SCHOOL PLAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY

PURPOSE AND DESCRIPTION

This School Plan for Student Achievement fulfills the requirements of a Title I School wide Program School as well as a Comprehensive Support and Intervention Plan.

The mission of Knox is to ensure that our students are prepared to become independent, life-long learners, who will, regardless of their environmental situation, grow academically, culturally, and socially, becoming positive contributing members of our local and global society. Knox students will have the skills and qualifications to attend college and/or successfully transition into a positive career.

PURPOSE AND DESCRIPTION (ESSA REQUIREMENTS)

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

LCAP Goal 1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms & District - with Equity at the Core and Support for the Whole Child

- At Knox Middle School, we have a positive learning environment that holds students to high expectations. In order to support our students, we implement many programs and partnerships to support students:

- Student Support Request (SSR) form accessible to all students via their 1:1 student netbooks

- School-wide Restorative Practices Model, which includes: Student facilitated community circles in Advisory, lunch circles, and ongoing Restorative circles.

- Restorative Practices Coordinator on site as well as 2 full time counselors
- Weekly student community circles
- Partnerships with: FANCY, Boys to Men, UPAC, Elevo, Manhood ABC, Girls Inc.
- ASB organized events and pep rallies
- -Equity team that meets Monthly
- -Marzano 1 team focused on Safe, Positive School Culture
- -All students have a morning Advisory class focused on SEL and community building
- Parent center with monthly workshops sponsored by PIQUE
- Student Circle Leaders
- LGBTQIA club
- -Co-teaching model in ELA/Math
- -Bulldog Buddies
- Additional Learning Supports-
- SSR form online

SPSA Template Revised 10/19/2022

San Diego Unified SCHOOL DISTRICT Knox Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- Advisory SEL focused daily activities
- SEL assemblies on Zoom
- Brag Tag celebrations of achievement
- Community Circles
- Grade level websites
- Parent Website

LCAP Goal 2: Access to broad and challenging curriculum.

- At Knox Middle School, we maximize our instructional program by:
- Offering ELD/Lit Academy to all 6th grade students as a second core English course
- Offering ELD for all English Learners as core
- A Saturday School program for homework support (onsite)
- Offering a focused morning Advisory program that is centered around goal setting, SEL curriculum, academic reflection.
- Strong co-teaching model in ELA and Math
- Professional Learning Communities that meet 3 times a month by Department. PLCs align in their GVC and will focus their collaboration the PLC process and DuFour's 4 PLC questions.
- Implementing Marzano Level 2 Instructional Framework across all Knox classrooms that is focused and grounded in the CSTPs.
- -Ongoing coaching and communication through the use of Bullseye and the E3 Growth and Development process for all Certificated Staff.
- QTPs (Quality Teaching Practices) are used as part of the Knox Instructional Framework to support high-quality lesson design and implementation -Site-wide multilingual learner strategies are used to support accessibility to core content
- -Implementing a common GVC -Critical Concepts-across all Knox classrooms
- -Site developed YAGs (Year at a Glance) to ensure that instructional time is spent on the prioritized standards and is equal across all classroom.
- Common assessments and pacing guides-Year at a Glance
- -Dual language pathway in History courses in grades 6,7,8
- -Ongoing Professional Development for Knox Paraprofessional Staff, with ongoing and increased time in Knox classrooms.
- -School-wide focus on literacy development through the use of Achieve 3000 and Read Naturally.
- -Additional Online Learning Supports-
- Digital curriculum (Amplify, Benchmark Online, etc).
- ST math and Achieve 3000 online support programs
- Technology tools for scaffolding and assessment (Desmos, Screencasting, Pear Deck, Mentimeter, Google Suite, Polls, etc.)
- LCAP Goal 3: Accelerating Student Learning with High Expectations for All
- At Knox Middle School, we close the Achievement Gap by:
- Offering ELD or Lit Academy to all 6th grade students to support language acquisition (2 hrs of ELA for all 6th graders)
- Small Advisory groups meet daily. Students with disabilities with their case managers.

San Diego Unified SCHOOL DISTRICT Knox Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- Step-up to Math as a 6th, 7th and 8th grade elective
- A Saturday School program for homework support
- Offering a focused morning Advisory program that is centered around SEL, Restorative Practices, Goal Setting and Academic reflection and celebration
- Strong co-teaching model in ELA and Math
- After school tutoring with access to late bus (on site)
- Paraprofessional support in ELD, History and Science
- Access to new and relevant reading materials in our Knox library. Students with monthly library visits through ELA courses.
- -Access to Achieve 3000 and Read Naturally for an hour of focused literacy on Thursday mornings.
- Progress reports sent home to support parent communication
- -Heterogeneous strategic groupings in all classrooms to support peer collaboration and small group instruction.
- -On-site EL coaching with Resource Teacher from OLA.
- -All 6th grade students have 1 elective along with 2 hrs of ELA/ELD.
- -All students have a 1:1 device to take home.
- -Categorical funded 1.0 Teaching positions to lower class size and add intervention into the master schedule.
- Additional Online Learning Supports-
- Digital curriculum with scaffolds
- Organized grade-level websites for students to keep track of notices and due dates
- Email access for all students

LCAP Goal 4: Quality Leadership, Teaching and Learning

- At Knox Middle School, we maximize quality leadership, teaching and learning by:
- Knox has a partnership with Marzano as part of our CSI program improvement process
- -1:1 coaching with Knox Admin and Marzano Coach
- -Coaching with Marzano Task Force teams and Marzano Coach bi-month
- -Marzano Level 1,2,3 teams that meet regularly
- -Committees to support school-wide initiatives and shared leadership
- Grade-level Teams focused on common instructional strategies across all classroom (horizontal alignment)
- PLC teams that meet weekly
- Parent conferences
- -TSR (Teacher Support Request) Form for teachers to request support in their classrooms
- -Action Research Teams focused on Assessment Practices
- -Ongoing coaching and feedback with Bullseye and the E3 Growth and Development Process
- -Knox Instructional Framework grounded in the CSTP's.
- Regular instructional walkthroughs with feedback and coaching with Bullseye

San Diego Unified SCHOOL DISTRICT KNOX Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

- Using data to drive instruction: FAST, Lexile, LOTE, Youth Truth Survey, CHKS, Marzano Survey, site-based assessments
- Ongoing instructional support training for paraprofessionals
- -Peer observations and lesson study
- -Ongoing coaching with OLA resource teacher
- -School-wide goal setting (PLCs set instructional goals for SPSA)
- -Certificated staff set goals for their personal instructional practice and outline support they would like to grow in that goal.
- Scope and sequence developed and centered around the Critical Concepts
- -Ongoing instructional improvement through the PLC process (DuFour's 4 questions, as outlined in the Knox PLC process template)
- -PLCs using data to drive instruction and the development of common assessments
- -Additional Online Learning Supports-
- -Professional Learning Journals for all certificated staff and paras

LCAP Goal 5: Parent and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities - At Knox Middle School, we have engaged parents in our parent community in many ways. We provide many opportunities for parents to be involved with their child's education. We offer parents to be involved by:

- Monthly parent community circles
- Monthly parent workshops sponsored by PIQUE
- Membership on School Site Council
- -Membership on ELAC
- Student-led conferences (Spring)
- Membership on the Site Governance Team
- Open House
- -Zoom 6th Grade Orientation for parents
- Monthly newsletter online-School and Cluster
- SST, IEP, and parent meetings-with Zoom option
- Staff also conduct frequent home visits to make connections with our parents.
- School Messenger calls and emails
- -Social Media-Instagram
- -Parent site-Google
- -Parent input: Youth Truth Survey, Google Forms, CHKS Survey, etc.
- -Access to Power School to monitor grades and attendance

-Community Events: MLK March, Turkey Drive, STEM Week Virtual Classroom Zooms, Student-led Conferences, Back to School Night, Musical Theatre Performances, Music Program Performances, etc.

ENGAGING EDUCATIONAL PARTNERS

The Knox SSC met on 9/22/21 to review and give input and to approve the SPSA. The Knox ELAC also met on ______ to give input and approval. Additional meetings are 6/13/22 (CSI budget approved in SSC) and 2/16/22 (SSC where we voted on the 22-23 budget).

Resource Inequities

Knox Middle School has been identified as a CSI School. Our 2022 CAASPP scores in Math, show that our students are 8% Proficient in Math and 27% Proficient in ELA. We will also be using alternate measures such as FAST, Demi, ELPAC and Lexile levels to continue to monitor progress for our students. Knox has a significant turnover in teaching staff each year with 9-12 teachers being new to the site, and many new to the teaching profession. During the 22-23 school year, we are bringing on 10 new teachers to the Knox team. Our student population at Knox is supported in many ways. We employ a strong co-teaching model to support our students with IEPs. Additionally, approximately 50% of the student population are English Learners. Since many teachers are new to teaching, continued professional development is critical to supporting strategies for language acquisition. Knox teachers consistently apply MLL (multilingual learner strategies) and Quality Teaching Practices to engage all learners. Our categorical funding has allowed us to offer additional professional development to teachers in the form of release days for PLCs, subs for PD, tutoring, as well as a district provided EL resource teacher. CSI has enabled Knox to purchase partnerships with many organizations to support Social Emotional Development as well as interventions to improve attendance. Knox continues to dedicate funds to providing academic and social emotional support to our students.

As part of our CSI program, Knox is a year Marzano partnership school. During the 20-21 school year, Knox was certified in Marzano Level 1 and Level 2. Knox is on track to Certify Level 3 Marzano (GVC) in December of 2022. We will then continue our Level 4 Marzano work (Standards-based grading) in the Spring of 2023.

With the continuation of 1:1 computers, we have dedicated funds to additional online support programs, and additional teaching staff to lower class size (teaching FTE in categorical budgets). In addition, we have supported student achievement though additional hourly time for classified support staff to connect with parents to improve attendance, and for our paraprofessional staff to have additional time in our classrooms.

GOALS, STRATEGIES, EXPENDITURES, & ANNUAL REVIEW

LCAP 1: Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District

Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

Black Youth: Developing antiracist and restorative school communities.

District LCAP Goals

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2021-22

*Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

Knox has implemented many methods of celebrating student success and improved attendance, however, there still is a great need to improve the rate of chronic absenteeism for our school. During the 21-22 school year, our Saturday School program had a low enrollment due to COVID concerns and more time on campus. Students are frequently absent from school, which creates missed learning opportunities widening the achievement gap. In addition, many students missed 10 days at a time due to COVID or quarantine. This resulted in a 53% Chronic Absenteeism rates during 21-22. This is a dramatic increase from 2019 where 22.2 % of students were chronically absent. This school year, Knox will strengthen our Saturday School program, as well as the monitoring of student attendance through our SEL groups. The district is also supporting the SARB process with an additional resource teacher assigned to the Lincoln Cluster.

Knox has an onsite Advisory program specifically focused around SEL, celebrating student achievement, and a focus on the Knox Pillars, to support culture and climate. Through ongoing use of Restorative Practices, mentoring programs, and counseling and guidance groups, students had increased support on site as they returned to school after the pandemic.

*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

Funding has been set aside for partnerships, attendance support to reconnect students and families to school. Funding was set aside for various partnerships, however due to logistics around contracts, some partnerships were delayed in their starting time with students.

*Changes

Knox funds additional school counseling time to support connecting students, as well as funding for teachers to support outside activities such as our Brag Tag program to celebrate student success. In our CSI budget for 22-23, we have funded time for additional noon duty hourly to support our hallways to minimize student time outside of class and classroom disruptions in the hallway. Knox will also continue to have partnerships with outside agencies to support mentoring and SEL goals. The partnerships may change depending on services offered and availability.

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

*Identified Need

The area in need was identified by using the Youth Truth survey, which has been administered at Knox for the last 5 years. This data collection tool allows us to measure the input from all grade-level students and compare trends year-to-year with a common measurement tool. The CA Dashboard has been used to measure suspension data since the 20-21 school year was online. Hoonuit data for June 2022 has been used to set attendance targets for the remainder of the school year, as the pandemic and quarantine have added new constraints to attendance.

On the California Dashboard (2019), Knox is in the orange in the following indicator: Suspension Rates. The overall school percentage is 9.4 % in 2019. The following subgroups are in the red: African Americans. We have made progress since 2018 as the following groups have moved out of the red zone: English Learners, Hispanic, Homeless, and Students with Disabilities.

Our Chronic Absenteeism rate for 21-22 according to Hoonuit was 53% with an overall school attendance rate of 86.55%. According to Hoonuit, our suspension rate for 21-22 was 4.5%.

✓ 1. Knox's Site Equity Team and/or pre-identified school committee will meet regularly to actualize the Black Youth Call to Action, SPSA equity goals and monitor student access to programs, learning, attendance and discipline data. The Site Equity Team will also monitor the staff diversity goal. ✓ 2. The staff diversity goal at Knox is to maintain or increase the percentage of diverse educators and staff from the current year to the following year, including analysis of classified vs. certificated staff. Knox's site selection/hiring panel is strongly encouraged to complete anti-bias training before conducting any interviews. (LCAP 4)

✓ 3. In the 2022-23 school year, Knox will develop and implement a system to monitor and analyze behavioral referrals, referrals to receive Special Education services and to determine if student groups are being disproportionately referred and the appropriate supports.

✓ 4. Knox will create a process for ensuring all students can participate in restorative justice practices to support them through the suspension or expulsion process, which may include the assigning of a Student Champion.

✓ 5.Knox's Site Equity Team and/or pre-identified school committee will lead the review of data and dialogue in support of the development of safe,

inclusive and culturally affirming workplaces for employees so that educators of color are retained.

✓ 6. Knox will intentionally engage parents, staff and community members identifying as Black/African American through surveys and interviews to learn about their experiences and gain their input/feedback on site goals and actions.

✓ 7. Increase access to advanced classes--gate, seminar, advanced placement for black youth.

✓ 8. Knox will study/learn culturally responsive instructional practices, [QLIs/QTPs, ethnic studies pedagogy] increasing engagement and achievement of black youth and other marginalized groups.

Strategy/Activity 1

*Students to be served by this Strategy/Activity

All students at Knox will be supported through a Social Emotional Learning component in their daily Advisory as well as opportunities to engage with the Restorative Practices Model to support a safe and collaborative learning environment.

Restorative Practices will be used as a model to support students in building community and in resolving conflict. Students will also use the site established SSR form to self-advocate for support in problem solving. All students will participate in weekly community circles and will have access to the Bulldog zone with their SSR form in each class. Our Knox morning Advisory program is focused on building connections, community and Social, Emotional Learning.

As a CSI school, we will partner with additional organizations to bring support to our students. The organizations will provide leadership and mentoring as well as intervention and counseling, such as Boys to Men. These partnerships help to foster connections to improve attendance and decrease suspensions. Knox has also modified our bell schedule to provide time for school-wide Movement Be creative writing assemblies. This is a time for the staff and students to learn, share and grow together.

Knox continues to implement the SSR form as well as Wednesday circles to support our students.

*Strategy/Activity - Description

All students will have a positive experience on campus at school. This will be supported though connections to our support staff, as well as school-wide activities that support mentoring, fun and growing student leadership opportunities.

Students will reach out to trusted adults on campus and online using the SSR form for support when needed. Weekly community circles in all Advisory classrooms will help to support a positive school culture and climate. Mentoring and leadership groups will help to teach students proactive skills to resolve conflict with others. Our Knox ASB will create activities to help bring fun activities to campus, which include Advisory challenges, Pep rallies, Dances, etc. Our Knox Marzano 1 team along with our site committees will plan additional ways to celebrate student success and build community with new staff. A brag tag incentive system will motivate students to exhibit the positive characteristics that are part of the Bulldog Way and exemplify the Knox Pillars. The Knox teaching staff will all participate in Restorative Practices training, as well as have the option to participate in Trauma Informed

Care training. Our partnerships through CSI will build on the number of students that are able to receive additional mentoring and SEL support. These mentoring groups include: TKF, ABC Manhood, FANCY, Boys to Men, Girls Inc. and our Knox Circle Leaders.

Additional leadership groups and mentoring groups will partner with Knox to support a positive school culture and climate. Knox will staff a full time Restorative Practices Coordinator, as well as 2 full-time counselors. All 3 of these staff members will spend time working with students as a support. As part of CSI, Knox will partner with the following organizations (when on site): FANCY, Elevo, Boys to Men, ABC Manhood, TKF, and Girls. Inc. Knox

San Diego Unified SCHOOL DISTRICT Knox Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

students will have the opportunity to develop their leadership as Knox Circle leaders. Knox will also support the funding of a partial CSA position as well as additional hourly funding for noon duty to support safety in the hallways. Knox will also have a Retired Administrator on site to support a safe school culture, while site Admin are engaging in PLC work with teams or at Marzano PD, or off site at Professional Development.

LCAP 2 and 3: Access to Broad and Challenging Curriculum Accelerating Student Learning with High Expectations for All

Call to Action Belief Statements

ELA: We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

Math: All students engage in rigorous and relevant mathematics to solve problems associated with personal, civic and professional contexts and are able to effectively explain and communicate their reasoning to a variety of audiences.

English Learners: We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

Students with Disabilities: Ownership: Principals, teachers, and support staff take ownership of all their students, including students with disabilities. Access: Students with disabilities are general education students first and should have access to a meaningful course of study. Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

Graduation/Promotion Rate: All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

District LCAP Goals

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child 2. Access to Broad and Challenging Curriculum 3. Accelerating Student Learning With High Expectations for All4. Quality Leadership, Teaching and Learning

Annual Review of This Goal: SPSA Reviewed 2021-22

*Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

Despite 1.5 years of a pandemic and online learning, Knox Middle School made academic gains on the CAASPP test due to our strategic implementation of the Marzano Framework and our funding strategies. Our ELA scores grew by 7% and our math scores by 2%. With a strong instructional framework, consistent instructional strategies and alignment with the Critical Concepts, our students have shown academic gains. We have found that structured ELD that supports language acquisition strategies for our students, our Thursday morning Achieve 3000 reading block, small class size, and strategic support has supported student academic growth.

*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

A major difference was that we budgeted for PLC time as well as sub for release days and due to constraints aligned with the pandemic, we were not able to implement those strategies. We did not have subs picking up jobs to release the teachers, and teachers were exhausted after covering other classes on their preps, so they did not want to work extra hours as PLCs. A lot of the funding was reallocated into online programs and supplies. As part of the CSI program, Knox will purchase Achieve 3000 as an online reading support. During the 21-22 school year, Knox teachers participated in an Action Research cycle centered around the Quality Teaching Practices and English Learner Strategies to support literacy. We will continue with Action Research as a staff during the 22-23 school year. The Action Research cycle will be grounded in the QTP of Checking for Understanding. Teachers will engage in a cycle to identify best practices to assess student knowledge of the Learning Targets. Knox Middle will continue to expand its school library with monthly book subscriptions. Students have access to online text in Clever via Achieve 3000, Amplify and other resources. Teachers will have additional time for planning and collaboration with our CSI funding. The Benchmark curriculum will be implemented across the 6th grade at Knox to support language acquisition for all students. All 6th grade students take 2 English Courses (ELA 6 and ALD/Lit Academy). Knox will continue

San Diego Unified SCHOOL DISTRICT KNOX Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

to fund new library books to promote independent reading. Our Knox English Learners are enrolled in ALD as an elective course. During the school year, Knox teachers and students will monitor reading levels through the Achieve 3000 program and FAST data.

*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

LITERACY

Academic progress in reading and writing will be measured in multiple ways this school year. Knox has purchased Achieve 3000 as a literacy support to improve student Lexile level. Knox students will have the opportunity to read articles at their Lexile level during online learning and after school. We will be able to monitor student reading growth on a monthly basis with the reports generated by the program. The Knox ELA department will also monitor common assessments as a PLC. Each Knox student will take the FAST assessment 3 times per year, as an additional measure of Lexile growth. Knox students will take monthly visits to the campus library to check out independent reading books (when on site). Knox ELA teachers will monitor student reading and writing using Amplify and Benchmark resources online.

As part of our Title 1 categorical funding, Knox has funded an additional .8 ELA teacher to lower class size. All 6th grade students at Knox will take 1 sixth grade ELA course as well as ALD/Lit. Academy, which will use the Benchmark curriculum.

MATH

In addition, a .2 FTE has been set aside from Title 1 supplemental to offer a section of STEP Up to math for intervention. Workshop and hourly pay, along with funding for subs, will be set aside for the Professional Development. This may include Lesson Study, additional PLC time, release days to teacher teams to update their YAGs and to align grading with the Proficiency scales.

*Identified Need - English Language Arts

As measured by the CAASPP, Knox students have shown an increase in performance on the CAASPP ELA. Knox grew approximately 7% as a school overall. In addition, approximately 40 students reached a level 4 on the ELPAC.

*Goal 2 - English Language Arts

Knox Middle has set target goals for growth in 3 areas of the Demi: Knowledge, Application, and Communication. The Math PLC is identifying how these areas of the Demi align to the Critical Concepts. Knox is moving forward with consistent staffing in the math department as well as a strong co-

San Diego Unified SCHOOL DISTRICT KNOX Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

increase in percentage of Meets/Exceeds for their performance

teaching capacity. As shown on the CA Dashboard, the identified subgroups are far from meeting the proficiency targets set by the state. Students that need additional support in math, are enrolled in Step Up to Math as an elective. We have used Title 1 supplemental funding to fund a section of Step Up to Math. Students will also have access to ST math all year to support closing the achievement gap.

Allocated funds will support will also support math classroom supplies, additional PLC time, subs for release days for planning and coaching as well instructional materials supports. Our on-site .4 Math Resource teacher will lead PLCs, coach individual teachers and help to monitor data and progress, and support the scaffolding of CPM curricular resources and teaching of the Critical Concepts.

Knox English Learner students continue to score below standard on the CAASPP ELA and on CAASPP Math as shown by the results of the 2022 CAASPP. There is a strategic plan around the schedule placement and supports for students that are long term English Learners, adding ALD as a core class for all. In order to help all of our Knox students' progress in reading, Knox will implement Achieve 3000 to support reading in all classes. Students that are newcomers will also be scheduled for ELD. As a site, we will be using consistent academic strategies across grade levels. Each grade level team will implement a targeted instructional strategy each month. The strategies are focused around the ELPAC categories of reading, writing, listening and speaking. Knox teachers will also implement Multilingual Learner Strategies into daily lesson plans, to support language acquisition. Our Resource Teacher from OLA will continue to support Academic Language Instruction in all ELD classes at Knox.

By Date	Grade	Student Group	J	Baseline Percentage	Target Percentage	Measure of Success	Frequency
June 2023	6,7,8	English Learners	Students will show monthly growth in Lexile as measured by Achieve 3000 reading program	40%	60%	Reports in Achieve 3000	yearly

June 2023	6,7,8	English Language Learners	Students will grow one level overall in ELPAC	75%	85%	ELPAC	yearly
June 2023	6,7,8	English Language Learners	LTEL Students will reclassify as fluent English speakers	45%	65%	ELPAC	yearly

The California Dashboard shows that over 50% of Knox students are chronically absent. Students that are absent miss 6 different class lessons Students are able to make up missed days, by attending Knox on the weekend (Saturday School). It is important that students attend school every day to support academic achievement. Knox has morning Advisory in which students continue to monitor their own attendance at school. Improved attendance will put students on track for promotion and success in their classes.

*Goal 5- Graduation/Promotion Rate

Strategy/Activity 1

*Students to be served by this Strategy/Activity

ELA- Literacy for All Students

As part of CSI, all students at Knox will have access to Achieve 3000 to support daily reading of non-fiction text articles. All students will take the Level Set assessment in September. Achieve 3000 will automatically adjust the student's Lexile level in the program in response to data collected from the assessments that are embedded in Achieve. In addition, students will make monthly visits to the Knox library to check out independent reading books. We will continue to track the books that are checked out using our Destiny system. Students can access books through Amplify. Our Knox ELA team will have common PLC time at least twice a month to collaborate on plans and revise their Year at a Glance based on the Critical Concepts and analyze student work data. The GVC will be supported with curricular resources and strategies to support differentiation. In addition, class sizes will be lowered in ELA with the additional funding of a .8 ELA teacher adding additional sections of ELA and a journalism class. With the addition of journalism as an elective, we will be offering students an additional opportunity to produced published writing pieces about Knox events in a newsletter for their peers.

*Strategy/Activity - Description

ELA- Monitoring Lexile Levels and FAST Data, Online Programs, 2 Core ELA classes for all 6th grade students, PLC time, and Implementation of a GVC.

All teachers will be able to frequently monitor changes in Lexile levels, as well as growth and progress in reading skills as well as ELA standards using Achieve 3000's data metrics reports. Having frequent data and feedback from the program will support teachers in individualizing classroom instruction so that it is differentiated and meets students' individual learning needs. Students will be able to use this program at home on their laptops. Knox Middle has restructured our ELA program this year in order to support stronger PLC work around our GVC. At the 6th grade, students get 2 hours of literacy in 2 different core classes. All 6th grade students will take 1 class of ELA 6 with Amplify as a curricular resource to support the GVC. All 6th grade students will also take ALD/Lit Academy where the GVC will be supported with the Benchmark resources. At 6th, 7th grade and 8th grade our GVC will be supported with Amplify. Our 7/8 grade ALD course will use the GVC, English 3D. Our weekly PLCs in online learning will be used to analyze the alignment of Amplify to the Critical Concepts. Our PLCs are also looking at how to monitor mastery of the Critical Concepts for all students with scaffolded supports for English Learners and students with disabilities. This PLC work will take additional time and funds, to ensure that the pacing is aligned to the most important critical concepts.

San Diego Unified SCHOOL DISTRICT KNOX Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

Knox is part of the Marzano educational coaching and certification program. As part of our Level 3 certification, we will look at the implementation of the Critical Concepts as our GVC and the alignment of our Amplify resources to support instruction. To support this, there will be additional planning time in PLCs, visiting teachers, as well as workshops for teachers to attend. During PLC meetings, teachers will collaborate regarding pacing, student work data, implementation and scaffolds for learning.

Strategy/Activity 1

*Students to be served by this Strategy/Activity

Mathematics Support-

Funding will be set aside for tutoring and professional development and collaboration time. The math team will work together as a PLC to develop differentiation strategies and language supports to support access to the CPM curricular resource as well as the GVC-Critical Concepts. Teachers will engage in ongoing PLCs to create thoughtful plans as part of the Year at a Glance, for access for all students. Students will also be supported in Step up to math as well as ST Math online.

Math progress will be monitored by Quarter grades and progress reports, the DEMI assessment, ST Math assessments and progress, as well as formative assessments in the classroom, and summative assessments by grade level in the CPM curriculum.

*Strategy/Activity - Description

Math Intervention-Step Up To Math

Knox will fund a .2 Step Up to Math section as support for our students. In addition, we have a Step Up to Math class at every grade. Math teachers may set specific goals for teaching and learning during their PLC time. All students will be served by the impact to Tier 1 instruction and our GVC. Students that need Tier 2 and Tier 3 support will be enrolled in Step Up to Math, and will have access to additional tutoring outside of the school day and specific skilled lessons on ST math. Knox teachers will align their CPM resources with the Critical Concepts. In addition, all Math teachers will use Desmos to check for student understanding in real time.

SUPPORTING ALL ENGLISH LEARNERS

In order to support our Knox English Learners, our site has set aside hourly funds in LCFF for English Learner support. The ELA resource teacher will push into our 6th grade ELA/ALD/Lit academy classrooms to support pacing and alignment. Our master schedule has been reconfigured to include a daily class of ALD for all 6th grade students. ALD 7/8 teachers will tailor their curriculum to support reading, writing, listening, and speaking in their classrooms. Knox staff will also use the alternative reclassification process when possible. All English Learners at Knox will benefit from these strategies.

*Strategy/Activity - Description

Within the classes designated in the master schedule, we will implement additional Tier 1 curriculum to support our students. Benchmark is the curriculum resource being used for all ALD 6 classes and ELD (including Amplify) and English 3D for ALD 7/8. All Knox students will have access to

Achieve 3000 to support increasing reading and Lexile levels. Additional funds will be set aside in LCFF for ELPAC assessments and support. Our CSI and Title 1 budgets will include funds for online programs, professional development as well as tutoring.

*Additional Supports for this Strategy/Activity

CSI funds will allow the Vice Principal to work with teachers in PD after the calendar year to build teaching capacity and scaffolds around supporting English Learners.

Strategy/Activity 2

*Students to be served by this Strategy/Activity

Supporting Divergent Learners

In order to support students, our co-teachers will have opportunities to attend professional development with the Gen Ed teachers to strengthen their content knowledge. Co-teacher will also have 1 PLC with their partner teachers a month, and 1 PLC with the Special Ed Department. In order to support additional progress on IEP goals, all students with an IEP will be assigned to an Advisory class with their case manager. During this time, students will also be able to access the Achieve 3000 reading program and monitor progress using the FAST ELA test.

*Strategy/Activity - Description

In order to support academic progress, Knox will continue to strengthen our co-teaching model. Co-teachers will have additional planning time with their Gen Ed partner teachers. Our paraprofessionals will also have additional time to attend trainings on minimum days. Teachers may need additional supplies to support differentiation in their classrooms. Professional Development will support the implementation of our CPM math program as well as support our school-wide reading and writing goals for our students.

Field trips have been budgeted for off campus experiences such as college visits. These are all pending the safe return to on campus learning.

Strategy/Activity 4

*Students to be served by this Strategy/Activity

SUPPORTING STUDENT ATTENDANCE

Students with chronic absences will benefit from the interventions outlined below. All students will be able to participate in reward incentives that are offered for students with perfect attendance and students that show responsible attendance by clearing their absences.

*Strategy/Activity - Description

SUPPORTING IMPROVED ATTEDANCE FOR ALL STUDENTS

Knox will use CSI funds to support extra hourly attendance clerk interventions. These include calling home and sending SARB letters. Counselors, Administrators, and teachers make frequent home visits to support attendance. In addition, Knox has partnered with partner organizations as part of CSI, to provide mentoring and intervention keeping students connected to the school.

Knox will also use LCFF funding for additional office staff to make phone calls for absent students.

Report cards will also be given to parents mid-way through each quarter and at the end of each quarter, so parents can see their student's grades and attendance. Parents also have access to Power School parent portal to monitor on site attendance.

*Additional Supports for this Strategy/Activity

We will use a Knox Brag Tag incentive system to recognize students that are improving or exhibiting great attendance.

LCAP 5: Family and Community Engagement with Highly Regarded Neighborhood Schools

Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

District LCAP Goals

5. Family and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities

Annual Review of This Goal: SPSA Reviewed 2021-22

*Analysis

Describe the overall implementation of the 2020-21 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2020-21 articulated goal(s).

The pandemic changed a lot of the ways in which we communicated with our Knox families regarding school. IEP meetings were moved to Zoom, which allowed parents to actively engage in the IEP meeting process during breaks at work or from the home. Zoom also allowed us to meet with families at night online and to provide translation during our meetings in a more seamless way. When parents missed meetings, we were also able to record them for our families. This allowed parents to continue to get information about school. We still need to improve parent access to power school to monitor grades and attendance. Not having workshops and monthly circles on campus due to the pandemic did cause a gap in the amount of support we were able to provide for our families. We hope with the changes that have happened with the pandemic that we can now invite parents back to our campus to partner with us again.

Knox will continue to promote active engagement and collaboration with all families. We have monthly parent circles as well as monthly parent workshops on campus. These workshops will also be supported by PIQE and possibly TKF.

We will continue to host IEP meetings on Zoom to support parent engagement. Knox may also host meetings such as SSC, SGT and ELAC on Zoom to encourage parents to attend from home. We would like to continue to work on engaging parents in using the Power School Parent Portal program to monitor their student's grades and attendance online. We will offer additional workshops for families on how to use this program.

Additional time has been budgeted for our staff to continue to reach out to parents through calls and home visits. We continue to budget for printing paper materials as well as stamps to communicate with parents via U.S. Mail, as not all families have access to technology at home.

San Diego Unified SCHOOL DISTRICT KNOX Middle SCHOOL PLAN FOR STUDENT ACHIEVEMENT

We will also engage parents in multiple ways to support student's academic progress. These include: Back to School Night, Power School Parent Portal workshops, Student-led conferences, parent circles, STEM week, and opportunities to shadow students on campus.

*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

Knox will continue to communicate with our families via the following methods:

School Messenger, Progress reports given to parents mid-way through the quarter and at the end of the quarter, Knox Social Media (Instagram), Monthly Smore newsletter, home visits, phone calls, parent conferences, SSTs, IEP meetings, student-led conferences, Back to School Night, Knox parent website and on campus events, etc.

Our counselors and office staff will have additional time to make parent phone calls and to reach out and connect with our Knox families. Changes to our support for families will be in the manner in which we communicate with parents. We will again open our doors to having parents return to us on campus.

*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

Knox has built a parent website. Parents can continue to visit the website for upcoming dates and events as well as school information. Parents can attend monthly parent circles in our Knox parent room. Updated information is posted on the Knox district website as well as the Knox parent website. Parents also receive School Messenger phone calls about upcoming events as well as information that has been sent to their student in their student's email. We will be starting off the year with workshops to engage parents in monitoring students' grades and attendance in Power School Parent Portal.

*Identified Need

In order to support students academically, parents will have access to the Power School Parent Portal program. When parents are monitoring grades and attendance, students will be able to increase academic achievement.

By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2023	Other (Describe in Objective)	All Knox parents will have an email in the Power School system to receive regular communication from the school.	80%	100%	Other - Describe in objective
June 2023	Other (Describe in Objective)	Parents will have the opportunity to attend monthly SSC/SGT/Monthly parent coffee meetings at Knox.	100%	100%	Other - Describe in objective
*Annual Measura	ble Outcomes				
By Date	Participants	Objective	Baseline Percentage	Target Percentage	Measure of Success
June 2023	Other (Describe in Objective)	Parents will have the opportunity to attend parent coffee events to learn about Power School and Attendance	100%	100%	Attendance
Strategy/Activ	vitv 1				

All families will be invited to Zoom virtual shared-decision making committee meetings (SSC, SGT, ELAC). The phone calls have gone out multiple times to recruit parents to join these committees. Parents will also have the opportunity to join the Zoom or in person PIQE classes program as part of our Gear Up implementation.

*Strategy/Activity - Description

Parent engagement meetings and activities to support student achievement. Parents will be offered opportunities to attend conferences to develop strong school engagement connections. Parents will have access to use the student computer to check Power School Parent Portal to monitor grades and attendance.

APPENDIX B

PARENT & FAMILY ENGAGEMENT POLICY

San Diego Unified School District Finance Division Strategic Planning for Student Achievement Department

Knox Middle School

TITLE I PARENT & FAMILY ENGAGEMENT POLICY (22-23)

- 2.0 With approval from the local governing board, Knox Middle School has jointly developed with, and distributed to, parents and family members of participating children a written parent and family engagement policy, agreed upon by such parents, and updated periodically to meet the changing needs of parents and the school. (*EC* Section 11503; 20 United States Code [U.S.C.] Section [§] 6318[b][1-4]) The policy was developed with input from parents at our Knox MIddle School SSC meeting on September 29, 2022.
- 2.1 INVOLVEMENT OF PARENTS IN THE TITLE I PROGRAM
- The school-level parent and family engagement policy shall describe the means for how Knox Middle school shall carry out the following requirements: (20 U.S.C. § 6318[b][1])
- a) The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 U.S.C. § 6318[c][1])
- Knox's Title 1 parent meeting will be held in room 15 (Knox's Parent Room) during Back to School Night on September 28, 2022.
- b) The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement. (20 U.S.C. § 6318[c][2])

Knox Middle will hold meetings both in person and on Zoom, to increase parent participation. Our PIQE (Parent Institute for Quality Education) will be held in person and on Zoon at night. We will also have ongoing Parent Circles as well as parent trainings (Power School, etc.) in person in room 15. Our SSC, ELAC and SGT meetings will be held on Zoom.

c) The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 U.S.C. § 6318[c][3])

Our SSC meetings are open to the public. Parents are welcome and encourage to join the meetings on Zoom to give input into the Title 1 program and school policies.

d) The school provides parents of participating children with the following:

i. Timely information about the Title I program. (20 U.S.C. § 6318[c][4][A])

Parents can receive information about our Title 1 program through our recorded Title 1 meeting sent to parents. Parents can reach out ot Administration with additional questions.

ii. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging state academic standards. (20 U.S.C. § 6318[c][4][B])

Our course syllabi will be shared with parents on our Knox Family Corner website. Parents can also attend the PowerSchool Parent Portal workshops. With Power School parents can monitor grades and attendance and also have access to standardized test scores.

iii. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 U.S.C. § 6318[c][4][C])

Parents are invited to and encourage to attend and participate in parent conferences, IEP meeting, 504 meetings, and SST meetings about student progress. Our SSC, SGT and ELAC meetings are held on Zoom to encourage parent participation.

e) If the schoolwide program (SWP) plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency (LEA). (20 U.S.C. § 6318[c][5])

The SPSA as well as the supporting documents is shared with parents in the monthly Smore newsletter in September. Parents can reply using the Smore platform to the newsletter items. They can also email the Principal as needed.

2.2 BUILDING CAPACITY FOR INVOLVEMENT

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted under Title I, Part A shall carry out the following requirements: (20 U.S.C. § 6318[e])

a) The school provides assistance to parents of children served by the school or LEA, as appropriate, in understanding such topics as the challenging state academic standards, state and local academic assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 U.S.C. § 6318[e][1])

Our parent circles held twice a month in school may cover topics such as state testing, supporting Multilingual Learners and navigating the Critical Concepts and Standard-based grading. Through involvement in PIQE, parents will learn more about the pathway to college.

b) The school provides materials and training to help parents work with their children to improve their children's achievement, as appropriate, to foster parental involvement. (20 U.S.C. § 6318[e][2])

Knox has a parent website to help parents navigate what is going on at school. <u>https://sites.google.com/sandi.net/knoxinfo/home</u>

c) The school educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. (20 U.S.C. § 6318[e][3])

Knox teachers use Power School to communicate with parents via grade book and the automated call. Parents can also email Knox teachers using this system. Knox staff reach out to our families with home visits, postcards, phone calls and other items sent home in the mail. Knox also communicates with student and parents via Instagram and our monthly Smore newsletter.

d) The school, to the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other federal, state, and local

programs, including public preschool programs, and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. (20 U.S.C. § 6318[e][4])

Knox has a Parent Center in room 15. We encourage parents to join us for our workshops, parent circles, trainings, and informational meetings that are hosted in this space. To support the involvement of all parents, we also hold meetings on Zoom and provide translation.

e) The school ensures that information related to school and parent programs, meetings, and other activities is sent to parents of participating children in a format and, to the extent practicable, in a language the parents can understand. (20 U.S.C. § 6318[e][5])

Our School Messenger calls and emails are translated for parents using the Power School system. In addition, our Smore monthly newsletter can be translated to any language available on Google. Many of our meetings have translation in Spanish.

f) The school provides such other reasonable support for parental involvement activities under this section as parents may request. (20 U.S.C. § 6318[e][14])

Knox continues to use Zoom as a way to increase parent involvement.

2.3 ACCESSIBILITY

In carrying out the parent and family engagement requirements of Title I, Part A, Knox, to the extent practicable, shall provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 of the ESEA (20 U.S.C. § 6311), as amended by ESSA, in a format and, to the extent practicable, in a language such parents understand. (20 U.S.C. § 6318[f])

Parents have the option to schedule IEP meetings as well as 504 and SST meetings on Zoom. We want to continue to offer online and in person options to support parent involvement in the school.

APPENDIX C

SCHOOL PARENT COMPACT

Title I School-Parent Compact 22-23 Knox Middle School

2.4 School-Parent Compact

As a component of the school-level parent and family engagement policy, each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the following requirements: (20 U.S.C. § 6318[d])

a) Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I, Part A to meet the challenging state academic standards, as well as the ways in which each parent will be responsible for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])

- Knox Middle School hosts an annual Title 1 meeting.
- Teachers describe the curriculum for each course in the course syllabus and during a presentation during Back to School Night.
- The course syllabus for each class will be made available on the Knox Parent Website.

b) Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum, the following: (20 U.S.C. § 6318[d][2])

1. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual child's achievement. (20 U.S.C. § 6318[d][2][A])

- Knox will also host student-led conferences
- Parents can schedule a conference with a teacher at any time, by reaching out to them via phone or email.

2. Frequent reports to parents on their children's progress. (20 U.S.C. § 6318[d][2][B])

• Parents can monitor their student's progress via Power School Parent Portal.

- Parents receive progress reports mid-way through each Quarter.
- Workshops will be held to support parents in Navigating Power School Parent Portal

3. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities. (20 U.S.C. § 6318[d][2][C])

• The School convenes an annual meeting to inform parents about the right to be involved. This is usually done in connection with our Back to School night parent meeting. This was done via screencast in online learning. Knox has a parent website, district website, monthly newsletter and also uses School Messenger to coordinate parent involvement. These items may be translated into multiple languages.

4. Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. (20 U.S.C. § 6318[d][2][D])

• The school provides written and verbal translation in English and Spanish. School messenger and the Smore newsletter are also translated into multiple other languages.

APPENDIX D

DATA REPORTS

Data Reports: Attached Data comes from the ELA/Math Multi-year Demographic Summary found at: <u>https://itd.sandiegounified.org/it_resources/research_and_evaluation/my_school_</u>

Goal 4- Supporting English Learners

Strategy/Activity 1

*Strategy/Activity - Description

Within the classes designated in the master schedule, we will implement additional Tier 1 curriculum to support our students. Benchmark is the curriculum resource being used for all ALD 6 classes and ELD (including Amplify) and English 3D for ALD 7/8. All Knox students will have access to Achieve 3000 to support increasing reading and Lexile levels. Additional funds will be set aside in LCFF for ELPAC assessments and support. Our CSI and Title 1 budgets will include funds for online programs, professional development as well as tutoring.

*Proposed Expenditures for this Strategy/Activity

Directions: Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal. <u>Guiding Questions:</u>

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal

Goal 5 - Supporting Students with Disabilities

Strategy/Activity 1

*Strategy/Activity - Description

In order to support academic progress, Knox will continue to strengthen our co-teaching model. Co-teachers will have additional planning time with their Gen Ed partner teachers. Our paraprofessionals will also have additional time to attend trainings on minimum days. Teachers may need additional supplies to support differentiation in their classrooms. Professional Development will support the implementation of our CPM math program as well as support our school-wide reading and writing goals for our students.

*Proposed Expenditures for this Strategy/Activity

Directions: Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal. <u>Guiding Questions:</u>

Goal 7 - Family Engagement

Strategy/Activity 1

*Strategy/Activity - Description

Parent engagement meetings and activities to support student achievement. Parents will be offered opportunities to attend conferences to develop strong school engagement connections. Parents will have access to use the student computer to check Power School Parent Portal to monitor grades and attendance.

*Proposed Expenditures for this Strategy/Activity

Directions: Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal. <u>Guiding Questions:</u>

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Postage Expense	\$1,500.00	30103-5920	Mail progress	Continue to fund.
-			reports home	

Goal 8- Graduation/Promotion Rate

Strategy/Activity 1

*Strategy/Activity - Description

Knox will use CSI funds to support extra hourly attendance clerk interventions. These include calling home and sending SARB letters. Counselors, Administrators, and teachers make frequent home visits to support attendance. In addition, Knox has partnered with partner organizations as part of CSI, to provide mentoring and intervention keeping students connected to the school.

Knox will also use LCFF funding for additional office staff to make phone calls for absent students.

Report cards will also be given to parents mid-way through each quarter and at the end of each quarter, so parents can see their student's grades and attendance. Parents also have access to Power School parent portal to monitor on site attendance.

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal. <u>Guiding Questions:</u>

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Goal 4- Supporting English Learners

Strategy/Activity 1

*Strategy/Activity - Description

Within the classes designated in the master schedule, we will implement additional Tier 1 curriculum to support our students. Benchmark is the curriculum resource being used for all ALD 6 classes and ELD (including Amplify) and English 3D for ALD 7/8. All Knox students will have access to Achieve 3000 to support increasing reading and Lexile levels. Additional funds will be set aside in LCFF for ELPAC assessments and support. Our CSI and Title 1 budgets will include funds for online programs, professional development as well as tutoring.

*Proposed Expenditures for this Strategy/Activity

Goal 8- Graduation Promotion Rate

Strategy/Activity 1

*Strategy/Activity - Description

Knox will use CSI funds to support extra hourly attendance clerk interventions. These include calling home and sending SARB letters. Counselors, Administrators, and teachers make frequent home visits to support attendance. In addition, Knox has partnered with partner organizations as part of CSI, to provide mentoring and intervention keeping students connected to the school.

Knox will also use LCFF funding for additional office staff to make phone calls for absent students.

Report cards will also be given to parents mid-way through each quarter and at the end of each quarter, so parents can see their student's grades and attendance. Parents also have access to Power School parent portal to monitor on site attendance.
