning Meetings

The school distributes information related to school and parent programs, meetings, and other activities to parents and family members in a format and language that the parents and family members can understand in the following ways:

At Barnard, we will:

- * Distribute information via SchoolMessenger, in the student's home language.
- * Distribute written information to parents in the student's home language (when back on-site).
- * Provide information in the main office provided in multiple languages (when back on-site).
- * Update the Barnard and Marquee with current information.

The school provides support for parent and family member involvement activities requested by parents and family members in the following ways:

At Barnard, we will provide:

- * Individual parent/teacher meetings (upon request)
- * Student Study Teams - these meetings are an intervention to support students who are struggling academically and behaviorally (upon request)
- * 504 Meetings - these meetings support students with an identified disability (upon request)
- * Individualized Educational Education Program Meetings - this meetings support students with special needs (annually or upon request).
- * Provide parents with reports on their student's progress as needed.

The school provides opportunities for the participation of all parents and family members, including those with limited English proficiency, disabilities, and migratory students; and that the information and school reports are provided in a format and language that parents and family members can understand in the following ways:

At Barnard, we will:

- * Distribute information via SchoolMessenger, in the student's home language.
- * Distribute written information to parents in the student's home language (when back on-site).
- * Provide information in the main office provided in multiple languages (when back on-site).
- * Provide translation services as needed.

This Compact was adopted by the Barnard SSC on September 30, 2020, and will be in effect for the period of the 2020-2021 school year.

The school will distribute the Compact to all parents and family members of students participating on, or before: 10/05/2020.

English Learner Progress Indicator

All English Learner Students

Explore information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

Assessments: ELs take the ELPAC exam to measure progress towards English language proficiency. The ELPAC has 4 levels.

Accountability: The 4 ELPAC levels were divided into 6 ELPI levels to determine whether ELs made progress toward English language proficiency.

APPENDIX E**2020-21 SPSA ASSESSMENT AND EVALUATION**

Barnard Elementary SPSA EVALUATION OF LCFF FUNDED ACTIONS/ACTIVITIES

SCHOOL NAME: BARNARD ELEMENTARY

SPSA EVALUATION OF LCFF FUNDED ACTIONS/ACTIVITIES: 09800

SCHOOL YEAR: 2019-20

Goal 2 - English Language Arts

Strategy/Activity 1-Support for Struggling Students

***Strategy/Activity - Description**

Professional Development for staff will focus on ELA with a in-depth analysis of the Critical Concepts and "learning targets" for each concept, along with "success criteria" in order that students have a clear understanding of the learning expectation/outcome for each lesson, with the goal of enabling students to self-assess their learning, make adjustments, and be able to seek help and/or additional resources when and where needed.

Student Support Team (RSP, SLP, school counselor, school psychologist, In-schl. Res. tchr., principal, nurse) with the intention of providing in class academic and socio-emotional support during content area instruction in class.

Visiting teachers will release classroom teachers for monthly PLCs providing teachers time to collaborate and analyze Critical Concepts for ELA in order that uniform learning targets and success criteria can be established.

***Proposed Expenditures for this Strategy/Activity**

Analysis:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Description:

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
