SCHOOL PLAN FOR STUDENT ACHIEVEMENT: EXECUTIVE SUMMARY

PURPOSE AND DESCRIPTION

This School Plan for Student Achievement fulfills the requirements of a Title I schoolwide program.

PURPOSE AND DESCRIPTION (ESSA REQUIREMENTS)

All goals contained in the SPSA are directly linked to the SDUSD's LCAP goals 1-5 as outlined below. All LCAP goals contained in this plan directly support the ESSA requirements to close academic achievement gaps for all students.

LCAP Goal 1: Closing the achievement gap with high expectations for all.

LCAP Goal 2: Access to broad and challenging curriculum.

LCAP Goal 3: Quality leadership, teaching and learning

LCAP Goal 4: Positive school environment, climate, and culture – with equity at the core and support for the whole child.

LCAP Goal 5: Family and community engagement with highly regarded neighborhood schools that serve students, families and communities.

ENGAGING EDUCATIONAL PARTNERS

At Jefferson, our community engaged in a collaborative process in the development of the SPSA. It is essential to involve all members of our learning community to create a culture of achievement. In 2021-22, stakeholders were involved in the 2022-2023 budget development process via multiple meeting opportunities to dialogue and solicited input. These included SGT, SSC, ELAC, PTA, and staff meetings held throughout the year.

- -September 2022 SSC Approved SPSA
- -September 2022 the Annual Title I Parent Meeting was held.
- -September 2022- ELAC provided input on funding that would support English Language Learners.
- -September 2022 SSC developed the School-Parent Compact and Parent Involvement Policy.
- -September 2022 Staff reviewed and gave input to SPSA and goals
- -February 2021- SSC met to discuss the evaluation and assessment survey.
- -February 2021- SSC reviewed and approved the 21-22 budget.
- -February 2021- SGT met to analyze data and provided budget recommendations.
- -February 2021- ELAC provided input on funding that would support English Language Learners.
- -January 2021- Staff met to analyze data and provided budget recommendations.

RESOURCE INEQUITIES

Resource Inequities

Jefferson's root cause analysis involved examining data from CAASPP, the California Dashboard, the California Healthy Kids Survey, the California Parent Survey, site data; and a review of the 2021-22 SPSA. Over 55.6% of Jefferson's student population is considered socioeconomically disadvantaged.

An analysis of the student groups (3rd-5th) CAASPP results indicates an overall decrease in the area of Math and overall growth in ELA.

The school's overall data for the 2019 school year indicate 54.7% of 3rd-5th grade students met or exceeded standards in ELA and 58.2% of 3rd-5th grade students met or exceeded standards in Math. In the 2022 school year, the data indicates 65.9% of 3rd-5th grade students met or exceeded grade-level standards in ELA and 52.4% of 3rd-5th grade students met or exceeded standards in Math. There was a significant gain of 11.2% in the area of ELA and a 5.8% decrease in Math from 2019 to 2022.

Based on the 2021-22 data, we need to continue the focus on improving student achievement and closing the achievement gap specifically with our English Learners and students with disabilities, and our Black Youth in math. The data also indicates that there is a major achievement gap between students who are English Learners and Students with Disabilities. Our Black youth did well last year in ELA, they were close to closing the achievement gap in math, but the math scores compared significantly lower than the ELA achievement. (ELA= 72.7% >45.5%= Math). That shows an achievement gap between ELA and Math for all students and focus subgroups.

2021-22	ELA	Math	Diff. between ELA and Math
Overall	65.9%	52.4%	13.5%
English Learners	32.3 % (-33.6%)	19.4% (-33%)	12.9%
Students with disability	20.7% (-45.2%)	17.2% (-35.2%)	3.5%
Black Youth	72.7% (6.8 %)	45.5 % (-6.9%)	27.2%

Because of the above data, there are inequities within the subgroups of ELA and math. As well, we see inequity between ELA and Math.

To support student progress in both ELA and Math, professional development will focus on:

- studying and gaining an in-depth understanding of common core standards (teachers will participate in bi-weekly PLCs while students have opportunities to engage in physical education, health, and wellness learning);
- strengthening tier-one instruction by integrating lesson studies and lesson design throughout the school year for all classroom teachers and Education

Specialists

- Administering common diagnostic and common formative assessments (for all TK-5th grade students) and monitoring student progress together as a grade-level team every trimester and after six-week RTI cycles of intervention.

As a school, we will continue using the following formative assessments in 2021-2022 to collect School-wide Data:

- -Fountas and Pinnell reading levels for UTK- 2nd grade
- -FAST ELA 2nd- 5th grade
- -School-wide formative Math assessments for UTK-2nd
- -FAST Math 2nd-5th grade

Based on the California Dashboard, there are also inequities in the areas of chronic absenteeism. The school community has done extensive work in putting systems and structures in place to address and decrease chronic absenteeism. The office staff will work collaboratively and closely with the principal, school counselor, guidance assistant, and certificated staff to monitor attendance and social-emotional needs. There will be consistent weekly communication with families to ensure that students are in school. In addition, the goal is to increase parent engagement and strengthen the home-school relationships with families. The counseling center will be open 5 days a week to support students with social and emotional needs. Students will have a venue to practice and apply coping and executive functioning skills. In addition, the counselor will work directly with staff and families to provide professional development and strategies to support students in class and at home.

The school community recognizes the importance of a positive, safe, supportive, and inclusive school environment. As a school, we will continue to implement school-wide positive strategies to cultivate a positive school culture for all stakeholders.

Based on this analysis, we can conclude that we have seen some growth in ELA but a decrease in math. We understand that due to the pandemic, math was more difficult to assess with distance learning and other factors. Therefore, we see the true results when the majority of students are back on campus in the spring data. Math is also an area of focus for the upcoming school year.

GOALS, STRATEGIES, EXPENDITURES, & ANNUAL REVIEW

LCAP 1: Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District

Call to Action Belief Statement

Our work is about widening the sphere of success by engineering equitable learning conditions for all students. We believe classrooms can be places of hope where teachers and students imagine the kind of society we could live in and where educators design meaningful and inclusive education experiences in order for students to be agents of change and make this hope a reality.

Black Youth: Developing antiracist and restorative school communities.

District LCAP Goals

1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District - with Equity at the Core and Support for the Whole Child

Annual Review of This Goal: SPSA Reviewed 2021-22

*Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

Implementation

Guidance Assistant / Counselor

Effectiveness

Our goals for the 2021-2022 school year were to track chronic absenteeism for all students as well as our Students with Disabilities and Black or African American student groups. We also wanted to track student feeling of connectedness to school (as measured by the CAL-SCHLS CHKS), and the suspension rate for our Students with Disabilities.

Unfortunately, we did not have CA Dashboard data for 2021-22 for Chronic Absenteeism and Suspensions. So we could not measure the effectiveness of the strategy. We did have data on Chronic Absenteeism and therefore we saw a need and were able to continue with goals for the 2022-23 school year.

As well, we still felt that student feeling connected was a significant goal to keep, due to the lingering effect of the pandemic.

For 2021-22 Chronic Absenteeism increased from 10% to 33%. Students with disabilities increased from 21% to 49%; ELs increased from 10% to 44% and Black youth went from 19% to 48%. This increase was in line with the late COVID-19 Pandemic surge that affected our school all last year. Therefore we will continue setting goals to lower chronic Absenteeism.

Overall the strategies we have in place are effective, but the Pandemic surge and its effects are still difficult to overcome.

*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

Throughout the school year, the work of the counselor and Guidance Assistant was very consistent and showed progress toward goals. During the end of the school year, our counselor and Guidance assistant's work had to change due to the effects of the COVID-19 pandemic.

*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

Changes were made throughout the school year due to the school outbreaks in students and staff and the COVID-19 pandemic. Goals and strategies could not be fully implemented or measured due to major changes in the schooling environment and the complexities of COVID-19 surges that happened throughout the year and especially at mid-year.

*Identified Need

For 2021-22, we could not review the 2022 California Dashboard and the CHKS data. Instead, we reviewed Hoonuit data and determined that we would focus on Chronic Absenteeism and student feelings of connectedness to school. For 2021-22 Chronic Absenteeism increased from 10% to 33%. Students with disabilities increased from 21% to 49%; ELs increased from 10% to 44% and Black youth went from 19% to 48%. This increase was in line with the late COVID-19 Pandemic surge that affected our school all last year. Therefore we will continue setting goals to lower chronic Absenteeism.

Supporting Black Youth - Additional Goals

- ✓ 1. Jefferson's Site Equity Team and/or pre-identified school committee will meet regularly to actualize the Black Youth Call to Action, SPSA equity goals and monitor student access to programs, learning, attendance and discipline data. The Site Equity Team will also monitor the staff diversity goal.
- ✓ 2. The staff diversity goal at Jefferson is to maintain or increase the percentage of diverse educators and staff from the current year to the following year, including analysis of classified vs. certificated staff. Jefferson's site selection/hiring panel is strongly encouraged to complete anti-bias training before conducting any interviews. (LCAP 4)
- ✓ 3. In the 2022-23 school year, Jefferson will develop and implement a system to monitor and analyze behavioral referrals, referrals to receive Special Education services and to determine if student groups are being disproportionately referred and the appropriate supports.
- ✓ 4. Jefferson will create a process for ensuring all students can participate in restorative justice practices to support them through the suspension or expulsion process, which may include the assigning of a Student Champion.
- 5. Jefferson's Site Equity Team and/or pre-identified school committee will lead the review of data and dialogue in support of the development of safe, inclusive and culturally affirming workplaces for employees so that educators of color are retained.
- ✓ 6. Jefferson will intentionally engage parents, staff and community members identifying as Black/African American through surveys and interviews to learn about their experiences and gain their input/feedback on site goals and actions.
- ✓ 7. Increase access to advanced classes--gate, seminar, advanced placement for black youth.
- ✓ 8. Jefferson will study/learn culturally responsive instructional practices, [QLIs/QTPs, ethnic studies pedagogy] increasing engagement and achievement of black youth and other marginalized groups.

Guidance Assistant

*Students to be served by this Strategy/Activity

All students at the school will benefit from this strategy/activity in the area of Chronic Absenteeism, specifically the following subgroups: African American, English Learners, Hispanic, students with disabilities, and students who are considered Socioeconomically Disadvantaged.

Note: Over 55.6% of Jefferson's student population is considered socioeconomically disadvantaged. This group is addressed in the goal for all students.

*Strategy/Activity - Description

The Guidance Assistant will continue to support the student's social and emotional well-being and needs. This will allow students to maximize their learning time and academic progress in class. In addition, the Guidance Assistant will work collaboratively with students, parents, principal, district counselor, office staff, nurse, health technician, classroom teachers, and support staff to implement strategies that will decrease chronic absenteeism and suspension rates. The Guidance Assistant will conduct daily phone calls to ensure families receive the supports they need to get their children to school every day and on time. The Guidance Assistant will also be an active member of the School Attendance Review Team and/or other subcommittees as needed to support the positive school culture.

Counselor

*Students to be served by this Strategy/Activity

All Students at the school. Note: Over 55.6% of Jefferson's student population is considered socioeconomically disadvantaged. This group is addressed in the goal for all students.

*Strategy/Activity - Description

The counselor will provide additional student supports in the area of social and emotional well-being. This will allow students to maximize their learning time and academic progress in class. In addition, the counselor will work collaboratively with students, parents, community partners, principal, office staff, nurse, health technician, classroom teachers, and support staff to implement strategies that will decrease chronic absenteeism and suspension rates. The counselor will conduct phone calls and parent meetings to ensure families receive the support they need to get their children to school every day and on time. The counselor will also be an active member of the Positive Discipline Team; School Attendance Review Team and/or other subcommittees as needed to support the Positive School Culture.

LCAP 2 and 3: Access to Broad and Challenging Curriculum Accelerating Student Learning with High Expectations for All

Call to Action Belief Statements

ELA: We believe that literacy serves as a key gateway to social justice. Assuring that each and every student is proficient in reading, writing, listening and speaking is, therefore, our moral imperative. We believe that when students are not learning it is our shared responsibility to adjust the frequency, duration, structure and intensity of instruction.

Math: All students engage in rigorous and relevant mathematics to solve problems associated with personal, civic and professional contexts and are able to effectively explain and communicate their reasoning to a variety of audiences.

English Learners: We believe in the power of multilingualism because languages are connections to culture, history, people and knowledge. Our English Learners deserve educational opportunities which honor their rich lived experiences and unique identities as valued members of society. Schools and classrooms should foster language acquisition and literacy development as a means for students to leverage their identity, exercise their voice and transform their world today to influence the future of tomorrow.

Students with Disabilities: Ownership: Principals, teachers, and support staff take ownership of all their students, including students with disabilities. Access: Students with disabilities are general education students first and should have access to a meaningful course of study. Instruction: All teachers will design instruction and create learning environments that meet students' individualized learning needs.

Graduation/Promotion Rate: All San Diego students will graduate with the skills, motivation, curiosity and resilience to succeed in their choice of college and career in order to lead and participate in the society of tomorrow.

District LCAP Goals

- 1. Cultivating Inclusive, Anti-Racism and Restorative Schools, Classrooms and District with Equity at the Core and Support for the Whole Child
- 2. Access to Broad and Challenging Curriculum
- 3. Accelerating Student Learning With High Expectations for All
- 4. Quality Leadership, Teaching and Learning

Annual Review of This Goal: SPSA Reviewed 2021-22

*Analysis

Describe the overall implementation of the 2021-22 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2021-22 articulated goal(s).

Implementation

In the last school year, we dedicated our work to PLCs, conferences, Push-in intervention support, and after-school tutoring. Strategies went well throughout the school year, we were seeing consistent progress in ELA and Math. We saw a huge gain in ELA (11.2% gain). Due to the COVID pandemic effects, some of these strategies were not able to be fully implemented. Throughout the school year, Push-in intervention support was limited due to staffing shortages. Conferences were also limited due to the Pandemic.

Effectiveness

Last year, we set goals for all our 3-5th graders around performance on the CAASPP ELA and Math with a strong emphasis on improving ELA. This goal was met and exceeded. We also set AMOs for Students with Disabilities; English Learners and our Black youth. With the lingering effects of the COVID-19 Pandemic, we saw a direct effect on Math growth. Math achievement was significantly lower than the ELA results (ELA= 65.9% vs. Math= 52.4%). This proves that as we focused our strategies on improving ELA, we did not anticipate the need to equally focus on math needs. As we analyzed results, the math results were in line with the effects of the Pandemic and the disconnect between math support and engagement with the online learning platform.

*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

In the previous CASSP year, our primary focus was around increasing ELA, we saw an 11.2% increase in performance in ELA, but a -5.8% decrease in Math. This year we will focus on maintaining our ELA and increasing our Math. We will continue to support both areas for growth and balance. As well, a major emphasis will be on the transference of skills across all subject areas.

*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

In order to increase math performance and maintain and gain in ELA, we will focus attention on PLC work in ELA/math and dELD in order to meet the needs of all students and our subgroups. We will continue to support push-in support and after-school tutoring.

*Identified Need - English Language Arts

After a review of the 2021-22 CAASPP ELA data, we noticed an 11.2 % gain in ELA. This goes to show a dramatic improvement, especially in the areas that one puts major emphasis on. But just because we improved dramatically, we cannot continue to monitor and focus on ELA. As we have seen in the past, there has been a need to focus on ELA:

"2018-2019 CAASPP ELA data, we noticed a -2.5% drop in ELA. On the 2019 CA Dashboard, Jefferson is in the Yellow Performance Level for the indicator of English Language Arts at 2.2 above standard which declined by 8.7 points. We have no student groups in the Red Performance Level and three student groups in the Orange: English Learners (15.3 points below the standard which declined by 13.4 points from 2018), Hispanic (11.4 points below the standard which declined by 14.4 points from 2018) and Socioeconomically Disadvantaged (14.8 points below the standard which declined by 14.8 points). In order to also support district-wide initiatives, we are including AMOs for Students with Disabilities and Black or African American student groups. Both of these student groups do not have performance colors on the 2019 CA Dashboard. The SWD group is 105.6 points below the standard which declined by 5.8 points from 2018. African American students are 12.1 points below the standard maintained from 2018."

Based on previous data from Pre Pandemic and pandemic year analysis, we will continue with a focus and goals to maintain and increase our ELA scores.

*Goal 2	- English I	Language Arts
---------	-------------	---------------

By Date	Grade	Objective	Baseline	Target	Measure of Success	Frequency
			Percentage	Percentage		
June 2023	3rd-5th	To increase the percentage of students meeting or exceeding standards	66%	70%	CAASPP ELA	Annual
June 2023	3rd-5th	To increase the percentage of students meeting or exceeding standards	66%	70%	FAST aReading	Three times a year

*Annual Measurable Outcomes (Closing the Equity Gap) English Language Arts

By Date	Grade	Student Group	Objective	Baseline	Target	Measure of Success	Frequency
				Percentage	Percentage		
June 2023	3rd-5th	English Learner	To increase the percentage of	32%	35%	CAASPP ELA	Annual
			students meeting or				
			exceeding standards				
June 2023	3rd-5th	Students with Disabilities	To increase the percentage of	20%	25%	CAASPP ELA	Annual

		American	students meeting or				year
			exceeding standards as				
			measured with Fast aReading				

*Identified Need - Math

After a review of the 2021-22 CAASPP math data, we noticed a -5.8% decrease compared to pre-Pandemic data. Even though this is baseline data moving forward, our students have traditionally done well in Math, but have also seen that by studying our cohort data we see a continuous need to focus on math: "After a review of the 2018-2019 CAASPP math data, we noticed a 4.4% increase in math. But looking at 2016 and 2017 cohort data for the past three years, we have noticed that there is about a 25% drop in math. Therefore we see a need to continue our focus on math best practices."

Based on 2022-23 data, comparatively, math is lower than ELA (ELA= 65.9% > Math= 52.4%). There is a -13.5% difference or gap between ELA and Math. Traditionally, our ELA and Math scores are relatively similar with a minor difference or achievement gap. The COVID-19 pandemic and online learning format can attribute to the increase in the achievement gap and lower Math scores at our school. Based on these facts, we see a big need to focus on math.

*Identified Need - English Learners

After an analysis of academic performance and language development data, we have determined a need for our EL students in ELA and Math. We saw an increase in ELA-EL of 15% in ELA @ EL's 32.3%. ELs met and exceeded their ELA goal. But the achievement gap in ELA for all and ELs is significant at a -33.6% difference (All= 65.9 > EL's= 32.3%).

In Math, our ELs did not meet their math goal of 21% (2022= 19.4%) and the achievement gap for all ELs is significant at -33% difference (All= 52.4% > EL's= 19.4%).

These students will receive additional support through the dELD program at our school and other interventions and supports. As well, through math coaching cycles and a strong focus on both ELA and math, EL and all students will achieve greatly.

*Goal 4 - Eng	*Goal 4 - English Learners												
By Date	Grade	Student Group	Objective	Baseline	Target	Measure of Success	Frequency						
		_		Percentage	Percentage								
June 2023	1st- 5th	English Learner	Reclassification	9%	50%	Reclassification	Annual						
						Rates							

*Identified Need - Graduation/Promotion Rate

Based on 2021-22 FAST/DRA data, 3rd-grade students achieved 70% on FAST/DRA. CAASSP scores in ELA were 63.6%. We feel this is a new cohort of students that has been dramatically affected by the COVID-19 Pandemic and we will need to monitor their monthly reading progress.

Based on 2021-22 FAST DRA/ARI data, the 5th grade achieved 70% on FAST/DRA. CAASSP scores for 5th were 67.7%. When looking at previous CAASPP data: 2016= 34.5%; 2017= 52.6%; 2018= 51.1%; 2019= 56.8% we see growth over the years with some drops. We want to make sure that this new cohort continues achieving and growing in ELA (4th= 66.7%)

*Goal 5- Graduation/Promotion	ion l	Rate

Substitutes for PLC work

*Students to be served by this Strategy/Activity

All students. Note: Over 55.6% of Jefferson's student population is considered socioeconomically disadvantaged. This group is addressed in the goal for all students.

*Strategy/Activity - Description

Teachers will meet three times a year in Professional Learning Communities (PLC) to analyze data as well as develop CCSS lesson plans specifically designed to include English Language Development and supports and interventions in order to close the achievement gap for all subgroups. During this time teachers will work together to determine needed instructional supplies to meet the needs of students.

*Proposed Expenditures for this Strategy/Activity

Math ELD Coaching cycle

*Students to be served by this Strategy/Activity

All students in math and EL students

*Strategy/Activity - Description

Resource teachers from the Math and OLA office will come to support teachers in implementing the new math curriculum and ELD strategies. During this time teachers will work together to plan, teach and observe math and ELD lessons. As well, teacher teams will work to identify needed instructional supplies and interventions and supports to meet the needs of students.

*Proposed Expenditures for this Strategy/Activity

ELPAC

*Students to be served by this Strategy/Activity

English Learners

*Strategy/Activity - Description

Yearly Testing of English Learners for Reclassification. Our EL coordinator will work closely with an EL subcommittee to ensure ELPAC or language data is given to teachers in a timely manner so teachers can use data to support EL students. Our OTBS support staff will also work with parents to inform them of the ELPAC test and its implications on student achievement and the need for reclassification. Needed supports: PLC release time; collaboration time; substitutes for testing ELPAC and supplies for PLC; planning and testing needs; Parent training and communication of ELPAC and EL results.

Professional Development/Consultants

*Students to be served by this Strategy/Activity

All students.

*Strategy/Activity - Description

Through professional development, our teachers will be trained on how to best meet the needs of all students. This will be done through book studies, district training, and site training to meet the diverse needs of all students.

VAPA

*Students to be served by this Strategy/Activity

All Students. Note: Over 55.6% of Jefferson's student population is considered socioeconomically disadvantaged. This group is addressed in the goal for all students.

*Strategy/Activity - Description

VAPA teacher will work with students while the teacher works with and assesses the target group of students (students in grades 3 and 5 at risk of not meeting grade-level standards).

Tutoring

*Students to be served by this Strategy/Activity

Students at-risk of not meeting grade-level standards in reading and math.

*Strategy/Activity - Description

Teachers will tutor students at risk of not meeting standards in reading and math.

Curriculum development

*Students to be served by this Strategy/Activity

All students at-risk of not meeting reading standards.

*Strategy/Activity - Description

In order to meet the ELA; Math and graduation goals of our students, teachers will work before or after school to develop lessons around reading; writing; math, and IB STEAM to help students achieve their goals. During this time teachers will work together to determine needed instructional supplies to meet the needs of students.

Based on prior ELA and Math CAASSP data, we have seen that this work that we started in years past has helped us get consistent improvement in ELA and Math.

LCAP 5: Family and Community Engagement with Highly Regarded Neighborhood Schools

Call to Action Belief Statement

Partnering With Parents in the Education of Their Children: We believe families contribute to improving student learning outcomes when engagement is integrated into district/school goals and initiatives as well as trusting relationships grounded in home-school activities.

District LCAP Goals

5. Family and Community Engagement with Highly Regarded Neighborhood Schools that Serve Students, Families, and Communities

Annual Review of This Goal: SPSA Reviewed 2021-22

*Analysis

Describe the overall implementation of the 2020-21 strategies/activities and the overall effectiveness of the strategies/activities to achieve the 2020-21 articulated goal(s).

After a review of prior CHKS data, we determined that we would focus on the "School actively seeks the input of parents before making important decisions."

When we looked a the data we found that 41% of our families feel that the school actively seeks their input.

*Major Differences

Briefly describe any major differences between the 2021-22 intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal(s).

Based on other criteria we found this area to be the biggest area of need. Other areas were consistent. Please note this information is based on 148 respondents.

*Changes

Describe any changes that will be made to the 2022-23 goal(s), the annual outcomes, metrics, or strategies/activities to achieve this goal(s) as a result of this analysis.

In order to increase parent involvement and increase parent input the school will make sure to involve other stakeholders in the decision-making.

*Identified Need

We need to increase our parental involvement. According to the data we have:

- * 41% Strongly agree
- * 38% Agree
- *6% Disagree
- *1% Strongly Disagree
- *15% Do not know

*Goal 6- Family Engagement

APPENDIX B PARENT & FAMILY ENGAGEMENT POLICY

San Diego Unified School District Finance Division Strategic Planning for Student Achievement Department

Jefferson IB STEAM Magnet School

TITLE I PARENT & FAMILY ENGAGEMENT POLICY 2022-2023

2.0 With approval from the local governing board, Jefferson IB STEAM Magnet School has jointly developed with, and distributed to, parents and family members of participating children a written parent and family engagement policy, agreed upon by such parents, and updated periodically to meet the changing needs of parents and the school. (*EC* Section 11503; 20 United States Code [U.S.C.] Section [§] 6318[b][1-4])

Jefferson IB STEAM Magnet Elementary has developed a written Title I parent & family engagement policy with input from Title I parents. We discuss the Parent Involvement Policy at SSC and get input from our members to reach the best manner to distribute the information to all families. Each year Jefferson sends a copy of the annual Title I Parent Involvement Policy home to parents, in addition by emailing the policy to parents and holds a meeting in the fall, open to all families regarding the Title I Parent Involvement Policy.

2.1 Involvement of Parents in the Title I Program

The school-level parent and family engagement policy shall describe the means for how Jefferson IB STEAM school shall carry out the following requirements: (20 U.S.C. § 6318[b][1])

- a) The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 U.S.C. § 6318[c][1]) *During the first month of school, the principal holds a parent meeting for parents and shares Title I Parent Involvement information.*
- b) The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement. (20 U.S.C. §

6318[c][2]) Jefferson holds monthly meetings, inviting all parents of the school and discusses Title I at these meetings.

- c) The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 U.S.C. § 6318[c][3]) Jefferson holds monthly SSC meetings and discusses Title I programs at these meetings.
- d) The school provides parents of participating children with the following:
 - i. Timely information about the Title I program. (20 U.S.C. § 6318[c][4][A])

Jefferson holds monthly meetings, inviting all parents of the school and discusses Title I programs at these meetings.

- ii. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging state academic standards. (20 U.S.C. § 6318[c][4][B]) Jefferson holds Parent Conferences, including Title I parents, in the fall and spring and parents are presented with information about their child's assessment, progress and proficiency levels at these meetings.
- iii. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 U.S.C. § 6318[c][4][C]) · Jefferson holds monthly meetings, inviting all parents of the school and discusses curriculum and assessments, as well as Title I programs, at these meetings. Parents also attend the monthly SSC meetings.
- e) If the schoolwide program (SWP) plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency (LEA). (20 U.S.C. § 6318[c][5])

Jefferson provides parents the opportunity to attend SSC and SGT meetings to express their concerns.

2.2 BUILDING CAPACITY FOR INVOLVEMENT

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted under Title I, Part A shall carry out the following requirements: (20 U.S.C. § 6318[e])

- a) The school provides assistance to parents of children served by the school or LEA, as appropriate, in understanding such topics as the challenging state academic standards, state and local academic assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 U.S.C. § 6318[e][1])
 - Jefferson discusses the Parent Involvement Policy at SSC and gets input from our members to reach the best manner to distribute the information to all families.
 - Each year Jefferson sends a copy of the annual Title I Parent Involvement Policy home to parents and holds a meeting in the fall, open to all families, regarding the Title I Parent Involvement Policy.
 - Jefferson holds monthly Family Friday meetings, inviting all parents of the school, and discusses Title I programs at these meetings.
 - Jefferson holds Parent Conferences, including Title I parents, in the fall and spring and parents are presented with information about their child's assessment, progress and proficiency levels at these meetings.
- b) The school provides materials and training to help parents work with their children to improve their children's achievement, as appropriate, to foster parental involvement. (20 U.S.C. § 6318[e][2])
 - Jefferson holds a Back to school curriculum night in the fall to provide an overview of IB STEAM curriculum and supports for students' success.
 - Jefferson holds monthly Family Friday meetings, inviting all parents of the school, and discusses Title I programs at these meetings.
 - Jefferson holds Parent Conferences, including Title I parents, in the fall and spring and parents are presented with information about their child's assessment, progress and proficiency levels at these meetings.
- c) The school educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach

out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. (20 U.S.C. § 6318[e][3])

Jefferson's parents participate in SSC and SGT, and the Friends of Jefferson. These associations discuss various parts of the academics of school, including curriculum, standards, assessments and classroom activities and schoolwork.

d) The school, to the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other federal, state, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. (20 U.S.C. § 6318[e][4])

Jefferson holds monthly Family Friday meetings, inviting all parents of the school to learn about IB STEAM and how to support their children.

e) The school ensures that information related to school and parent programs, meetings, and other activities is sent to parents of participating children in a format and, to the extent practicable, in a language the parents can understand. (20 U.S.C. § 6318[e][5])

Jefferson always sends home both English and Spanish information home to our parents. We use both written and verbal communication, including PeachJar and School Messenger. Translators are provided and present at all meetings to communicate with families

f) The school provides such other reasonable support for parental involvement activities under this section as parents may request. (20 U.S.C. § 6318[e][14])

Jefferson is very open to providing parental involvement activities throughout the school year. We utilize our parent organizations, as well as grade level teachers and resource teachers, which plan events, activities, and Parent Evening Events, which demonstrate and actively allow the parents to participate in the activities of their children.

2.3 ACCESSIBILITY

In carrying out the parent and family engagement requirements of Title I, Part A, Jefferson IB STEAM, to the extent practicable, shall provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 of the ESEA (20 U.S.C. § 6311), as amended by ESSA, in a format and, to the extent practicable, in a language such parents understand. (20 U.S.C. § 6318[f])

- Jefferson provides materials and information in a variety of languages.
- During school meetings, translation is provided so that all parents and family members are informed.

Jefferson Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT

APPENDIX C
SCHOOL PARENT COMPACT

San Diego Unified School District Finance Division

Strategic Planning for Student Achievement Department

Title I School-Parent Compact 2022-2023 Jefferson IB STEAM Magnet

2.4 School-Parent Compact

As a component of the school-level parent and family engagement policy, each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the following requirements: (20 U.S.C. § 6318[d])

- a) Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I, Part A to meet the challenging state academic standards, as well as the ways in which each parent will be responsible for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])
- The ways parents and family members will be responsible for supporting their children's learning according to the Jefferson's Plan for Student Achievement outlines our goals and objectives for the school year, and include strong Common Core Standards in all content areas. As an IB STEAM Magnet School, Jefferson integrates the IB Program of Inquiry and STEAM curriculum with Common Core Standards and instruction.
- b) Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum, the following: (20 U.S.C. § 6318[d][2])
 - 1. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual child's achievement. (20 U.S.C. § 6318[d][2][A])

Parent Teacher Conferences will be held this year:

- November 10, 14, 15, 17, 18, 2022
- March 21, 23, 24, 2023

- 2. Frequent reports to parents on their children's progress. (20 U.S.C. § 6318[d][2][B]) **Progress Reports will be issued on the following dates:**
 - November 10, 2022
 - March 21, 2023
 - June 14, 2023
- 3. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities. (20 U.S.C. § 6318[d][2][C]) Parents can leave messages, communicate via Class Dojo, or email teachers during the school day. Teachers will respond in a timely manner. Parents are welcome to visit classrooms. Please contact the school office to make arrangements. * Parents may also volunteer at the school. We have a parent Volunteer Coordinator who organizes our volunteer program. Please contact the school office to make arrangements. The school engages Title I, Part A parents and family members to improve the achievement of their children in meaningful interactions with the school. This Compact supports a partnership among staff, parents and family members, and the community to improve student academic achievement.
- 4. Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. (20 U.S.C. § 6318[d][2][D] Jefferson always sends home both English and Spanish information home to our parents. We use both written and verbal communication, including PeachJar and School Messenger. Translators are provided and present at all meetings to communicate with families. Family Friday Meetings discuss curriculum, standards, assessments and classroom activities and schoolwork with all Jefferson parents. This information is also discussed individually and privately at Parent Conferences.

Jefferson Elementary SCHOOL PLAN FOR STUDENT ACHIEVEMENT APPENDIX E 2021-22 SPSA ASSESSMENT AND EVALUATION

SCHOOL NAME: JEFFERSON ELEMENTARY

SPSA EVALUATION OF TITLE I FUNDED ACTIONS/ACTIVITIES: 30100,30103,30106,31820

SCHOOL YEAR: 2021-22

Goal 1 - Safe, Collaborative and Inclusive Culture

Guidance Assistant

*Strategy/Activity - Description

The Guidance Assistant will continue to support students' social and emotional well-being and needs. This will allow students to maximize their learning time and academic progress in class. In addition, the Guidance Assistant will work collaboratively with students, parents, principal, district counselor, office staff, nurse, health technician, classroom teachers, and support staff to implement strategies that will decrease chronic absenteeism and suspension rates. The Guidance Assistant will conduct daily phone calls to ensure families receive the supports they need to get their children to school every day and on time. The Guidance Assistant will also be an active member of the School Attendance Review Team and/or other subcommittees as needed to support the positive school culture.

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

<u>Guiding Questions:</u>

Goal 2 - English Language Arts

Substitutes for PLC work

*Strategy/Activity - Description

Teachers will meet three times a year in Professional Learing Communities (PLC) to analyze data as well as develop CCSS lesson plans specifically designed to include English Language Development. During this time teacher will work together to determine needed instructional supplies to meet the needs of students.

*Proposed Expenditures for this Strategy/Activity

Instructional Software

*Strategy/Activity - Description

Staff at Jefferson came together to decide which instructional materials they needed to support their Tier 1 instruction. We wil be using Raz Kids; NewsELA, PLTW, BrainPop and Mystery Science.

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Guiding Questions:

Proposed Expenditures	FTE	Estimated Cost	0	Rationale	pre/post test, progress monitoring results, etc.).	working (ineffective indicators) and why? Conferences

*Strategy/Activity - Description

Conferences will support professional development on IB and STEAM. Teachers will learn new strategies to help all students access curriculum, how to develop formative assessments that drive teaching and learning and teachers will also learn how to differentiate teaching for under-performing sub groups.

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

<u>Guiding Questions:</u>

Goal 8- Graduation/Promotion Rate

VAPA

*Strategy/Activity - Description

VAPA teacher will work with students while the teacher works with and assesses target group of students (students in grades 3 and 5 at risk of not meeting grade-level standards).

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Guiding Questions:

Proposed Expenditures	FTE	Estimated Cost	Funding Source	Rationale	What is working (effective) and why? Include qualitative (Survey, observations, notes and minutes) and quantitative data (curriculum assessments, pre/post test, progress monitoring results, etc.).	What is not working (ineffective indicators) and why? Include qualitative (Survey, observations, notes and minutes) and quantitative data (curriculum assessments, pre/post test, progress monitoring results, etc.).	Modifications based on qualitative and quantitative data.
Consultants <=\$25K			30106-5801	VAPA teacher will work with students while the teacher works with and assesses target group of students (students	Good strategy, but there were no subs to release teachers.	Sub Shortage and Pandemic affected plan	Ensure subs are available.

		in grades 3 and 5 at risk of not					
		meeting grade-					
		level standards).					

Tutoring

*Strategy/Activity - Description

Teacher will tutor students at risk of not meeting standards in reading.

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Curriculum development

*Strategy/Activity - Description

In order to meet the graduation goals of our students, teachers will work before or after school to develop lessons around reading and writing to help students achieve their goals. During this time teachers will work together to determine needed instructional supplies to meet the needs of students. Based on prior ELA CAASSP data, we have seen that this work that we started in years past has helped us get consistent improvement in ELA.

*Proposed Expenditures for this Strategy/Activity

SCHOOL NAME: JEFFERSON ELEMENTARY SPSA EVALUATION OF LCFF FUNDED ACTIONS/ACTIVITIES: 09800 SCHOOL YEAR: 2021-22

Goal 1 - Safe, Collaborative and Inclusive Culture

Guidance Assistant

*Strategy/Activity - Description

The Guidance Assistant will continue to support students' social and emotional well-being and needs. This will allow students to maximize their learning time and academic progress in class. In addition, the Guidance Assistant will work collaboratively with students, parents, principal, district counselor, office staff, nurse, health technician, classroom teachers, and support staff to implement strategies that will decrease chronic absenteeism and suspension rates. The Guidance Assistant will conduct daily phone calls to ensure families receive the supports they need to get their children to school every day and on time. The Guidance Assistant will also be an active member of the School Attendance Review Team and/or other subcommittees as needed to support the positive school culture.

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

<u>Guiding Questions:</u>

Goal 2 - English Language Arts

Substitutes for PLC work

*Strategy/Activity - Description

Teachers will meet three times a year in Professional Learing Communities (PLC) to analyze data as well as develop CCSS lesson plans specifically designed to include English Language Development. During this time teacher will work together to determine needed instructional supplies to meet the needs of students.

*Proposed Expenditures for this Strategy/Activity

Goal 6 - Supporting Black Youth

Professional Development/Consultants

*Strategy/Activity - Description

Through professional development, our teachers will be trained on how to best meet the needs of all students. This will be done through book studies, district trainings, and site trainings to meet the diverse needs of all students.

*Proposed Expenditures for this Strategy/Activity

Directions:

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
