**SCHOOL PLAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY****PURPOSE AND DESCRIPTION**

This School Plan for Student Achievement fulfills the requirements of Title 1 School wide Program. At Hawthorne Elementary our mission is to ensure we are meeting the needs of all stakeholders. We strive to have our students embrace learning in order to reach their highest potential in a safe and nurturing environment. School programs are strategically designed to engage students in a high quality, standards-based instructional program that inspires critical thinking, problem solving, and perseverance. We strive to maximize opportunities for students to develop strong character and social competence to become contributing members of society who will positively impact their communities. We provide engagement opportunities for students, educators, families and community members to build a global connection through collaboration, communication and technology. This School Plan for Student Achievement includes goals and strategies that will improve student achievement in multiple areas. The goal is to cultivate a safe, supportive, and collaborative learning environment for all stakeholders.

**PURPOSE AND DESCRIPTION (ESSA REQUIREMENTS)**

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

LCAP Goal 1: Closing the achievement gap with high expectations for all.

LCAP Goal 2: Access to broad and challenging curriculum.

LCAP Goal 3: Quality leadership, teaching and learning

LCAP Goal 4: Positive school environment, climate, and culture – with equity at the core and support for the whole child.

LCAP Goal 5: Family and community engagement with highly regarded neighborhood schools that serve students, families and communities.

**STAKEHOLDER INVOLVEMENT (REQUIRED)**

At Hawthorne, our community engaged in a collaborative process in the development of the SPSA. It is essential to involve all members of our learning community to create a culture of achievement. In 2019-20, stakeholders were involved in the 2020-2021 budget development process via multiple meetings opportunities to dialogue and to solicit input. These include SSC/ELAC, PTSA, Whole Staff Meetings, and Coffee with the Principal Meetings. The ELAC has in the past been rolled into the SSC, this year we are striving to separate the two groups.

January 2020- Staff met to analyze data and provided budget recommendations.

January 2020-SSC reviewed and approved the 20-21 budget.

October 2020- SSC developed and approved 2020-2021 SPSA

October 2020 SSC developed the Title I School Parent Compact and Title I Parent & Family Engagement Policy

October 2020 ELAC met to discuss the evaluation and assessment survey and provided input on funding that would support English Language Learners

October 2020 ELAC recommendations were shared with SSC

October 2020 the Annual Title I Parent Meeting was held

October 2020 Home-School compact and Parent Engagement sent home

Principal's Coffees: Discussed, brainstormed and shared ideas on how to best support students

Staff meetings: During multiple staff meetings throughout the year, we discussed student needs/student supports, needed instructional materials, priorities for spending monies. Information was collected via group discussion and private survey.

PLCs: Discussion at each meeting included student performance and interventions needed as well as the effectiveness of each intervention. The achievement gap as well as needed focus and materials/resources for the coming months and school year. This information was used to help construct this SPSA and the budget.

### **RESOURCE INEQUITIES**

Hawthorne's root cause analysis involved examining data from CAASPP, the California Dashboard, California Healthy Kids Survey, California Parent Survey, site data, and a review of 2019-20 SPSA.

An analysis of the student groups (3rd-5th) CAASPP results indicate continued overall growth in the areas of ELA and math since the last.

Overall 3rd-5th graders met or exceeded standards on the CAASPP in ELA at 69.6% in 18-19 school year. This is an increase from 17-18 at 52.4% and 16-17 at 40.4%

The 5th grade cohort of 2018-2019 school year met or exceeded standards on the CAASPP in ELA at 59.4%. This was an increase over their scores in 17-18 of 37.6%, and in 16-17 of 43.8%

The 4th grade cohort of 2018-19 school year met or exceeded standards on the CAASPP in ELA at 72.3%. This was an increase over their scores in 17-18 of 70%

The 3rd grade cohort of 2018-19 school year met or exceeded standards on the CAASPP in ELA at 73.9%

Overall 3rd-5th graders met or exceeded standards on the CAASPP in math at 65.6% in 18-19 school year. This is an increase from 17-18 at 49.5% and 16-17 at 37.6%

The 5th grade cohort of 2018-2019 school year met or exceeded standards on the CAASPP in math at 43.8%. This was a decrease over their scores in 17-18 of 46.9%, and in 16-17 of 68.8%

The 4th grade cohort of 2018-19 school year met or exceeded standards on the CAASPP in math at 70.2%. This was a minimal increase over their scores in 17-18 of 69.2%

The 3rd grade cohort of 2018-19 school year met or exceeded standards on the CAASPP in math at 76%

Students with Disabilities and English Learners are our lowest performing subgroups in ELA and math. Although these subgroups have demonstrated growth in both tested areas, their results (33.3% meeting or exceed standards for SWD and 16.7% meeting or exceeding standards for ELs in ELA and 26.7% meeting or exceed standards for SWD and 16.7% meeting or exceeding standards for ELs in math) are a cause of concern.

To develop the goals for this plan, we continue to use 2018-19 SBA data due to a lack of state testing in 2019-2020. To determine goal percentages we used both cohort data (E.g. to determine the goal for this year's fifth graders we used 2018-19 fourth grade data) and overall subgroup data.

**Root Cause Analysis:**

Student performance data was analyzed and stakeholders reflected on the 2019-20 school year to identify root causes of student underperformance as well as what interventions were in place that had led to our overall growth over the last 3 years. After reflecting it was clear we needed to address Tier 1 Instruction for underperforming subgroups; access to materials to engage and meet students at their instructional levels, access to additional instructional time, and increased parent involvement. COVID-19 Closures and the advent of online learning have brought to light attendance, engagement, and participation inequities that will need to be monitored until onsite schooling can resume.

**GOALS, STRATEGIES, EXPENDITURES, & ANNUAL REVIEW**

**Goal 1 - Safe, Collaborative and Inclusive Culture**

**Call to Action Belief Statement**

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

**District LCAP Goals**

4. Positive school environment, climate, and culture – with equity at the core and support for the whole child.

**Annual Review of This Goal: SPSA Reviewed 2019-20**

**\*Analysis**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

In 2019-20 we continued implementing The Husky Way, Family Fridays, and Social/Emotional counseling groups, and our SEL curriculum, Second Step. We started a closer monitoring and response system of our chronically absent students which included frequent outreach, contact with families, and parent education on absenteeism.

**\*Major Differences**

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Due to the COVID-19 closures in March, our team suspended absentee data meetings, SEL lessons, and recognizing Husky Way for the last part of the year. Although this may have impacted our data, it is unclear how much of an impact this had. We believe these interventions, once we resume them will be effective in reducing both chronic absenteeism and suspension rate.

**\*Changes**

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

For 2020-21, we either have resumed or will resume (when back in the physical building) these interventions.

<b>*Goal 1 - Safe, Collaborative and Inclusive Culture</b>						
<b>By Date</b>	<b>Grade</b>	<b>Objective</b>	<b>Baseline Percentage</b>	<b>Target Percentage</b>	<b>Measure of Success</b>	<b>Frequency</b>
June 2021	TK-5th	Decrease the chronic absenteeism rate	12.5%	9.5%	Attendance	Annually
<b>*Identified Need</b>						
<p>In 2020 on the California Dashboard, the areas not blue, green, or yellow is: Chronic Absenteeism. Overall the Suspension Rate overall is in the Blue indicator, but 2 subgroups (White and Students with Disabilities) were in either orange or red.</p> <p><b>Chronic Absenteeism:</b> The overall school chronic absenteeism rate is 12.5%. The subgroups that are not blue, green or yellow are Hispanic (15.2%, orange); English Learners (15.1%, orange), and Socioeconomically Disadvantaged (15.6%, red).</p> <p><b>Suspension Rate:</b> The overall school suspension rate is 0.4% which was a decrease from 0.8% the previous year, and is not a concern amongst the stakeholders. Two subpopulations that were not blue, green or yellow were: Students with Disabilities (2.5%, orange) and White (1.5%, orange). Due to the size of our school, even one suspension tends to skew the data around suspensions. The data that bumped us into the orange and red was based off on one student who fell into both categories who struggled with behavior from two years ago. The introduction of character education and social/emotional learning programs as well as a restorative justice practice style of discipline has all but eliminated the need for suspensions as a method of discipline. Only in the most extreme cases of ongoing mandated events is suspension used as a last resort to behavior modification.</p>						
<b>*Online Learning Implications</b>						
<ul style="list-style-type: none"> <li>-Social Emotional Learning - Supporting the physical and mental well-being of our students by including social emotional learning into weekly lessons and units of instruction.</li> <li>-Restorative Communities - Acknowledging student behavior and promoting healthy relationships to ensure ALL students and staff feel valued and respected.</li> <li>-SDUSD's on-site learning option offers students access to daily in-person instruction which is designed and led by teachers to ensure both academic success and social-emotional wellbeing. Schedules have been purposefully developed to ensure that students will have time to interact with their teachers and their peers and have access to interventions and enrichment.</li> <li>-Social-Emotional Learning and Restorative Justice Practices</li> <li>-Social and Emotional Learning (SEL) will be embedded into the instructional core during online and onsite learning.</li> <li>-Schools will continue wellness efforts via school wellness coordinators.</li> <li>-Continued student monitoring every 6 weeks, honed in our at risk populations.</li> <li>-Creating a wraparound of student services through building a strong healthy foundation for learning, trusting relationships, identifying trauma, and ensuring student needs are met in and out of the classroom, especially for those of high risk.</li> </ul>						
<b>Attendance/Chronic Absenteeism related</b>						

## Hawthorne Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- Tier 1 - Classroom Teachers will be required to take attendance daily in PowerSchool. Parents of students who are absent will be notified through School Messenger that their child (ren) were absent from the day's learning. Teachers will adjust daily participation and attendance records when students submit completed assignments and or assessments.
- Tier 2 - School Leaders and Counselors will monitor attendance and participation on a weekly basis and contact the parents and families of students who have multiple days of absences. Additional measures will be taken to support families of students who are chronically absent.
- Tier 3 - The District's Family and Community Engagement team will follow up with any family that cannot be reached by school site staff. This team will also conduct home visits and wellness checks to connect with the students who are not engaging in online learning.
- Classified clerical employees adjusting their work to focus on monitoring attendance and working with families to ensure access to online resources and instruction.

### \*Annual Measurable Outcomes (Closing the Equity Gap)

By Date	Grade	Student Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK-5	English Learner	Decrease the chronic absenteeism rate	15.1	11.1	Chronic Absenteeism	Annually
June 2021	TK-5	Socioeconomically Disadvantaged	Decrease the chronic absenteeism rate	15.6	11.6	Chronic Absenteeism	Annually
June 2021	TK-5	Hispanic or Latino	Decrease the chronic absenteeism rate	15.2	11.2	Chronic Absenteeism	Annually
June 2021	TK-5	White	Decrease the suspension rate	1.5	0.0	Suspension	Annually
June 2021	TK-5	Students with Disabilities	Decrease the suspension rate	2.5	0.0	Suspension	Annually

### Strategy/Activity 1: SEL and Attendance Monitoring

#### \*Students to be served by this Strategy/Activity

All students will be served by this strategy including the English Learners, Hispanic, White, Students with Disabilities and Socioeconomically Disadvantaged subgroups.

#### \*Strategy/Activity - Description

To support this goal, the staff facilitates:

- Second Step lessons in classrooms
- Continued Husky Way Character Education program
- School counselor meets with individual and small groups of students to promote a safe and inclusive environment for all students

- Principal, School Counselor and School Clerk meet regularly to review attendance data. Each are assigned students/families to follow up to promote positive attendance. The importance of everyday and bell to bell attendance will also be included in school-to-home communication. Data is shared several times throughout the year regarding our absenteeism rates.

## **Goal 2 - English Language Arts**

### **Call to Action Belief Statement**

We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

### **District LCAP Goals**

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

## **Annual Review of This Goal: SPSA Reviewed 2019-20**

### **\*Analysis**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

As we reflected on what led to our continued double digit growth in ELA, we acknowledged that what we have put in place over the last few years is working and should continue. The growth can be directly attributed to the work completed in Tier 1 Instruction improvement and tutoring interventions as well as the purchasing of classroom materials.

### **\*Major Differences**

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

COVID-19 closures and subsequent crisis learning from March-June was the only major difference between what we had planned and what was accomplished in last year's SPSA. We were not able to offering as much tutoring as we anticipated or have increased small group instruction for struggling populations. Our professional devolvement and monitoring between March-June shifted focus to address crisis learning needs. Our overall

## Hawthorne Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

approach to this year is to continue with the interventions and supports that have led to our growth, while also continuing to diversify professional learning to include online learning and action research led by teachers.

### \*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

No major changes will be made to our plan since we have been successful. We have identified our subgroup foci to English Learners, Students with Disabilities, and Black or African American (including multi-ethnic) as a way to focus our attention on our district's highlighted populations.

### \*Goal 2 - English Language Arts

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK-5	All students will be at grade level or above on FAST aReading or DRA	70%	80%	FAST aReading	3 times a year
June 2021	3rd	All students will be at grade level or above	N/A	75%	CAASPP ELA	1 time per year
June 2021	4th	All students will be at grade level or above	73.9%	78.9%	CAASPP ELA	1 time per year
June 2021	5th	All students will be at grade level or above	72.3%	77.3%	CAASPP ELA	1 time per year

### \*Identified Need

Analysis of the CAASPP data shows that while the percentage of students meeting/exceeding standards has increased in the last few years, two subgroups have not shown the same level of mastery. To support underperforming students we will continue to focus on targeting students in those subgroups of English Learners and Students w/Disabilities, as well as the additional focus group of Black Youth. We continue to use the practice of monthly student monitoring in ELA, this year with a lens focused on subgroups. During professional learning we will focus on planning lessons that are aligned with standards, integrating grade level inquiries, strengthening Tier 1 instruction and Tier 2 interventions. To support ELA, professional learning will include: (1) increased small group instruction opportunities for subgroup populations; and (2) planning for extended educational time via afterschool tutoring to meet specific learning deficits 3) classroom supplies to differentiate and raise engagement of students.

### \*Online Learning Implications

## Hawthorne Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- In preparation for offering both online and on-site learning during the 2020-2021 school year, schools will refine their comprehensive assessment plans to include both virtual assessment tools and in-person assessments.
- Daily assessment strategies will include exit slips, student discussions, self-assessments, peer reviews and conferring with students. Weekly assessments will include assessing student writing or student-developed presentation or videos. Monthly or unit assessments will include performance tasks, real-world projects, the development of web pages and other presentations.
- It is critical that summative assessments be used to assess mastery toward grade level standards and in determining student grades.
- Structures and digital tools to support student collaboration
- Flexibility for teachers to provide both whole group, small group and individual instruction
- Multiple assessment opportunities embedded throughout to allow teachers to assess and provide feedback to support students as they move toward mastery
- Professional development for educators
- English Language Development - Both Integrated and Designated, in addition to strategies for differentiation and scaffolding instruction for English Language Learners
- Standards-Based Grading

### \*Annual Measurable Outcomes (Closing the Equity Gap)

<b>Professional Development, Tutoring, Supplies</b>									
<b>*Students to be served by this Strategy/Activity</b>									
All students at the school will benefit from this strategy/activity in the area of English Language Arts, specifically the following subgroups: English Learners, Students with Disabilities, and Black or African American (including multi-ethnic) Students.									
<b>*Strategy/Activity - Description</b>									
Professional learning will be supported by monthly of professional development release days. Teachers will work collaboratively during monthly professional learning and set learning targets for whole group, but also struggling students. To strengthen ELA, professional learning will include these areas of study in the 2020-21 school year:									
<ul style="list-style-type: none"> <li>- Strengthening Tier 1 instruction – tailoring Tier 1 instruction to meet the needs of individual learners; differentiation</li> <li>-Strengthening Tier 2 opportunities of after school tutoring interventions</li> <li>- Intentional Planning: planning questions, supports, etc. for when students don’t ‘get it’ – shifting mindset/culture</li> <li>- Formative Assessments/Checkpoints throughout lesson series to determine corrective actions needed</li> <li>- Purchasing supplies for differentiated lessons/groupings and for materials aimed at increasing both academic language of STEAM related subjects and student engagement in learning (supplies include pencils, journals, chart paper, etc.).</li> <li>-Providing off campus learning opportunities (field trips) to raise student engagement and acquisition of academic language outside the classroom environment</li> <li>- Restructuring interventions and supports: redefine rolls and responsibilities, cultivating a culture where Sped and Gen Ed teachers are equally responsible; integrated delivery of related services; para educator training</li> <li>- IMTSS (Integrated Multiple Tiered Support System)</li> <li>- Ed Specialists to participate in collaborative planning, professional learning including grade level inquiries</li> <li>- Co-teaching (students/staff); for both teacher and student learning and student empowerment/agency</li> <li>-Continued administrator focused observations around elements of the balanced literacy block</li> <li>-Tutoring interventions</li> </ul>

We were not able to offering as much tutoring as we anticipated or have increased small group instruction for struggling populations. Our professional devolvement and monitoring between March-June shifted focus to address crisis learning needs. Our overall approach to this year is to continue with the interventions and supports that have led to our growth, while also continuing to diversify professional learning to include online learning and action research led by teachers.

##### **\*Changes**

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

No major changes will be made to our plan since we have been successful. We have limited our subgroup focus to English Learners, Students with Disabilities and Black Youth as a way to focus our attention on our district's neediest populations and address the call to actions around these populations.

<b>*Goal 3 - Mathematics</b>						
<b>By Date</b>	<b>Grade</b>	<b>Objective</b>	<b>Baseline Percentage</b>	<b>Target Percentage</b>	<b>Measure of Success</b>	<b>Frequency</b>
June 2021	TK-5	Students will score at or above grade level	68%	75%	FAST aMath	Trimester

June 2021	5th	Students will meet or exceed standards	70.2%	75.2%	CAASPP Math	1 time a year
<b>*Identified Need</b>						
<p>Analysis of the CAASPP data shows that while the percentage of students meeting/exceeding standards has increased in the last few years, two subgroups have not shown the same level of mastery. To support underperforming students we will continue to focus on targeting students in those subgroups of English Learners and Students w/Disabilities, as well as the additional focus group of African American or Black (including multi-ethnic) Students. We continue to use the practice of monthly student monitoring in Math, this year with a lens focused on subgroups. During professional learning we will focus on planning lessons that are aligned with standards, integrating grade level inquiries, strengthening Tier 1 instruction and Tier 2 interventions. To support math, professional learning will include: (1) increased small group instruction opportunities for subgroup populations; and (2) planning for extended educational time via afterschool tutoring to meet specific learning deficits 3) classroom supplies to differentiate and raise engagement of students.</p>						
<b>*Online Learning Implications</b>

**Strategy/Activity 1 Professional Development, Tutoring, Supplies**

**\*Students to be served by this Strategy/Activity**

All students at the school will benefit from this strategy/activity in the area of mathematics, specifically the following subgroups: English Learners, Students with Disabilities, and Black or African American (Including multi-ethnic) Students.

**\*Strategy/Activity - Description**

Professional learning will be supported by monthly of professional development release days. Teachers will work collaboratively during monthly professional learning and set learning targets for whole group, but also struggling students.

To strengthen math, professional learning will include the main areas of study in the 2020-21 school year:

- Strengthening Tier 1 instruction – tailoring tier 1 instruction to meet the needs of individual learners; differentiation
- Strengthening Tier 2 opportunities of after school tutoring interventions
- Intentional Planning: planning questions, supports, etc. for when students don't 'get it' – shifting mindset/culture
- Formative Assessments/Checkpoints throughout lesson series to determine corrective actions needed

## Hawthorne Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- Purchasing supplies for differentiated lessons/groupings and for materials aimed at increasing both academic language of STEAM related subjects and student engagement in learning (supplies include pencils, journals, chart paper, etc.).
- Restructuring interventions and supports: redefine rolls and responsibilities, cultivating a culture where Sped and Gen Ed teachers are equally responsible; integrated delivery of related services; para educator training
- IMTSS (Integrated Multiple Tiered Support System)
- Ed Specialists to participate in collaborative planning, professional learning including grade level inquiries
- Co-teaching (students/staff); for both teacher and student learning and student empowerment/agency
- Implementation of pre and post assessment questions that measure all aspects of mathematics learning, not just computation
- Increased administrator focused observations around elements of the district's mathematics lesson map and number talks
- Tutoring interventions

## Goal 4- Supporting English Learners

### Call to Action Belief Statement

We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

### District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

### Annual Review of This Goal: SPSA Reviewed 2019-20

#### \*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

#### Implementation

In 2019-20 school year, teachers participated in professional development focused on strengthening Tier I instructional practices and intervention strategies for Tier 2. Supporting all students including English Learners was included in professional learning. Teachers focused on students who were outside the Sphere of Success including English Learners. During professional learning we discussed how to support our ELs including front loading lessons and monitoring their progress using formative assessments to determine needed supports and next instructional steps.

All teachers who have English Learners in their classrooms include 30 minutes of Designated ELD and Integrated ELD throughout their daily schedules to accelerate their English acquisition.

During the 2018-19 school year, we only had 12 CAASPP tested English Learners. SBA scores showed 16.7% met or exceeded standard, up from 2017-18 where only 5.6% met or exceeded standards. No students took the CAASPP in 20-21 due to COVID-19. For 2020-21 we should have approximately 10 ELs who will be taking the CAASPP or CAA.

During the 2018-19 school year, we reclassified 100% of English Learners who qualified. In 19-20, we did reclassify 100% of ELs who qualified, but due to the lack of Summative ELPAC testing in light of school closures for COVID-19 our ELs did not have a chance to reclassify this year.

ELAC requested for more parent education classes around testing, curriculum etc.

June 2021	TK-5th	English Learner	Meet or exceed standards on FAST aMath	45%	55%	Other (Describe in Objective)	Trimester

**\*Identified Need**

An analysis of our SBA data showed that our English Learners subgroup was by far the lowest performing group of students on campus. At only 16.7% meeting or exceeding standards in grades 3-5 on the SBA tests in ELA and Math as compared with our overall scores of meeting and exceeding standards of 69.6% and 65.6% in ELA and Math respectively. Although our reclassification rate remains strong at 100% and our RFEPs performance is strong at 64.7% and improved 24.7% over last year's performance, our testing 3rd-5th grade English Learners are not mastering standards. ELAC also requested more parent education opportunities.

**\*Online Learning Implications**

- District will provide students with targeted small group support through a push-in integrated model.
- The Integrated Model approach will build the educator capacity in effective practices that support teaching practices and learning interactions as well as strategies to support English language development.
- Job embedded coaching will support the classroom educators in developing instructional practices and interactions to meet the needs of each language learner.
- Additional classroom support will be provided through a co-teaching model and support classroom educators teaching designated ELD (English Language Development) courses as well as support planning integrated ELD in content courses.
- Online professional development modules with iELD (integrated English Language)
- The district will also provide professional development and direct site support for Newcomer/Immigrant students as well as Under-schooled students (former SIFE - Student with Interrupted Formal Education)

## Hawthorne Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- These students will receive direct instruction for language through newcomer classes, push-in class support, or small group support.
- Direct instruction for how English works, direct instruction for comprehension activities, and participation activities will be implemented by the Office of Language Acquisition.

Formative assessment data will be collected, analyzed and feedback given to students.

Professional development will also be offered to teachers across the district serving this English Learner group

The English Language Instructional Resource Teacher (ELI) will collaborate with the school administrator and classroom educators to analyze student data in order to prepare information to present to EL families.

This information may be shared with school staff, ELAC (English Learner Advisory Committee), or SSC in order for parents to consult, provide feedback or advise

### \*Annual Measurable Outcomes (Closing the Equity Gap)

**Strategy/Activity 1 Professional Development, Tutoring, Supplies, Parent Involvement**

**\*Students to be served by this Strategy/Activity**

All students will benefit from the strategies, but the focus on English Learners as focus students and a subgroup that we will be targeting for more Tier 2 small group instruction and tutoring as well as a focus on English Learners in our monitoring should see an increase in their performance.

**\*Strategy/Activity - Description**

Professional learning will be supported by monthly of professional development release days. Teachers will work collaboratively during monthly professional learning and set learning targets for whole group, but also struggling students.

To strengthen ELA and math, professional learning will include these areas of study in the 2019-20 school year:

- Implementing a site wide cohesive phonics/word study program
- Continued administrator focused observations around elements of the ELD and Integrated ELD in a variety of lessons
- Instructional materials to support English Learners such as picture cards, books, vocabulary as determined by teachers based on student need.
- Increase Parent Involvement through establishing an ELAC and holding Parent Learning Opportunities around EL concerns

## Goal 5 - Supporting Students with Disabilities

### Call to Action Belief Statement

- Ownership: Principals, teachers and support staff take ownership of all their students, including students with disabilities.
- Access: Students with disabilities are general education students first and should have access to a meaningful course of study.
- Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

### District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

### Annual Review of This Goal: SPSA Reviewed 2019-20

#### \*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

An analysis of the plan for 19-20 showed a successful implementation Student Centered Scheduling Meetings and this practice will continue in future year. Students service hours both in push in and pull out services were carefully considered and matched with the most opportune times to increase co-teaching and strengths based learning.

#### \*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

COVID-19 closures and subsequent crisis learning from March-June was a major difference between what we had planned and what was accomplished in last year's SPSA. We were not able to offering as much tutoring as we anticipated or have increased small group instruction for struggling populations. Our professional devolvement and monitoring between March-June shifted focus to address crisis learning needs. Our overall approach to this year is to continue with the interventions and supports that have led to our growth, while also continuing to diversify professional learning to include online learning and action research led by teachers. COVID-19 related closures also greatly impacted services for Students with Disabilities.

**\*Changes**

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The only change to our plan for 20-21 was adding a goal to monitor Progress on IEP goals in addition to CAASPP data and school based data as a way to capture growth as outlined for SWD in their IEPs

**\*Goal 5- Students with Disabilities**

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	3rd-5th	Students will meet or exceed standards on ELA CAASPP or CAA	33.3%	43.3%	Other (Describe in Objective)	1 time a year
June 2021	3rd-5th	Students will meet or exceed standards on math CAASPP or CAA	26.7%	36.7%	Other (Describe in Objective)	1 time a year
June 2021	3rd-5th	Students will demonstrate growth on CAASPP or CAA as measured by the distance from 3	Baseline	minimum of 10 points	Other (Describe in Objective)	1 time a year
June 2021	TK-5	Students will meet IEP goals	NA	75%	Progress Reports on IEP Goals	3 times a year

**\*Identified Need**

33.3% of students with disabilities met or exceeded standard in ELA on CAASPP.

26.7% of students with disabilities met or exceeded standard in Math on CAASPP.

The number of students at each grade level is less than what can be reported out on statewide data, however, our goal will still remain to reach the overall percentage stated in goals at each grade level as well.

**\*Online Learning Implications**

-Implementation of IEP Services in Online Learning Setting

-Educators will be receiving professional learning on how to implement IEP services online as well as how to implement a robust educational plan in an online learning platform with specific examples for the role of each educator (SLP, Ed Specialist, etc.).

-All students with IEP's have access to assistive technology support to provide access to online learning as needed. Some students with equipment needs will have access to this equipment in their homes

-The integrated team will consist of general education teachers, educational specialists, related services providers and para educators.

## Hawthorne Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

## Strategy/Activity 1 Professional Development, tutoring, supplies

### \*Students to be served by this Strategy/Activity

This strategy will support all students including Students with Disabilities

### \*Strategy/Activity - Description

The Special Education Team at Hawthorne (Education Specialist, Mod/Sev teacher, psychologist, service providers, and principal) met with each teacher to review each child's goals, placement, and both push-in and pull-out needs. A schedule was created to best meet the needs of each child using the most strategic use of our resources.

Professional learning will be supported by monthly of professional development release days. Teachers will work collaboratively during monthly professional learning and set learning targets for whole group, but also struggling students.

To strengthen ELA and math, professional learning will include two main areas of study in the 2019-20 school year:

## Goal 6 - Supporting Black Youth

### Call to Action Belief Statement

Developing antiracist and restorative school communities.

### District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

### \*Goal 6- Supporting Black Youth

By Date	Grade	Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK-5th	Black or African American (including those under Multi-Ethnic) Students	Students will show grade level mastery in ELA and Math (3s and 4s).	Baseline	65%	Grades	Trimester

### \*Goal 6 Supporting Black Youth - Additional Goals

1. Beginning in the Fall of 2020, Hawthorne site selection/hiring panel will complete anti-bias training before conducting any interviews.
2. In 2020-21 school year, Hawthorne will develop and implement a site-specific system for tracking classroom referrals.
3. Hawthorne will create a process for ensuring a student is assigned a Student Champion (staff member) to help them through any suspension or expulsion process.
4. Hawthorne will develop a Site Equity Team that meets quarterly throughout the school year to monitor attendance and grades with a focus on Black Youth as well as staff diversity goal.
5. In the 2020-21 school year, Hawthorne will develop and implement a site-specific system for tracking school police detainments.
6. The staff diversity goal at Hawthorne is to maintain or increase the percentage of diverse educators from current year to the follow

**\*Identified Need**

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

This goal was created to address or highlight a districtwide subgroup that is now considered a focus group, Black or African American Students, including those with Black listed as one of the ethnicities under Multi-Ethnic. This group has been historically a small group on our campus that has not had enough data to report on publicly. We believe that monitoring these students, either those who identify solely as Black or African American or one of the ethnicities in their Multi-Ethnic category is Black, on their Standards Based Report Card is the best way to monitor progress.

**\*Online Learning Implications**

-Our District will continue to provide Trauma Informed Care & Resilience Education training for educators to equip school site teams in understanding the complexities of these student populations and best practices that can maximize school site efforts.  
 -Creating a wraparound of student services through building a strong healthy foundation for learning, trusting relationships, identifying trauma, and ensuring student needs are met in and out of the classroom, especially for those of high risk.

**Strategy/Activity 1 Student Monitoring**

**\*Students to be served by this Strategy/Activity**

As we already monitor all students' progress on using SBRCs we will now also maintain data monitoring of grades for the new focus group of Black or African American Students.

**\*Strategy/Activity - Description**

Once every 6 weeks administration and teachers will meet to review progress towards mastering standards, and use planning time to create differentiated learning opportunities for those students not meeting standards.

**\*Proposed Expenditures for this Strategy/Activity**

## Goal 7 - Family Engagement

### Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

### District LCAP Goals

5. Family and community engagement with highly regarded neighborhood schools that serve students, families and communities

### Annual Review of This Goal: SPSA Reviewed 2019-20

#### \*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Hawthorne is fortunate to have a small, but active parent base who help run PTA and SSC. In general families participate in school and PTA sponsored activities, but only a few participate on committees and groups and volunteer in classrooms. It surprised us to see the low number of participants in the CAL-SCHLS parent survey. As we promoted the survey and felt more had been not only turned in in person but reported to have been done online. We will continue to promote this year with greater enthusiasm and frequency.

One area we believe builds strong home/school connections is parents volunteering at the school in some capacity. Our CAL-SCHLS parent survey results have parents reporting that 53% have served as a volunteer in a child's classroom or elsewhere in the school. Our goal is to raise that number by 10% this year,

We also analyzed the data for parent responses, and found that while the number of parents routinely selecting "strongly agree" category is in the 36-63 range; when expanded to "strongly agree and agree" that number jumps into the 80's range and more frequently the 90s range.

We did not complete the CAL-SCHLS Parent Survey last year due to COVID-19.

#### \*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences between intended implementation and budgeted expenditures, other than due to a lack of availability we did not spend as much on translation services as we intended. Due to COVID we were not able to hold informational meetings about the survey nor were we able to complete the survey for the 19-20 school year.

**\*Changes**

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

No major changes to how we involve parents on campus, the structures we have for communication, volunteering, and participating will remain the same.

However, we have now a stated policy that every parent/guardian is expected to contribute at least 5 hours of volunteer time to the school in some manner.

We are also planning to hold a series of informational meetings about the parent survey so that parents fully understand the connection between numbers being reported in general vs the overall positive nature of parent and family involvement at the school.

Due to volunteers not being allowed on campus under current COVID-19 restrictions, we will need to monitor our parent meeting attendance and seek creative ways for parent to be able to be involved during this year.

**\*Goal 7- Family Engagement**

By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2021	Volunteers	Increase the number of parents/family volunteering at school	53%	63%	CAL - SCHLS (CSPS)

**\*Identified Need**

This was one of the lowest percentages outside of "strongly agree and agree" numbers. The goal is to increase the parent involvement on campus.

**\*Online Learning Implications**

-A Welcome Week will be hosted for educators, students, and families in which virtual lessons, training, and professional development will be offered for all.

-All Students will receive a district issued device to ensure access to curriculum while in a distance learning format.

-Internet connectivity is supported for any SDUSD family that does not have an Internet connection to support online learning.

- District is also supplying families with training on SEL, Wellness, Health and Safety.

-These training sessions will cover topics such as the introduction to SEL competencies, identification of emotions in self and others, expression of emotions, wellness practices and health/safety recommendations.

-These training opportunities will be communicated to families and available throughout the year via District Website and Parent Leadership groups.

For students and families with unique circumstances such as challenges related to transportation, housing, or other factors, the SDUSD team developed a 'special delivery' process.

-This process empowered principals or other district staff to initiate options to provide families with devices and/or connectivity via local delivery, shipping, or other approaches to meet their technology and internet access needs.

Training for parents and other caregivers  
Information may be shared with school staff, ELAC (English Learner Advisory Committee), or SSC in order for parents to consult, provide feedback or advise

**\*Annual Measurable Outcomes**

By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2021	Volunteers	Increase the number of parents/family volunteering at school	53%	63%	Meeting Attendance

**Strategy/Activity 1 Capacity Building: Parent Meetings/Activities/Trainings**

**\*Families to be served by this Strategy/Activity**

All families will be served by this goal.

**\*Strategy/Activity - Description**

Parents present on campus and more involved with their child’s education directly correlates with their children’s success. Providing interpretation at major events like Open House, Back to School Nights, and education nights allows parents to participate in their child’s schooling. We also provide light refreshments at our monthly Principal’s Coffee events to encourage parents to stay and keep up to date on the latest information about the school and hear any concerns or questions from the community answered.

## Goal 8- Graduation/Promotion Rate

### Call to Action Belief Statement

All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

### District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

### Annual Review of This Goal: SPSA Reviewed 2019-20

#### \*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Third and Fifth Grade Data Analysis: Percentage of Students Meeting/Exceeding Expectation at the end of the 2019-20 School Year

Third Grade / 73.9% (34 students)

Fifth Grade / 59.4% (19 students)

Last year's third graders met/exceeded end of the year expectations at the highest rate in ELA of the three testing grades. The fourth grade cohort also performed higher than in years past at 72.3% meeting or exceed standards. Our fifth grade cohort, the number of students meeting/exceeding expectations was 59.4% which despite being the lowest overall cohort scores, was up from 37.5% over their last year's ELA data. Third and fourth graders out performed fifth graders, so we believe the trending data shows that our supports and previous interventions and plans have been and will continue to be successful. Professional learning during the 2019-20 school year will continue to support ELA to accelerate student progress.

#### \*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

COVID-19 closures and subsequent crisis learning from March-June was the only major difference between what we had planned and what was accomplished in last year's SPSA. We were not able to offering as much tutoring as we anticipated or have increased small group instruction for struggling populations. Our professional devolvement and monitoring between March-June shifted focus to address crisis learning needs. Our overall

## Hawthorne Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

approach to this year is to continue with the interventions and supports that have led to our growth, while also continuing to diversify professional learning to include online learning and action research led by teachers.

### \*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Since we continue to find success with the strategies and interventions we are using, there will be no major changes to the SPSA plan this year.

### \*Goal 8- Graduation/Promotion Rate

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	3rd	Students meeting or exceed standards	Baseline	75%	CAASPP ELA	1 time per year
June 2021	5th	Students meeting or exceed standards	72.3%	77.3%	CAASPP ELA	1 time per year
June 2021	3rd	Students meeting or exceed standards	Baseline	80%	Grade 3 ELA Reading	Annually
June 2021	5th	Students meeting or exceed standards	71%	80%	Grade 5 ELA Reading	Annually

### \*Identified Need

To support underperforming students we will continue to support student progress in ELA in a variety of ways including teachers' professional learning. During professional learning we will focus on lessons that are aligned with standards, integrating grade level inquiries, strengthening Tier 1 instruction and Tier 2 interventions. Teachers will work in collaboration with the Ed Specialists and paraprofessionals during PLCs and release days. Our work will include supporting our English Learners and students with disabilities.

### \*Online Learning Implications

The work of counselors support the varying needs of unduplicated students that may be wide ranging and beyond the educational realm. Counselors ensure that students experiencing academic and personal/social barriers to learning receive guidance and information to ensure success in student attendance, behavior, and graduation.

### \*Annual Measurable Outcomes (Closing the Equity Gap)

By Date	Grade	Student Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	3rd-5th	Students with Disabilities	Students meeting or exceed standards	33.3%	43.3%	CAASPP ELA	1 time year a year
June 2021	3rd-5th	English Learner	Students meeting or exceed standards	16.7%	26.7%	CAASPP ELA	1 time year a year

### Strategy/Activity 1 Professional Development/Tutoring/Supplies

#### \*Students to be served by this Strategy/Activity

All students will benefit from these strategies.

#### \*Strategy/Activity - Description

Professional learning will be supported by monthly of professional development release days. Teachers will work collaboratively during monthly professional learning and set learning targets for whole group, but also struggling students.

To strengthen ELA, professional learning will include two main areas of study in the 2019-20 school year:

- Strengthening Tier 1 instruction – tailoring tier 1 instruction to meet the needs of individual learners; differentiation
- Strengthening Tier 2 opportunities of after school tutoring interventions
- Intentional Planning: planning questions, supports, etc. for when students don't 'get it' – shifting mindset/culture
- Formative Assessments/Checkpoints throughout lesson series to determine corrective actions needed
- Purchasing supplies for differentiated lessons/groupings and for materials aimed at increasing both academic language of STEAM related subjects and student engagement in learning
- Restructuring interventions and supports: redefine rolls and responsibilities, cultivating a culture where Sped and Gen Ed teachers are equally responsible; integrated delivery of related services; para educator training
- IMTSS (Integrated Multiple Tiered Support System)
- Ed Specialists to participate in collaborative planning, professional learning including grade level inquiries
- Co-teaching (students/staff); for both teacher and student learning and student empowerment/agency

- Implementing a site wide cohesive phonics/word study program
- Continued administrator focused observations around elements of the balanced literacy block

## School Leadership Actions

### Leadership Practice

The administrator leads with a clear rationale, vision, high expectations for achievement, and immediacy for change. The administrator collaborates with and motivates staff through providing support, sharing leadership, paying attention to the work and magnifying new learning. The administrator monitors belief systems and teaches the importance of embracing diversity and respecting all cultures. The staff knows why change is important, and collectively acts to propel it through seeking out new learning.

### Leading, Implementing, Monitoring, and Actualizing a Coherent Plan

*The administration of Hawthorne will closely monitor the data around all our goals and regularly report out to SSC, ELAC and stakeholder groups our progress on goals. We will continue to prioritize progress on these goals through the structures of student and staff monitoring.*

*The principal will prioritize focused classroom observations, teacher professional learning/development, and data monitoring and the subsequent planning for increased student performance and or other indicative data improvement.*

*Online learning:*

*Hawthorne will continue to monitor and reach out via messages, staff contact (teacher, counselor, principal, etc.) to engage and reengage students and parents in online learning. We will provide stakeholder learning opportunities on how to improve online learning. The staff was provided extensive professional development from the district at the onset of the 20-21 school year, as well as site based professional learning and monitoring around The Distance Learning Playbook by Fisher and Frey. Staff are continuously encouraged to plan for relationship building on a daily and weekly basis and observations always look for evidence of this. The school will continue to hold regular stakeholder meetings (ELAC, SSC, PTA, Coffee with Principals, etc.), post on our website, and communicate via School Messenger to ensure all have access to information in their home language.*

**Implementation of SPSA-** This SPSA was created using the current data and a root cause analysis. The following priorities, strategies and leadership actions will be implemented school wide at Hawthorne to meet or exceed the SPSA goals. The implementation of the priorities and strategies outlined in the SPSA will be monitored by the site principal and the SSC. The principal will work with all members of the Integrated Multi-Tiered System of Support (IMTSS) team to ensure that the following is in place:

- A guaranteed and viable curriculum in every classroom.
- All teachers are implementing a set of school wide agreed upon instructional expectations and strategies focused on student engagement and learning.
- Classroom observations are conducted in order to monitor the implementation of the curriculum, school-wide strategies and the quality of student learning.

- All teachers are able to articulate student learning needs and can recognize if instruction is impacting learning.

**Monitoring Student Learning and Providing Support**

The site administrator and all teachers will take responsibility in monitoring student learning and providing appropriate support.

- Develop and fine tune a comprehensive assessment system.
- Monitor student academic levels during reporting periods.
- Use the practice of focus students to target representative populations when planning whole group and small group lessons.
- Administer common formative and summative assessments and utilize the data to design effective lessons and targeted interventions based on student needs.
- Ensure that reteach and reassessment opportunities are provided to students.
- Ensure that all students have access to rigorous and standards based lessons.

**Targeted Professional Learning and Implementation**

The site administrator will focus on creating a collaborative risk-taking environment for teachers and students.

The site administrator will:

- Use data from classroom focused and informal observations and common assessments to inform professional learning opportunities
- Identify teacher's instructional strengths and areas to grow to develop multiple professional learning opportunities grounded in current research and based on students' needs.
- Maintain the school's focus, common pedagogy, professional learning, and teacher collaboration across the campus.
- Promote positive and productive relationships with staff, students, parents and community.
- Create a safe, supportive, and collaborative school culture where all staff feels supported and can have honest and trusting conversations about the work.
- Value mutual respect, multiple cultural perspectives, and experiences.
- View work through an appreciative lens and focus on what is working at the school.
- Develop and maintain clear systems to organize and maximize resources and operations.
- Establish clear lines of communication.
- Cultivate staff leadership to allow time for the site administrator to focus on student learning in the classrooms.
- Cultivate positive relationships with parents and community.
- Implement systems and structures that engage, teach, and support parents/community.
- Have clear and open communication with parents/community.
- Help parents understand their child's learning successes and needs.
- Provide resources to support parents.
- Strengthen and fine-tune current instructional practices.
- Provide professional learning focused on Tier 1 Instruction, Data Analysis, Instructional Practices, Balanced Literacy, Math, Science
- Ensure learning goals and targets are aligned with Critical Concepts/Common Core Standards & based on student data.
- Reflect on our work as educators and equity for all students.
- Provide opportunities for honest reflection that will lead to positive learning outcomes for both students and staff.

## **APPENDICES**

This section contains the following appendices that will assist the School Site Council in completing the School Plan for Student Achievement (SPSA) and in maintaining a cycle of continuous improvement:

**PARENT & FAMILY ENGAGEMENT POLICY**

San Diego Unified School District  
Financial Planning and Development  
**Financial Planning, Monitoring and Accountability Department**

---

*Hawthorne Elementary*  
**TITLE I PARENT & FAMILY ENGAGEMENT POLICY 2020-21**

In the fall, an annual meeting will be held to share with parents a description of the Title I program and its requirements.

*Hawthorne Elementary* has developed a written Title I Parent & Family Engagement Policy with input from Title I parents. *The School Site Council reviewed the 19-20 plan, assessed the current needs of the school and developed the current policy.*

It has distributed the policy to parents of Title I students.

*A copy is sent home with each student in a supply distribution bag, available online on the school website, and is available for review in the front office.*

This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements pursuant to ESSA Section 1116(c).

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of subsections (c) through (f). How are parents notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand? How is the policy made available to the local community? How and when is the policy updated periodically to meet the changing needs of parents and the school (ESSA Section 1116[b][1])

**The policy is translated into Spanish, the language of our largest subpopulation and can be requested in other languages at any time. Copies are distributed and available at several times and events and are posted online and are available upon request. The policy is reviewed at least once a year and upon request by the School Site Council and updated to meet the changing needs of the parents and school**

To involve parents in the Title I, Part A programs, the following practices have been established:

Hawthorne has several opportunities for parent/guardian involvement:

- **School Site Council-once a month**
  - Discuss current student assessment data and student progress. Provide information about school and district resources for student academic improvement. Evaluate the effectiveness of the school's Parent Involvement Policy
- **Parent Teacher Conferences- twice a year in November and March, and as needed by appointment**
  - Discuss successes and concerns, both academic and behaviorally. Develop plans for continued or new success in the classroom and on campus for students.
- **Coffee with Principal-once a month:**
  - Communication between the Principal and school community. Discuss current issues facing the school, address concerns, seek input from parents, etc.
- **Family Friday-once a month**

- Provide opportunity for parents/guardians to experience the classroom environment of their child
- **GATE-twice a year, and as needed**
  - Provide parents of GATE students to have input on and updates on our GATE program. Orientation for parents of newly identified GATE/Seminar students or interested parties.
- **ELAC-four times a year**
  - Review English Learner (EL) programs and education occurring on site; develop plan to advance ELs towards reclassification, inform parents of district EL requirements
- **PTA-once a month board meetings, open to public; 4 times a year for general association meetings**
  - Plan community events, celebrations, enrichment classes/opportunities. Review and set budget based on fundraising efforts.
- **Community Building Nights-varies throughout the year**
  - Provide parents, children, staff and community to develop a sense of community. (Halloween Carnival, Spring Fiesta, Holiday PJ Night)
- **Education Nights-varies throughout the year**
  - Provide training programs to help parents support and work with their children at home and at school. (e.g. ST Math Night, Science Night). Provide parents the opportunity see exhibition of student work (Spring Open House).

The school convenes an annual meeting to inform parents about Title I, Part A requirements and about the right of parents to be involved in the Title I, Part A program (ESSA Section 1116[c][1]). Add details about the annual meetings in the box below:

**Hawthorne holds its annual Title 1 Meeting at the Title 1 Meeting in October, held within the first 8 weeks of school. The budget allocations and spending plan are presented along with school wide data.**

The school offers a flexible number of meetings for Title I, Part A parents, such as meetings in the morning or evening (ESSA Section 1116[c][2]). Add details about the meetings in the box below:

**The school holds meetings before and after school hours, and in the evening and is committed to posting important information online for easy access for parents.**

The school involves parents of Title I, Part A students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the Title I, Part A parent involvement policy (ESSA Section 1116[c][3]). How does the school involve parents?

**Hawthorne holds monthly SSC meetings and Coffees with the Principal at which the planning, review and improvement of the Title 1 program can be and are discussed.**

The school provides parents of Title I, Part A students with timely information about Title I, Part A programs (ESSA Section 1116(c)(4)[A]). How does the school provide the information?

**The district and school websites, emailed parent newsletter, public notice board, and regular Sunday night Principal's message inform parents/community of all meetings of interest. We advertise parent meetings and training sessions offered at Hawthorne, at the District Advisory Council's Ballard Parent Center, at Parent University, and throughout the district. Translations of communications and translation services at meetings will be made available whenever possible.**

The school provides parents of Title I, Part A students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet (ESSA Section 1116[c][4][B]). How does the school provide the information?

**Hawthorne's teachers review curriculum used at the school and the assessments they use to measure proficiency at the Back to School Night, in their introduction letters, and upon request. This information is also shared at parent-teacher conferences in November and March.**

If requested by parents of Title I, Part A students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children (ESSA Section 1116[c][4][C]). How does the school provide the opportunities?

**Hawthorne utilizes monthly School Site Council meetings to facilitate parent participation relating to educational matters. The principal is always open to meeting with parents or parent groups to hear concerns and ideas.**

The school engages Title I, Part A parents in meaningful interactions with the school. The Compact supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides Title I, Part A parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children (ESSA Section 1116[e][1]).

**At parent teacher conferences or up request. The school offers educational parent nights to explain SBAC testing results.**

The school provides Title I, Part A parents with materials and training to help them work with their children to improve their children's achievement (ESSA Section 1116[e][2]).

**At parents' request and at teachers' discretion, materials and training are provided for parents in order to improve achievement.**

With the assistance of Title I, Part A parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners (ESSA Section 1116[e][3]).

**Teachers and staff regularly communicate with parents and design events like Literacy Picnics, Field Trips, Family Fridays, and guest parent speakers.**

The school coordinates and integrates the Title I, Part A parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children (ESSA Section 1116[e][4]).

**Hawthorne has a parent center and resources in the front office to support and encourage parents. The school has a strong volunteer program which allows parents to participate at the level they are able.**

The school distributes Information related to school and parent programs, meetings, and other activities to Title I, Part A parents in a format and language that the parents understand (ESSA Section 1116[e][5]).

**Parents are notified annually of individual student test results by the school, district and state. An explanation of the information is available in several languages.**

The school provides support for parental involvement activities requested by Title I, Part A parents (ESSA Section 1116[e][14]).

**Hawthorne provides translation, light refreshments, and allows for families including younger siblings to attend functions or meetings.**

The school provides opportunities for the participation of all Title I, Part A parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand (ESSA Section 1116[f]).

This policy was adopted by Hawthorne Elementary on October 1, 2020 and will be in effect for the period of the 2020-21 school year.

The school will distribute the policy to all parents of students participating in the Title I, Part A program on, or before: October 30, 2020.

HAWTHORNE ELEMENTARY SCHOOL

**TITLE I SCHOOL PARENT COMPACT**

This School Parent Compact is in effect year 2020-2021.

*Hawthorne Elementary* distributes to parents and family members of Title I, Part A students, a school-parent compact (Compact). This Compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. This Compact describes specific ways the school and families will partner to help children achieve the state's high academic standards. This Compact addresses the following legally required items, as well as other items suggested by parents and family members of students Title I, Part A students:

**REQUIRED SCHOOL PARENT COMPACT PROVISIONS**

- The school's responsibility to provide high-quality curriculum and instruction The ways parents and family members will be responsible for supporting their children's learning (ESSA Section 1116[d][1]).
- The importance of ongoing communication between parents and family members, and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents and family members to volunteer and participate in their child's class; and opportunities to observe classroom activities (ESSA Section 1116[d][2]).
- Parent-teacher conferences in elementary schools, at least annually, during which the Compact shall be discussed as it relates to the individual child's achievement (ESSA Section 1116 [d][2][A]).
- Frequent reports to parents and family members on their children's progress (ESSA Section 1116[d][2][B]).
- Reasonable access to staff, opportunities for parents and family members to volunteer and participate in their child's class, and observation of classroom activities (ESSA Section 1116[d][2][C]).

How does the school address this?

- 1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables all participating children to meet California's student academic achievement standards**
- 2. Hold parent-teacher conferences.**
- 3. Provide parents with frequent reports on their child's progress.**
- 4. Provide parents reasonable access to staff.**

**5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities**

The school engages Title I, Part A parents and family members to improve the achievement of their children in meaningful interactions with the school. This Compact supports a partnership among staff, parents and family members, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides Title I, Part A parents and family members with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children (ESSA Section 1116[e][1]) in which ways?

**Back to School Night within the first 4 weeks of school**  
**Parent-Teacher conferences held in November 2020 and March 2021**  
**Monthly School Site Council Meetings**  
**Monthly Family Fridays**  
**Monthly Coffee with the Principal**  
**Parent Center/FACE resources available for parents**

The school provides Title I, Part A parents and family members with materials and training to help them improve the achievement of their children (ESSA Section 1116[e][2]) in which ways?

**Fall and Spring Open House**  
**Parent-Teacher conferences held in November 2020 and March 2021**  
**Academic nights like ST Math or Science Night**  
**Tutoring/supplemental materials provided by teachers/case managers**  
**Student Study Team Meetings**  
**Tutoring Opportunities**

With the assistance of Title I, Part A parents and family members, the school educates staff members in the value of parent and family member contributions, and how to work with parents and family members as equal partners (ESSA Section 1116[e][3]) in which ways?

**Ongoing conversations in Student Monitoring Meetings**  
**Student Study Team Meetings**  
**Monthly Family Fridays**

The school coordinates and integrates the Title I, Part A parental involvement program with other programs, and conducts other activities, such as resource centers, to encourage and support parents and family members in more fully participating in the education of their children (ESSA Section 1116[e][4]) in which ways?

**Literacy Picnics**  
**Field Trips**  
**PTA Hosted Family Events**  
**Parent Center**

The school distributes information related to school and parent programs, meetings, and other activities to Title I, Part A parents and family members in a format and language that the parents and family members can understand (ESSA Section 1116[e][5]) in which ways?

**Every effort is made for translation of weekly phone calls and emails, flyers, and handouts, and parent conferences.**

The school provides support for parent and family member involvement activities requested by Title I, Part A parents and family members (ESSA Section 1116[e][14]) in which ways?

**All public meetings are considered open forums for feedback and requests.  
The school's policy is to address any request at the next public meeting if not sooner.**

The school provides opportunities for the participation of all Title I, Part A parents and family members, including those with limited English proficiency, disabilities, and migratory students; and that the information and school reports are provided in a format and language that parents and family members can understand (ESSA Section 1116[f]) in which ways?

**Every effort is made for translation or explanation of weekly phone calls and emails, flyers, and handouts, and parent conferences.  
Preferred language in all communications can be requested.**

This Compact was adopted by the Hawthorne Elementary SSC on October 1, 2020 and will be in effect for the period of the 2020-21 school year.

The school will distribute the Compact to all parents and family members of students participating on, or before: October 30th, 2020.

**SCHOOL NAME: HAWTHORNE ELEMENTARY**

**SPSA EVALUATION OF LCFF FUNDED ACTIONS/ACTIVITIES: 09800**

**SCHOOL YEAR: 2019-20**

**Goal 2 - English Language Arts**

**Strategy/Activity Professional Development, Tutoring, Supplies**

**\*Strategy/Activity - Description**

Professional learning will be supported by monthly of professional development release days. Teachers will work collaboratively during monthly professional learning and set learning targets for whole group, but also struggling students.

To strengthen ELA, professional learning will include these areas of study in the 2019-20 school year:

- Strengthening Tier 1 instruction – tailoring Tier 1 instruction to meet the needs of individual learners; differentiation
- Strengthening Tier 2 opportunities of after school tutoring interventions
- Intentional Planning: planning questions, supports, etc. for when students don't 'get it' – shifting mindset/culture
- Formative Assessments/Checkpoints throughout lesson series to determine corrective actions needed
- Purchasing supplies for differentiated lessons/groupings and for materials aimed at increasing both academic language of STEAM related subjects and student engagement in learning (supplies include pencils, journals, chart paper, etc.).
- Providing off campus learning opportunities (field trips) to raise student engagement and acquisition of academic language outside the classroom environment
- Restructuring interventions and supports: redefine rolls and responsibilities, cultivating a culture where Sped and Gen Ed teachers are equally responsible; integrated delivery of related services; paraeducator training
- IMTSS (Integrated Multiple Tiered Support System)
- Ed Specialists to participate in collaborative planning, professional learning including grade level inquiries
- Co-teaching (students/staff); for both teacher and student learning and student empowerment/agency
- Implementing a site wide cohesive phonics/word study program
- Continued administrator focused observations around elements of the balanced literacy block
- Tutoring interventions

**\*Proposed Expenditures for this Strategy/Activity**

Analysis:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Description:

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

- Purchasing supplies for differentiated lessons/groupings and for materials aimed at increasing both academic language of STEAM related subjects and student engagement in learning (supplies include pencils, journals, chart paper, etc.).
- Restructuring interventions and supports: redefine rolls and responsibilities, cultivating a culture where Sped and Gen Ed teachers are equally responsible; integrated delivery of related services; paraeducator training
- IMTSS (Integrated Multiple Tiered Support System)
- Ed Specialists to participate in collaborative planning, professional learning including grade level inquiries
- Co-teaching (students/staff); for both teacher and student learning and student empowerment/agency
- Implementation of pre and post assessment questions that measure all aspects of mathematics learning, not just computation
- Increased administrator focused observations around elements of the district's mathematics lesson map and number talks
- Tutoring interventions

### Goal 6 - Family Engagement

#### Strategy/Activity 1

#### \*Strategy/Activity - Description

Parents present on campus and more involved with their child's education directly correlates with their children's success. Providing interpretation at major events like Open House, Back to School Nights, and education nights allows parents to participate in their child's schooling. We also provide light refreshments at our monthly Principal's Coffee events to encourage parents to stay and keep up to date on the latest information about the school and hear any concerns or questions from the community answered.
