SCHOOL PLAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY**PURPOSE AND DESCRIPTION**

This School Plan for Student Achievement fulfills the requirements of a Title 1 School Wide Program School.

PURPOSE AND DESCRIPTION

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

LCAP Goal 1: Closing the achievement gap with high expectations for all.

LCAP Goal 2: Access to broad and challenging curriculum.

LCAP Goal 3: Quality leadership, teaching and learning

LCAP Goal 4: Positive school environment, climate, and culture – with equity at the core and support for the whole child.

LCAP Goal 5: Family and community engagement with highly regarded neighborhood schools that serve students, families and communities.

STAKEHOLDER INVOLVEMENT

At Valencia Park, our community engaged in a collaborative process in the development of the SPSA. In 2019-2020, stakeholders were involved in the 2020-2021 budget development process via multiple meeting opportunities to dialogue and to solicit input. These included SGT, SSC, ELAC, Valencia Park Foundation, and staff meetings held throughout the year.

October 2019 - Annual Title I parent meeting was held.

January 2020 - SGT & Staff met to analyze data and provided budget recommendations

January 2020 - ELAC provided input on funding that would support English Language Learners.

January 2020 - SSC met to discuss the evaluation and assessment survey.

February 2020 - SSC reviewed and approved the 2020-2021 budget.

September 2020 - SSC reviewed the School Parent Compact and Parent Involvement Policy.

September 2020 - ELAC reviewed and provide feedback on the 2020-2021 SPSA

September 2020 - SSC developed and approved the 2020-2021 SPSA

RESOURCE INEQUITIES

Valencia Park's root cause analysis involved examining data from CAASPP, the California Dashboard, the CHKS, California Parent Survey, site data spreadsheets, attendance and suspension data.

Root cause analysis: Suspensions

-Our suspension data does not reflect the actual improvement in the use of restorative practices at our site. Everyone on site has been trained in Restorative Practices and Trauma Informed Care.

-If we disaggregate our suspension data, we actually met our goal with the exception of a few specific students.

-At the end of the school year, one student was suspended pending expulsion for a very serious act that was investigated by school site, district personnel and police investigators. This student falls into four categories: Hispanic, EL, Homeless, Low Socioeconomic Status.

Root cause analysis: ELA Curriculum

-We have been using outdated and non common core aligned ELA curriculum

-The district provided us with ELA critical concepts and proficiency scales, but this is not enough support for new teachers and it does not promote alignment within nor across the grade levels

-A high percentage of our students enter kindergarten with little to no understanding of letters and sounds - this requires that we have a comprehensive ELA curriculum in order to best meet the needs of our students

-We received a supplement for the EnVision math in order to align the curriculum with the common core state standards

-We do not have ELD curriculum to support designated ELD instruction

-With the district purchased ELA Benchmark curriculum we will now have common curriculum across the district as well as aligned English Language Development (ELD) curriculum

Root cause analysis: Staffing

-Our nursing allocation was reduced from 0.8 to 0.4. This has a negative impact on the school site due to the integral nature of the School Nurse's position. She attends all initial and triannual IEP meetings, weekly RTI meetings, weekly attendance meetings, and she is directly involved in support of our homeless/foster students and families.

-Our site currently has a 0.4 School Counselor allocation. We feel that with the high needs of our student population, the district should provide the school with a 1.0 School Counselor FTE.

Root cause analysis: English Learners

-For many years our school was not provided with designated ELD curriculum

-The district no longer provides ELST support to the school site. We have not received support from the district ELST personnel in many years.

-There has been a lack of teacher training around supporting our EL students.

Root cause analysis: Performance

-Many of our students arrive without having attended prek and/or a lack of foundational skills

-Many of our students experience or have experienced trauma (high number of ACES) - a number of students are not getting their basic safety needs met

-We have a significant number of homeless/foster students.

-An on-going challenge is teacher efficacy across the school site. We have identified capacity builders at every grade level who continue to support their colleagues with professional development.

-Although we have seen significant improvement in student attendance, this continues to be a root cause for underperformance.

GOALS, STRATEGIES, EXPENDITURES, & ANNUAL REVIEW

Goal 1 - Safe, Collaborative and Inclusive Culture

Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

District LCAP Goals

4. Positive school environment, climate, and culture – with equity at the core and support for the whole child.

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

As a result of focusing on overall attendance throughout the school year, we were able to decrease our chronic absenteeism from 17% to 12.9%. We disaggregated our attendance and took a closer look at our African American and our English Learner students. We were able to decrease the AA chronic absenteeism from 21.7% to 17.2% and our EL 16% to 10%. We did this by tiering our interventions at the grade level, class level, and student level. We met regularly as an attendance team to discuss students who were in need of outreach.

In an effort to decrease our suspension rate, our entire staff engaged in Restorative Practices training as well as Trauma Informed Care 3-part professional development. Unfortunately, we experienced a few major incidents toward the end of the school year. Our suspension rate was negatively impacted by the actions of a few individual students. One of these students falls into 4 subgroups: Hispanic, EL, Homeless, Low Socioeconomic Status. This student was suspended for 5 days pending expulsion causing a dramatic increase in our suspension numbers. Our suspension rate rose from 2.7% to 3.2%.

We believe that it is our responsibility to listen to our students and get under the root cause for behavior that may lead to a suspension. We have begun to identify "safety net" students who we feel need to be assigned to a staff member for a little extra TLC. The goal of the staff member is to build a meaningful relationship with our "safety net" students giving them someone to support them when they are struggling. Many of our staff engaged in a book study over the summer around the book entitled Biased. Uncovering the Hidden Prejudice That Shapes What We See, Think, and Do.

*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences

***Changes**

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We are not going to make any major changes to our course of action in regards to attendance. We will continue to engage in restorative practices on a daily basis with all students.

***Goal 1 - Safe, Collaborative and Inclusive Culture**

By Date	Grade	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK-5	Decrease chronic absenteeism	12.9%	10%	Chronic Absenteeism	Monthly
June 2021	TK-5	Decrease suspension	3.2%	2%	Suspension	Monthly

***Identified Need**

2019 California dashboard data

***Online Learning Implications**

-Social Emotional Learning - Supporting the physical and mental well-being of our students by including social emotional learning into daily lessons and units of instruction.

-Restorative Communities - Acknowledging student behavior and promoting healthy relationships to ensure ALL students and staff feel valued and respected.

-Attendance/Chronic Absenteeism related

-Tier 1 - Classroom Teachers will be required to take attendance daily in PowerSchool. Parents of students who are absent will be notified through School Messenger that their child(ren) were absent from the day's learning. Teachers will adjust daily participation and attendance records when students submit completed assignments and or assessments.

-Tier 2 - School Leaders and Counselors will monitor attendance and participation on a weekly basis and contact the parents and families of students who have multiple days of absences. Additional measures will be taken to support families of students who are chronically absent.

-Tier 3 - The District's Family and Community Engagement team will follow up with any family that cannot be reached by school site staff. This team will also conduct home visits and wellness checks to connect with the students who are not engaging in online learning.

-Classified clerical employees adjusting their work to focus on monitoring attendance and working with families to ensure access to online resources and instruction.

-Social-Emotional Learning and Restorative Justice Practices

-Social and Emotional Learning (SEL) will be embedded into the instructional core during online and onsite learning.

Valencia Park Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- Schools will continue wellness efforts via school wellness coordinators.
- Our District will continue to provide Trauma Informed Care & Resilience Education training for educators to equip school site teams in understanding the complexities of these student populations and best practices that can maximize school site efforts.
- Creating a wraparound of student services through building a strong healthy foundation for learning, trusting relationships, identifying trauma, and ensuring student needs are met in and out of the classroom, especially for those of high risk.

***Annual Measurable Outcomes (Closing the Equity Gap)**

By Date	Grade	Student Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	TK-5	Asian	Decrease chronic absenteeism	9.5%	8%	Chronic Absenteeism	Monthly

Strategy/Activity 1: Suspension Chronic Absenteeism

***Students to be served by this Strategy/Activity**

All students will benefit from this strategy/activity in the area of Chronic Absenteeism, with an emphasis on Homeless/Foster students.
 All students will benefit from this strategy/activity in the area of Suspension, with an emphasis on Homeless/Foster, African American, Asian, and students with disabilities.

***Strategy/Activity - Description**

The School Counselor will continue to support students' social and emotional well-being. This will allow students to maximize their learning time in the classroom. The attendance committee will meet monthly to address chronic absenteeism. Also, the attendance clerk, the counselor, the school nurse, and the principal will meet weekly to address attendance issues.

Valencia Park Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

Our staff will continue to work on becoming a restorative school. All teachers have been trained in restorative practices and we have completed the 3-part district trauma informed care professional development. All teachers will begin using the Mind-Up curriculum provided by the counseling department.

We believe that it is our responsibility to listen to our students and get under the root cause for behavior that may lead to a suspension. We have begun to identify "safety net" students who we feel need to be assigned to a staff member for a little extra TLC. The goal of the staff member is to build a meaningful relationship with our "safety net" students giving them someone to support them when they are struggling. Many of our staff engaged in a book study over the summer around the book entitled Biased. Uncovering the Hidden Prejudice That Shapes What We See, Think, and Do.

In order to accelerate the decrease of chronic absenteeism for our Homeless/foster students, we will focus on this demographic specifically at our weekly attendance meetings. We will continue to honor students for attendance at our monthly celebrations. The attendance committee will take a deeper dive into the causes of chronic absenteeism.

***Proposed Expenditures for this Strategy/Activity**

Her role is to provide support to chronically absent students as well as students who are struggling with engagement.

Goal 2 - English Language Arts

Call to Action Belief Statement

We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

In-School Resource Teachers supported first and third grades with tier 1 instruction and they supported struggling students with tier 2 interventions in grades first-fifth. Collaboration included support in PLC, tier 1 instructional delivery, data analysis, and classroom management. RTs helped facilitate professional development at all grade levels, direct instruction to students in the RTI process, newcomer EL students, ELAC and the Friends of Valencia Park Foundation.

Visiting teachers released classroom teachers from the classroom for professional development, collaboration, lesson study, and data analysis to improve student achievement. Our teachers in grades fourth and fifth participated in coaching cycles to include lesson studies and data analysis.

*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences

*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Continue to maintain two in-school resource teacher positions.

Strategy/Activity 1: Professional Learning

*Students to be served by this Strategy/Activity

All students will be served by this strategy/activity with a focus on EL students, Black or African/American, and students with disabilities.

*Strategy/Activity - Description

In-School Resource Teachers to support first and third grade classroom teachers with tier 1 instruction and to support struggling students with tier 2 interventions. One RT will work with first grade students who continue to struggle with letter/sound recognition. They will collaborate with teachers in PLC, tier 1 instructional delivery, data analysis, and classroom management. RTs will help facilitate professional development at all grade levels, direct instruction to students in the RTI process, new comer EL students, ELAC and the Friends of Valencia Park Foundation.

During PLC work, teachers will specifically plan for our EL students using the English Language Support component of the ELA curriculum. EL students will be given many opportunities throughout the day to practice language while being supported using sentence frames, academic vocabulary, teacher modeling, teacher think-alouds, graphic organizers, collaborative conversations (SDAIE strategies).

Classroom teacher hourly used to pay lead teachers for their attendance at bimonthly instructional leadership team meetings.

Goal 3 - Mathematics

Call to Action Belief Statement

All students engage in rigorous and relevant mathematics to solve problems associated with personal, civic and professional contexts and are able to effectively explain and communicate their reasoning to a variety of audiences.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum

Annual Review of This Goal: SPSA Reviewed 2019-20

***Analysis**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Based on the California Dashboard, we are in the green metric schoolwide and we have no subgroups in the red or orange metrics. We increased our score by 8.8 points. We attribute this improvement to teaching math first thing in the morning schoolwide. Resource teachers worked with students in grades 3-5 based on the student performance data on the Interim Assessments. Data was analyzed on a weekly basis to establish fluid groups based on student needs.

Strategy/Activity 1: RTI Interventions

*Students to be served by this Strategy/Activity

All students will benefit from this strategy/activity in the area of math, with an emphasis on African American, English learners, and students with disabilities.

*Strategy/Activity - Description

Teachers launch math instruction by using four warm-up/review math problems. This will help to identify the areas where students continue to struggle. They can lean-in with a student to help clear up a misconception or provide a little scaffolding to help them understand the math concept. This serves as formative data gathered on a daily basis. Based on this data and evidence collected throughout the math lesson, teacher will pull a small group (RTI) for support with math. We will also be using interim assessment to identify areas of need and to drive our instruction.

Goal 4- Supporting English Learners

Call to Action Belief Statement

We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Teachers were using the EL student support called out in the Benchmark ELA curriculum. The ELD was integrated throughout the school day as evidenced by sentence frames, realia, subject specific vocabulary, multiple opportunities for think time and partner talk. All teacher are teaching designated ELD curriculum in small groups as determined by EL proficiency levels.

Resource teacher to provide small group Tier II intervention for LTEL students as identified by ELPAC scores. Students will work on academic language, reading comprehension, and writing. Self-monitoring meetings to evaluate student progress on ELPAC; students use this information to set goals for the year.

Resource teacher to provide small group Tier II intervention for newcomer students as identified by new enrollments. Students will work on oral language development, foundational skills, phonics/word work, reading fluency, reading comprehension, and writing.

*Major Differences

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences

*Changes

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will use the district provided Benchmark designated ELD curriculum to support daily ELD instruction in every classroom every day. In-School Resource Teacher will provide RTI support for new comer EL students.

***Integrated English Language Development**

We will continue to refer to the EL support called out in the Benchmark ELA curriculum to integrate ELD throughout daily instruction. Some examples include: SDAIE strategies, sentence frames, academic language, partner talk, teacher modeling, think alouds, graphic organizers, and other visual and language supports.

***Designated English Language Development**

We will conduct ELD professional development during PLC to support the use of the Benchmark designated ELD curriculum. Classroom visits conducted to observe ELD instruction in all classrooms. Designated ELD instruction will be taught daily for 30 minutes in every classroom. In-School Resource Teacher will facilitate professional development and provide support to classroom teachers.

***Goal 4 - English Learners**

By Date	Grade	Student Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	3-5	English Learner	Increase ELA achievement	12.5	15	CAASPP ELA	Yearly

***Online Learning Implications**

-District will provide students with targeted small group support through a push-in integrated model.

- The Integrated Model approach will build the educator capacity in effective practices that support teaching practices and learning interactions as well as strategies to support English language development.
- Job embedded coaching will support the classroom educators in developing instructional practices and interactions to meet the needs of each language learner.
- Additional classroom support will be provided through a co-teaching model and support classroom educators teaching designated ELD (English Language Development) courses as well as support planning integrated ELD in content courses.
- Online professional development modules with iELD (integrated English Language)
- The district will also provide professional development and direct site support for Newcomer/Immigrant students as well as Under-schooled students (former SIFE - Student with Interrupted Formal Education)
 - These students will receive direct instruction for language through newcomer classes, push-in class support, or small group support.
 - Direct instruction for how English works, direct instruction for comprehension activities, and participation activities will be implemented by the Office of Language Acquisition.

Formative assessment data will be collected, analyzed and feedback given to students.

Professional development will also be offered to teachers across the district serving this English Learner group

The English Language Instructional Resource Teacher (ELI) will collaborate with the school administrator and classroom educators to analyze student data in order to prepare information to present to EL families.

This information may be shared with school staff, ELAC (English Learner Advisory Committee), or SSC in order for parents to consult, provide feedback or advise

***Annual Measurable Outcomes (Closing the Equity Gap)**

By Date	Grade	Student Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency

Strategy/Activity 1: Designated ELD

***Students to be served by this Strategy/Activity**

All English Learner students will be served by the strategy/activity.

***Strategy/Activity - Description**

Teachers will engage in professional development to support the implementation of the Benchmark Designated ELD (dELD) program. Professional learning opportunities for dELD will be discussed during grade level PLC meetings and monthly professional development. Teachers will also have the opportunity to engage in dELD trainings provided by Benchmark representatives. Resource teachers will facilitate professional learning opportunities for dELD. Resource teachers will also provide Tier II small group instruction for at risk English Learners and newcomer English Learners, ranging from

Valencia Park Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

grades 2nd - 4th, by implementing the Leveled Literacy Intervention (LLI) Program by Fountas and Pinnell. Specifically, they will focus in the area of literacy; foundational skills, phonics/word work, reading fluency, reading comprehension and writing.

Goal 5 - Supporting Students with Disabilities

Call to Action Belief Statement

Ownership: Principals, teachers and support staff take ownership of all their students, including students with disabilities.
 Access: Students with disabilities are general education students first and should have access to a meaningful course of study.
 Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The new learning center model proved to be very effective for scheduling pull-out times for students. We were able to ensure that students with separate setting hours on their IEPs were not missing core ELA or math instruction. We aligned the separate setting time during small group guided reading and to follow core math instruction. We will continue to use this format to coordinate grade level schedules with the learning center support for students.

Strategy/Activity 1: Learning Center Model

*Students to be served by this Strategy/Activity

All students with disabilities will be served by this strategy/activity

*Strategy/Activity - Description

We are implementing the learning center model. In this model pull-out support for students with IEPs will align with grade level schedules. Every teacher in grades TK-1 will have 45 minutes per day for guided reading and teachers in grades 2-5 will have 60 minutes per day for guided reading. The students with IEP hours will be pulled out into the learning center during this time (45 minute) blocks. The classroom teacher will align their daily schedule to the learning center allowing for them to meet with their students for guided reading either before or after they go to the learning center. They will also align math instruction to the learning center schedule. Teaching math for a minimum of 30 minutes before the students with IEP goals for math are sent to the learning center.

Developing antiracist and restorative school communities.

District LCAP Goals

1. Closing the Achievement Gap with High Expectations for All
2. Access to Broad and Challenging Curriculum
3. Quality Leadership, Teaching and Learning
4. Positive School Environment, Climate and Culture – with Equity at the Core and Support for the Whole Child

***Goal 6- Supporting Black Youth**

By Date	Grade	Group	Objective	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2021	K-5	Black/African American Students	Decrease suspension rates	4.1% (2019 California Dashboard)	3%	Suspensions (Classroom and School)	Monthly

***Goal 6 Supporting Black Youth - Additional Goals**

1. Beginning in the Fall of 2020, Valencia Park site selection/hiring panel will complete anti-bias training before conducting any interviews.
2. In 2020-21 school year, Valencia Park will develop and implement a site-specific system for tracking classroom referrals.
3. Valencia Park will create a process for ensuring a student is assigned a Student Champion (staff member) to help them through any suspension or expulsion process.
4. Valencia Park will develop a Site Equity Team that meets quarterly throughout the school year to monitor attendance and grades with a focus on Black Youth as well as staff diversity goal.
5. In the 2020-21 school year, Valencia Park will develop and implement a site-specific system for tracking school police detainments.
6. The staff diversity goal at Valencia Park is to maintain or increase the percentage of diverse educators from current year to the following year.

***Identified Need**

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

Valencia Park Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

Our suspension rate for 2018-19 showed that 4.1% of our African American students were getting suspended from school. We have engaged in school wide improvements in an attempt to lower this percentage.

***Online Learning Implications**

-Creating a wraparound of student services through building a strong healthy foundation for learning, trusting relationships, identifying trauma, and ensuring student needs are met in and out of the classroom, especially for those of high risk.

-Our site will continue to use the strategies learned from Trauma Informed Care & Resilience Education training for educators to equip school site teams in understanding the complexities of these student populations and best practices that can maximize school site efforts.

Strategy/Activity 1

***Students to be served by this Strategy/Activity**

All African American students in grade Tk-5.

***Strategy/Activity - Description**

All teachers have attended all of the restorative practices trainings as well as participated in the trauma informed care 3-part professional development. We believe that it is our responsibility to listen to our students and get under the root cause for behavior that may lead to a suspension. We have begun to identify "safety net" students who we feel need to be assigned to a staff member for a little extra TLC. The goal of the staff member is to build a meaningful relationship with our "safety net" students giving them someone to support them when they are struggling. Many of our staff engaged in a book study over the summer around the book entitled Biased. Uncovering the Hidden Prejudice That Shapes What We See, Think, and Do.

Goal 7 - Family Engagement

Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

District LCAP Goals

5. Family and community engagement with highly regarded neighborhood schools that serve students, families and communities

Annual Review of This Goal: SPSA Reviewed 2019-20

*Analysis

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Our parent involvement goal for 2018-2019 was :by June 2019, 100% (approx. 500 families) will receive information regarding academic and citizenship progress of their children. As evidenced by our sign-in sheets at parent teacher conferences, 98% of our families received information regarding academic and citizenship progress of their children.

School Leadership Actions

Leadership Practice

The administrator leads with a clear rationale, vision, high expectations for achievement, and immediacy for change. The administrator collaborates with and motivates staff through providing support, sharing leadership, paying attention to the work and magnifying new learning. The administrator monitors belief systems and teaches the importance of embracing diversity and respecting all cultures. The staff knows why change is important, and collectively acts to propel it through seeking out new learning.

Leading, Implementing, Monitoring, and Actualizing a Coherent Plan

In reviewing the current data and root cause analysis, the following strategies and leadership actions will be implemented school-wide at Valencia Park Elementary in order to improve attendance, academic achievement for students in all sub-groups, and to reduce the number of suspensions.

High Quality Tier 1 Instruction

Cycle #1: Learning Targets/Clarity of Purpose

Focused Walkthroughs: Classroom Schedules/Learning Objectives; What is the learning target of the lesson? How is it meaningful and relevant beyond the specific task/activity? Student talk vs. teacher talk; where is the locus of control over learning? What does student talk reveal about the nature of students' thinking?

Professional Development: Setting learning objectives/targets

PLCs:

- The learning target is clearly articulated, linked to standards, embedded in instruction, and understood by the students
- The learning target is measurable. The criteria for success are clear to students and the performance tasks provide evidence that students are able to understand and apply learning in context.
- The teaching points are based on knowledge of students' learning needs in relation to the learning targets. Aligning learning targets to proficiency scales.

Lesson Studies:

- Shared reading/close reading

Cycle #2: Assessment for Student Learning

Focused Walkthroughs: How does the instruction provide opportunities for all students to demonstrate learning? How does the teacher capitalize on those opportunities for the purposes of assessment? How does the teacher gather information about student learning? How comprehensive are the sources of data from which he/she draws? How does the teacher's understanding of each student as a learner inform how the teacher pushes for depth and stretches boundaries of student thinking? How does the teacher's instruction reflect planning for assessment?

Professional Development: Checking for Understanding

PLCs:

- The teacher creates multiple assessment opportunities and expects all students to demonstrate learning.

- Assessment methods include a variety of tools and approaches to gather comprehensive and quality information about the learning styles and needs of each student (e.g., anecdotal notes, conferring, student work samples, etc.).

Lesson Studies:

- Guided Reading

Cycle #3: Student Engagement

Focused Walkthroughs: What is the level and quality of the intellectual work in which students are engaged?; Do all students have access to participation in the work of the group?; What questions, statements, and actions does the teacher use to encourage students to share their thinking with one another, to build on one another's ideas, and to assess their understanding of one another's ideas?

Professional Development: Student Engagement

PLCs:

- Engagement strategies capitalize on and build upon students' academic background, life experiences, culture and language to support rigorous and culturally relevant learning.
- Engagement strategies encourage equitable and purposeful student participation and ensure that all students have access to, and are expected to participate in, learning.

Lesson Studies:

- Guided Reading

Online Learning School Leadership Actions:

- Teachers accessed a wide variety of training opportunities provided by the district in order to support online learning. Teachers were encouraged to participate in a minimum of 10 training sessions that aligned with their individual job assignments/responsibilities.
- Teachers attended professional development presented by Doug Fisher in order to support the continuation of online learning.
- Teachers were also provided with a copy of Dr. Fisher's ebook to facilitate ongoing study and professional development opportunities within their specific grade levels.
- Teachers are supporting each other by meeting regularly to share curriculum, instructional strategies and digital resources with their colleagues.
- Meetings to facilitate ILT, RTI and IEP meetings are being conducted online in order to include all participants and ensure continuing support for teachers and students.

Valencia Park Elementary School
TITLE I PARENT & FAMILY ENGAGEMENT POLICY 2020-2021

In the fall, an annual meeting will be held to share with parents a description of the Title I program and its requirements.

Valencia Park has developed a written Title I parent & family engagement policy with input from Title I parents. Last fall an annual meeting was held to share with parents a description of the Title I program and its requirements. An open invitation was extended to parents to meet with the Principal to develop the Title I Parent Involvement Policy for Valencia Park Elementary School. Parents in attendance studied the template for the Policy and discussed the specifics regarding what should be included in the Policy. Through open discussion, parents and principal reached consensus as to the information to be included in the answer to each item.

It has distributed the policy to parents of Title I students.

- The school convenes an annual meeting to inform parents of Title I Students about Title I Requirements and about the right of parents to be involved in the Title I program.
- Voice messages to all homes through School Messenger alerting parents that document will be sent home.
- Email message sent home through School Messenger alerting parents that the document will be sent home.

This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements pursuant to ESSA Section 1116(c).

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of subsections (c) through (f). How are parents notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand? How the policy is made available to the local community? How and when is the policy updated periodically to meet the changing needs of parents and the school (ESSA Section 1116[b][1])?

- The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program.
- Monthly SSC meeting is scheduled at a time convenient for parents to attend.
- Input on Title I Policy and programming main topic on SSC agenda.
- The School provides parents with timely information through the school bulletin boards, school calendar, flyers, phone calls, Class Dojo, marquee and website to advertise parent meetings.

To involve parents in the Title I, Part A programs, the following practices have been established:

- The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program.

- Monthly SSC meeting is scheduled at a time convenient for parents to attend.
- Input on Title 1 Policy and programming main topic on SSC agenda.

The school convenes an annual meeting to inform parents about Title I, Part A requirements and about the right of parents to be involved in the Title I, Part A program (ESSA Section 1116[c][1]).

Add details about the annual meetings in the box below:

- School Site Council Meetings
- Site Governance Team (SGT) meetings
- English Learner Advisory Committee (ELAC)
- Foundation Meetings
- Coffee with the principal

The school offers a flexible number of meetings for Title I, Part A parents, such as meetings in the morning or evening (ESSA Section 1116[c][2]). Add details about the meetings in the box below:

- The school offers a flexible number of meetings for Title I parents, such as meetings in the morning and evenings. Meetings at Valencia Park are held on various days of the week. Some meetings are held during the school day or after school. Meeting times and days are based on parent input.

The school involves parents of Title I, Part A students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I, Part A programs and the Title I, Part A parent involvement policy (ESSA Section 1116[c][3]). How does the school involve parents?

- The school provides opportunities for parents to be a part of various advisory groups such as School Site Council Meetings, Site Governance Team (SGT) meetings, English Learner Advisory Committee, Foundation Meetings. Topics that are appropriate for SSC review/action will be placed on the agenda for the next regularly scheduled meeting the school administration. All parents are notified and encouraged to participate and provide input at these meetings. However, only members of the SSC are allowed to vote.

The school provides parents of Title I, Part A students with timely information about Title I, Part A programs (ESSA Section 1116[c)(4)[A]). How does the school provide the information?

- The school provide parents of Title I students with timely information about Title I programs.
- The School provides parents with timely information through the school bulletin boards, flyers, phone calls, Class Dojo marquee and website to advertise parent meetings.

The school provides parents of Title I, Part A students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet (ESSA Section 1116[c][4][B]). How does the school provide the information?

- The school provides parents of Title I students with an explanation of the curriculum used at school, the assessments used to measure progress, and the proficiency levels students are expected to meet. Back to School Night, Parent/Teacher conferences and report cards are a few ways in which our school informs parents.

- The school provides parents with assistance in understanding the State’s academic content, standards, and assessments, and how to monitor and improve the achievement of their children.
- Workshops are provided for parents focused on understanding Common Core Standards and the Smarter Balanced Assessment.
- The school provides parents with website resources for understanding Common Core Standards and Smarter Balanced Assessments.

If requested by parents of Title I, Part A students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children (ESSA Section 1116[c][4][C]). How does the school provide the opportunities?

- If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children. These parent meetings will be offered with opportunities for the formulation of parent suggestions. Responses to their suggestions will be reviewed in a timely fashion, if possible, by the next scheduled meeting.
- The school offers a flexible number of meetings for Title I Parents, such as meetings in the morning or after school.
- All assemblies for students are open to all families.
- SSC meetings are scheduled to accommodate parent schedules.
- Family Fridays
- Monthly Valencia Park Calendars with meeting announcements and information.
- School Messenger calls, Class Dojo and emails with meeting announcements and information.

The school engages Title I, Part A parents in meaningful interactions with the school. The Compact supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides Title I, Part A parents with assistance in understanding the state’s academic content standards, assessments, and how to monitor and improve the achievement of their children (ESSA Section 1116[e][1]).

- The school provides parents with assistance in understanding the State’s academic content, standards, and assessments, and how to monitor and improve the achievement of their children.
- Workshops are provided for parents focused on understanding Common Core Standards and the Smarter Balanced Assessment.
- The school provides parents with website resources for understanding Common Core Standards and Smarter Balanced Assessments.
- The school promotes the importance of ongoing communication between parents and teachers though, at a minimum, annual parent-teacher conferences, frequent reports on student progress, access to staff, opportunities for parents to volunteer and participate in their child’s class, and opportunities to observe classroom activities.

The school provides Title I, Part A parents with materials and training to help them work with their children to improve their children's achievement (ESSA Section 1116[e][2]).

- Parents are provided parent workshops to support student achievement.
- Teachers adhere to the District's at-risk, identification, intervention and support timelines
- The principal and teachers meet with parents when students are in severe academic jeopardy.

With the assistance of Title I, Part A parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners (ESSA Section 1116[e][3]).

- The school distributes a School Parent Compact to all parents outlining how parents, the entire school, and students will share the responsibility for improved student academic achievement.

The school coordinates and integrates the Title I, Part A parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children (ESSA Section 1116[e][4]).

- Parents are provided parent workshops to support student achievement.
- When necessary, the principal and support staff, School Nurse, Counselor, School Psychologist and instructional staff are aware of district central support offices and make necessary contacts when students' needs cannot be appropriately addressed at this time.

The school distributes Information related to school and parent programs, meetings, and other activities to Title I, Part A parents in a format and language that the parents understand (ESSA Section 1116[e][5]).

- The school offers a flexible number of meetings for Title I Parents, such as meetings in the morning or after school.
- All Student assemblies open to all families.
- SSC meetings are scheduled to accommodate parent schedules.
- Family Fridays
- Monthly Valencia Park Calendars with meeting announcements and information.
- School Messenger calls, Class Dojo and emails with meeting announcements and information.

The school provides support for parental involvement activities requested by Title I, Part A parents (ESSA Section 1116[e][14]).

When necessary, the principal and support staff, School Nurse, Counselor, School Psychologist and instructional staff are aware of district central support offices and make necessary contacts when students' needs cannot be appropriately addressed at this time. The school provides opportunities for the participation of all Title I, Part A parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand (ESSA Section 1116[f]).

- Funds were included in our Parent Involvement Budget (30100) for translation services to accommodate parents who do not speak or understand English or Spanish.

- Funds were included in our Parent Involvement Budget for child care during parent workshops.
- When necessary, the principal and support staff, School Nurse, Counselor, School Psychologist and instructional staff are aware of district central support offices and make necessary contacts when students' needs cannot be appropriately addressed at this time.

If the school wide program plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency.

- The principal maintains a policy for all parents. Parents can schedule appointments, stop by the office to schedule an appointment, or call.

This policy was adopted by Valencia Park Elementary on September 29, 2020 and will be in effect for the period of 2020-2021.

The school will distribute the policy to all parents of students participating in the Title I, Part A program on, or before: October 29, 2020

VALENCIA PARK ELEMENTARY
SCHOOL PARENT COMPACT

This School Parent Compact is in effect year 2020-2021.

Valencia Park Elementary distributes to parents and family members a school-parent compact (Compact). This Compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. This Compact describes specific ways the school and families will partner to help children achieve the state's high academic standards. This Compact addresses the following legally required items, as well as other items suggested by parents and family members of students:

REQUIRED SCHOOL PARENT COMPACT PROVISIONS

Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating children to meet California's student academic achievement standards.

Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.

Provide parents with frequent reports on their child's progress.

Provide parents reasonable access to staff.

Provide reasonable access to staff, opportunities for parents and family members to volunteer and participate in their child's class, and to observe classroom activities.

How does the school address this?

- The school convenes an annual meeting to inform parents about the right to be involved. This is usually done in connection with our Back to School night parent meeting and Family Fridays.
- Back to School Night and Parent Teacher Conferences and report cards are a few ways in which our school informs our parents.

The school engages parents and family members to improve the achievement of their children in meaningful interactions with the school. This Compact supports a partnership among staff,

parents and family members, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides parents and family members with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children in which ways?

- During Back to School Night, school staff provide an in-depth outline of what students will be learning during the year and what standards students will be focusing on. They also demonstrate different assessments that will be administered during the year and explain that there will be multiple opportunities during the year to discuss student progress.

The school provides parents and family members with materials and training to help them improve the achievement of their children in which ways?

- During the school year, school staff will provide parent training to discuss how to support students with academic progress. We will provide sessions that target culture and climate, homework, literacy, math, and understanding of assessments that are administered during the year such as CAASP, ELPAC, GATE, and DRA.

With the assistance of parents and family members, the school educates staff members in the value of parent and family member contributions, and how to work with parents and family members as equal partners in which ways?

- During the school year, school staff work together to support how to work with families who are economically disadvantaged and have students with special needs, and explain academic progress in parent friendly language.

The school coordinates and integrates parental involvement program with other programs, and conducts other activities, such as resource centers, to encourage and support parents and family members in more fully participating in the education of their children in which ways?

- The school convenes an annual meeting to inform parents about the right to be involved. This is usually done in connection with our Back to School night parent meeting. The school bulletin boards, school monthly calendars, flyers, ClassDojo, phone calls, marquee, website are used to advertise parent meetings and training sessions offered at our school and off site such as:
- The school distributes information related to school and parent programs, meetings, and other activities to parents and family members in a format and language that the parents and family members can understand in which ways?

- The school provides written and oral information to families in both Spanish and English. Translation is also provided to better service our families.
- The school bulletin boards, school newsletters, flyers, ClassDojo, phone calls, marquee, website are used to advertise parent meetings and training sessions offered at our school and off site such as:

The school provides support for parent and family member involvement activities requested by parents and family members in which ways?

- The school convenes an annual meeting to inform parents about the right to be involved. This is usually done in connection with our Back to School night parent meeting and Principal Chats.
- With the support of the District's Family Engagement Department, the school administered a needs-assessment to survey parents on topics and activities that would support their child.

The school provides opportunities for the participation of all parents and family members, including those with limited English proficiency, disabilities, and migratory students; and that the information and school reports are provided in a format and language that parents and family members can understand in which ways?

- During the school year, school staff work together to support how to work with families who are economically disadvantaged and have students with special needs, and explain academic progress in parent friendly language through Principal Chats, Back to School Night, Parent Conferences and communications sent home to parents.

This Compact was adopted by Valencia Park Elementary on September 29, 2020 and will be in effect for the period of 2020-2021.

The school will distribute the Compact to all parents and family members of students participating on, or before: October 31, 2020.

SCHOOL YEAR: 2019-20

Goal 1 - Safe, Collaborative and Inclusive Culture

Strategy/Activity 1: Suspension Chronic Absenteeism

***Strategy/Activity - Description**

The School Counselor will continue to support students' social and emotional well-being. This will allow students to maximize their learning time in the classroom. The attendance committee will meet monthly to address chronic absenteeism. Also, the attendance clerk, the counselor, the school nurse, and the principal will meet weekly to address attendance issues.

Our staff will continue to work on becoming a restorative school. All teachers have been trained in restorative practices and we have completed the 3-part district trauma informed care professional development. All teachers will begin using the Mind-Up curriculum provided by the counseling department.

In order to accelerate the decrease of chronic absenteeism for our Black/African American students, we will focus on this demographic specifically at our weekly attendance meetings. We will continue to honor students for attendance at our monthly celebrations. The attendance committee will take a deeper dive into the causes for the chronic absenteeism.

***Proposed Expenditures for this Strategy/Activity**

Analysis:

Our staff continue to work on becoming a restorative school. By the end of the 2019-2020 school year, all teachers will have completed days 1-3 of the district restorative practices training. We did launch the Mind-Up curriculum school wide in September. This practice has not continued with fidelity throughout the school year.

The attendance committee has meet bimonthly to review chronic absenteeism as well as overall attendance. The attendance team (principal, counselor, nurse, attendance clerk) has meet biweekly to review attendance and to address attendance issues. We have cut our percentage of chronic absenteeism for our Black/African American students in half from 21% to 10%. We have also seem a decrease in our EL students from 16% to 12%.

Goal 2 - English Language Arts

Strategy/Activity 1: Professional Learning

***Strategy/Activity - Description**

In-School Resource Teachers to support first and third grade classroom teachers with tier 1 instruction and to support struggling students with tier 2 interventions. One RT will work with first grade students who continue to struggle with letter/sound recognition. They will collaborate with teachers in PLC, tier 1 instructional delivery, data analysis, and classroom management. RTs will help facilitate professional development at all grade levels, direct instruction to students in the RTI process, new comer EL students, ELAC and the Friends of Valencia Park Foundation.

During PLC work, teachers will specifically plan for our EL students using the English Language Support component of the ELA curriculum. EL students will be given many opportunities throughout the day to practice language while being supported using sentence frames, academic vocabulary, teacher modeling, teacher think-alouds, graphic organizers, collaborative conversations (SDAIE strategies).

Visiting teachers release classroom teachers from the classroom for professional development, collaboration, lesson study, and data analysis to improve student achievement.

Classroom teacher hourly used to pay lead teachers for their attendance at bimonthly instructional leadership team meetings.

***Proposed Expenditures for this Strategy/Activity**

Analysis:

For the 2019-2020 school year, the In School Resource Teachers provide support in the area of English Language Arts (ELA) to our 1st – 5th grade students. This support is in the form of the Tier II small group reading instruction. The Tier II small group reading instruction focuses on reading fluency, reading comprehension, foundational skills with an emphasis on word work and response to literature. Resource Teachers analyzed school wide data to determine group selection. Our 4th and 5th grade students are also supported by resource teachers in the area of writing. Upper grade students have the opportunity to interact in the study of writing craft. In School Resource Teachers, also provide support to classroom teachers by modeling instruction and co-teaching in grades 1st – 5th. In addition, the resource teachers also provide push in support for at risk students and students near grade level expectations in the classroom. Resource Teachers also have the opportunity to facilitate the Professional Learning Communities (PLC) in grades K – 5th. Resource Teachers and grade level teachers work together to look closely at our critical concepts and plan lessons with the learning goal and targets as our focus. Resource Teachers are also instrumental in extending SDUSDs Student Centered Coaching Cycle in ELA school wide by providing professional development opportunities and facilitating lesson study cycles across the grade levels. When necessary, resource teachers provide classroom coverage for general ed. Classroom teachers to allow for instructional planning time.

Goal 3 - Mathematics

Strategy/Activity 1: RTI Interventions

***Strategy/Activity - Description**

Teachers launch math instruction by using four warm-up/review math problems. This will help to identify the areas where students continue to struggle. They can lean-in with a student to help clear up a misconception or provide a little scaffolding to help them understand the math concept. This serves as formative data gathered on a daily basis. Based on this data and evidence collected throughout the math lesson, teacher will pull a small group (RTI) for support with math.

***Proposed Expenditures for this Strategy/Activity**

Analysis:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
 Teachers continue to engage the students in spiral review of math concepts. Students are pulled into RTI groups when they struggle with a math concept. We have honed our math instruction to focus on the critical standards by grade level. We are continuously monitoring student understanding and our goal is to teach to mastery.

Goal 4- English Learners

Strategy/Activity 1: Designated ELD

***Strategy/Activity - Description**

Teachers will engage in professional development to support the use of Benchmark designated ELD. This will be discussed during grade level PLC meetings.

***Proposed Expenditures for this Strategy/Activity**

Analysis:

For the 2019-2020 school year the In School Resource Teacher has facilitated the implementation of SDUSDs new English Language Development (ELD) Program, Advanced Language Learning (ALL) in grades TK - 5th. Professional Development was provided to immerse teachers in the scope & sequence of the ALL program, locating teacher resources online and accessing program lessons. In addition, the resource teacher facilitated the Designated ELD coaching cycles implementation in grades K-1. K-1 teachers are now participating in coaching cycles where direct support like teacher modeling, co-teaching is taking place in the classroom from district ELI-RTs. In addition, with the support of the resource teachers, during Professional Learning Communities (PLC) teachers have the opportunity to prepare and plan for Designated ELD to support their ELs during Tier 1 core instruction.

Goal 5 - Students with Disabilities

Strategy/Activity 1: Learning Center Model

***Strategy/Activity - Description**

We are implementing the learning center model. In this model pull-out support for students with IEPs will align with grade level schedules. Every teacher in grades TK-1 will have 45 minutes per day for guided reading and teachers in grades 2-5 will have 60 minutes per day for guided reading. The students with IEP hours will be pulled out into the learning center during this time (45 minute) blocks. The classroom teacher will align their daily schedule to the learning center allowing for them to meet with their students for guided reading either before or after they go to the learning center. They will also align math instruction to the learning center schedule. Teaching math for a minimum of 30 minutes before the students with IEP goals for math are sent to the learning center.

***Proposed Expenditures for this Strategy/Activity**

Analysis:

We were able to successfully implement the learning center model for our mild/moderate students who receive pull out support in grades TK-5. We aligned the daily schedule for every grade level to allow classroom teachers to engage in small group instruction during the learning center pull out time assigned.

Strategy/Activity 1: Parent Participation

***Strategy/Activity - Description**

In order for parents to be involved they need to feel welcome and respected at the school site. They also need to know the details around events taking place at the school site. We will work with The Friends of Valencia Park Foundation, the SGT, the SSC, and ELAC to create a safe and welcoming environment for parents.

***Proposed Expenditures for this Strategy/Activity**

Analysis:

As a staff, we continue to create a warm, safe and welcoming environment for our students and our families. It is a priority at Valencia Park that our campus is well maintained and inviting.
