## Bird Rock Elementary School Plan for Student Achievement

## SCHOOL PlAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY

## Purpose and Description

This School Plan for Student Achievement fulfills the requirements of a schoolwide comprehensive budgeting plan for Bird Rock Elementary (BRE) school. The staff at BRE strives for excellence in meeting the needs of all students. School programs are strategically designed to engage students and staff in teaching and learning. To provide a strong academic program, staff work collaboratively to provide opportunities for students to develop appropriate social, critical thinking, and problem-solving skills to promote lifelong learning; and to ensure that all students have access to high-quality education that includes rigorous lessons that are standards-based. This School Plan for Student Achievement includes goals and strategies to improve student achievement, attendance, and suspension rates. The goal is to cultivate a safe, supportive, and collaborative learning environment for all stakeholders.

## PURPOSE AND DESCRIPTION (ESSA REQUIREMENTS)

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.
LCAP Goal 1: Closing the achievement gap with high expectations for all.
LCAP Goal 2: Access to broad and challenging curriculum.
LCAP Goal 3: Quality leadership, teaching and learning
LCAP Goal 4: Positive school environment, climate, and culture - with equity at the core and support for the whole child.
LCAP Goal 5: Family and community engagement with highly regarded neighborhood schools that serve students, families and communities.

## Engaging Educational Partners

The school invited stakeholder groups to contribute in a number of ways. These included structured opportunities like SSC and SGT meetings as well as an electronic survey - co-created with our Bird Rock Foundations - sent to parents for feedback on climate and focus.
School Staff:
SSC: February - Vote on LCFF budget for 2022-2023
September 30, 2022, CSSP, Home-school compact; Parent and Family Engagement Policy
October 4, 2022 Voting in of new members; SPSA review; Oct 26, 2022 Voting in of new members; SPSA approval

San Diego Unified
school district

## Bird Rock Elementary School Plan for Student Achievement

## Resource Inequities

Our data continue to show equity gaps for students receiving IEP services and for students who are identified as English learners. The inequity gaps are present in the area of ELA and mathematics. Our school-wide ELA data show that in 2022, $77.4 \%$ of students in grades $3-5$ met or exceeded gradelevel standards. In mathematics, $80.4 \%$ of our students met or exceeded grade-level standards.

Only $62.9 \%$ of our students identified as students with disabilities who met or exceeded grade-level standards in ELA. $67.9 \%$ of our students identified as students with disabilities who met or exceeded grade-level standards in mathematics. While our data for this group of students has improved from $50 \%$ of students meeting/exceeding grade-level standards in ELA and mathematics in 2019, we still clearly see an equity gap.
Interestingly, while our data for our students receiving special education services has improved, our data as a whole decreased from 2019 to 2022.

## 3rd Grade ELA

In 2022 82. 5\% of all students met GLS
72.7 \% of 3rd grade SWD met or exceeded standards

In 2019 75\% of all 3rd-grade students met or exceeded standards
$50 \%$ of 3rd grade SWD met or exceeded standards

## 3rd Grade math

In $202285.9 \%$ of all students met or exceeded standards
72.7 \% of 3rd grade SWD met or exceeded standards

2019-87.5\% of all 3rd-grade students met or exceeded standards
$2019-54.5 \%$ of 3rd grade SWD met or exceeded standards

## 4th Grade ELA

In 2022 66.1\% of 4th-grade students met or exceeded standards
(2019 91.1\% of 4th-grade students met or exceeded standards)
There was not a large enough group size for SWD to be included in 4th-grade data for 2022, or 2019. However, data from 2018 show that an equity gap exists. In $201880 \%$ of all 4th-grade students met or exceeded standards while only $58.4 \%$ of SWD met or exceeded grade level

## 4th Grade math

2022-67.9\% of 4th-grade students met or exceeded standards
(2019-92.9\% of 4th-grade students met or exceeded standards)
There was not a large enough group size for SWD to be included in 4th-grade data for 2019. Again, comparing data from 2018 show that an equity gap exists. In $201881.1 \%$ of all 4th-grade students met or exceeded standards while only $27.3 \%$ of SWD met or exceeded grade level

## Bird Rock Elementary School Plan for Student Achievement

## 5th Grade ELA

90.4\% of 5th-grade students met or exceeded standards
$66.7 \%$ of 5 th-grade students wD met or exceeded standards

## 5th Grade math

$82.5 \%$ of 5 th-grade students met or exceeded standards
(2019-84.7\% of 5th-grade students met or exceeded standards)
There was not a large enough group size for SWD to be included in 5th-grade data. However, 2019 data show significant disproportionality with only $33.3 \%$ of 5th-grade students SWD meeting or exceeding standards
Some possible causes are a lack of opportunity for all students within the classroom setting; lack of alignment with grade level expectations and curriculum; lack of implementing all tools students with IEPs are entitled to use, by law, on assignments and in standardized testing, and a lack of using multiple data points to adjust and inform instruction.

## Bird Rock Elementary School Plan for Student Achievement

## Goals, Strategies, Expenditures, \& AnNuAl Review

## LCAP 1: Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District

## Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

Black Youth: Developing antiracist and restorative school communities.

## District LCAP Goals

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child

## Annual Review of This Goal: SPSA Reviewed 2021-22

## *Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

Not well implemented during the 2020-2021 academic year.

## *Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

We were not able to well implement student culture and climate goals, school-wide in 2021-2022. Due to State and District Covid mitigation measures, we were unable to unite collectively, in in-person. Compounding this impact on climate, was a continuous cycle of student and staff absences as a result of following protocols.

## Bird Rock Elementary School Plan for Student Achievement

## *Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

Classroom teachers regularly assess student SEL needs anecdotally and plan student learning experiences for growth.
Members of our school and teacher group routinely assess and adjust our school-wide character strengths. Trends in student comportment are discussed in SGT and ideas for promoting a more positive school climate are discussed and implemented.

Further, more and more teachers are building, sharing, and garnering support for school-wide fun and celebration. For example, one of our teachers routinely plans school-wide dance parties for Friday morning blacktop fun.

## *Identified Need

The California Dashboard shows that we had fewer chronically absent students in 2021-2022 versus 2019. On the Dashboard, we show a $2.2 \%$ decrease in chronically absent students. Attendance credit was applied differently, and in some cases, inconsistently from 2020-2022. Therefore, we are not comfortable using current Dashboard metrics.

When looking at previous attendance data - 2019 data to 2018 data - we showed a need for improving our attendance rates for the school and particularly for students with disabilities, students who are English learners, and students identified as two or more races.
We have left our baseline percentages and our goals from 2019, and have changed the date by when we will show positive growth for all groups of students.
*Our District SEL assessments for 4th and 5th grade are currently halted and we do not know how this may influence future assessments and data. Therefore for School culture, we have used only Cal Healthy Kids data.

| *Goal 1 - Safe, Collaborative and Inclusive Culture |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| By Date | Grade | Objective | Baseline Percentage | Target Percentage | Measure of Success | Frequency |
| June 2023 | 5 | Increase perception of purposeful instruction | 11\% | 25\% | $\begin{aligned} & \text { CAL-SCHLS } \\ & \text { (CHKS) } \end{aligned}$ | annually |
| February 2023 | 5 | Increase perception of caring adult relationships | 33\% | 50\% | CAL-SCHLS (CHKS) | annually |

San Diego Unified
school district
Bird Rock Elementary School Plan for Student Achievement
*Annual Measurable Outcomes (Closing the Equity Gap)

| By Date | Grade | Student Group | Objective | Baseline Percentage | Target Percentage | Measure of Success | Frequency |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| June 2023 | 3-5 | Students with Disabilities | Increase academic achievement for SWD in SBA ELA | 62.9\% | 68\% | Other (Describe in Objective) | annual |
| June 2023 | 3-5 | Students with Disabilities | Increase academic achievement for SWD in SBA mathematics | 63\% | 68\% | Other (Describe in Objective) | annual |
| June 2023 | K-5 | English Learner | Decrease chronic absenteeism | 4.4\% | 2\% | Attendance | trimester |
| February 2023 | KK-5 | English Learner | Decrease chronic absenteeism | 4.4\% | 2\% | Attendance | trimester |
| June 2023 | K-5 | English Learner | Decrease chronic absenteeism | 4.4\% | 2\% | Attendance | trimester |
| June 2023 | K-5 | Students with Disabilities | Decrease suspension rate | 2 students | 1 student | Suspension | annually |
| June 2023 | K-5 | White | Decrease suspension rate | 2 students | 1 student | Suspension | annually |
| June 2023 | K-5 | Black or African American | Maintain positive attendance | 100\% | 100\% | Attendance | annually |
| June 2023 | K-5 | Black or African American | Maintain suspension rate | 0 | 0 | Suspension | annually |

## Supporting Black Youth - Additional Goals

$\checkmark$ Bird Rock Elementary School (BRE)'s Site Equity Team and/or pre-identified school committee will meet regularly to actualize the Black Youth Call to Action, SPSA equity goals and monitor student access to programs, learning, attendance and discipline data. The Site Equity Team will also monitor the staff diversity goal.
$\checkmark$ 2. The staff diversity goal at Bird Rock Elementary School (BRE) is to maintain or increase the percentage of diverse educators and staff from the current year to the following year, including analysis of classified vs. certificated staff. Bird Rock Elementary School (BRE)'s site selection/hiring panel is strongly encouraged to complete anti-bias training before conducting any interviews. (LCAP 4)
$\checkmark$ 3. In the 2022-23 school year, Bird Rock Elementary School (BRE) will develop and implement a system to monitor and analyze behavioral referrals, referrals to receive Special Education services and to determine if student groups are being disproportionately referred and the appropriate supports.
$\checkmark$ 4.Bird Rock Elementary School (BRE) will create a process for ensuring all students can participate in restorative justice practices to support them through the suspension or expulsion process, which may include the assigning of a Student Champion.
$\checkmark 5$. BRE's Site Equity Team and/or pre-identified school committee will lead the review of data and dialogue in support of the development of safe,

San Diego Unified
school district

## Bird Rock Elementary School Plan for Student Achievement

inclusive and culturally affirming workplaces for employees so that educators of color are retained.
$\checkmark 6$. BRE's will intentionally engage parents, staff and community members identifying as Black/African American through surveys and interviews to learn about their experiences and gain their input/feedback on site goals and actions.
$\checkmark$ 7. Increase access to advanced classes--gate, seminar, advanced placement for black youth.
$\checkmark$ 8.BRE's will study/learn culturally responsive instructional practices, [QLIs/QTPs, ethnic studies pedagogy] increasing engagement and achievement of black youth and other marginalized groups.

## Strategy/Activity 1

## *Students to be served by this Strategy/Activity

All students will benefit from our increased focus on social-emotional growth. This focus is anticipated to improve all students' perceptions of positive student-adult relationships as well as the perception of a curriculum that is worthwhile and engaging. The increased focus on SEL will make the school feel safer and more inclusive for all students and reduce the chronic absenteeism identified on the CA Dashboard with our students who are English learners and our students receiving SpEd services. This strategy also promotes student risk-taking which leads to increased engagement and academic growth for our students who have historically underachieved -- again, our students who are English learners (including reclassified) and our students who received SpEd services.

## *Strategy/Activity - Description

At BRE we have a monthly character strength that we learn about and practice. We learn and practice during weekly assemblies and teachers continue the learning in their classrooms. Our character strengths have been determined and agreed upon as a school-wide agreement.
At BRE and in the LJ Cluster, we are dedicated to our students' social-emotional health and committed to fostering an environment that is safe, collaborative, and inclusive for each and every student. This year we are also spending time learning, identifying, and practicing the "BIG 5". These are 5 traits that LJ counselors and principals determined would be the most beneficial as we support students in becoming well-rounded, productive, kind, and collaborative citizens of our world.

We have also had some introduction to "Restorative Justice Practices" and classroom and school community circles. Our student behavior policy has been updated to the RJP philosophy where personal connections and honoring the attributes and needs of the whole child are central to building a strong school and classroom culture.

Additionally, we have an increased counselor allocation. Our district-provided counselor allocation has increased to two days per week. He will teach at least one lesson per teacher/grade level for each of the BIG 5 traits. Our counselor will also continue to work collaboratively with students, parents, principal, office staff, nurse, health technician, classroom teachers, and support staff to implement strategies that will decrease chronic absenteeism and suspension rates.

San Diego Unified
school district

## Bird Rock Elementary School Plan for Student Achievement

We know that our students, who had needed it before the pandemic, have a greater need for social-emotional learning and support. Many of our kids based on parental anecdotal data and teacher observation - are experiencing increased anxiety and depression. This is likely the result of distance learning. We want to support our parents in supporting their children. Our BRF has secured presenters from the RJP department to teach our parents about restorative justice practices.

## *Additional Supports for this Strategy/Activity

Parents, our allocated counselor, teachers, and principal as well as Dr. Wais will be providing the strategy/activity. We may also need to purchase materials/PD opportunities for up to the remainder of our LCFF

## LCAP 2 and 3: Access to Broad and Challenging Curriculum Accelerating Student Learning with High Expectations for All

## Call to Action Belief Statements

ELA: We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

Math: All students engage in rigorous and relevant mathematics to solve problems associated with personal, civic and professional contexts and are able to effectively explain and communicate their reasoning to a variety of audiences.

English Learners: We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

Students with Disabilities: Ownership: Principals, teachers, and support staff take ownership of all their students, including students with disabilities. Access: Students with disabilities are general education students first and should have access to a meaningful course of study. Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

Graduation/Promotion Rate: All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

San Diego Unified
school district

## Bird Rock Elementary School Plan for Student Achievement

## District LCAP Goals

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child
2. Access to Broad and Challenging Curriculum
3. Accelerating Student Learning With High Expectations for All
4. Quality Leadership, Teaching and Learning

## Annual Review of This Goal: SPSA Reviewed 2021-22

## *Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

We have discovered that staff, as a whole, has not clearly linked current data and data analysis as the base for all PLC decisions.

## *Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

There was very little implementation of PLCs last year -- or, true PLC and we have no data from like assessments. We are strengthing PLCs through increased attention to strong data protocol. Because PLCs are data-driven, teachers plan and schedule common grade-level assessment dates and PLC dates within a two-week window of the date of assessment. PLCs are scheduled approximately in 6 -week cycles. The frequency of our cycles provides far more opportunities for teachers and teams to analyze student strengths and needs and plan teaching that is responsive to this data. Our LCFF budget is aligned with visiting teacher coverage for our teachers to meet regularly in PLC.

Further, school-wide and in teacher groups, we have an increased focus on student explanation orally, and in writing. We anticipate that this focus will show significant progress in grade level, District, and State assessments.

## *Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

In addition to the 6 -week cycles for PLC and formative assessments, teachers also meet with the principal for 1-on-1 monitoring meetings. This is an opportunity for all students to be discussed on an individual level and includes an increased focus on students who are learning English and students who receive SpEd services. It is also an opportunity to evaluate what is working well, and what's not and inform the next steps for learning opportunities for all staff.

## Bird Rock Elementary School Plan for Student Achievement

## *Identified Need - English Language Arts

School-wide we have discovered the need for all members to make the connection that if there is no common source of data for a grade level, there should be no PLC. PLCs are data-driven. It is through ongoing data collection, analysis, reflection, problem-solving, and informing instruction that we expect growth to occur.

## *Goal 2 - English Language Arts

*Identified Need - Math
Our math instruction is becoming more aligned with a continued focus on number sense and an increased focus on supporting answers and ideas with logical chains of reasoning. This includes deep and critical thinking through school-wide critical math concepts/AKA sticky math.
As a staff and in grade-level PLC we are becoming better at analyzing data and using what we discover in the analysis to drive and refine instruction. Our math data decreased from 2019 to 2022. We are pondering causes beyond the loss of learning through our Covid years. We are celebrating that mathematics data show an increase in achievement levels for our students who are receiving SpEd services.
*Goal 3 - Mathematics

| By Date | Grade | Objective | Baseline Percentage | Target Percentage | Measure of Success | Frequency |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| June 2023 | 3-5 | Increase student academic achievement | 88 | 92 | CAASPP Math | Annually |
| June 2023 | 3-5 | Increase student academic achievement | 88 | 92 | SBAC Interims | 6 weeks |

San Diego Unified school district

Bird Rock Elementary School Plan for Student Achievement

| *Annual Measurable Outcomes (Closing the Equity Gap) - Math |  |  |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| By Date | Grade | Student Group | Objective |  | Baseline Percentage | Target Percentage | Measure of Success | Frequency |
| June 2023 | 3-5 | English Learner | reclassify $100 \%$ of eligible students |  | 2 students total | 100\% | CAASPP Math | annually |
| June 2023 | 3-5 | Students with Disabilities | Increase academic achievement |  | 55.6 | 60 | CAASPP Math | annually |
| March 2023 | 3-5 | Students with Disabilities | Increase academic achievement |  | 55.6 | 60 | SBAC Interims | 6-week cycles |
| June 2023 | 3-5 | Black or African American | Maintain academic achievement level |  | 100\% | 100\% | CAASPP Math | annually |
| *Identified Need - English Learners |  |  |  |  |  |  |  |  |
| When looking at SBA data, there is no equity gap with our student population as a whole performing better than students who are English learners. |  |  |  |  |  |  |  |  |
| *Goal 4 - English Learners |  |  |  |  |  |  |  |  |
| By Date | Grade | Student Group | Objective |  | Baseline Percentage | Target Percentage | Measure of Success | Frequency |
| June 2023 | 3-5 | English Learner | Reclassify $100 \%$ of eligible students |  | 100\% | 100\% | Summative ELPAC | annual |
| *Identified Need - Graduation/Promotion Rate |  |  |  |  |  |  |  |  |
| As a staff and in grade-level PLC we are becoming better at analyzing data and using what we discover in the analysis to drive and refine instruction. in the 2018-209 school year, we had some growing pains in this area and our percentage of students meeting or exceeding grade-level standards dropped by just over 3\%, and our data for students who are English learners and students who are receiving SpEd services also dropped in the 2018-2019 school year. |  |  |  |  |  |  |  |  |
| *Goal 5- Graduation/Promotion Rate |  |  |  |  |  |  |  |  |
| By Date | Grade | Objective |  | Baseline Percentag | e Target Per | rcentage | Measure of Success | Frequency |
| June 2023 | TK-1 | Increase/garner the interes students through STEAM |  | N/A | N/A |  | Other (Describe in Objective) | annually |

San Diego Unified school district

Bird Rock Elementary School Plan for Student Achievement

| *Annual Measurable Outcomes (Closing the Equity Gap) - Graduation/Promotion Rate |  |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| By Date | Grade | Student Group | Objective | Baseline Percentage | Target Percentage | Measure of Success | Frequency |
| June 2023 | 3-5 | Students with Disabilities | Increase academic achievement | 63 | 68 | CAASPP ELA | annually |
| March 2023 | 3-5 | Students with Disabilities | Increase academic achievement | 53.3 | 60 | CAASPP Math | annually |
| June 2023 | 3-5 | English Learner | Increase academic achievement | ---- | ---- | CAASPP ELA | annually |
| June 2023 | 3-5 | English Learner | Increase academic achievement | ---- | ---- | CAASPP Math | annually |

## Strategy/Activity 1

## *Students to be served by this Strategy/Activity

All students will benefit from this strategy. This includes an increased focus on students who are English learners and students receiving SpEd services. PLCs are all-encompassing and support Tier 1, Tier 2, and Tier 3 levels of instruction. There is not a specific instructional strategy that will be listed as instructional strategies are evaluated, modified, refined, or discarded based on student academic progress.

## *Strategy/Activity - Description

Our strategies/activities are a refinement of what we began last year and are getting better at this year:
Increased focus on STEAM, i.e, "How People Learn"
Focus on student explanation
PLC's
Common grade level formative assessments in 6 - week cycles
Guaranteed Viable Curriculum
Alignment of grade-level expectations
one-on-one monitoring meetings with the principal to inform strengths and needs of all students
Monthly PDs focused on: data collection and analysis; using analysis to inform instruction; meeting the needs of students who are EL in the mainstream classroom and meeting the needs of students receiving SpEd services in the mainstream classroom
A school-wide commitment to implement a "no opt-out" culture within classrooms to ensure that all students are engaged, on task, and accountable Our classified aides for SpEd services now participate in our monthly PDs as experts and learners

## Bird Rock Elementary School Plan for Student Achievement

one-on-one monitoring meetings with the principal to inform strengths and needs of all students District-focused literacy training - including Fountas and Pinnell
Monthly PDs focused on: data collection and analysis; using analysis to inform instruction; meeting the needs of students who are EL in the mainstream classroom and meeting the needs of students receiving SpEd services in the mainstream classroom
A school-wide commitment to implement a "no opt-out" culture within classrooms to ensure that all students are engaged, on task, and accountable Coaching to integrate more robust ELD into our curricula for those classes with students who are learning English
Our classified aides for SpEd services now participate in our monthly PDs as experts and as learners

Bird Rock Elementary School Plan for Student Achievement

## LCAP 5: Family and Community Engagement with Highly Regarded Neighborhood Schools

## Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

## District LCAP Goals

5. Family and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities

## Annual Review of This Goal: SPSA Reviewed 2021-22

*Analysis
Describe the overall implementation of the 2020-21 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2020-21 articulated goal(s).

Our strategies for Family Engagement were either not well implemented or not well executed.

## *Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

Due to off-site learning and State and district protocol, there was little opportunity for connection.

## *Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

We offer opportunities for parent and community involvement, virtually, frequently throughout the school year. Our data from CHKS - parents show that not all parents and the community are feeling that their needs/wants are met.

In this year of limited parental access to campus, we have some in-person parent opportunities from the school level -- Tuesday envelopes, frequent school-parent communication, SSC and SGT meetings and have begun to open campus to SEEDS volunteers on scheduled weekends. Per current district protocol, the total number of parents and staff for this onsite/school-sponsored opportunity will not exceed 20 adults. We look forward to adding more opportunities as protocols relax.

San Diego Unified school district

## Bird Rock Elementary School Plan for Student Achievement

The school regularly sends robocalls and email messages to keep parents connected to what is occurring on our campus.
Our partner, Bird Rock Foundation, has been excellent in seeking safe ways to offer safe, voluntary opportunities for community connection beyond school/district limitations. Parents are encouraged to sign-up for weekly Eblast communication from our Parent Foundation.

Moving forward school will regularly contribute news to BRCC, a bi-monthly newsletter, and weekly La Jolla Light. This has occurred in the past and promotes not only a strong parent-school connection but also a connection to the broader community. Ideas - 75th anniversary, teacher features, student celebrations, photos showcasing STEAM and other curricular celebrations, Bird Squad.

## *Identified Need

We have a very active parent community and are committed to family engagement and partnership. Our data from the CHPS show we can do significantly better in meeting parent expectations and increasing positive perceptions about how we promote the success of all of our students and how we ensure a safe and collaborative environment. Based on parent perception. we can also do a much better job of creating and maintaining a clean campus.
*Goal 6- Family Engagement

| By Date | Participants | Objective | Baseline Percentage | Target Percentage | Measure of Success |
| :---: | :---: | :---: | :---: | :---: | :---: |

| All families will be served by this strategy. |  |  |  |  |  |

San Diego Unified school district

## Bird Rock Elementary School Plan for Student Achievement

## *Strategy/Activity - Description

We have increased the focus on SEL for students and parents. Students are taught and supported in learning and practicing particular strategies throughout the year. This information is shared with families via our regular eblasts, at the LJ CLuster, and via Power School Messenger. We also have regular parent workshops throughout the academic year.

## *Additional Supports for this Strategy/Activity

Community partners are donating time and resources to support the Social-emotional needs of our families and our students.

## APPENDICES

This section contains the following appendices that will assist the School Site Council in completing the School Plan for Student Achievement (SPSA) and in maintaining a cycle of continuous improvement:

APPENDIX B

## Parent \& Family Engagement Policy

San Diego Unified School District
Financial Planning and Development
Financial Planning, Monitoring and Accountability Department

## Bird Rock Elementary School

## Parent And Family Engagement Policy 2022-23

Bird Rock Elementary School has developed a written parental involvement policy with input from parents.
The school has distributed the policy to all parents.
This policy is distributed through our "Tuesday Envelope"
The policy describes the means for carrying out the following parental involvement requirements.

## Involvement of Parents in the Program:

To involve parents at Bird Rock Elementary (BRE) the following practices have been established:

The school convenes an annual meeting to inform parents about the right of parents to be involved in the school program.

- The school offers a flexible number of meetings for parents, such as meetings in the morning or evening.
- Volunteer meetings
- Principal's coffee
- Bird Rock Foundation with school representation
- School Safety meeting

The school involves parents of students in an organized, ongoing, and timely way, in the planning, *review, and improvement of the school's programs and the parental involvement policy.

- Parents are regularly welcomed to share ideas, observations and concerns. Additional meetings are held as necessary to respond to parents' needs.

The school provides parents of students with timely information about the school's programs.

- Ongoing communication is a regular part of our culture. Programmatic information is shared via Tuesday Envelope, School Messenger and Foundation Eblast as ways to distribute policy and information to parents.

The school provides parents with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.

- Information regarding curriculum (UTK-5) and assessments (3-5) is shared during our fall Back-to-School night

If requested by parents, the school provides opportunities for parents to participate in decisions relating to the education of their children.

- Parents are invited to request a meeting with a teacher first, and then if necessary, request a meeting with the principal and/or additional staff members depending on the nature of the concern to address expressed concerns.

APPENDIX C

## SCHOOL PARENT COMPACT

San Diego Unified School District
Financial Planning and Development
Financial Planning, Monitoring and Accountability Department
Bird rock Elementary school

## Home/School Compact

Bird Rock Elementary (BRE) and families of students enrolled at BRE agree that this compact outlines how the parents, the entire school staff, and the students will share responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve California's high standards.

This Home/School Compact is in effect during school year 2022-23.

## REQUIRED HOME/SCHOOL COMPACT PROVISIONS

## SCHOOL RESPONSIBILITIES

The $\boldsymbol{B R E}$ will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating children to meet California's student academic achievement standards as follows:

BRE offers a learning environment rich in rigorous academic standards and high expectations in academics, behavior and citizenship.

The mission of Bird Rock Elementary School is to work with parents and students to foster a learning environment characterized by mutual respect and to enrich learning experiences so that skills and attitudes are developed that will prepare students to be positive, productive, and responsible members of society.

At BRE our focus is to meet the needs of our $21^{\text {st }}$ century learners. We provide opportunities for our students to be critical thinkers, problem solvers and communicators. We believe children learn best when given opportunities to analyze, summarize and synthesize real world problems and scenarios. We believe children deserve a comprehensive education that includes visual and performing arts and purposeful integration of technology. We believe that learning/teaching must be differentiated to meet the diverse needs and learning styles of our students. We meet the needs of GATE students in our classrooms through a GATE cluster model in grades 3-5.

## Bird Rock Elementary

All teachers in grades 3-5 hold additional GATE certification. We also support students receiving special education services through differentiated Tier I instruction in the classroom and through additional Tier II and Tier III push-in/pull-out support from education specialists and aids.
2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.

Parents are welcomed and encouraged to meet with their child's teacher anytime throughout the school year. Two weeks per year are also dedicated to parent-teacher conferences. All parents are asked to a conference to discuss the progress of their student.
3. Provide parents with frequent reports on their child's progress.

Teachers regularly communicate progress to parents through ongoing class progress reports, phone calls, notes and informal and formal meetings. Parent -teacher conferences are also scheduled to align with E1 and E2 grade reporting periods.
4. Provide parents reasonable access to staff.

Staff members are available before school and after school to meet with parents as well as during our conference weeks. Teachers are also easily reached through district email.
5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:

Parents are welcome partners in their students' education. Upon completion and screening of a volunteer packet and attendance in a mandatory meeting, parents are invited to volunteer in a host of opportunities. These include volunteering in the classroom and supervising out of classroom activities.

## PARENT RESPONSIBILITIES

We, as parents, will support our child's learning by:

- Monitoring attendance.
- Making sure that homework is completed.
- Monitoring the amount of television my child watches.
- Volunteering in my child's classroom.
- Participating, as appropriate, in decisions relating to my child's education.

## Bird Rock Elementary

- Promoting positive use of my child's extracurricular time.
- Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.
- Serving, to the extent possible, on advisory groups, such as the School Site Council (SSC), the District Advisory Council for Compensatory Education (DAC), the Site Governance Team (SGT), the English Learner Advisory Committee (ELAC), or other school advisory groups.

## APPENDIX D

## DATA REPORTS

Data Reports: Attached Data comes
from https://itd.sandiegounified.org/it resources/research and evaluation/my school :ELA/Math Multi-year Demographic Summary. Additional data for schools can be found in:

- Illuminate
- California Dashboard
* Enrollment, participation date, ethnicity demographics, and language demographics will impact the results of data. Data is organized and reported differently amongst the data sources above.

## 2021-22 SPSA ASSESSMENT AND EvaluAtion

## Bird Rock Elementary SPSA Evaluation of LCFF Funded Actions/Activities

## School Name: Bird Rock Elementary SPSA Evaluation of LCFF Funded Actions/Activities: 09800 SChOOL YEAR: 2021-22

## Goal 1 - Safe, Collaborative and Inclusive Culture

## Strategy/Activity 1

## *Strategy/Activity - Description

At BRE we have a monthly character strength that we learn about and practice. We learn and practice during weekly assemblies and teachers continue the learning in their classrooms. Our character strengths have been determined and agreed upon as a school-wide agreement.

At BRE and in the LJ Cluster, we are dedicated to our student's social and emotional health and committed to fostering an environment that is safe, collaborative, and inclusive for each and every student. This year we are also spending time learning, identifying, and practicing the "BIG 5 ". These are 5 traits that LJ counselors and principals determined would be the most beneficial as we support students in becoming well-rounded, productive, kind, and collaborative citizens of our world.

We have also had some introduction to "Restorative Justice Practices" and classroom and school community circles. Our student behavior policy has been updated to the RJP philosophy where personal connections and honoring the attributes and needs of the whole child are central to building a strong school and classroom culture.

Additionally, we have an increased counselor allocation. Our district-provided counselor allocation has increased to two days per week. He will teach at least one lesson per teacher/grade level for each of the BIG 5 traits. Our counselor will also continue to work collaboratively with students, parents, principals, office staff, nurse, health technician, classroom teachers, and support staff to implement strategies that will decrease chronic absenteeism and suspension rates.

We know that our students, who had needed it before the pandemic, have a greater need for social-emotional learning and support. Many of our kids based on parental anecdotal data and teacher observation - are experiencing increased anxiety and depression. This is likely the result of distance learning. We want to support our parents in supporting their children. Our BRF has secured presenters from the RJP department to teach our parents about restorative justice practices.

## Bird Rock Elementary SPSA Evaluation of LCFF Funded Actions/Activities

## Goal 2 - English Language Arts

## Strategy/Activity 1

## *Strategy/Activity - Description

Our strategies/activities are a refinement of what we began last year and are getting better at this year:
PLC's
Common grade level formative assessments in 6 - week cycles
Guaranteed Viable Curriculum
Alignment of grade-level expectations
one-on-one monitoring meetings with the principal to inform strengths and needs of all students
Monthly PDs focused on: data collection and analysis; using analysis to inform instruction; meeting the needs of students who are EL ain the mainsteam classroom and meeting the needs of students receiving SpEd services in the mainstream classroom
A school-wide commitment to implement a "no opt-out" culture within classrooms to ensure that all students are engaged, on task and accountable Our classified aides for SpEd services now participate in our monthly PDs as experts and as learners

## *Proposed Expenditures for this Strategy/Activity

## Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal. Guiding Questions:
Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

| Proposed Expenditures | FTE | Estimated Cost | Funding Source | Rationale | What is working (effective) and why? Include qualitative (Survey, observations, notes and minutes) and quantitative data (curriculum assessments, pre/post test, progress monitoring results, etc.). | $\qquad$ <br> What is not working (ineffective indicators) and why? Include qualitative (Survey, observations, notes and minutes) and quantitative data (curriculum assessments, pre/post test, progress | Modifications based on qualitative and quantitative data. |
