Indicate which of the following federal and state programs are consolidated in this SPSA (Check all that apply):
Title I Schoolwide Programs (SWP)
$\square$ CSI School 区ATSI School

The School Site Council (SSC) recommends this school's site plan and its related expenditures to the district Board of Education for approval, and assures the Board of the following:

1. The SSC is composed correctly, and formed in accordance with SDUSD Board of Education policy and state law.
2. The SSC reviewed its responsibilities under state law and SDUSD Board of Education policies, including those Board policies relating to material changes in the school plan requiring Board approval.
3. The SSC sought and considered all recommendations from the following site groups or committees before adopting this plan.

CHECK ALL THAT APPLY TO YOUR SITE AND LIST THE DATE OF THE PRESENTATION TO SSE:

## * English Learner Advisory Committee (ELAC)

$\square \quad$ Community Advisory Committee for Special Education Programs (CAC)

## Baker Elementary School Plan for Student Achievement

## School Plan for Student Achievement: Executive Summary

## Purpose and Description

This School Plan for Student Achievement fulfills the requirements for a Title I School wide Program and ATSI designation. The staff at Baker Elementary strives for excellence in meeting the needs of all students. School programs are strategically designed to engage students and staff in teaching and learning. To provide a strong academic program, staff at Baker work collaboratively to ensure opportunities for students to develop strong social identities, critical thinking, and problem-solving skills. We actively promote life-long learning and consistent daily access to high quality instruction that includes rigorous lessons, relevant subject matter, standards based curriculum and assessment, and responsive actions to ensure daily progress.
This School Plan for Student Achievement includes goals and strategies that will improve student achievement, attendance, and suspension rates. The goal is to cultivate a safe, supportive, and collaborative learning environment for all stakeholders.

## Purpose and Description (ESSA Requirements)

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms \& District - with Equity at the Core and Support for the Whole Child
2. Access to Broad and Challenging Curriculum
3. Accelerating Student Learning With High Expectations for All
4. Quality Leadership, Teaching and Learning
5. Parent and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities

## Engaging Educational Partners

- Our 2022-23 Budget was approved by SSC on 2/24/22
-The Budget, the School Parent Compact and the Parent Involvement Policy were approved at the SSC Meeting on 10/6/22.
-The Annual Title I Parent Meeting was held on 9/22/22.
-ELAC reviewed goals and provided input on 10/6/22.
-SSC Meeting occurred on 10/6/22. SPSA was approved.

## Resource Inequities

Resource inequities exist in five areas: Instructional Materials, Social-Emotional Support, Staff Professional Learning, Extended Learning Opportunities, and Access to Enrichment Classes (STEAM).

## Instructional Materials:

A common, proven, and comprehensive curriculum lays the foundation for high quality teaching and learning. Although many programs claim to be comprehensive, there is often the need for additional materials that target the needs of specific populations such as English Learners and Students with

San Diego Unified
school district

## Baker Elementary School Plan for Student Achievement

Disabilities. Three years ago, we purchased a guaranteed and viable curriculum (GVC) for Language Arts/ELD (Benchmark Advance) for Tier 1 and Tier 2 Balanced Literacy Instruction in English/Language Arts (ELA). The district adopted and purchased this curriculum for all elementary schools the following year. We purchase Benchmark "Steps to Advance" Intervention curriculum to support access to the core curriculum for students with disabilities (Tier 3). For mathematics, we are continuing to pilot the Illustrative Mathematics Curriculum in order to strengthen our focus on number sense, problem solving, and whole school vertical alignment. We are committed to standards-based Assessments in literacy and mathematics that are aligned with CAASPP. We use RAZ Kids, Imagine Learning for Multilingual Learners, and ST Math, which are research-based programs that provide students with additional instruction and support at their specific learning level. We have one-on-one, tier 3 support for literacy and English language development that occurs daily for students with the most need.

## Social Emotional Support:

Targeting the needs of the whole child requires a "village". Teachers and one administrator are hard pressed to meet the social-emotional, health, and instructional needs of students without additional support systems in place. Many of our students come to school carrying the burden of many issues associated with high poverty environments (e.g. traumatic events) and these social emotional needs greatly impact learning. For this reason, we fund a full-time guidance assistant.

## Staff Professional Learning

Professional learning is meant to increase an educator's knowledge base and/or teaching skills. As society changes, so must education; therefore, ongoing professional development is necessary. Because we have been identified by the district as one of 35 focus schools, we opted to participate in the Literacy Acceleration Plan (LAP) that focuses on ensuring guided reading for every child every day. Teachers have refined their schedules to increase the amount of time students work one-on-one or in small groups with the teacher. This enables the teacher to provide very specific, targeted support directly aligned with student's individual learning needs. Much of the work of implementing high quality instruction occurs in PLCs, with the majority of time spent on data analysis, lesson design, and planning interventions based on specific student needs.

## Extended Learning Opportunities

We are committed to engaging students in ways that empower their own voice and identity. All students at Baker will have an opportunity to participate in after school learning labs and clubs that connect directly to their interests, passions, and needs as learners. Clubs will run after school from January through May.

## Enrichment Classes (STEAM)

As a community, we believe that all students should have access to an education that supports the "whole child". We spend a significant portion of our budget on Enrichment Classes that include P.E., Art, and STEAM. One . 4 FTE teacher provides instruction to all students in P.E. A Teaching artist collaborates with a visiting teacher each week to provide visual arts instruction. This ensures grade level teams are released weekly for data analysis and planning in PLCs. We have designated our prep teacher as a Technology teacher who provides weekly STEAM instruction in our state of the art SmartLab.

## Baker Elementary School Plan for Student Achievement

## Goals, Strategies, Expenditures, \& Annual Review

## LCAP 1: Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District

## Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

Black Youth: Developing antiracist and restorative school communities.

## District LCAP Goals

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child

## Annual Review of This Goal: SPSA Reviewed 2021-22 <br> *Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

Baker has adopted Restorative Justice Practices School-Wide. These aim to facilitate proactive, collaborative problem solving when issues arise that impact our positive school culture. This year we will focus on reducing and/or eliminating suspensions for AA, SWD, and Homeless students. Our counselor (. 6 FTE) and our Guidance Assistant (1.0 FTE) will work in collaboration with classroom teachers and staff to provide direct support to students whose behavior and/or social-emotional needs are impacting their ability to participate to their maximum potential in our academic program. Our counselor will also provide whole class SEL instruction (2nd Step) to students in grades TK-5 with a particular focus on Zones of Regulation. We have a close partnership with The Logan Clinic (Family Health Centers of San Diego) to provide individual counseling to students. We train 4th-5th grade students in Restorative Youth Leadership and facilitate classroom circles to ensure safe, inclusive, and joyful play time during recess. All classroom teachers conduct morning circles on a daily basis and problem solving circles as needed to ensure safe interactions and fully inclusive classrooms and grade level communities.

San Diego Unified
school district

## Baker Elementary School Plan for Student Achievement

## *Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

Proper implementation of restorative practices is dependent on adequate training and buy-in from all staff. Currently, most staff has been trained. Our counselor will work with the counseling and guidance department to provide more advanced training and implementation of circles at Baker. SSC/SGT will work in collaboration with each grade level to ensure all supports have been exhausted prior to resorting to suspension of students. These include: Individualized interventions at the classroom level, parent conferences, daily support in the classroom from our guidance assistant, individual counseling from our counselor, participation in restorative circles, collaboration with behavior support services, and referral to outside counseling with Logan Clinic and other support providers. Our guidance assistant will provide ongoing support to parents to ensure students remain positively engaged in the classroom and we will offer parent trainings to ensure parents have access to the tools they need for maintaining positive, proactive, and ongoing communication with their child about school.

## *hanges

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

We now have a bi-lingual counselor who is able to provide SEL instruction in all classrooms. In addition, she will work with our guidance assistant to continue to train our youth leaders. Youth leaders will lead weekly circles in classrooms and our counselor will provide individual and group counseling and interventions for students who need it. Our counselor will also facilitate our I-MTSS process to ensure students who are having difficulty have access to effective interventions that help them get back on track and to rule out the presence of any learning disabilities.

## *Identified Need

Data from last year's CORE SEL shows that $74 \%$ of students provided an overall positive rating for our school (Up from $67 \%$ last year). We would like to increase this percentage to $85 \%$
Attendance data for 2021-22 shows an average of $91.3 \%$. We would like to increase this percentage to $96 \%$ for the 2022-23 school year.
Attendance data for subgroups show a discrepancy when compared to the whole school:
-Students with Disabilities 81\%\%
-African American 83\%\%
-English Learners 87\%\%
-Hispanic/Latino 86\%\%

| Supporting Black Youth - Additional Goals |  |  |  |  |  |  |  |  |  |
| $\checkmark$ 1. Baker's Site Equity Team will meet regularly to actualize the Black Youth Call to Action, SPSA equity goals and monitor student access to programs, learning, attendance and discipline data. The Site Equity Team will also monitor the staff diversity goal. <br> $\checkmark$ 2. The staff diversity goal at Baker is to maintain or increase the percentage of diverse educators and staff from the current year to the following year, including analysis of classified vs. certificated staff. Baker's site selection/hiring panel is strongly encouraged to complete anti-bias training before conducting any interviews. (LCAP 4) <br> $\checkmark$ 3. In the 2022-23 school year, Baker will develop and implement a system to monitor and analyze behavioral referrals, referrals to receive Special Education services and to determine if student groups are being disproportionately referred and the appropriate supports. <br> $\checkmark$ 4. Baker will create a process for ensuring all students can participate in restorative justice practices to support them through the suspension or expulsion process, which may include the assigning of a Student Champion. <br> $\checkmark$ 5. Baker's Site Equity Team will lead the review of data and dialogue in support of the development of safe, inclusive and culturally affirming workplaces for employees so that educators of color are retained. <br> $\checkmark 6$. Baker will intentionally engage parents, staff and community members identifying as Black/African American through surveys and interviews to learn about their experiences and gain their input/feedback on site goals and actions. <br> $\checkmark$ 7. Increase access to advanced classes--gate, seminar, advanced placement for black youth. <br> $\checkmark$. Baker will study/learn culturally responsive instructional practices, [QLIs/QTPs, ethnic studies pedagogy] increasing engagement and achievement of black youth and other marginalized groups. |  |  |  |  |  |  |  |  |  |

## Baker Elementary School Plan for Student Achievement

## Strategy 1: GUIDANCE ASSISTANT

## *Students to be served by this Strategy/Activity

All students will be served by this strategy.

## *Strategy/Activity - Description

## ATTENDANCE

Our Guidance Assistant will work in collaboration with the principal, nurse, and attendance clerk to identify and support students with chronic absenteeism. She will provide a safe place for problem solving and be a support to students in getting to shool every day on time. She will work with families to set goals and monitor improvements.

## SAFE AND COLLABORATIVE CULTURE

Our Counselor and Guidance Assistant will support students whose social-emotional wellbeing is preventing them from learning. They will build relationships to assist in identifying the root cause and work with teachers, staff, families, and the principal to support students to maximize their time learning.

| *Proposed Expenditures for this Strategy/Activity |  |  |  |  |  |  |  |  |

## Strategy 2: RESTORATIVE YOUTH LEADERS

*Students to be served by this Strategy/Activity
All Students

San Diego Unified
school district

## Baker Elementary School Plan for Student Achievement

## *Strategy/Activity - Description

Our Counselor will be the main contact for our Restorative Youth Leaders. She will collaborate with district resource counselors to host trainings/meetings for students on Wednesdays. She will work in collaboration with teachers, staff, the RJP department, and the principal to train leaders who will conduct weekly circles in classrooms. To build a sense of purpose and belonging, she will work with the Principal and Equity Team to facilitate their successful role as mentors to younger students on our campus.

| *Proposed Expenditures for this Strategy/Activity |  |  |  |  |  |  |  |  |  |

## LCAP 2 and 3: Access to Broad and Challenging Curriculum Accelerating Student Learning with High Expectations for All <br> \section*{Call to Action Belief Statements}

ELA: We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

Math: All students engage in rigorous and relevant mathematics to solve problems associated with personal, civic and professional contexts and are able to effectively explain and communicate their reasoning to a variety of audiences.

English Learners: We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

Students with Disabilities: Ownership: Principals, teachers, and support staff take ownership of all their students, including students with disabilities. Access: Students with disabilities are general education students first and should have access to a meaningful course of study. Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

Graduation/Promotion Rate: All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

## District LCAP Goals

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child
2. Access to Broad and Challenging Curriculum
3. Accelerating Student Learning With High Expectations for All
4. Quality Leadership, Teaching and Learning

San Diego Unified
school district

## Baker Elementary School Plan for Student Achievement

## Annual Review of This Goal: SPSA Reviewed 2021-22

## *Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

## IMPLEMENTATION

This year will be our third year using Benchmark (GVC) school-wide to ensure all students receive standards-based instruction aligned with literacy, science, and social studies standards. We will use F\&P Assessment data (Grades TK-2), FAST Assessment data (Grades 1st-5th), and CAASPP IAB Assessments (Grades 3rd-5th) in PLCs monitor progress on standards and to pinpoint areas of need. We will use CAASPP Assessments to determine grade level proficiency.

## OVERALL EFFECTIVENESS

F\&P is a valid assessment for progress monitoring in Reading. We need to improve PLC collaboration to specifically target student needs so we can strengthen the impact of guided reading. FAST aReading and aMath enable us to check risk levels for all students and modify instruction and supports as needed to decrease risk levels. The CAASPP IABs in literacy and mathematics enable us to assess the effectiveness of our instruction to see if it is aligned with the expectations of the CAASPP.

## *Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

Last year, while we administered Unit Assessments school-wide for all students, we were not able to compare the results with student performance on CAASPP due to the cancellation of state-wide testing. This year we will continue the implementation of Benchmark unit assessments. We will monitor student progress in reading with the Fountas \& Pinell Assessment system, and we will measure school-wide growth using the FAST Assessment in grades 1st - 5th. We will review the data in ILT so we can learn how the standards and assessments increase in complexity as students move through each grade. We will use F\&P, FAST, and CAASPP IABs to better monitor progress and plan for strategic interventions in PLCs.

## *hanges

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

## Baker Elementary School Plan for Student Achievement

We will continue to implement the Benchmark Literacy Curriculum. We hired 1.4FTE PE teacher and an artist in residence to provide enrichment to students while grade level teams work in PLCs. We hired a 0.8 FTE classroom teaching assistant to provide one-on-one and small group reading instruction for students brought up for MTSS. We hired a .4FTE English Learner Assistant to provide daily support for English learners who are not making adequate progress in literacy.

## *Identified Need - English Language Arts

Our F\&P data shows that only $41 \%$ of our students in Grades TK-2 are proficient in reading. We want to increase that to $54 \%$.
Our FAST aReading data also shows $41 \%$ proficiency. This is for all students in grades 1 st -5 th.
Our CAASPP Data shows the following proficiency levels in grades 3rd-5th: $3 \mathrm{rd}=22 \%$, 4 th=28\&, 5 th $=22 \%$.

- For AA Students F\&P Data shows $25 \%$ of TK-2nd grade students are proficient in reading. Our goal is to increase that to $30 \%$. In grades 3-5 met standard on the SBAC.
-For Hispanic Students CAASPP Data shows that 51 of 186 (27\%) in grades 3-5 met or exceeded standards.
- For English Learners, CAASPP data shows that 27\% (51 students) in grades 3-5 met or exceeded standards.
- For Students with disabilities, CAASPP data shows that 4\% (2 students) in grades 3-5 met or exceeded standards.
*Goal 2 - English Language Arts

## *Identified Need - English Learners

Providing consistent, high-quality designated ELD instruction for English learners was extremely difficult during the pandemic. Last year, we were not able to provide the required 150 minutes a week for each of our English learners. Attendance also impacted this growth. Here is our data for each grade level:

- In Gr. $1,4 \%(1 / 26)$ of ELs tested increased at least 1 level.
- In Gr. $2,35 \%(11 / 31)$ of ELs tested increased at least 1 level.
- In Gr. 3, $52 \%$ (14/29) of ELs tested increased at least 1 level.
- In Gr. $4,25 \%(6 / 24)$ of ELs tested increased at least 1 level.
- In Gr. 5, 42\% (10/24) of ELs tested increased at least 1 level.
- Our Classification rate for the entire schools was $12 \%$ (21 students).
*Goal 4 - English Learners

| By Date | Grade | Student Group | Objective | Baseline <br> Percentage | Target <br> Percentage | Measure of <br> Success | Frequency |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |
| June 2023 | K-5 | English Learner | Increase the rate <br> of students <br> advancing one <br> grade level. | $32 \%$ | $50 \%$ | Summative <br> ELPAC | Annually |

SPSA Template Revised 11/30/2022

## Baker Elementary School Plan for Student Achievement

## *Identified Need - Graduation/Promotion Rate

18-19 ELPAC data shows:

- In Gr. $1,4 \%(1 / 26)$ of ELs tested increased at least 1 level.
- In Gr. 2, 35\% (11/31) of ELs tested increased at least 1 level.
- In Gr. 3, 52\% (14/29) of ELs tested increased at least 1 level.

In Gr. $4,25 \%(6 / 24)$ of ELs tested increased at least 1 level.

- In Gr. 5, 42\% (10/24) of ELs tested increased at least 1 level.
- Our Classification rate for the entire schools was

2021-22 ELA CAASPP data shows:
Gr 3 data shows that $22 \%$ of students met or exceeded standard
Gr 4 data shows that $28 \%$ of students met or exceeded standard.
Gr 5 data shows that $22 \%$ of students met or exceeded standard.
For our significant subgroups, our data shows:
$-14 \%$ of African American students met or exceeded standard.
$-24 \%$ of Hispanic students met or exceeded standard.
$-6 \%$ of English Learners met or exceeded standard.
$-8 \%$ of Students with Disabilities met or exceeded standard.

## *Goal 5- Graduation/Promotion Rate

## Strategy 1: Teacher Collaboration (PLCs) and Enrichment Classes

## *Students to be served by this Strategy/Activity

All students will benefit from this activity.

## *Strategy/Activity - Description

## TEACHER COLLABORATION/ENRICHMENT CLASSES

Grade Level teams will collaborate weekly in PLCs. Students will participate in the following Enrichment Classes: PE, Art, and Engineering. Teachers will use the time to plan instruction, share research-based best practices, analyze data from common, standards-based assessments, and plan instructional interventions at students' data-identified need.

## Strategy 3: Opportunities for Extended Learning

*Students to be served by this Strategy/Activity

## All students

## *Strategy/Activity - Description

Academic field trips and after school intervention activities to engage students in experiential and hands on learning in multiple subject areas including literacy.
CLUBS will provide students with weekly opportunities to gain knowledge and experience in an area that matters to them. These will include book clubs, academic clubs, and special interest clubs that promote authentic reading and writing.
Intervention (Clubs) run from October 2022 - May, 2023.
Tuesday clubs include: ST Math (K-5), Superstar Sports (K/1st), Beginning dance (2nd-5th), Girls on the Run (3rd-5th), and Robotics (3rd-5th).
Wednesday clubs include: Dual Language (Grades K-5), Superstar Sports (Grades 2nd/3rd), Garden (Grades 2nd-5th), Restorative Leaders (4th/5th Grade), and Bobcat Book Club (4th/5th Grade)
Thursday Clubs include: ST Math (K-5), Superstar Sports (4th/5th grade), Intermediate Dance (2nd-5th Grade), Associated Student Body (3rd-5th Grade), and Art Club (3rd-5th Grade).

## Strategy 6: Intervention Curriculum and Materials

## *Students to be served by this Strategy/Activity

All students with disabilities will have access to this activity.

## *Strategy/Activity - Description

Steps to Advance (Intervention Materials)
Students with disabilities will receive Tier 3 instruction in Literacy and Mathematics.
We will use the Benchmark Steps to Advance Literacy materials which are aligned with the Benchmark Literacy instruction they will experience in their general ed classrooms.
In Math, students with disabilities will be assessed using the IM Assessments to determine gaps in their foundational skills. They will receive focused targeted Tier 3 instruction aligned with their identified needs.
Students will have access to ST Math, computer labs, and other on-line programs that provide individualized tutorials and pacing.

## Baker Elementary School Plan for Student Achievement

## LCAP 5: Family and Community Engagement with Highly Regarded Neighborhood Schools

## Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

## District LCAP Goals

5. Family and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities

## Annual Review of This Goal: SPSA Reviewed 2021-22

## *Analysis

Describe the overall implementation of the 2020-21 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2020-21 articulated goal(s).

## IMPLEMENTATION

In the SPSA, our goal was to effectively communicate with all parents regarding student progress. We did so through informal parent meetings, Workshop Wednesdays, report cards, parent/teacher conferences, and ELAC.
We also stated that at least $80 \%$ of families would attend at least one school event. So far, $56 \%$ of families participated in Back to School Night. We reach out to parents via flyers, automated phone calls, Winner Wednesdays, monthly calendars, verbal announcements by teachers, and our marquee. We also communicated all of the events in both English and Spanish.
Parent communication was facilitated through funding for duplication services of items such as the yearly parent handbook and flyers for special events.
Parent workshops were enhanced through funding for basic supplies such as paper, writing utensils, books, and game materials.

## EFFECTIVENESS OF STRATEGIES

In terms of parent participation, $92 \%$ of Baker families took part in the California Healthy Kids Survey (CHKS) for Parents.
Here are the positive ratings for Parental Involvement:

- Promotion of parental involvement: 56\%
- Actual Parental involvement: 26\%
- School encourages me to be an active partner: 56\%
- School actively seeks the input of parents: 48\%
- Parents feel welcome to participate at this school: 56\%

Prior to the pandemic, we offered families monthly workshops to educate them on the standards and provide tools for supporting their child at home. We had the following participation rates at each grade level:

This year, we are providing grade-specific workshops three times/per year for each grade level.

## *Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

We will tailor parent workshops for each grade level and the principal will collaborate with PLCs to determine the content and goals for each session. Sessions are held in person in the auditorium and parents work side by side with their child on an engaging, standards-based collaborative activity that provides opportunities for parents to assess their child's language and academic needs. Strategies are provided for parents so they can more effectively support their child at home.

## *Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

We will continue to provide workshops to parents that are aligned with the grade level curriculum. All workshops this year will focus on strategies parents can learn to support their child's growth in literacy, mathematics, language, and writing. We will identify at least 1 Parents will be invited via connectEd calls and Class Dojo. If parents are not able to attend, they will be able to view the presentation on Class Dojo. Translation will be provided at all events.
Winner Wednesday is another opportunity for parents to participate at school. This year we will have Winner Wednesday on site every other month and on zoom every other month. This will enable parents who work to participate easier.

## *Identified Need

We continue to strive for active participation by all parents. When families are not able to attend grade level sessions, teachers reach out individually to provide support. If this is not effective, our Guidance Assistant, Attendance Clerk, Teachers and Principal provide individualized interventions to maintain communication.

## Strategy 1: Shared Decision Making Systems

*Families to be served by this Strategy/Activity
*Strategy/Activity - Description

## SSC

Baker's School Site Council (SSC) will actively represent the interests of all Baker Parents and achieve a quorum at every meeting. They will participate in shared decision making when allocating Funds.
SGT
Baker's Site Governance Team (SGT) will actively represent the interests of all Baker Parents and Staff and participate in shared decision making when creating/revising school policies.

## ELAC

Baker's English Learner Advisory Committee (ELAC) will monitor the progress of our English Learners and advise the principal and SSC in creating goals, policies, and when allocating funding.

## WORKSHOP WEDNESDAYS

Monthly Parent Workshops will assist parents in understanding the curriculum and success criteria for achieving academic proficiency.

## APPENDIX B

## Parent \& Family Engagement Policy

## Baker Elementary <br> Parent \& Family Engagement Policy 2022-23

Baker Elementary has developed a written parent \& family engagement policy with input from parents. Our School Site Council (SSC) collaboratively develops and approves all school policies.
We have distributed the policy to all parents and guardians. A copy is provided to every family during the week of Back to School Night. This policy describes the means for carrying out parent and family engagement requirements pursuant to ESSA Section 1116(c). To involve parents, the following practices have been established:
Our school convenes an annual meeting to inform parents about the right of parents to be involved in the school program.

- The meeting is held on Back to School Night and all Parents are encouraged to attend.
- Opportunities for Parent Engagement are presented at this meeting including: Monthly Awards Assemblies, SSC Membership, SGT Membership, ELAC Membership, Parent Classroom Leaders, Volunteer Activities.
- Achievement Data and Budget Decisions are shared and discussed at this meeting.

The school offers a flexible number of meetings for parents, such as meetings in the morning or evening.

- Grade-Specific Workshops are provided three times/year. Parents are invited to attend with their children.

The school involves parents of students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's programs and the parental involvement policy.

- Our School-Site Council and Site Governance Team depends on the active engagement of a core group of parents who represent all of our families. We work hard to ensure that all significant subgroups are included in site decision-making.

The school provides parents of students with timely information about the school's programs. How does the school provide the information?

- We utilize Printed letters and fliers, ConnectEd calls to families, School and Class Dojo Messages, postings on our school marquee, and postings on our school's website.

The school provides parents with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.

- Teachers present grade-level curriculum and the standards-based assessment plan at Back-to-School-Night.
- Parent conferences are held a minimum of 2 times per year and we work hard to ensure $100 \%$ participation by parents/guardians. These meetings provide specific academic achievement progress for individual students.

If requested by parents, the school provides opportunities for parents to participate in decisions relating to the education of their children. How does the school provide the opportunities?

- We have an open-door policy and encourage all parents to share concerns with both teachers and the principal.
- We have a comment box at the front counter for parents to provide input and feedback that is checked daily and responded to within 24 hours.

Baker distributes to parents a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards including:

- The school's responsibility to provide high-quality curriculum and instruction.
- The ways parents will be responsible for supporting their children's learning.
- The importance of ongoing communication between parents and teachers including opportunities to observe classroom activities.
The school provides parents with materials and training to help them work with their children to improve their children's achievement.
- Participation in Grade-Specific trainings (Workshop Wednesdays)
- Participation in specific trainings to support English Learners (ELAC)

The school educates staff members in the value of parent contributions, and in how to work with parents as equal partners. The school distributes all information in a format and language that the parents understand. The school provides opportunities for the participation of all parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.

If the school-wide program plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency.

Stakeholders are involved in every aspect of our plan's development. Comments are recorded in SSC minutes. Suggestions/improvements will be discussed, voted on, and implemented by the committee.

This policy was adopted by Baker Elementary on 10/6/22 and will be in effect until 10/7/23. The school will distribute the policy to all parents of students on, or before: 10/10/22.

Dr. Kathleen L. Gallagher, Principal

10/5/21

## APPENDIX C

## SCHOOL PARENT COMPACT

San Diego Unified School District

Finance Division
Strategic Planning for Student Achievement Department

## Title I School-Parent Compact 2022-23 <br> BAKER ELEMENTARY

As a component of the school-level parent and family engagement policy, each school shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the following requirements: ( 20 U.S.C. § 6318[d])
a) Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I, Part A to meet the challenging state academic standards, as well as the ways in which each parent will be responsible for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])

## Baker Elementary School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating children to meet California's student academic achievement standards.
2. Hold parent-teacher conferences (2 per year) during which this compact will be discussed as it relates to the individual child's achievement (20 U.S.C. § 6318[d][2]).
$\square$ November 14-18: Academic concerns and interventions will be discussed at this meeting
$\square$ March 20-24: Decisions to retain or promote will be discussed at this meeting
$\square$ Parents or teachers may request an additional parent conference at any time throughout the school year (20 U.S.C. § 6318[d][2][B])
3. As Safety Precautions allow, provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows (20 U.S.C. § 6318[d][2][C]):

- Learn about Common Core State Standards at Workshop Wednesday
- Participate in classroom activities and parent conferences
- Assist teachers by volunteering to assist with classroom projects
- Consult with the teacher if concerns arise
- Attend school-wide functions
- Assist with fundraisers

4. Ensure regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. ( 20 U.S.C. § 6318[d][2][D]).

- Baker will use a variety of communication including: ConnectEd calls, Class Dojo, Facebook, our website.
- We encourage in-person communication in our school office but are flexible to meet on zoom if it is easier for the parent.
- Baker will provide translation for all interactions including parent conferences and parent trainings.
- Baker will respond promptly and positively to all parent inquiries.

* In Provision 2 schools, only students who meet free or reduced-price meal eligibility criteria are counted as economically disadvantaged.
+ All students redesignated during the school year from English learner to reclassified fluent English proficient are counted here as fluent English speaking.

## APPENDIX E

## 2021-22 SPSA ASSESSMENT AND EVALUATION

## Baker Elementary SPSA Evaluation of Title I Funded Actions/Activities

## School Name: Baker Elementary

SPSA Evaluation of Title I Funded Actions/Activities: 30100,30103,30106,31820 SCHOOL YEAR: 2021-22

## Goal 1 - Safe, Collaborative and Inclusive Culture

Strategy/Activity 1

## *Strategy/Activity - Description

## GUIDANCE ASSISTANT

## ATTENDANCE

Our Guidance Assistant will work in collaboration with the principal, nurse, and attendance clerk to identify and support students with chronic absenteeism. She will provide a safe place for problem solving and be a support to students in getting to shool every day on time. She will work with families to set goals and monitor improvements.

## SAFE AND COLLABORATIVE CULTURE

Our Counselor and Guidance Assistant will support students whose social-emotional well being is preventing them from learning. They will build relationships to assist in identifying the root cause and work with teachers, staff, families, and the principal to support students to maximize their time learning.

## RESTORATIVE YOUTH LEADERS

Our Counselor will be the main contact for our Restorative Youth Leaders. She will collaborate with district resource counselors to host trainings/meetings for students on Tuesdays. She will work in collaboration with teachers, staff, the RJP department, and the principal to train leaders who will conduct circles during recess. To build a sense of purpose and belonging, she will work with the Principal and PBIS Team to facilitate their successful role as mentors to younger students on our campus.

## *Proposed Expenditures for this Strategy/Activity

## Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal. Guiding Questions:
Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

## Goal 2 - English Language Arts

## Strategy/Activity 1

## *Strategy/Activity - Description

## Benchmark Literacy STEPS TO ADVANCE Materials and other support materials

All grades will implement the Benchmark Literacy Curriculum and follow the Whole School Pacing Guide to ensure all students are taught the ELA standards for their grade level. On-line assessments will be given at the end of each unit. Data will be analyzed at each grade level to identify areas of strength and need. Teachers will plan small group intervention groups based on identified student needs. Students with disabilities will have access to an additional resource called "Steps to Advance," which ensures access to the same content, yet adaptable to reading levels commensurate with IEP goals. Materials will be purchased to support classroom instruction and interventions.
*Proposed Expenditures for this Strategy/Activity
