### SCHOOL PLAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY

### PURPOSE AND DESCRIPTION

This School Plan for Student Achievement fulfills the requirements of a Title 1 School wide Program. The staff at Cabrillo Elementary are dedicated to meeting the academic and social-emotional well-being of each and every student. School programs are strategically designed to engage and support all students in their learning.

### PURPOSE AND DESCRIPTION (ESSA REQUIREMENTS)

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

- 1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms & District with Equity at the Core and Support for the Whole Child
- 2. Access to Broad and Challenging Curriculum
- 3. Accelerating Student Learning With High Expectations for All
- 4. Quality Leadership, Teaching and Learning
- 5. Parent and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities

### **ENGAGING EDUCATIONAL PARTNERS**

At Cabrillo Elementary, our school community engaged in a collaborative process in the development of the SPSA. All community members were involved in the 2022-2023 budget development process via multiple meeting opportunities to analyze data and review pertinent information in order to dialogue, solicit input, and adjust based on the needs of our students. The principal met with staff in professional learning communities (PLCs), with our School Site Council monthly, and with our ELAC during the school year. In January and February of 2022 a focus on school site needs based on data and budget development was the focus of the meetings with various community member groups. The SSC approved this budget in February. In September and October of 2021, principal met with staff, our SSC, and ELAC to review our data in order to determine our needs and create goals for our students' success as outlined in our 2022-2023 SPSA. The School Plan for Student Achievement was approved by the School Site Council on October 5, 2022.

### **RESOURCE INEQUITIES**

Cabrillo's root cause analysis involved analyzing data from results of the 2021-2022 CAASPP, 2021-2022 3rd grade Fast aReading, California Parent Survey, and various site data.

**ELA**: The 2021-2022 third grade student group met or exceeded grade level standards at 45% on CAASPP and 61.9% for low to no risk on the Fast aReading. The 2021-2022 fourth grade student group met or exceeded grade level standards at 23.1% on CAASPP and were at 28.6% for low to no risk on Fast aReading. Our K-2nd met or exceeded standards on F&P (to measure ELA) at 66.6%.

**Math**: The 2021-2022 third grade student group met or exceeded grade level standards at 50.1 %. The 2021-2022 fourth grade student group met or exceeded grade level standards at 15.4%. (CAASPP)

EL: During the 2021-2022 school year, none of our English Learners were reclassified.

**Graduation/Promotion Rate:** The 2021-2022 third grade student group achieved at 62% when combining Advanced and at Low Risk on the Fast aReading.

**Parent Involvement**: During the beginning of the school year, parent involvement was significantly decreased as families were not allowed on campus and they were not attending opportunities via zoom. We did see an increase at the end of the year as COVID restrictions eased up with 72% of our parents attending Open House night for the 2021-2022 school year.

The most current data collected was during the COVID-19 pandemic of 2021-2022 in which attendance and engagement was sporadic due to COVID-19 health guidelines for school attendance and a closed campus to volunteers and visitors.

### **DEMI (District Essential Mathematics Indicators) for 3rd and 4th graders**

Evidence of Strength indicates that a student showed proficiency across most of all of the skills required to solve the items they were assessed on. Evidence of Proficiency indicates that a student showed proficiency across many of the skills required to solve the items they were assessed on. Incomplete Evidence means that we did not get a lot of evidence that they were proficient or strong in the topic and we'd like to look elsewhere or on a more personal level to better understand their strengths.

### 3rd grade students:

Strong: Knowledge 18.2%, Application 13.6%, Communication 4.5%

Proficient: Knowledge 59.1%, Application 54.5%, Communication 27.3%

Incomplete Evidence: Knowledge 22.7%, Application 31.8%, Communication 68.2%

### 4th grade students:

Strong: Knowledge 0%, Application 7.1%, Communication 0%

Proficient: Knowledge 28.6%, Application 42.9%, Communication 28.6%

Incomplete Evidence: Knowledge 71.4%, Application 50%, Communication 71.4%

### **Attendance Data**

Due to COVID-19 health guidelines for school attendance, we saw a decrease compared with prior years. There is no attendance data for 2019-2020 and 2020-2021 school year due to the COVID-19 pandemic.

- 2021-2022: Overall attendance at 91.2%
- 2018-2019: Overall attendance at 96.54%
- 2017-2018: Overall attendance at 96.39%
- 2016-2017: Overall attendance at 95071%

After a review of data, resource inequities existed which were a barrier to our students full success and are as follows:

- Inconsistency with students attending school due to COVID-19 health guidelines for attendance
- Due to lack of staffing (COVID-19)- inconsistency with structured, targeted professional learning communities focused on student data via multiple measures
- Due to lack of staffing and pause on staff meetings (COVID-19) Lack of systems and structures to analyze student data to discuss and implement targeted interventions

| - Lack of a viable curriculum for phonemic awareness and phonics instruction and essential elements of writing |
|--|
| - Lack of training in supplemental supports and programs targeting reading and math                            |
| - Lack of our English Language Assistance due to lack of staffing  |
| - Inconsistency in RTI/MTSS due to lack of counseling support for part of the school year                      |

### GOALS, STRATEGIES, EXPENDITURES, & ANNUAL REVIEW

### LCAP 1: Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District

### Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

Black Youth: Developing antiracist and restorative school communities.

### **District LCAP Goals**

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child

### Annual Review of This Goal: SPSA Reviewed 2021-22

### \*Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

We had a decrease in student attendance by 4.88% from 2021-2022 with a total of 91.2% and were 7th out of the 9 area cluster schools in attendance. To support students with attendance, school-wide positive support strategies and outreach were utilized by all staff.

### \*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

We hoped attendance would improve in the 2020-2021 school year as we thought the COVID-19 pandemic was behind us. We saw a decline in our attendance due to the COVID-19 pandemic and an uptick in COVID cases along with health protocols for attending school when sick or exposed to COVID-19. These factors contributed a lower than expected attendance rate.

### \*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

We will implement and support positive behavior strategies, school-wide expectations, restorative and anti-racist practices, a school-wide morning meeting, and build classroom communities through daily meetings focused on SEL. We will meet students were they are academically and socially-emotionally in order to support their growth and development. These will increase school connectedness and support students wanting to be in school. We also are working in collaboration with our Family Services Assistant who is providing another layer of outreach to promote a positive attendance trend.

### \*Identified Need

We need to focus on attendance in order for all students have access to learning. Cabrillo saw a decline in attendance down 4.88% from the 2020-2021 school year. Out of the nine Point Loma cluster schools, Cabrillo ranked 7th in 2021-2022.

### **Supporting Black Youth - Additional Goals**

- ✓ 1. Cabrillo's Site Equity Team and/or pre-identified school committee will meet regularly to actualize the Black Youth Call to Action, SPSA equity goals and monitor student access to programs, learning, attendance and discipline data. The Site Equity Team will also monitor the staff diversity goal.
- ✓ 2. The staff diversity goal at Cabrillo is to maintain or increase the percentage of diverse educators and staff from the current year to the following

year, including analysis of classified vs. certificated staff. Cabrillo's site selection/hiring panel is strongly encouraged to complete anti-bias training before conducting any interviews. (LCAP 4)

- ✓ 3. In the 2022-23 school year, Cabrillo will develop and implement a system to monitor and analyze behavioral referrals, referrals to receive Special Education services and to determine if student groups are being disproportionately referred and the appropriate supports.
- ✓ 4. Cabrillo will create a process for ensuring all students can participate in restorative justice practices to support them through the suspension or expulsion process, which may include the assigning of a Student Champion.
- ✓ 5.Cabrillo's Site Equity Team and/or pre-identified school committee will lead the review of data and dialogue in support of the development of safe, inclusive and culturally affirming workplaces for employees so that educators of color are retained.
- ✓ 6. Cabrillo will intentionally engage parents, staff and community members identifying as Black/African American through surveys and interviews to learn about their experiences and gain their input/feedback on site goals and actions.
- ✓ 7. Increase access to advanced classes--gate, seminar, advanced placement for black youth.
- ✓ 8. Cabrillo will study/learn culturally responsive instructional practices, [QLIs/QTPs, ethnic studies pedagogy] increasing engagement and achievement of black youth and other marginalized groups.

### Strategy/Activity 1 - Family Services Assistant

\*Students to be served by this Strategy/Activity

All students will benefit from this strategy in the area of attendance, specifically the following subgroups: Students with Disabilities, English Learners, and Black Youth.

### \*Strategy/Activity - Description

Cabrillo's school clerk will work in real time with our Family Services Assistant to monitor student attendance. Students who are showing chronic tardies and/or absences are contacted by our school clerk and then our FSA. Our FSA offers the families supports and relays back to the school support we can also provide. The school attendance team will then meet on students who may still be struggling with chronic tardies and/or absences to offer another layer of support before utilizing the SARB process.

### Strategy/Activity 2 - PD for school connectedness

\*Students to be served by this Strategy/Activity

All students will benefit from this strategy in the area of school connectedness to support positive attendance, specifically the following subgroups: Students with Disabilities, English Learners, and Black Youth.

### \*Strategy/Activity - Description

Professional development in the area of social-emotional well-being, connectedness, anti-racist practices, and restorative practices will support school connectedness to increase school attendance.

\*Proposed Expenditures for this Strategy/Activity

| ID      | Proposed         | FTE | Estimated   | Total Estimated | Funding            | Funding      | LCFF          | Reference | Rationale                               |

### **Strategy/Activity 3 - Counseling Services**

### \*Students to be served by this Strategy/Activity

All students will benefit from this strategy in the area of school counseling to support positive attendance, specifically the following subgroups: Students with Disabilities, English Learners, and Black Youth.

### \*Strategy/Activity - Description

The school counselor will meet with students who are chronically tardy and/or chronically absent to address needs and offer supports to the student and the family.

## LCAP 2 and 3: Access to Broad and Challenging Curriculum Accelerating Student Learning with High Expectations for All

### Call to Action Belief Statements

ELA: We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

Math: All students engage in rigorous and relevant mathematics to solve problems associated with personal, civic and professional contexts and are able to effectively explain and communicate their reasoning to a variety of audiences.

English Learners: We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

Students with Disabilities: Ownership: Principals, teachers, and support staff take ownership of all their students, including students with disabilities. Access: Students with disabilities are general education students first and should have access to a meaningful course of study. Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

Graduation/Promotion Rate: All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

### **District LCAP Goals**

- 1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District with Equity at the Core and Support for the Whole Child
- 2. Access to Broad and Challenging Curriculum
- 3. Accelerating Student Learning With High Expectations for All
- 4. Quality Leadership, Teaching and Learning

### **Annual Review of This Goal: SPSA Reviewed 2021-22**

### \*Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

Cabrillo's ELA instruction was implemented by credentialed teachers. As a literacy focus school our UTK -2nd grade teachers participated in professional development, however our 3rd and 4th grade teachers did not participate in the same professional development. Due to a lack of substitute teachers, professional learning communities were limited and did not yield the time needed to collaboratively work on school goals and needs. Benchmark, our guaranteed viable curriculum, lacks in crucial early learning skills such as phonemic awareness and had limitations in phonics lessons. After school tutoring was limited and only available to a few students as it was funded by the afterschool program Primetime for student's in their program only. Cabrillo supplemented ELA instruction with Learning A-Z and classroom magazine subscriptions. The district has invested in reading at grade level using Benchmark as a resource for balanced literacy and Okapi leveled readers.

Cabrillo's math instruction was implemented by credentialed teachers. All students utilized the ST Math program to support critical thinking and problem solving as well as district provided curriculum to guarantee a viable curriculum. Due to a lack of substitute teachers, professional learning communities were limited and did not yield the time needed to collaboratively work on school goals and needs. There was no after school tutoring in the area of mathematics.

### \*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

There were differences between the intended implementation and results for the 2021-2022 school year in the area of ELA:

- best literacy practices with phonemic awareness and phonics were limited and inconsistent across grade levels
- there was inconsistent professional development across all grade levels
- inconsistent/no professional learning communities took place to collaborate and review data
- challenges of attendance and thus instructional learning due to COVID-19 health protocols

There were differences between the intended implementation and results for the 2021-2022 school year in the area of mathematics:

- there was inconsistent professional development across all grade levels
- inconsistent/no professional learning communities took place to collaborate and review data
- challenges of attendance and thus instructional learning due to COVID-19 health protocols
- there was inconsistency in the use of number talks for students to communicate their understanding and thinking

### \*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

As a site we will implement the following changes in the 2022-2023 school year in order to meet students' academic needs in ELA:

- Monthly professional development focused on and aligned to ELA standards and Balanced Literacy including all grade levels
- Professional Learning Communities (PLCs) focused on analyzing student work to inform instruction and differentiation in Literacy will meet approximately every 5 weeks
- On-going and timely monitoring of student work by credentialed teachers using multiple measures which are aligned to ELA standards to inform instruction
- Data monitoring meetings specific to ELA
- Daily guided reading strategic to students specific needs
- Benchmark curriculum a guaranteed viable curriculum
- Okapi leveled readers approved supplemental supports
- Implementation of Heggerty phonemic awareness UTK-3rd

As a site we will implement the following changes in the 2022-2023 school year in order to meet students' academic needs in mathematics:

- Monthly professional development focused on and aligned to mathematics standards across all grade levels
- Professional Learning Communities (PLCs) focused on analyzing student work to inform instruction and differentiation in mathematics will meet approximately every 5 weeks
- On-going and timely monitoring of student work by credentialed teachers using multiple measures which are aligned to mathematics standards to inform instruction
- Daily number talks- more student talk
- Data monitoring meetings specific to mathematics

### \*Identified Need - English Language Arts

### 2021-2022 CAASPP ELA:

- 45.0% of third grade students met or exceeded standards in ELA
- 23.1% of fourth grade students met or exceeded standards in ELA
- 9.1% of 3rd and 4th grade English language learners met or exceeded standards

### Fountas & Pinnell:

- 61% of our Universal Transitional Kindergarten students were at or above standards in ELA
- 75.6% of our Kindergarten students were at or above standards in ELA

- 62.5% of our First grade students were at or above standards in ELA
- 61.1% of our Second grade students were at or above standards in ELA

### Fast aReading:

- 61.9% of our third grade students were advanced or low risk in ELA standards
- 28.6% of our fourth grade students were advanced or low risk in ELA standards

Based on the data, we need to focus on improving student achievement and closing the opportunity gap in ELA for all students, English Learners, Students with Disabilities and our Black Youth. We need to ensure each and every one of our students are meeting or exceeding standards as measured by formative and summative data.

|           |     | American         | or exceeding      | subgroup      |     |               |          |
|           |     |                  | standards.        |               |     |               |          |

### \*Identified Need - Math

### ?2021-2022 CAASPP Math:

- 50% of third grade students met or exceeded standards in mathematics
- 15.4% of fourth grade students met or exceeded standards in mathematics
- 9.1% of 3rd and 4th grade English language learners met or exceeded standards

### **DEMI:**

- 58.3% of third and fourth graders were proficient and strong in knowledge of math standards
- 61.1% of third and fourth graders were proficient and strong in application of math standards
- 30.6% of third and fourth graders were proficient and strong in communication of math standards

Based on the data, we need to focus on improving student achievement and closing the opportunity gap in mathematics for all students, English Learners, Students with Disabilities and our Black Youth. We need to ensure each and every one of our students are meeting or exceeding standards as measured by formative and summative data.

### \*Goal 3 - Mathematics

| By Date   | Grade | Objective             | <b>Baseline Percentage</b> | <b>Target Percentage</b> | Measure of Success | Frequency |
|-----------|-------|-----------------------|----------------------------|--------------------------|--------------------|-----------|

### \*Identified Need - English Learners

### **CAASPP ELA:**

- 9/1% of third and fourth grade English language learners met or exceeded grade level standards **Fast aReading:** 

- 9.1% of third and fourth grade English language learners were advanced and low risk in reading

### Fountas and Pinnell:

- 53.3% of UTK - second grade English language learners were at or above reading standards

### **CAASP Math:**

- 9.1% of third and fourth grade English language learners met or exceeded grade level standards

### ?DEMI:

- 33.3% of third and fourth grade English language learners were proficient and strong in mathematical communication

### **Reclassification:**

- None for our English language learners were reclassified

This data tells us our EL students need consistent and intentional targeted support and designated ELD instruction in order to increase their academic achievement and language development.

\*Goal 4 - English Learners

| By Date   | Grade | Student Group   | Objective       | Baseline<br>Percentage | Target<br>Percentage | Measure of Success        | Frequency |
|-----------|-------|-----------------|-----------------|------------------------|----------------------|---------------------------|-----------|
| June 2023 | UTK-4 | English Learner | be reclassified | 0%                     | 100%                 | Reclassification<br>Rates | Annually  |

### \*Identified Need - Graduation/Promotion Rate

### Attendance:

- 91.2% overall attendance in 2021-2022
- A drop of 4.88% in attendance

All students can graduate and promote when they have consistent attendance to have access to their learning. Classroom learning cannot be replicated and therefore it is necessary for students to be at school each and every day on time.

### Strategy/Activity 1 - Professional Learning Communities, planning and collaboration

### \*Students to be served by this Strategy/Activity

During professional learning communities, teachers will plan, analyze data, and collaborate in order to raise achievement for all students. Teachers will also ensure our English learners, students with disabilities and black youth access materials that are relevant to them and supports their learning needs. We will identify students, monitor, and implement effective strategies to support and promote their academic growth in English Language Arts and Mathematics.

### \*Strategy/Activity - Description

- Monthly Professional Development will focus on ELA researched best practices in balanced literacy and monitoring of focus students
- Bi-Monthly PLCs will focus on ELA researched best practices in balanced literacy and monitoring of focus students

### Strategy/Activity 2 - Supplemental Online ELA program and materials

### \*Students to be served by this Strategy/Activity

All students in UTK-2nd grade will benefit from this strategy. We will ensure our English learners, students with disabilities and black youth access materials that are relevant to them and supports their learning needs.

### \*Strategy/Activity - Description

Online reading program, Learning A-Z, will be purchased for all students to use as a supplemental support to increase academic achievement in reading fluency, comprehension, and decoding.

### Strategy/Activity 3 - Library Assistant

### \*Students to be served by this Strategy/Activity

All students to be served by this strategy. We will ensure our English learners, students with disabilities and black youth access materials that are relevant to them and supports their learning needs.

### \*Strategy/Activity - Description

Purchase Library Assistant time to support ELA through access to literacy and literacy supports. The library assistant will incorporate books on religious holidays and cultural celebrations.

We will restructure the use of the library assistant's time to support ELA more effectively by utilizing a donated computer lab to engage in literacy lessons.

### Strategy/Activity 7 - Co-Teach/Inclusion

### \*Students to be served by this Strategy/Activity

All students with disabilities and English learners will be served by this strategy.

### \*Strategy/Activity - Description

Education Specialist will co-teach and push-in versus pull-out as a main means of supporting students with disabilities and meeting IEP goals. Related service providers will also find opportunities to push-in and pull-out during non-core instructional time. Our English language assistant will strategically push-in to classrooms as a co-teacher to support learning during non-designated ELD time.

### **Strategy/Activity 8 - Professional Development**

### \*Students to be served by this Strategy/Activity

Student with Disabilities will benefit from this strategy, By proxy, English language learners, and black youth will be supported with this strategy as educators implement best teaching practices.

### \*Strategy/Activity - Description

Education specialists, general education teachers, and para educators will participate in collaborative professional development to promote understanding, best practices and inclusion for all students with disabilities.

### **Strategy/Activity 9 - Social Justice Practices**

\*Students to be served by this Strategy/Activity

African-American/Black Youth will benefit along with all other students.

### \*Strategy/Activity - Description

All staff will participate in cultural awareness professional development to include restorative practices and trauma informed practices.

### Strategy/Activity 10 - English Language Assistant

\*Students to be served by this Strategy/Activity

All English learners will benefit from this strategy.

### \*Strategy/Activity - Description

English Language Assistant will complete state compliance needs of our multilingual learners. As well, EL assistant will push into classrooms as a support for multilingual learners to increase their learning.

### LCAP 5: Family and Community Engagement with Highly Regarded Neighborhood Schools

### **Call to Action Belief Statement**

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

### **District LCAP Goals**

5. Family and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities

### Annual Review of This Goal: SPSA Reviewed 2021-22

### \*Analysis

Describe the overall implementation of the 2020-21 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2020-21 articulated goal(s).

According to the 2018 California School Parent Survey (CSPS), 76.2% of the 61 respondents are involved in school events/activities. Parent Involvement - Yes: Attended a school event - 88%, Served as a volunteer in this child's classroom or elsewhere in the school - 55%, Attended a general school meeting - 88%, Attended a meeting of the parent-teacher organization or association - 53%, Gone to a regularly scheduled parent-teacher conference with the child's teacher - 97%.

Cabrillo Elementary's Back-to-school Night in September of 2018 was attended by 25.7% of total families, Open House was attended by 54.2% of total families, while other volunteer opportunities were attended by 36% of total families.

In October of 2019 we held a parent run and collaborative Trunk or Treat event which was attended by over 90% of our families. COVID 19 limited our next two planned events.

### \*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

There were no major differences between the intended implementation and budgeted expenditures.

### \*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

We will increase family engagement at Cabrillo through these changes:

- Weekly Smore Newsletter
- Parent-driven and school collaborative community activities for free or very minimal cost
- Updating website to be current and inviting
- Updating social media
- Branding our school Exceptional Explorers, STEAM,
- Periodic Family Curriculum events
- Periodic meetings with Principal around mutually agreed upon topics

### \*Identified Need

Increase parent participation and community involvement

### \*Goal 6- Family Engagement

CAL CCILIC (CCDC)

### Strategy/Activity 1 - Increasing Participation

\*Families to be served by this Strategy/Activity

All families will benefit from this strategy

### \*Strategy/Activity - Description

Studies show an increase in attendance, academics and social-emotional well-being when there is a high home to school connection. Principal and a parent group will plan activities to engage families, giving multiple opportunities for increased involvement. Principal will hold weekly online office hours and monthly meetings.

Other: Families at our school.

# APPENDIX B PARENT & FAMILY ENGAGEMENT POLICY

# San Diego Unified School District Finance Division Strategic Planning for Student Achievement Department

### **Cabrillo Elementary**

### TITLE I PARENT & FAMILY ENGAGEMENT POLICY 2022-2023

2.0 With approval from the local governing board, Cabrillo Elementary has jointly developed with, and distributed to, parents and family members of participating children a written parent and family engagement policy, agreed upon by such parents, and updated periodically to meet the changing needs of parents and the school. (EC Section 11503; 20 United States Code [U.S.C.] Section [§] 6318[b][1-4]) and is distributed annually in the parent handbook and weekly bulletin in English and Spanish, posted on the jparent communication board, and reviewed and revised annually at the first School Site Council (SSC) meeting.

### 2.1 Involvement of Parents in the Title I Program

The school-level parent and family engagement policy shall describe the means for how Cabrillo Elementary school shall carry out the following requirements: (20 U.S.C. § 6318[b][1])

- a) The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 U.S.C. § 6318[c][1]) To involve families in the Title 1, part A programs, the following opportunities for collaboration have been established: monthly SSC meetings, Annual Title 1 meeting, monthly site governance meetings (SGT), English Language Advisory Committee (ELAC), family meetings, and monthly school-wide assemblies.
- b) The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement. (20 U.S.C. § 6318[c][2]) The importance of communication between teachers and families on an ongoing basis is achieved through:
  - A) parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed at the compact relates to the individual child's achievement:
  - (B) frequent reports to parents on their children's progress;

- (C)reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities; and
- (D)ensuring regular two-way, meaningful communication between family members and school staff, and to the extent practicable, in a language that the family members can understand.
- c) The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 U.S.C. § 6318[c][3]) The following opportunities for collaboration have been established: monthly SSC meetings, annual Title 1 meeting, monthly SGT meetings, ELAC meetings, family meetings, and monthly assemblies.
- d) The school provides parents of participating children with the following:
  - i. Timely information about the Title I program. (20 U.S.C. § 6318[c][4][A])
    We review data throughout the school year at SSC meetings to ensure Title 1 funds are resulting in increased student achievement for students.
  - ii. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging state academic standards. (20 U.S.C. § 6318[c][4][B])
    - Cabrillo elementary implements a Guaranteed Viable Curriculum by using the state adopted math and ELA curriculum, alongwith Benchmark for English Language Development instruction.
  - iii. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 U.S.C. § 6318[c][4][C])
    - We hold various parent education events both on site and through the Point Loma Cluster. We will be offering monthly family meetings, monthly SSC meetings and SGT meetings.
- e) If the schoolwide program (SWP) plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency (LEA). (20 U.S.C. § 6318[c][5]) We will do this by sharing parent comments in the appropriate manner required as per district procedures.

### 2.2 BUILDING CAPACITY FOR INVOLVEMENT

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted under Title I, Part A shall carry out the following requirements: (20 U.S.C. § 6318[e])

a) The school provides assistance to parents of children served by the school or LEA, as appropriate, in understanding such topics as the challenging state academic standards, state and local academic assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 U.S.C. § 6318[e][1])

We will do this by holding parent-teacher conferences focused on the above topics, including individual student achievement progress.

b) The school provides materials and training to help parents work with their children to improve their children's achievement, as appropriate, to foster parental involvement. (20 U.S.C. § 6318[e][2])

We will do this by accessing district resources as well as resources from our Military Family Life Counselor to offer parent education opportunities. We also will coordinate with teh Point Ioma Cluster Schools Foundation to offer cluster wide parent educational opportunities.

c) The school educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. (20 U.S.C. § 6318[e][3])

We will do this by including the ways to leverage parent partnerships to increase student achievement in professional developments, bulletins, and staff meetings.

d) The school, to the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. (20 U.S.C. § 6318[e][4])

We will coordinate with the Point Loma Cluster Schools Foundation to offer cluster wide parent educational opportunities. We will do this by accessing district resources as well as resources from our Military Family Life Counselor to offer parent education opportunities.

e) The school ensures that information related to school and parent programs, meetings, and other activities is sent to parents of participating children in a format and, to the extent practicable, in a language the parents can understand. (20 U.S.C. § 6318[e][5])

We accomplish this by publishing a multilingual Weekly Principal's Update to all families using the S'more platform.

f) The school provides such other reasonable support for parental involvement activities under this section as parents may request. (20 U.S.C. § 6318[e][14])

We have a bilingual clerk (Spanish) and a Military Family Life Counselor to assist families if they need help.

### 2.3 ACCESSIBILITY

In carrying out the parent and family engagement requirements of Title I, Part A, Cabrillo Elementary to the extent practicable, shall provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 of the ESEA (20 U.S.C. § 6311), as amended by ESSA, in a format and, to the extent practicable, in a language such parents understand. (20 U.S.C. § 6318[f])

We will provide information in English and Spanish as those are the dominant languages at our school.

### Cabrillo Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

# APPENDIX C **SCHOOL PARENT COMPACT**

## San Diego Unified School District Finance Division trategie Planning for Student Achievement Deno

### Strategic Planning for Student Achievement Department

# Title I School-Parent Compact 2022-2023 Cabrillo Elementary School

### 2.4 School-Parent Compact

As a component of the school-level parent and family engagement policy, each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the following requirements: (20 U.S.C. § 6318[d])

a) Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I, Part A to meet the challenging state academic standards, as well as the ways in which each parent will be responsible for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])

At Cabrillo Elementary, we empower our students to own and grow in their learning. We support them by meeting them where they are in their learning and tailoring a school experience that will motivate and excite them to learn now and in their future with lessons that are engaging and promote student achievement. We do this by:

- Creating engaging and meaningful lessons
- Motivate students to learn
- Have high expectations and help every child to develop a love of learning
- Communicate regularly with families about student progress
- Provide a warm, safe and caring learning environment
- Provide meaningful homework assignments to reinforce and extend learning
- Participate in professional development opportunities that improve teaching and learning and support the formation of partnerships with families and the community
- Actively participate in collaborative decision making

- Consistently work with families and school colleagues to make our school a welcoming place for families which help each student achieve the school's high academic standards
- Respect the school, students, staff, and families
- b) Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum, the following: (20 U.S.C. § 6318[d][2])
  - 1. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual child's achievement. (20 U.S.C. § 6318[d][2][A])

Our teachers send home progress reports on a weekly/ monthly basis, if necessary. Please discuss your individual expectations with your child's teacher.

2. Frequent reports to parents on their children's progress. (20 U.S.C. § 6318[d][2][B])

Our teachers are available to parents by class dojo, email, or phone to discuss student progress whenever the need arises. You may contact your child's teacher at any time during the school year to set up a conference. In addition for the 2022-23 school year, we have scheduled Parent-Teacher Conferences for November 2022 and March 2023.

3. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities. (20 U.S.C. § 6318[d][2][C])

We encourage and welcome volunteering both in and out of classrooms. Our teachers have an "open door" policy when it comes to parent involvement. If you want to volunteer in your child's classroom, please arrange the times with your child's teacher. In addition, please come to the office and fill out a volunteer application. Please ensure that you sign in at the office when you come to volunteer. This serves two purposes, we need to know who is on campus at all times for security reasons and we keep a count of volunteer hours for our end-of-the-year volunteer appreciation awards.

4. Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. (20 U.S.C. § 6318[d][2][D])

Our teachers are available to parents by class dojo, email, or phone to discuss student progress whenever the need arises.

<sup>\*</sup> In Provision 2 schools, only students who meet free or reduced-price meal eligibility criteria are counted as economically disadvantaged.

<sup>†</sup> All students redesignated during the school year from English learner to reclassified fluent English proficient are counted here as fluent English speaking.

# 2016-2022 California Smarter Balanced Summative Test Results Percentage of Students Meeting or Exceeding Standard by Grade Level Cabrillo Grade 3

### **Goal 2 - English Language Arts**

### Professional Learning Communities, planning and collaboration

### \*Strategy/Activity - Description

- Monthly Professional Development will focus on ELA researched best practices in balanced literacy and monitoring of focus students
- Bi-Monthly PLCs will focus on ELA researched best practices in balanced literacy and monitoring of focus students

### \*Proposed Expenditures for this Strategy/Activity

### **Directions:**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Guiding Questions:

| Proposed     | FTE | <b>Estimated Cost</b> | <b>Funding Source</b> | Rationale | What is working | What is not     | Modifications      |
|--------------|-----|-----------------------|-----------------------|-----------|-----------------|-----------------|--------------------|
| Expenditures |     |                       |                       |           | (effective) and | working         | based on           |
|              |     |                       |                       |           | why? Include    | (ineffective    | qualitative and    |
|              |     |                       |                       |           | qualitative     | indicators) and | quantitative data. |

### **Library Assistant**

### \*Strategy/Activity - Description

Purchase Library Assistant time to support ELA through access to reading books.

We will restructure the use of the library assistant's time to support ELA more effectively by utilizing a donated computer lab to engage in literacy lessons.

### \*Proposed Expenditures for this Strategy/Activity

### Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

### **Tutoring**

### \*Strategy/Activity - Description

Classroom teachers will tutor small groups of students (4-5) to double dose reading needs.

### \*Proposed Expenditures for this Strategy/Activity

### Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Guiding Questions:

| Proposed<br>Expenditures  | FTE | Estimated Cost | Funding Source | Rationale                                       | What is working (effective) and why? Include qualitative (Survey, observations, notes and minutes) and quantitative data (curriculum assessments, pre/post test, progress monitoring results, etc.). | working (ineffective indicators) and why? Include qualitative (Survey, observations, | Modifications based on qualitative and quantitative data.  |
|---------------------------|-----|----------------|----------------|---|--|--|--|
| Classroom<br>Teacher Hrly |     | \$4,432.97     | 30100-1157     | support students in<br>literacy<br>skills/needs | This expenditure supported our students with a double dose of literacy skills to support their learning.   | This expenditure did work.   | As we enter the 22-23 school year we are realigning our proposed expenditure in another area to meet the needs of our students as seen in our school data. |

### **Goal 3 - Mathematics**

### **Professional Learning Communities**

### \*Strategy/Activity - Description

- Monthly Professional Development will focus on mathematics researched best practices and monitoring of focus students
- PLCs monthly for 1/2 a day, will be attended by principal and grade level split teams (lower and upper elementary): highlight best practices, share teaching strategies, analyze student work, set and monitor growth goals, adjust instruction
- Professional development opportunities for teachers and para educators to strengthen their mathematical practices and increase student achievement

### \*Proposed Expenditures for this Strategy/Activity

### Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

### **Academic Supports**

### \*Strategy/Activity - Description

Buying of supplemental supplies, to support math instruction in the classroom and help close the achievement gap.

### \*Proposed Expenditures for this Strategy/Activity

### Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Guiding Questions:

| Proposed     | FTE | <b>Estimated Cost</b> | <b>Funding Source</b> | Rationale | What is working | What is not | Modifications |
|--------------|-----|-----------------------|-----------------------|-----------|-----------------|-------------|---------------|
| Expenditures |     |                       |                       |           | (effective) and | working     | based on      |

|          |      |            |  | why? Include qualitative (Survey, observations, notes and minutes) and quantitative data (curriculum assessments, pre/post test, progress monitoring results, etc.). | why? Include<br>qualitative<br>(Survey,<br>observations, | qualitative and quantitative data.                                   |
|----------|------|------------|--|--|--|--|
| Supplies | <br> | 30100-4301 | Supplemental<br>math supplies<br>such as<br>manipulatives,<br>journals, markers,<br>etc. | Funding supplies is an effective funding source as they support access to learning in order to meet goals and grow in academic achievement.                          | Funding supplies is working for our students.            | We will continue to support funding for supplies to access learning. |

### **Supplemental Supplies**

### \*Strategy/Activity - Description

Supplemental classroom supplies to support math instruction and enrichment.

### \*Proposed Expenditures for this Strategy/Activity

### Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Guiding Questions:

| Proposed     | FTE | <b>Estimated Cost</b> | <b>Funding Source</b> | Rationale | What is working | What is not | Modifications |
|--------------|-----|-----------------------|-----------------------|-----------|-----------------|-------------|---------------|
| Expenditures |     |                       | _                     |           | (effective) and | working     | based on      |

|          |      |            |   | why? |----------|------|------------|---|--|--|---|
| Supplies | <br> | 30100-4301 | to support mathematical understanding for students via supplies to support understanding and/or enhance (manipulatives, etc.) | Funding supplies is an effective funding source as they support access to learning in order to meet goals and grow in academic achievement.                          | students.  | We will continue<br>to support funding<br>for supplies to<br>access learning. |

### **Goal 4- Supporting English Learners**

### **Strategy/Activity 1**

### \*Strategy/Activity - Description

Certificated teachers will engage in professional development to support the implementation of the Benchmark designated ELD (dELD) program and will implement daily designated ELD for 30 or 45 minutes. Professional learning opportunities for dELD will be discussed during PLCs(professional learning communities) and monthly professional development. ESL assistant will push-in to classrooms to support integrated ELD for EL students throughout the school day during different content areas with a focus on English language arts and math.

### \*Proposed Expenditures for this Strategy/Activity

**Directions:** 

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

<u>Guiding Questions:</u>

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

| Proposed<br>Expenditures | FTE     | Estimated Cost | Funding Source | Rationale                              | What is working (effective) and why? Include qualitative (Survey, observations, notes and minutes) and quantitative data (curriculum assessments, pre/post test, progress monitoring results, etc.). | working (ineffective indicators) and why? Include qualitative (Survey, observations, | Modifications based on qualitative and quantitative data.   |
|--------------------------|---------|----------------|----------------|--|--|--|---|
| ESL Asst -               | 0.19999 | \$12,609.87    | 30100-2101     | ELPAC assessments and push in support. | Due to staffing<br>shortages during<br>COVID 19, our<br>ESL assistant job<br>remained open<br>until we were able<br>to hire someone in<br>May of 2022.   |  | We will fund our<br>ESL assistant<br>again based on<br>historical data and<br>needs of our<br>students. |

### **Goal 5 - Supporting Students with Disabilities**

### **Professional Learning Communities**

### \*Strategy/Activity - Description

- Monthly Professional Development will focus on SwD researched best practices and monitoring of students and their IEP goals

- PLCs - monthly for 1/2 a day, will be attended by principal, education specialist and grade level split teams (lower and upper elementary): highlight best practices, share teaching strategies, analyze student work, set and monitor growth goals, adjust instruction, review goals and monitor progress

### \*Proposed Expenditures for this Strategy/Activity

### Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

### Goal 6 - Supporting Black Youth

### **Culturally Relevant Teaching Practices**

### \*Strategy/Activity - Description

Teachers and para educators will participate in a book study on Culturally Relevant Teaching Practices.

### \*Proposed Expenditures for this Strategy/Activity

### **Directions:**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

What are my leadership strategies in service of the goals? As Cabrillo's principal, I supported all staff in maintaining a positive school culture for each other, our students and our families during a very challenging year with high COVID19 rates, COVID 19 health protocols, COVID 19 staffing shortages, inconsistent attendance, and mental well-being at a low. I worked with and along all staff to support our students in growing in their learning, building and maintaining positive relationships, and understanding the unique social-emotional well-being. We were dedicated to the whole child during another year of COVID 19 taking care of their emotional wellness first and building upon their learning.

### **Goal 2 - English Language Arts**

### Supplemental Online ELA program and materials

### \*Strategy/Activity - Description

Online reading program, Learning A-Z, will be purchased for all students to use as a supplemental support to increase academic achievement in reading fluency, comprehension, and decoding.

### \*Proposed Expenditures for this Strategy/Activity

### Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

### **Goal 4- Supporting English Learners**

### Strategy/Activity 1

### \*Strategy/Activity - Description

Certificated teachers will engage in professional development to support the implementation of the Benchmark designated ELD (dELD) program and will implement daily designated ELD for 30 or 45 minutes. Professional learning opportunities for dELD will be discussed during PLCs(professional learning communities) and monthly professional development. ESL assistant will push-in to classrooms to support integrated ELD for EL students throughout the school day during different content areas with a focus on English language arts and math.

### \*Proposed Expenditures for this Strategy/Activity

### **Directions:**

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

What are my leadership strategies in service of the goals? What are my leadership strategies in service of the goals? As Cabrillo's principal, I supported all staff in maintaining a positive school culture for each other, our students and our families during a very challenging year with high COVID19 rates, COVID 19 health protocols, COVID 19 staffing shortages, inconsistent attendance, and mental well-being at a low. I worked with and along all staff to support our students in growing in their learning, building and maintaining positive relationships, and understanding the unique social-emotional well-being. We were dedicated to the whole child during another year of COVID 19 taking care of their emotional wellness first and building upon their learning.
