

Payday is September 30, 2019

Reminder- Check your Filled Positions report to ensure the employees listed are working at your site with the correct FTE. Please contact your payroll specialist if you have questions!

September Monthly Payroll Deadline

The deadline for entering absences and positive pay hours for the September 30, 2019 monthly payroll is **September 16** at 5:00 p.m. Positive pay hours that do not make this deadline will be paid on October 10. Absences that do not make this deadline will be reflected on the next salaried paycheck issued to the employee.

PLEASE MARK YOUR CALENDARS WITH THIS INFORMATION!

REMEMBER: **Do not wait to enter absences and positive pay hours until the day of the deadline.** Please do time entry daily or once a week. Posting of time after the deadline can create a delayed paycheck for the employee and manual intervention by payroll. Only hours already worked may be reported and paid on any given payroll. Please do not report positive hours for time that the employee has not yet worked.

October Hourly Payroll Deadline

The deadline to enter positive pay hours for the October 10 payday is October 1 at 5:00 p.m.

September Holiday

There is one holiday in September – Labor Day on September 2. Do not report employee absences on that day! This is a **PAID** holiday for classified employees and a non-work day for certificated employees and should be left blank on the timesheet unless an employee works on that day and is eligible for regular time, extra time, or overtime.

Longevity Pay for OTBS, Paraeducators and Confidential Employees

Longevity stipends for eligible employees in the OTBS and PARA bargaining units and longevity stipends for eligible Confidential employees will pay on the September 30 payroll.

Employees No Longer at Your Site

If on September 30 you receive a pay stub or paycheck and the employee is no longer at your site, please call your payroll specialist before mailing the check to the employee. The payroll specialist will verify if the check is valid, and if so, will instruct you to mail the check to the employee. If it is not valid, you will be asked to send the paycheck or pay stub back to Payroll. It is very important to call Payroll immediately with this information.

Back to School Presentation: Answers

These questions were asked at the Back to School event, and we let you know that we would get back to you with the answers. As promised:

How does 2-hour personal business work for reduced FTE employees?

For SDEA, PARA and OSS: Leaves shall be prorated for employees working less than full time. A 50% employee would be eligible for 1 hour of PRB-2 hr.

For OTBS and POA: Unit members working less than six (6) hours, the two (2) hours shall be reduced proportionately.

Is a religious holiday exempt for sick leave incentive?

When determining if an employee is eligible for Classified Sick Leave Incentive days used for RH – Religious Holiday do NOT count as absences.

SDEA Retired Visiting Teachers

When an SDEA retired unit member returns to perform visiting teacher services, in most cases they are paid according to the visiting teacher rates.

If one of these retirees returns to perform the full range of duties associated with duties previously assigned to them as regular unit members (i.e. filling a vacancy to open a new school year, must have the credential associated with the position, does lesson planning, grading, assessing students, meeting with parents, student discipline, etc.) the SDEA Collective Bargaining Agreement, Appendix D, Section 7.01 requires they be paid at their pro-rata rate of pay. A separate job record has been established for these types of employees that should be used by sites to report PRO in these cases. Hours from SAMS will populate to the Time Sheet as visiting teacher. These rows should be deleted from the visiting teacher record and PRO reported on the record associated with pro-rata.

Please check with your principal and/or your Human Resources Officer if you have questions about full range of duties.

Visiting Teachers

Visiting teachers are credentialed unit members employed to work in the absence of a regular contract unit member. They cannot be used for extra help, testing, or any type of pull-out support. A visiting teacher who has retired from the district can perform non-classroom duties.

A visiting teacher assigned to replace a part-time teacher or a full-time teacher who is absent for only part of the day may be required to render and shall be compensated for a full day's service.

Certificated substitutes are paid the long term rate starting on the 6th day of a teaching assignment. On the 6th day, change the reason code to the long term reason in SAMS/Smartfind Express. If you do not change it on the sixth day, you will need to go into Time and Labor to update the time reporting code and you will need to contact the substitute help desk and have them change the reason to "Long Term".

Time and Labor WorkCenter

The "Time and Labor WorkCenter" is available in PeopleSoft HCM! This WorkCenter exists to help Timekeepers easily access all tools necessary to perform their Timekeeper-related tasks; including the timesheet, PeopleSoft HCM reports and queries, and other PeopleSoft HCM links. The WorkCenter also includes links to job aids, payroll forms, and more. To navigate to the Time and Labor WorkCenter, click Main Menu > Manager Self Service > Time Management > Time and Labor WorkCenter. For more information, please see the PeopleSoft HCM Time and Labor WorkCenter job aid.

Sick Leave and Absence Reporting

Absences may be reported based upon a phone call, an email, or the SAMS report in order for the absences to be reported right away and reflect on the correct payroll. However, the absence form must still be obtained as it includes both the administrator and employee's signatures authorizing the leave.

If an employee has not returned to work and was absent due to illness at the end of last school year, please remember to continue to report sick leave absences on the timesheet. If you do not report the employee as absent, then it appears as if they have returned to work. If the employee has returned to work, please place a note in the comments section of the timesheet on the last day that they were marked absent indicating their date of return. The comments field on the timesheet is the most underutilized tool in the timekeeping process and is a great way of communicating with payroll staff as well as having notes for yourself! If you have questions regarding this, please contact your payroll specialist.

Physician's Release to Resume Normal Duties

Remember, clearance is required after an absence of 30 or more consecutive calendar days. The [form](#) must be submitted to Human Resources at least 3 work days prior to the date of intended return.

Please do not let the employee return without turning in a release form. Should they show up at the site, you may direct them to the Human Resources Department where they can turn in their release form and receive direction at that time.

If you have questions regarding any of the above, please call your payroll specialist.

Verify SAMS Jobs

Please remember to verify on the SAMS system that substitutes (certificated and classified) assigned to your location actually showed up and worked the assigned jobs. Substitutes will not be paid unless the jobs they worked have been verified in SAMS. You must verify jobs in SAMS for those that have worked the assignment no later than the day before the timekeeper cut-off for each payroll period. It is recommended that you take a few moments each day to verify the previous day's jobs. If you have any questions regarding this, please contact a SAMS Operator at (619)725-8090 or subhelp@sandi.net.

Payroll Reconciliation/Audit Reports Chart

Please make sure reporting tools are being used to both reconcile payroll transactions prior to the payroll deadline for each payroll, and then for auditing those transactions after the payroll closes. There are official audit documents that must be produced, reviewed and signed by administrators/managers for each of the two payrolls produced each month. There is a new tool called the Payroll Reconciliation/Auditing Reports Chart. This chart provides an overview of each of these reporting tools that must be run each month. It highlights what needs to be signed and what needs to be retained and a brief "How to" column that gives you some pointers on using that tool.

The chart is located on the staff portal, Payroll, Timekeeper Resources.
