SCHOOL PLAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY**PURPOSE AND DESCRIPTION**

This School Plan for Student Achievement fulfills the requirements of a schoolwide Title I Program.

PURPOSE AND DESCRIPTION (ESSA REQUIREMENTS)

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

LCAP Goal 1: Closing the achievement gap with high expectations for all.

LCAP Goal 2: Access to broad and challenging curriculum.

LCAP Goal 3: Quality leadership, teaching and learning

LCAP Goal 4: Positive school environment, climate, and culture – with equity at the core and support for the whole child.

LCAP Goal 5: Family and community engagement with highly regarded neighborhood schools that serve students, families and communities.

STAKEHOLDER INVOLVEMENT (REQUIRED)

Principal involved School Site Council, School Governance Team, grade level Professional Learning Communities and monthly Family Fridays monthly by looking at data and areas of need throughout 2019-20 school year. The Principal sent out a survey to stakeholders for feedback on budget priorities in January 2020. The principal also met with Parent Teacher Association monthly in 2019-20. In January and February of 2020, a focus on the school site needs based on data and budget development was the focus of the meetings with various stakeholder groups. The 2020-21 budget was approved in February 2020. The SSC reviewed and approved the SPSA in October 2020.

RESOURCE INEQUITIES

Funded an additional .2 counselor

-Decline in office referrals

-Increase in attendance percentages

Funded guided assistance .4

-Will work in small-groups to implement Second Step (intervention curriculum)

-Works with parents and families to improve student attendance

GOALS, STRATEGIES, EXPENDITURES, & ANNUAL REVIEW

Goal 1 - Safe, Collaborative and Inclusive Culture

Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

District LCAP Goals

4. Positive school environment, climate, and culture – with equity at the core and support for the whole child.

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

In 2019-2020 Perry created a Systems Task Force committee to help monitor our Goal for a Safe, Collaborative, and Inclusive Culture. The task force consisted of teachers, classified staff, and administration who received training and implemented a day where we could collect data related to this goal and discuss the data. Collectively we analyzed the data and identified site needs around safety, supervision, and culture. Our plan going forward in the coming year is to continue to create systems that support this goal and provide opportunities to collaborate with our families and our community.

*Major Differences

Online learning will present challenges to implement our goal. We see challenges ahead due to virtual settings and not being able to analyze the data we had before since we are not on site. We are going to continue with implementing the No Place for Hate program on line and our Wellness committee will continue to meet virtually. We hope to be able to analyze the data again in January and implement some of the needs we had around safety, supervision, and culture.

*Changes

In 2020 due to Online Learning, the school will provide students with virtual social emotional lessons. In addition, our district counselor will support our students by implementing lessons from the 2nd Step Program with the help and support of our guidance assistant. Our district counselor will also support students by implementing lessons around social emotional needs and mindfulness strategies in whole group, small group and individual settings. In addition, Perry has a full time military counselor to support our students with social and emotional needs for our military families.

June 2021	TK-5	decrease chronic absenteeism	13.6*	10.5	Chronic Absenteeism	Annual	
June 2021	TK-5	decrease suspension rate	3.5*	1	Suspension	Annual	
*Identified Need							
<p>Upon a review of the 2019 CA Dashboard, Perry is in the Yellow Performance Level for the Suspension Rate indicator and the Orange Performance Level for the Chronic Absenteeism indicator. For Suspension Rate, we have no students in the Red and two student groups in the Orange: Two or More Races and Students with Disabilities. For Chronic Absenteeism, we have three student groups in the red (Students with Disabilities, English Learners, and Filipino) and three student groups in the orange (Hispanic, Socioeconomically Disadvantaged, and Two or More Races). In order for students to be successful, they need to come to school every day ready to learn.</p>							
*Online Learning Implications							
<ul style="list-style-type: none"> SDUSD's on-site learning option offers students access to daily in-person instruction which is designed and led by teachers to ensure both academic success and social-emotional well-being. Schedules have been purposefully developed to ensure that students will have time to interact with their teachers and their peers and have access to interventions and enrichment. - Social and Emotional Learning (SEL) will be embedded into the instructional core during online and onsite learning. Social Emotional Learning - Supporting the physical and mental well-being of our students by including social emotional learning into daily lessons and units of instruction.

Counselor

*Students to be served by this Strategy/Activity

All Students/Unduplicated Students will benefit from the Counselor at Perry.

*Strategy/Activity - Description

At the beginning of 2020, the counselor will be used to work with families that are having problems with attendance and attending online learning. The counselor will maintain a contact log to work with families who are having problems connecting and will reach out to these families through various methods. When the students return to campus, the counselor will continue to monitor students for attendance and work with all families to reach the goal of improving attendance. The counselor will also be part of the committee to monitor attendance and safety on site.

The Counselor will work in small groups with students to implement the Second Step, an intervention curriculum, and work with parents to support families in improving student attendance. The Second Step curriculum's purpose is to teach students how to make better choices in how they interact with their peers and how to handle stressful situations through activities such as counting to 10 before they act and breathing when they feel upset. The goal of this program is to reduce suspension rates as the students are learning how to be better to each other. The staff at Perry also feel that these lessons will help provide students the skills they need to be successful in the classroom and on the playground so that they will be less likely to be sent to the office and will miss less time from instructional minutes. The Counselor will be working once a week with each 3-5 teacher and their classroom for 40 minutes where all will see the lessons and learn from the curriculum. They will do role-playing to help reinforce learning.

For attendance issues, the Counselor will develop incentives for 3-5 students across the campus such as awards for students who have perfect attendance, classrooms that have improved their attendance and classroom with the best attendance. When students are absent, the Counselor will be able to call home to offer support to families and encourage attendance. For students who are chronically absent the Counselor will be sending notifications home and following up with families to help guide them as needed. Additionally, the Counselor will focus on mitigating absences through a proactive approach with an emphasis on Perry's unduplicated students who oftentimes suffer from chronic absenteeism at a greater rate.

Perry Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

The district is able to fund one day of our Counselor and the staff at Perry agreed to use vital Title I funds to pay for them to come to our site another three days to help us meet the needs of our students and families. Additional funds will be provided from our LCFF to support the site-wide interventions that will be for the primary service of our unduplicated students but will benefit all students across campus. We serve many military families and the staff felt that this extra support would offer additional support to help with the special needs of these families.

For online learning, the counselor is working with various resources to help students be able to join their classmates by helping with devices and providing guidance with technology.

Guidance Assistant

*Students to be served by this Strategy/Activity

Unduplicated Students/All Students/will benefit from the Guidance Assistant.

*Strategy/Activity - Description

In addition to the district counselor, Perry has also been able to add two days of support with a guidance assistant. The guidance assistant works directly with the counselor and is able to support students on the days that the counselor is not on site.

Goal 2 - English Language Arts**Call to Action Belief Statement**

We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20***Analysis**

Before Perry went to online learning, teachers used the DRA and common assessments created in PLC meetings, as well as ongoing meetings with administration to monitor schools twice a month student progress. Teachers met by grade level/department to analyze DRA achievement and student work samples three times per year in order to inform their instruction. Within these teams, the teachers developed the common assessments used to help meet the needs of all students. Perry teachers also participated in an ELA Coaching Cycle in 3rd grade and 2nd grade teachers were coached by district resource teachers to improve ELA instruction.

In addition Professional Learning Communities (PLCs) and Instructional Leader Team (ILT) analyzed student data to monitor student progress towards these goals.

Due to school going on line at the end of the year, we were not able to continue with coaching cycles. We are still collecting data on the effectiveness of the implementation of the strategies and activities that were implemented last year.

***Major Differences**

Online learning will present implementation challenges within a virtual learning environment.

***Changes**

In 2020-2021 we are going to use a common curriculum, Benchmark Advance to ensure a Guaranteed Viable Curriculum
Our goals will be to implement a school wide assessment system with the following goals:

- Collect data and make it available for staff to analyze areas of strengths and areas of need
- Implementation of a process to analyze data
- Use data to inform our instruction
- Implement school wide grade level common assessments
- Use data for students brought to SST
- Monitor data so that it can be passed on to next teacher in a monitoring sheet
- Select focus students to monitor and collect data on by grade level to help guide instruction

*Goal 2 - English Language Arts

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	3-5	increase percentage of students meeting or exceeding standard	53.4	60	CAASPP ELA	Annually
June 2021	3	increase percentage of students meeting or exceeding standard	62	70	CAASPP ELA	Annually
June 2021	4	increase percentage of students meeting or exceeding standard	43.9	50	CAASPP ELA	Annually
June 2021	5	increase percentage of students meeting or exceeding standard	52.5	55	CAASPP ELA	Annually

*Identified Need

After a review of the 2018-2019 SPSA and a review of the 2018-2019 Smarter Balanced Summative Test Results, we saw that overall all students and our significant subgroups of students improved their performance on the state assessment. In the 2019 CA Dashboard, Perry is at the Green Performance Level for Academic Performance: ELA at 8.8 points above standard. This is an increase of 17.9 points from 2018. We have no student groups in the red or orange.

As always, there is still room for improvement and there are some student groups of particular interest that Perry will be focusing on this year. Due to the lack of data from the 2019-2020 school year, we are unable to narrow in on our area of need but we realize that we have room for growth and improvement.

*Online Learning Implications

- Flexibility for teachers to provide both whole group, small group and individual instruction
- Multiple assessment opportunities embedded throughout to allow teachers to assess and provide feedback to support students as they move toward mastery
- Professional development for educators

Tier I Instruction and Reading Strategies									
*Students to be served by this Strategy/Activity									
All students/Unduplicated students at Perry									
*Strategy/Activity - Description									
<p>Visiting teachers are funded so that teachers can meet with grade levels throughout the year. During this time, teachers will analyze the data in order to identify instructional needs of students so that they can provide appropriate and differentiated learning opportunities. Teachers will plan instruction, identify instructional practices and discuss ways to support students who are in need of intervention and enrichment. As teachers master Benchmark Advance there may be a use for some funds to buy updated guided reading material. This will be determined by grade level teams.</p>

Tier I Instruction and Guaranteed and Viable Curriculum

***Students to be served by this Strategy/Activity**

Unduplicated students/All students

***Strategy/Activity - Description**

Students identified as English Learners and students with Disabilities who performed below standard will receive intensive support during guided reading and small group instruction using Time for Kids, USA Weekly and California Weekly subscriptions, Scholastic News and StoryWorks subscriptions, purchase of class rugs, book bags, Raz-Kids, and Spelling City. This support includes small group instruction, SST monitoring (if necessary), IEP goal monitoring, goal setting, discussion of focus students in PLCs, and recognition opportunities through award assemblies. Our goal is to strengthen classroom libraries and resources in all classrooms so that we can meet the needs of all students.

Goal 3 - Mathematics**Call to Action Belief Statement**

All students engage in rigorous and relevant mathematics to solve problems associated with personal, civic and professional contexts and are able to effectively explain and communicate their reasoning to a variety of audiences.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning

Annual Review of This Goal: SPSA Reviewed 2019-20***Analysis**

Teachers collaborated to discuss best practices, monitor student data, and adjust instructional goals. In addition, teachers spent time identifying instructional learning activities and strategies. Teachers were provided access to a guaranteed-viable curriculum to closely monitor student growth, strategically pull small groups, identify Tier 1 strategies for student growth, and monitor goals set by students.

***Major Differences**

Online learning will present implementation challenges within a virtual learning environment.

***Changes**

PLCs will track student data through monitoring forms and use that data to identify target students, determine areas of need, and develop a comprehensive plan to meet learning goals of identified students. Teachers will continue to work with and monitor focus students that will guide them in their instruction of all students.

In addition, the counselor and guidance counselor will provide teachers with Tier 1 and Tier 2 supports and strategies in math. The Counselor will help support teachers through observation and student discussions to ensure that students are receiving Tier 1 instruction.

As a staff, we will analyze student data in math and look at strengths and areas of needs and growth.

recognition opportunities. Classroom teachers alongside our Education Specialists will meet to target Critical Concepts in Math to meet the needs of students. Data that is determined by the PLC will be used to increase overall grade-level achievement. Focused ELD instruction will take place during math instruction.

In PLC meetings, teachers address gaps in learning for children in small groups. Data is discussed and alternate interventions are developed during these meeting times. In addition, Education Specialists work closely with general education teachers to ensure that students with disabilities have equitable access to math curriculum.

Goal 4- Supporting English Learners

Call to Action Belief Statement

We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Professional Learning Communities (PLCs) and Instructional Leadership Team (ILT) analyzed student data to monitor student progress towards these goals. Findings were shared with parents and community via advisory groups and the School Site Council (SSC).

We continue to collect data on the effectiveness of the implementation of the strategies and activities that were implemented last year.

*Major Differences

Online learning will present implementation challenges within a virtual learning environment.

*Changes

Unpacking the new ELD standards and district provided curriculum to support teachers with research based instructional strategies.

*Integrated English Language Development

Our EL students will be served in an Integrated English class. Teachers will be trained to support our students in order to accelerate their language acquisition. All our teachers have the credential to support English Learners. ELD strategies in all content areas will be embedded in all content subjects. The Benchmark programs contain a comprehensive designated ELD component which meets the State Standard as well as ELD standards.

*Designated English Language Development							
Teachers will be trained to provide specific ELD instruction with students. Administrators will conduct focused observations to ensure our English Learners are being supported. Focused observations will be used using the district’s Designated ELD observation tool/form.							
*Goal 4 - English Learners							
By Date	Grade	Student Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	3-5	English Learner	increase percentage of students meeting or exceeding standard	7.7	12	CAASPP ELA	Annually
June 2021	3-5	English Learner	increase percentage of students meeting or exceeding standard	7.7	12	CAASPP Math	Annually
*Identified Need							
Students in 3rd-5th grade on the CAASPP ELA and Math scored at a baseline of 7.7%. We plan to target and provide additional support in order to increase the percentage up by 4.3%. Our plan is to focus on our Tier 1 instruction and the use of Guaranteed-Viable Curriculum in all classrooms.							
On the 2019 CA Dashboard, our English Learners have no performance color for ELA or Math but they do have data. In ELA, they are 17.5 points below standard, which maintained (-2.5 points) from 2018, and in math, they are 34.8 points below standard, which declined 4.1 points. The Data Comparisons provided by the CA Dashboard show that our Current English Learners are 60.5 points below standard in ELA (maintained -2.1 points) and 89.2 points below standard in math (declined 18.1 points). The English Learner Progress Indicator for 2019 shows that 51.9% of our English Learners are making progress towards English language proficiency, a Medium Performance Level. 51.8% of ELs progressed at least one ELPI level, 33.3% maintained ELPI levels 1, 2L, 2H, 3L, and 3H and 14.8% of ELs decreased at least one ELPI level in 2019. English Learners are also in the Red Performance Level for Chronic Absenteeism (21.6% chronically absent, increased 7.1%) and in the Blue Performance Level for Suspension Rate (0% suspended at least once, declined 7%).							
Due to the lack of new data due to online learning, there is no new data to report for the 2019-2020 school year.							
*Online Learning Implications							
<ul style="list-style-type: none"> • Implementation of IEP Services in Online Learning Setting • All staff will be working as a team to support all students to accelerate their learning. • Educators will be receiving professional learning on how to implement IEP services online as well as how to implement a robust educational plan in an online learning platform with specific examples for the role of each educator (SLP, Ed Specialist, etc).

ELPAC Testing Support									
*Students to be served by this Strategy/Activity									
Perry's Unduplicated Students, specifically their English learner population									
*Strategy/Activity - Description									
The staff feels that the time needed to effectively administer the ELPAC in the fall and the spring takes away vital instructional minutes so they have decided to use some of our LCFF money to support a retired classroom teacher to do this work. They will do all test administration and provide student data to the teachers and administrator so that student progress can be monitored throughout the year. This classroom support is for the primary benefit of Perry's EL students (UPP).

Goal 5 - Supporting Students with Disabilities

Call to Action Belief Statement

- Ownership: Principals, teachers and support staff take ownership of all their students, including students with disabilities.
- Access: Students with disabilities are general education students first and should have access to a meaningful course of study.
- Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

The school is in the process of establishing a system of Tiered Interventions with a focus on goals and progress monitoring. Professional Learning Communities (PLCs) and Instructional Leadership Team (ILT) analyzed student data to monitor student progress towards these goals. Findings will be shared with parents and community via advisory groups and the School Site Council (SSC).

We are still collecting data on the effectiveness of the implementation of the strategies and activities that were implemented last year.

*Major Differences

Online learning will present implementation challenges within a virtual learning environment.

*Changes

In 2020-21, we are going to implement a process for responding to students' needs with a focus on data and progress monitoring.

*Goal 5- Students with Disabilities

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK-5	make progress on their IEP goals	varies	100	Progress Reports on IEP Goals	Annually

***Identified Need**

Only 26.7% of students in grades 3-5 with disabilities met or exceeded standards on ELA SBAC, and only 6.7% met or exceeded standards on the math SBAC. As a collective team, teachers, education specialists, support providers, and parents will work to ensure that at least 32% are meeting or exceeding standards in ELA, and 9% are meeting or exceeding standards in Math.

On the 2019 CA Dashboard, Students with Disabilities were in the Orange Performance Level for Suspension rate (7.3% suspended at least once, declined 3.8%), the red Performance Level for Chronic Absenteeism (20.3% chronically absent, increased 1.4%), and with no performance color for ELA or math. For ELA, Students with Disabilities were 58.2 points below standard (increased 30 points from 2018) and for math, they were 84 points below standard (maintained 1.2 points from 2018).

Due to online learning, we have no new data to share for 2019-2020 school year.

***Online Learning Implications**

- Implementation of IEP Services in Online Learning Setting
- All staff will be working as a team to support all students to accelerate their learning.
- Educators will be receiving professional learning on how to implement IEP services online as well as how to implement a robust educational plan in an online learning platform with specific examples for the role of each educator (SLP, Ed Specialist, etc.).

***Annual Measurable Outcomes**

Visiting Teachers/PD's

***Students to be served by this Strategy/Activity**

Unduplicated students/all students also identified as SWD

***Strategy/Activity - Description**

Visiting teachers are funded so that teachers can meet with grade levels throughout the year. During this time, teachers will analyze data in order to identify instructional needs of students so that they can provide appropriate and differentiated learning opportunities. Teachers will plan instruction, identify instructional practices and discuss ways to support students who are in need of intervention and enrichment.

- Monitoring
- Weekly Special Ed. Meeting
- Attend IEP Meetings
- Review Progress Reports
- Seek additional support from central office

Staff will work together to identify the specific academic needs of their Students with Disabilities including their strengths, areas of growth, and progress towards IEP goals. This will allow classroom teachers, Education Specialists, and Support Providers to work on targeted skills during push-in or small group instruction. Our call to action is to move lower-performing Students with Disabilities into the "Meets and or Exceeds" band of learners as measured by CAASPP ELA and Mathematics.

Goal 6 - Supporting Black Youth

Call to Action Belief Statement

Developing antiracist and restorative school communities.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

***Goal 6- Supporting Black Youth**

By Date	Grade	Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK-5	Black Youth*	Meeting or exceeding grade level expectations	Baseline	85%	Grades	Quarterly

***Goal 6 Supporting Black Youth - Additional Goals**

- ✓ 1. Beginning in the Fall of 2020, Perry site selection/hiring panel will complete anti-bias training before conducting any interviews.
- ✓ 2. In the 2020-21 school year, Perry will develop and implement a site-specific system for tracking classroom referrals.
- ✓ 3. Perry will create a process for ensuring a student is assigned a Student Champion (staff member) to help them through any suspension or expulsion process.
- ✓ 4. Perry will develop a Site Equity Team that meets quarterly throughout the school year to monitor attendance and grades with a focus on Black Youth as well as staff diversity goals.
- ✓ 5. In the 2020-21 school year, Perry will develop and implement a site-specific system for tracking school police detainments.
- ✓ 6. The staff diversity goal at Perry is to maintain or increase the percentage of diverse educators from current year to the following year.

***Identified Need**

The African American or Black student group at Perry is relatively small. We are realizing too that not all of our students identify with demographic. We are considering better ways to identify all of our Black Youth so that we are better able to monitor how we are serving these students and the services they are in need of to be successful while at Perry.

Perry Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

The 2019 CA Dashboard shows the African American student group is in the Yellow Performance level at 4.4% suspended at least once. This was a decline of 3.1% from 2018. They were also in the Green Performance Level for Chronic Absenteeism at 7.1% chronically absent, which declined 7% from 2018. Our African American group does not have a performance color for ELA or Math but they do have data. For ELA, they were 8.8 points below standard, which increased 21.4 points from 2018. In math, they were 15 points below standard, which increased by 28.8 points from 2018.

***Online Learning Implications**

- Our District will continue to provide Trauma Informed Care & Resilience Education training for educators to equip school site teams in understanding the complexities of these student populations and best practices that can maximize school site efforts.
- Creating a wraparound of student services through building a strong healthy foundation for learning, trusting relationships, identifying trauma, and ensuring student needs are met in and out of the classroom, especially for those of high risk

Support restorative practices - Monitor and collect data on referrals/suspensions

***Students to be served by this Strategy/Activity**

Black/African American students in grades TK-5.

***Strategy/Activity - Description**

- Support restorative practices
- Monitor and collect data on referrals/suspensions
 - Teach Second Step/Mind Up lessons
 - Small group Social/Emotional
 - Individual Counseling Support
 - Run RTI/SST/504 meetings
 - Resources to Families
 - Outside counseling support
 - Youth and Transition Support
 - Coffee with Counselor and Principal

Continue to work with counselor to work with all groups on the No Place for Hate Program

- Second Step Program in grades 2-5.
- Counselor to conduct home visits when it is safe to do so.
- Introduce multicultural libraries.

Goal 7 - Family Engagement

Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

District LCAP Goals

5. Family and community engagement with highly regarded neighborhood schools that serve students, families and communities

Annual Review of This Goal: SPSA Reviewed 2019-20

***Analysis**

Last year Perry planned to increase parent communication around academic and citizenship progress. We also had the FACE Office come out to offer our parents training around how to use PowerSchool as well as how to help their children read and be successful in school. We had monthly Family Fridays where parents would attend a short presentation around reading strategies and academic progress and then they would visit classrooms to see the strategies in action and confer with teachers as needed We also did monthly Coffee with the Principal as well as monthly stakeholder meetings for SSC, SGT, ELAC and PTA.

***Major Differences**

Online learning will present implementation challenges within a virtual learning environment.

***Changes**

The Perry Wellness Committee will continue to design the Family Friday events with a whole-child lens fostering collaboration between the school and the families and how we can all work together to support all the needs of our students.

***Goal 7- Family Engagement**

By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2021	Other (Describe in Objective)	Increase percentage of parents reporting that they feel that the school actively seeks their input before making important decisions.	32	50	CAL - SCHLS (CSPS)

***Identified Need**

We reviewed the Parent Involvement section of the CA Healthy Kids Parent Survey and noticed a slight difference in the reporting of "strongly agree" in the three categories. Both School allows input and welcomes parents' contributions and School encourages me to be an active partner with the school in

Perry Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

educating my child was close to 50% but School actively seeks the input of parents before making important decisions was only 32%. We have many stakeholder groups on our campus that are active and have parent involvement so we want to improve our communication with parents about the goals and purpose of these groups so that they know they have a say in the important work that we do at Perry.

At this time, we have no new data from the 2019-2020 school year.

*Online Learning Implications

- A Welcome Week will be hosted for educators, students, and families in which virtual lessons, training, and professional development will be offered for all.
- All Students will receive a district issued device to ensure access to curriculum while in a distance learning format.
- Internet connectivity is supported for any SDUSD family that does not have an Internet connection to support online learning.
- District is also supplying families with training on SEL, Wellness, Health and Safety.
- These training sessions will cover topics such as the introduction to SEL competencies, identification of emotions in self and others, expression of emotions, wellness practices and health/safety recommendations.
- These training opportunities will be communicated to families and available throughout the year via District Website and Parent Leadership groups.

*Annual Measurable Outcomes

By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2021	GATE	establish a GATE Parent Committee	0	100	Committee Attendance

Parent Committees

*Families to be served by this Strategy/Activity

All families at Perry will benefit from these activities.

*Strategy/Activity - Description

We will continue to support the opportunities parents have to engage at Perry including our SSC, ELAC, PTA, and SGT committees. We also are continuing our monthly Coffee with Principal meetings over zoom. The principal is sending out weekly messages to all families every Sunday to provide them information about what is happening at Perry and how they can participate.

New this year, we will establish a GATE Parent Committee to educate parents about GATE, what it means to be a GATE student, strategies that we use to support GATE students, and what GATE will look like in middle school and high school. Parents have requested establishing this committee so that they can have a better understanding of how their child thinks and learns and they can develop a better understanding of how our school meets the specific needs of their child.

Goal 8- Graduation/Promotion Rate

Call to Action Belief Statement

All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

In the 2019-2020 school year teachers and the counselor meet by grade level/department to analyze end of unit assessments. The DRA was given 3 times in the year and the analysis of this data informed instruction. Then, in grade level/department PLCs, teachers discussed best practices to achieve grade-level goals in DRA for all students.

*Major Differences

Online learning will present implementation challenges within a virtual learning environment.

*Changes

Continued collaboration will occur in PLCs and grade level meetings. Education Specialists and teachers will continue to collaborate to ensure students with disabilities success.

Counselor

*Students to be served by this Strategy/Activity

Unduplicated students/all students

*Strategy/Activity - Description

At the beginning of 2020, the counselor will be used to work with families that are having problems with attendance and attending online learning. The counselor will maintain a contact log to work with families who are having problems connecting and will reach out to these families through various methods.

The Counselor will work in small groups with students to implement the Second Step, an intervention curriculum, and work with parents to support families in improving student attendance. The Second Step curriculum's purpose is to teach students how to make better choices in how they interact with their peers and how to handle stressful situations through activities such as counting to 10 before they act and breathing when they feel upset. The goal of this program is to reduce suspension rates as the students are learning how to be better to each other. The staff at Perry also feel that these lessons will help provide students the skills they need to be successful in the classroom and on the playground so that they will be less likely to be sent to the office and will miss less time from instructional minutes. The Counselor will be working once a week with each 3-5 teacher and their classroom for 40 minutes where all will see the lessons and learn from the curriculum. They will do role-playing to help reinforce learning.

The district is able to fund one day of our Counselor and the staff at Perry agreed to use vital Title I funds to pay for them to come to our site another three days to help us meet the needs of our students and families. Additional funds will be provided from our LCFF to support the site-wide interventions that will be for the primary service of our unduplicated students but will benefit all students across campus. We serve many military families and the staff felt that this extra support would offer additional support to help with the special needs of these families.

For online learning, the counselor is working with various resources to help students be able to join their classmates by helping with devices and providing guidance with technology.

School Leadership Actions

Leadership Practice

The administrator leads with a clear rationale, vision, high expectations for achievement, and immediacy for change. The administrator collaborates with and motivates staff through providing support, sharing leadership, paying attention to the work and magnifying new learning. The administrator monitors belief systems and teaches the importance of embracing diversity and respecting all cultures. The staff knows why change is important, and collectively acts to propel it through seeking out new learning.

Leading, Implementing, Monitoring, and Actualizing a Coherent Plan

Leadership Actions:

- Classroom visits with targeted focus - Specific feedback regarding best practices and student engagement within an online learning environment.
- Coaching teachers to improve/strengthen practice, especially within an online learning environment.
- Reflect with Principal triad to monitor progress towards school focus

Online Learning Leadership Actions:

- Principal will form a site-based team to regularly monitor student attendance and participation, as well as provide needed support to re-engage students with their class.
- Staff will engage in professional development focused on building positive relationships to foster a positive, equitable, school environment to align to district's call to action for anti-racist culture and climate.
- Staff will collaborate and share best practices for Online Learning environments.
- School will use multiple means of communication to keep parents and community informed about district, school information and events and resources.
- Principal will review SPSA goal with all stakeholders during Online Learning to make sure that progress is being made toward the goals through Zoom meetings with staff, SSC, SGT, PTA and monthly Coffee with the Principal.

Perry Elementary
TITLE I PARENT & FAMILY ENGAGEMENT POLICY 2020-2021

In the fall, an annual meeting will be held to share with parents a description of the Title I program and its requirements.

Perry Elementary has developed a written Title I parent & family engagement policy with input from Title I parents. Parental input from various parent meetings including but not limited to Parent/Teacher Association (PTA) meetings and monthly Parent Coffees are shared with the School Site Council (SSC) to provide an organized, ongoing, timely way of involving parents in the development of this policy.

It has distributed the policy to parents of Title I students. The Policy was explained and distributed at our first SSC meeting held on October 2st, 2020.

This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements pursuant to ESSA Section 1116(c).

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of subsections (c) through (f). How are parents notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand? How is the policy made available to the local community? How and when is the policy updated periodically to meet the changing needs of parents and the school (ESSA Section 1116[b][1])?

At Perry Elementary School we pride ourselves on how we communicate with our parents and family members. We send home a written Parent and Family Engagement Policy at the beginning of the school year to all of our students. In addition we post this on the Principal's Sunday Message. At our Back to School event in the fall we also have a public meeting where we distribute and discuss the Parent and Family Engagement Policy. The Principal explains the policy in an understandable and uniform format at Back to School in the fall and on the Principal's Sunday Message. The Family Engagement Policy is also posted in the front office for the local community to view. The policy is updated periodically with various stakeholders given the opportunity to view and make amendments. The Policy is then reviewed yearly by the SSC and amendments are discussed and voted upon.

To involve parents in the Title I, Part A programs, the following practices have been established:

Topics that are appropriate for School Site Council (SSC) review/action will be placed on the agenda for the next regularly scheduled meeting by the school administration. All parents are notified and encouraged to participate and provide input at SSC meetings. However, only members of the SSC are allowed to vote.

The school convenes an annual meeting to inform parents about Title I, Part A requirements and about the right of parents to be involved in the Title I, Part A program (ESSA Section 1116[c][1]). Add details about the annual meetings in the box below:

The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. This is usually done in connection with our fall Back-to-School night parent meeting.

The school offers a flexible number of meetings for Title I, Part A parents, such as meetings in the morning or evening (ESSA Section 1116[c][2]). Add details about the meetings in the box below:

Meetings are held before, during or after school and occasionally evening meetings are held. Meeting days and times are based on parent input.

The school involves parents of Title I, Part A students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the Title I, Part A parent involvement policy (ESSA Section 1116[c][3]). How does the school involve parents?

Topics that are appropriate for School Site Council (SSC) review/action will be placed on the agenda for the next regularly scheduled meeting by the school administration. All parents are notified and encouraged to participate and provide input at SSC meetings. However, only members of the SSC are allowed to vote.

The school provides parents of Title I, Part A students with timely information about Title I, Part A programs (ESSA Section 1116[c)(4)[A]). How does the school provide the information?

The school provides parents of Title I students with timely information about Title I programs. The school bulletin, flyers, phone calls, social media sites and websites are used to advertise parent meetings and training sessions offered at our school, within the Morse Cluster, the District Advisory Council's Harold J. Ballard Center Parent Center, Parent University and throughout the district.

The school provides parents of Title I, Part A students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet (ESSA Section 1116[c][4][B]). How does the school provide the information?

The school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure students' progress, and the proficiency levels students are expected to meet, and how the curriculum is aligned to California Common Core Standards. Back-to-School night, Parent/Teacher conferences and report cards are a few ways in which our school informs our parents. Parents are also notified annually of individual assessment results by Research and Reporting Department and the Testing Department. An explanation of the information is available in several languages.

If requested by parents of Title I, Part A students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children (ESSA Section 1116[c][4][C]). How does the school provide the opportunities?

If required by parents of Title I students, the school provides opportunities for regular meetings that allow parents to participate decision relating to the education of their children. These parents meetings will be offered with opportunities for the formulation of parental suggestions. Responses to their suggestions will be reviewed in a timely fashion, if possible by next scheduled meeting.

The school engages Title I, Part A parents in meaningful interactions with the school. The Compact supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides Title I, Part A parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children (ESSA Section 1116[e][1]).

Back-to-School night, Parent/Teacher conferences and report cards are a few of ways in which our school informs our parents. Parents are also notified annually of individual assessment results by the Research and Reporting Department and the Testing Department. An explanation of the information is available in several languages.

The school provides Title I, Part A parents with materials and training to help them work with their children to improve their children's achievement (ESSA Section 1116[e][2]).

Parents are given materials and ideas to help their children during Parent/Teacher conferences. Homework is also designed for parents to assist their children with improving their achievement.

With the assistance of Title I, Part A parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners (ESSA Section 1116[e][3]).

Our parents work closely with our staff through our PTA. This strengthens our staff's understanding of the value of parent contributions.

The school coordinates and integrates the Title I, Part A parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children (ESSA Section 1116[e][4]).

Perry has a very large military population so working together with the military and other programs has allowed Perry to provide many resources for Title I students. Perry has a PTA room for parents, a PE classroom where parents can volunteer, and a library that has been changed to a Maker Space room that invites parents to meet and work with teachers on STEAM activities. In addition, Perry is in the process of adding a regulation room for all students to access, as well as allowing parents to become more educated on the resources in this room. Lastly, Perry offers a resource fair in the spring for all parents to attend offering resources in the community and surrounding area.

The school distributes Information related to school and parent programs, meetings, and other activities to Title I, Part A parents in a format and language that the parents understand (ESSA Section 1116[e][5]).

The school bulletin boards, flyers, phone calls, social media sites and websites are used to advertise parent meeting and training sessions offered at our school the District Advisory Council's Harold J. Ballard Parent Center, Parent University, and through our district.

The school provides support for parental involvement activities requested by Title I, Part A parents (ESSA Section 1116[e][14]).

Perry staff and parent organizations are open to all suggestions.

The school provides opportunities for the participation of all Title I, Part A parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand (ESSA Section 1116[f]).

Perry Elementary provides opportunities for all parents including limited English proficiency parents, students with disabilities, or migratory students to participate in Title 1 programs. Information is sent home in various languages to accommodate all stakeholders in a format and language that is understood by all parent subgroups.

If the schoolwide program plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency.

The plan is made available to all parents and the community. If the plan is not satisfactory to parents of participating students, the plan will be discussed and reviewed at an SSC meeting and amended if necessary with any parent comments on the plan documented on the plan when the school makes the plan available to the local education agency

This policy was adopted by Perry Elementary on October 2st, 2020 and will be in effect for the period of 2020-2021 school year.

The school will distribute the policy to all parents of students participating in the Title I, Part A program on, or before: October 2st, 2020

PERRY ELEMENTARY

TITLE I SCHOOL PARENT COMPACT

This School Parent Compact is in effect year 2020-2021.

Perry Elementary distributes to parents and family members of Title I, Part A students, a school-parent compact (Compact). This Compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. This Compact describes specific ways the school and families will partner to help children achieve the state’s high academic standards. This Compact addresses the following legally required items, as well as other items suggested by parents and family members of students Title I, Part A students:

REQUIRED SCHOOL PARENT COMPACT PROVISIONS

- The school’s responsibility to provide high-quality curriculum and instruction The ways parents and family members will be responsible for supporting their children’s learning (ESSA Section 1116[d][1]).
- The importance of ongoing communication between parents and family members, and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents and family members to volunteer and participate in their child’s class; and opportunities to observe classroom activities (ESSA Section 1116[d][2]).
- Parent-teacher conferences in elementary schools, at least annually, during which the Compact shall be discussed as it relates to the individual child’s achievement (ESSA Section 1116 [d][2][A]).
- Frequent reports to parents and family members on their children’s progress (ESSA Section 1116[d][2][B]).
- Reasonable access to staff, opportunities for parents and family members to volunteer and participate in their child’s class, and observation of classroom activities (ESSA Section 1116[d][2][C]).

How does the school address this?

• The school engages Title 1 parents and family members to improve the achievement of their children in many meaningful and thoughtful interactions with the school and the entire community. This Compact helps support a true partnership among the staff, parents, family members, and the entire community. The Compact helps us to work together to improve student academic achievement and provide input to all stakeholders. To help reach these goals the school has established the following practice and guidelines listed in this document.

The school engages Title I, Part A parents and family members to improve the achievement of their children in meaningful interactions with the school. This Compact supports a partnership among staff, parents and family members, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides Title I, Part A parents and family members with assistance in understanding the state’s academic content standards, assessments, and how to monitor and improve the achievement of their children (ESSA Section 1116[e][1]) in which ways?

- Parent Conferences in the fall of 2020 and the spring of 2021. These conferences are offered to all parents. Teachers make schedules to accommodate all parents that need special times to meet and discuss student academic content standards, assessments and how to help their child improve academically.
- The Principal communicates weekly with a Sunday Message to provide information to all stakeholders and provides information on events that parents and family members should attend.
- Staff is available via email, text, DOJO, and/or by phone, in person before and after school, during parent/teacher conferences, and by mutually agreed upon appointments.
- Staff members walk students out each day and will communicate with parents if needed, during on line instruction teacher offer daily office hours.
- All students have equitable access to a Common Core Standards based curriculum. This curriculum is explained to parents and family members
- Curriculum delivered is district approved and Board adopted so that parent and family will have an understanding of the curriculum being offered at the school.
- Staff members communicate to parents and family members that the instruction will be grounded in “best practices” and staff will differentiate based on student need.

The school provides Title I, Part A parents and family members with materials and training to help them improve the achievement of their children (ESSA Section 1116[e][2]) in which ways?

- Training is offered the at Back to School Night meeting and during on line learning it will be send out virtually to all families.
- Materials are provided to all families at school events and Family Fridays that are offered once a month
- Family Engagement is a part of the vision of the school and many resources and trainings are offered to help support and improve achievement for Title 1 students through parent support groups and parent support programs offered at the school.

With the assistance of Title I, Part A parents and family members, the school educates staff members in the value of parent and family member contributions, and how to work with parents and family members as equal partners (ESSA Section 1116[e][3]) in which ways?

- Monthly Professional Development is mandatory for staff members and staff members are coached on the value of parent and family member contributions with various methods and guest speakers.
- Family Friday is offered monthly to all parents and staff members work together to provide lessons that make parent and family members equal partners in academic lessons
- Once a parent has completed the Volunteer Application, the office works to clear the parent as soon as possible. After they are cleared parents are welcome to volunteer in the classrooms, with notice, mutually agreed upon times.

The school coordinates and integrates the Title I, Part A parental involvement program with other programs, and conducts other activities, such as resource centers, to encourage and support parents and family members in more fully participating in the education of their children (ESSA Section 1116[e][4]) in which ways?

The School has developed relationships with resources for parents through the San Diego Public Library and through Fleet Science Center.

With the addition of becoming a STEAM school Perry has utilized parents to help with the labs where students and parents work together to work on creating and science and engineering goals.

Principal conducts meeting with parents and invites a staff member monthly to encourage and support family members in participating in the education of their children

Family reading and tips on working with children at home are offered on Family Fridays on a monthly basis with a different speaker each month for parents and family members.

Parents are notified annually of individual assessment results by Data Analysis and Assessment Services Department. An explanation of the information is available in several languages for parents and family members.

The school distributes information related to school and parent programs, meetings, and other activities to Title I, Part A parents and family members in a format and language that the parents and family members can understand (ESSA Section 1116[e][5]) in which ways?

Email, phone calls, Principal Sunday Message, and flyers are all used to communicate to parents meeting and other activities to Title 1 parents and family members.

The school offers all of the above communication in a language that the parents and family members can understand.

Events are posted on the marquee in front of the school and on the school website.

The school provides support for parent and family member involvement activities requested by Title I, Part A parents and family members (ESSA Section 1116[e][14]) in which ways?

- Support is offered to parent and family members if requested by the District Counselor, the Guidance Assistance, and the Military Family Counselor for military families.
- Social Advocates for Youth, (SAY), has developed a partnership with the school. The programs from SAY provides extra support for Title 1 parents and families members. SAY provides them with resources for different academic programs that will support academic growth for the students.
- The Principal provides a weekly message that is sent to all parent and family members. This message provides Title 1 families with different community resources to support their child.

The school provides opportunities for the participation of all Title I, Part A parents and family members, including those with limited English proficiency, disabilities, and migratory students; and that the information and school reports are provided in a format and language that parents and family members can understand (ESSA Section 1116[f]) in which ways?

- A Title 1 Meeting is offered to all parent and community members annually
- Principals have created a video link that provides information to all parents and family members including those with limited English proficiency, disabilities and migratory students
- Information sent home via flyers or emails is offered in a formation and language parents and family members can understand.

This Compact was adopted by the Perry Elementary on 10/2/2020, and will be in effect for the period of 2020-2021.

The school will distribute the Compact to all parents and family members of students participating on, or before: 10/5/2020.

SCHOOL YEAR: 2019-20

Goal 1 - Safe, Collaborative and Inclusive Culture

Counselor

***Strategy/Activity - Description**

The Unduplicated Pupil Percentage at Perry is relatively high at 72.8%. knowing that these students traditionally struggle with attendance, suspension, and achieving academic success, the site had developed plans to fund this intervention and classroom support for their primary benefit while knowing that all students can benefit from this strategy.

The Counselor will work in small groups with students to implement Second Step, an intervention curriculum, and works with parents to support families in improving student attendance. The Second Step curriculum's purpose is to teach students how to make better choices in how they interact with their peers and how to handle stressful situations through activities such as counting to 10 before they act and breathing when they feel upset. The goal of this program is to reduce suspension rates as the students are learning how to be better to each other. The staff at Perry also feel that these lessons will help provide students the skills they need to be successful in the classroom and on the playground so that they will be less likely to be sent to the office and will miss less time from instructional minutes. The Counselor will be working once a week with each 3-5 teacher and their classroom for 40 minutes where all will see the lessons and learn from the curriculum. They will do role-playing to help reinforce learning.

For attendance issues, the Counselor will develop incentives for 3-5 students across the campus such as awards for students who have perfect attendance, classrooms that have improved their attendance and classroom with the best attendance. When students are absent, the Counselor will be able to call home to offer support to families and encourage attendance. For students who are chronically absent the Counselor will be sending notifications home and following up with families to help guide them as needed. Additionally, the Counselor will focus on mitigating absences through a proactive approach with an emphasis on Perry's unduplicated students who oftentimes suffer from chronic absenteeism at a greater rate.

The district is able to fund one day of our Counselor and the staff at Perry agreed to use vital Title I funds to pay for them to come to our site another three days to help us meet the needs of our students and families. Additional funds will be provided from our LCFF to support the site-wide interventions that will be for the primary service of our unduplicated students but will benefit all students across campus. We serve many military families and the staff felt that this extra support would offer additional support to help with the special needs of these families.

Tier I Instruction and Guaranteed and Viable Curriculum

***Strategy/Activity - Description**

The Unduplicated Pupil Percentage at Perry is relatively high at 72.8%. knowing that these students traditionally struggle with attendance, suspension, and achieving academic success, the site had developed plans to fund this professional development and support the subsequent intervention and classroom supports for their primary benefit while knowing that all students can benefit from this strategy.

Through various professional learning opportunities during dedicated PLC time, monthly administrator led professional development, and coaching cycles offered by the district, the teachers at Perry will be strengthening their Tier 1 Instruction and use of Guaranteed and Viable Curriculum. All grade levels will participate in the PLCs and the monthly PDs where they will look at student work samples and achievement on common assessments as well as assessments that are more formal from DRA to set student goals and monitor student progress. Grade 2 will also participate in ELLA coaching where they will look at the specific needs of our early learners. This will also support them in all content areas in regards to their English language goals, help identifying learning goals for students and work on developing their skills in pedagogy and content to better inform their instruction and improve their teaching practice. These teachers will also be doing a book study around a professional learning strategy that was recommended by their district coaches to help support their work.

Grade 3 will participate in ELA coaching where they will look at the language needs of all students, collect assessment data and student work samples and identify goals for each of their students related to their ELA needs. The teachers will work on developing their skills in strategies related to ELA and classroom pedagogy to better inform their instruction and improve their teaching practice. Grade 4 and 5 will participate in the ELD coaching where they will focus on developing both designated and integrated English language development skills and be able to review some suggested ELD instructional materials and strategies that can support their ELD students.

Goal 2 - English Language Arts

Tier I Instruction and Guaranteed and Viable Curriculum

***Strategy/Activity - Description**

The Unduplicated Pupil Percentage at Perry is relatively high at 72.8%. knowing that these students traditionally struggle with attendance, suspension, and achieving academic success, the site had developed plans to fund this professional development and support the subsequent intervention and classroom supports for their primary benefit while knowing that all students can benefit from this strategy.

Through various professional learning opportunities during dedicated PLC time, monthly administrator led professional development, and coaching cycles offered by the district, the teachers at Perry will be strengthening their Tier 1 Instruction and use of Guaranteed and Viable Curriculum. All grade levels will participate in the PLCs and the monthly PDs where they will look at student work samples and achievement on common assessments as well as more formal assessments from DRA to set student goals and monitor student progress. Grade 2 will participate in ELLA coaching where they will look at the specific needs of our early learners and how to support them in all content areas in regards to their English language goals, help identifying learning goals for students and work on developing their skills in pedagogy and content to better inform their instruction and improve their teaching practice. These teachers will also be doing a book study around a professional learning strategy that was recommended by their district coaches to help support their work.

Grade 3 will participate in ELA coaching where they will look at the language needs of all students, collect assessment data and student work samples and identify goals for each of their students related to their ELA needs. The teachers will work on developing their skills in strategies related to ELA and classroom pedagogy to better inform their instruction and improve their teaching practice. Grade 4 and 5 will participate in the ELD coaching where they will focus on developing both designated and integrated English language development skills and be able to review some suggested ELD instructional materials and strategies that can support their ELD students.

The Unduplicated Pupil Percentage at Perry is relatively high at 72.8%. knowing that these students traditionally struggle with attendance, suspension, and achieving academic success, the site had developed plans to fund this intervention and classroom support for their primary benefit while knowing that all students can benefit from this strategy.

The guided reading books are additional classroom supports to provide students additional access to text that are at their level and interesting for them to read to encourage student reading. The software license for RazzKids for all classrooms provides an intervention support to help our struggling readers both at school and at home.

Goal 3 - Mathematics

Guaranteed and Viable Curriculum: Math

***Strategy/Activity - Description**

Students identified as English Learners and Students with Disabilities who performed below standard will receive intensive support during the school day. This support includes small group instruction, SST monitoring (if necessary), access to Splash Math software, IEP goal monitoring, goal setting and recognition opportunities. Classroom teachers alongside our Education Specialists will meet to target Critical Concepts in Math to meet the needs of students. Data that is determined by the PLC will be used to increase overall grade-level achievement. Focused ELD instruction will take place during math instruction.

In PLC meetings, teachers address gaps in learning for children in small groups. Data is discussed and alternate interventions are developed during these meeting times. In addition, Education Specialists work closely with general education teachers to ensure that students with disabilities have equitable access to math curriculum.
