ARTICLE 2. RECOGNITION CLAUSE

The District recognizes the California School Employees Association (CSEA/AFL-CIO) and its San Diego Chapter 759, for the Paraeducators Bargaining Unit as the sole and exclusive bargaining representative for all unit members in accordance with the certification issued by the Public Employment Relations Board (PERB) on December 4, 1996 (Case No. LA-D-301) pursuant to a PERB-conducted, secret ballot election. Nothing herein shall preclude the Parties from mutually agreeing to modify the unit.

Section 1: BARGAINING UNIT COMPOSITION

Refer to Appendix A for included job classifications.

Section 2: CLASSIFICATIONS

- A. When a new classification is established in which assigned work reasonably related to that done by other classifications covered by this Agreement, the Association will be notified in writing and the District will, upon request, meet to reach agreement as to whether such classification should be included in the Paraeducator Bargaining Unit.
- B. The District will notify the Association in writing and, upon request, will meet to reach agreement regarding the exclusion of new supervisory classifications whenever such classifications are reasonably related to work performed by other job classes in the Paraeducator Bargaining Unit.
- C. The Parties will meet to reach agreement regarding any already-existing classifications not currently assigned to the Paraeducator Bargaining Unit whenever either Party believes such classifications are reasonably related to work performed by the other job classes in the Paraeducator Bargaining Unit.
- D. Disagreements in A., B., or C. above shall be resolved exclusively by appeal to the Public Employment Relations Board as provided by law.
- E. The District agrees to notify the Association in writing regarding any changes proposed for an existing classification within the Paraeducator Bargaining Unit. The District will, upon request, meet and negotiate with the Association regarding any change proposed for an existing classification.

 - d. In addition to the rights afforded on section a-c, in the event that the District receives or identifies additional new State or Federal funds, which are non-categorical, nonrestrictive, not based on ADA growth, not from proceeds of the lottery, and do not represent reimbursement of expenditures made by the District, the Association shall have the right to a meeting with the Joint Budget Committee to discuss the allocation of these funds to the various budget categories.

The Committee work shall include, but not be limited to, discussing the allocation of State and/or Federal funds received by the District, budget reports, and additional funds identified by the District.

Section 2: RETROACTIVE COMPENSATION

Retroactive compensation paid pursuant to this Article shall be paid only to unit members who are officially employed by the San Diego Unified School District at the time of Board of Education adoption of the **applicable** salary schedules, and to unit members who retire or are laid off between July 1 and the date of Board adoption in the applicable year.

Section 3: MILEAGE

Approved mileage reimbursement for bargaining unit members will be the current applicable Internal Revenue Service rate.

Section 4: UNDERPAYMENTS OR OVERPAYMENTS AND PAYROLL ADJUSTMENTS

Each unit member is encouraged to review their annual salary placement and to examine all pay warrants carefully. If an incorrect salary placement has been made or an individual pay warrant is in error, this information must be brought to the attention of the District immediately. Overpayments and underpayments are not subject to the accumulation of earned interest. If an incorrect salary placement or warrant results in an underpayment, the District shall, within five (5) workdays following such determination, provide the unit member with a written statement of the correction and issue a supplemental pay warrant for the amount due. Board of Education By-Laws limit the time period for submitting claims due to underpayment of wages to one (1) year from the date the underpayment began. If the incorrect placement or warrant results in an overpayment, the District is required to recover the full amount overpaid. The District will provide the unit member with a written, detailed description of the overpayment including the calculations. The recovery schedule for the overpayment will include consideration to both the District and the unit member.

Section 5: REIMBURSEMENT FOR PERSONAL PROPERTY LOST/DAMAGED

The District will pay the cost of replacing or repairing property of a unit member, such as eyeglasses, hearing aids, denture, watches, or articles of clothing necessarily worn or carried by the unit member, or vehicles, when such items are damaged in the line of duty as a result of malicious acts and without fault of the unit member.

Section 6: OVERTIME COMPENSATION

- A. Unit members will be compensated for overtime work at the rate of one and one-half (1½) times the unit member's regular hourly rate of pay in accordance with the following provisions:
1. Unit members in traditional workweek assignments will be compensated for all time worked in excess of eight (8) hours on a regular workday or in excess of forty (40) hours in one workweek as defined in Article 8 Hours of Employment, Section 1 Workday and Workweek.
 2. Unit members in assignments of ten (10) hours per day/four (4) days per week will be compensated for all time worked in excess of ten (10) hours on a regular workday or time worked on the fifth (5th), sixth (6th), or seventh (7th) day of the workweek.
 3. Unit members will be compensated at two (2) times the unit member's regular rate of pay for work performed on any seventh (7th) consecutive workday where the unit member has worked hours on the six (6) preceding calendar days entitling him/her to compensation. Only the seventh (7th) consecutive workday will entitle the unit member to double time compensation. All other workdays will be paid in accordance with the existing Rules and Regulations of the Paraeducators Salary Schedule.
 4. Unit members assigned to the Outdoor Education Program will be compensated on an overtime basis only for time worked in excess of forty (40) hours in a workweek or for time worked on the sixth (6th) or seventh (7th) day of the workweek.
- B. Overtime of less than six (6) minutes. Overtime worked in units of less than six (6) minutes will be disregarded for purposes of compensation.
- C. Work On Holidays. Work performed by regular unit members on the date of observance scheduled on the District's Master Calendar for any legal or declared holiday enumerated in Article 12, Leave Policies, will be considered as overtime without regard to the number of hours worked on other days of that week and will be compensated at the rate of one and one-half (1½) times the unit member's regular rate of pay for nonexempt unit members and one (1) times the unit member's regular rate for exempt unit members. Such holiday pay will be in addition to the unit member's regular compensation for the holiday.
- D. Overtime Compensation for Special Pay Additive(s). Compensation for overtime will include any special pay additive(s) and may be in the form of payment by warrant or compensatory time off of equivalent value to such payment. Compensatory time off records should be maintained in the appropriate department/site office and such time off shall be permitted within a reasonable time following the day on which overtime is worked, otherwise, the unit member shall be paid by

Article 7. Wages
Section 6.D (continued)

warrant. To the extent possible, ordinary overtime work and method of compensation (either overtime pay or compensatory time off) shall be by mutual agreement between the unit member and supervisor.

Section 7: SPECIAL PAY ADDITIVES

- A. Shift Differential. A unit member assigned to work a regular, continuing schedule of four (4) hours per day or more in which four (4) hours or more of such regular shift are worked before 8 a.m. or after 6 p.m. is entitled to shift differential pay. Such differential will amount to five percent (5%) above the unit member's regular salary.
- B. Hazard Pay Differential. A unit member will receive a hazard pay differential for assignment to a position designated by the Board of Education as a hazard pay position. A hazard pay position is one which: (1) continuously exposes the unit member to a specific and significant hazard, (2) is clearly dangerous to the health or wellbeing of any unit member so assigned, and (3) the hazard is atypical of the basic occupation or job class. Such differential will amount to five percent (5%) above the unit member's regular salary.
- C. Bilingual/Biliterate Differential. A unit member will receive a bilingual/biliterate differential for assignment to a position designated by the Board of Education as requiring the ability to communicate orally and/or in writing with non-English speaking adults or in sign language with deaf or hard-of-hearing adults for an average of one (1) hour per day. Such differential will amount to five percent (5%) above the unit member's regular salary.
- D. Split Shift Differential. A unit member employed to work a regular continuing schedule of more than six (6) hours per day and with a scheduled lunch break of more than two and one-half (2½) hours is entitled to a split shift differential. Such differential will amount to five percent (5%) above the unit member's regular salary.
- E. Longevity Stipends. Effective July 1, 2007, a unit member in an active monthly bargaining unit assignment as of October 1, of each year will receive an annual lump sum longevity stipend in accordance with the following schedule:

Annual Years of Qualifying Monthly District Service Completed	Lump Sum Stipend
8 through 9	\$175.51
10 through 13	\$351.02
14 through 18	\$702.01
19 or more	\$1,404.05

Longevity stipends are subject to the same percentage increase(s) by which the salary schedule is increased as set forth in Article 7, Section 1. The District shall update current longevity rates on the District's website.

Article 7. Wages
Section 7 (continued)

- F. Community Based Instruction Differential. A unit member classified as Special Education Assistant will receive a pay differential for assignment to a position which requires continuing and regular Community Based Instruction (CBI) responsibilities as part of the approved program curriculum. CBI is an activity requiring the unit member to accompany one (1) or more students off-site in the community for the purpose of teaching life skills. For the purpose of this differential continuing and regular means that the unit member is assigned ongoing CBI activities for more than fifty (50%) of their regular work schedule. Such differential will amount to five percent (5%) above the unit member's regular salary.

Section 8: INITIAL PLACEMENT ON THE SALARY SCHEDULE

- A. Position Class. A unit member will be placed in the job class appropriate to the assigned position.
- B. Experience Step. A unit member new to the District will be placed on Step one (1) of the salary grade. The chief human resource officer or designee may authorize a higher step placement within the appropriate salary grade for an especially well-qualified individual in a job class for which qualified candidates are found to be in short supply. In such instances, the chief human resource officer or designee will provide written notification to the Association.

Section 9: SERVICE INCREMENTS

A unit member in a regular monthly assignment will be granted a one (1) step salary increase on his/her annual anniversary date until the top step for the job class is attained.

Section 10: HOURLY AND DAILY PAY CALCULATIONS

Hourly pay rates for regular classified unit members on monthly salaries and for temporary unit members assigned to job classes on the regular classified salary schedule are determined by dividing the monthly rates by 173.33. (This divisor is an industry-wide norm which represents the average number of working hours in the work month.) Daily pay rates are determined by multiplying the hourly rates by the number of regular hours assigned per workday.

Section 11: PART-MONTH PAY CALCULATIONS AND DEDUCTIONS FOR MONTHLY PAID POSITIONS

- A. A newly hired unit member will have the initial monthly rate adjusted to the number of days of service rendered multiplied by the daily rate. A terminating unit member will have the terminal monthly rate adjusted to the number of days of service rendered multiplied by the daily rate. Pay so determined for that month will not exceed the unit member's regular monthly rate. A unit member who is promoted or demoted other than on the first workday of the month will have the pay for that month prorated on the basis of the number of days worked in the month in each job class. In this instance only, the daily rate will be determined by dividing the monthly salary by the number of potential workdays in the month including mandated and declared holidays.
- B. Salary reductions for all unpaid time in accordance with negotiated Agreements and District policy and procedure will involve a reduction in pay at the unit member's daily rate for each day of absence. Total reductions so determined will not exceed the unit member's regular monthly rate.

Article 7. Wages
Section 11.B (continued)

No pay will be drawn when such days missed involve a full calendar month regardless of the number of workdays in that month. Salary reductions for fifty percent (50%) sick leave will be at one-half (1/2) of the unit member's daily rate.

- C. An unit member changing mid-year from a conventional work year schedule to a year-round schedule (or vice versa) will have the conventional assignment pay calculation (based on the mid-month promotion rule above) and the year-round pay calculation (based on a daily rate) completed so as to result in equal monthly payments for the remainder of the school year.

The initial pay in the new assignment will be a balancing payment. Year-round classified unit member monthly rates are determined in the following manner: 1) The number of days of service in the traditional work year for the job class is multiplied by the daily rate, determined in accordance with the daily pay calculation method (monthly rate/173.33) x 8, to determine an annual salary. 2) Inasmuch as the year-round assignment has the same number of paid days, the annual salary so determined is divided by twelve (12) to establish the year-round monthly rate.

Section 12: COMPENSATION FOR WORKSHOP PARTICIPATION

The California or federal minimum wage rate (whichever is higher) applies to regular monthly classified unit members of the San Diego Unified School District who participate in workshops at the request of the District. This rate will be paid only for workshop participation outside the unit member's normal workdays and/or hours. Such qualifying workshop participation will be paid at the straight or overtime workshop participation rate in accordance with this Article. Unit members who are required to attend workshops at the request of the District will be paid at their regular straight or overtime rate of pay in accordance with this Article.

Section 13: UNIT MEMBERS TRANSFERRING BETWEEN SALARY SCHEDULES

A unit member transferring between salary schedules will be placed and continued in employment in accordance with the rules and regulations of the salary schedule to which the unit member is transferring without regard to the basis for such transfer (promotion, demotion, etc.).

Section 14: PROMOTION

- A. Promotion From Another Classified Salary Schedule. A unit member who is promoted from a position on another classified unit members' salary schedule to a position on the Paraeducator Salary Schedule, with a higher maximum, salary will first have his/her salary determined in the appropriate grade of the other classified salary schedule in accordance with existing regulations, and then will be paid at the rate in the appropriate salary grade on either salary schedule which would provide an approximate five percent (5%) increase (exclusive of special pay additives) but not more than seven and one-half percent (7.5%) increase. In no case shall the salary step placement exceed the maximum for the appropriate salary grade. If a service increment is due the unit member at the time of promotion, it will be credited and applied in the determination of the new salary step.

Article 7. Wages
Section 14 (continued)

- B. Promotion Within Paraeducator Salary Schedule. A unit member who is promoted from one job class on the Paraeducator Salary Schedule to a higher job class will be placed on the step of the higher salary grade which is at least one full salary grade or approximately five percent (5%) (or, if there is no such step, seven and one-half [7.5%]) in amount above the unit member's salary exclusive of special pay additives at the time of promotion. If a service increment is due the unit member at the time of promotion, it will be credited and applied in the determination of the new salary step.
- C. Next Service Increment. If a service increment is not immediately due at the time of promotion to a higher job class, it will be granted in the higher job class on the same date it would have been granted in the lower job class. If a service increment is not due at the time of promotion to a higher job class because the unit member has already reached the maximum step on the salary grade of the lower job class, a new service increment due date will be effective on the anniversary date (first [1st] day of the month in the month promoted for unit members promoted between the first [1st] and fifteenth [15th] of the month; first [1st] day of the month following the month promoted for unit members promoted on or after the sixteenth [16th] of the month), and additional service increments due will be granted beginning one (1) year thereafter until the maximum salary for the job class is reached.
- D. Voluntary Demotion. A unit member who voluntarily accepts a demotion, and who is promoted to the former higher job class within thirty-six (36) months, will be placed on the step of the appropriate salary grade that was held prior to such demotion.
- E. Temporary Out-Of Class Assignments. A unit member temporarily assigned to perform higher level duties not reasonably consistent with those prescribed for the regular job class for more than four (4) workdays within a fifteen (15) calendar-day period will receive an upward salary adjustment. The salary adjustment will be effective for the entire period of such temporary assignment. The amount of the adjustment will be the same as would be provided by the regular promotional rules as determined by Executive Director, Human Resources Division.

Section 15: PLACEMENT IN LOWER JOB CLASS

- A. Demotions Due to Unit Member Request or Disciplinary Reasons. When a unit member is placed in a position in a lower job class in the same type of work at the unit member's own request, or if a unit member is demoted in accordance with The Employment Regulations for the Classified Service of the San Diego Unified School, the salary step placement on the salary grade for the lower job class will be that which is approximately five percent (5%) (or, if there is no such step, seven and one-half percent [7.5%]) in amount below the unit member's salary in the higher class. Unit members who reach the maximum step in the higher class, or on a step in the higher class, which is more than seven and one-half (7.5%) above the maximum step of the lower job class will be placed on the maximum step of the lower class. The increment due date will remain unchanged until the maximum salary for the lower job class has been achieved. If the reassignment is to a position in a lower job class with a different type of work the step placement on the salary grade for the lower job class will be at the same dollar rate. If the rate does not appear in the lower salary grade, the unit member will be placed on the step that will result in the smallest reduction in pay from the current dollar rate.

Article 7. Wages
Section 15 (continued)

- B. Demotions Due to Classification Review or in Lieu of Layoff. When a unit member is reassigned to a position in a lower job class resulting from classification review of the position, or demoted in lieu of layoff, or for some other reasons in the District's best interest, the unit member will be placed on the step at the same dollar rate, exclusive of any special pay additive, if such rate appears in the lower salary grade. If the rate does not appear in the lower salary grade because the demotion is from a half grade to a whole grade, or vice versa, the unit member's salary will be changed to the step which provides the smallest reduction in pay from the current dollar rate. The increment due date will remain unchanged until the maximum for the lower job class has been achieved. If the rate does not appear in the lower salary grade because the maximum rate is less than the unit member's current pay rate, the unit member's salary, exclusive of any special pay additive, will be maintained as it was prior to demotion for a period not to exceed eighteen (18) months unless the maximum for the lower job class is changed to exceed the previously achieved salary. At the end of the eighteen (18) month period, the salary will be changed to the maximum for the lower job class. A unit member so protected and who is assigned on a temporary basis, for up to ninety (90) calendar days, to a position in the job class from which he/she was demoted in lieu of layoff will be placed on the same salary step of the range for his/her job class as that held at the time of demotion. When such temporarily reassigned unit member is again moved to the lower job class, he/she will receive the same dollar rate as was originally protected and the original eighteen (18) month period will be extended for each month or major fraction thereof during which the unit member was temporarily promoted.
- C. Reemployment Rights. Reemployment Rights for unit members reassigned to a position in a lower job class resulting from classification review of the position will be determined in the same manner as in Article 18, Layoff and Reemployment, Sections 8 and 9.

Section 16: CLASSIFICATION STUDY

A unit member may request a classification study of his/her position by completing a Position Classification Review Form (available from the Human Resource Services Division), obtaining all necessary signatures, and forwarding the request to the Human Resource Services Division in accordance with the timelines specified in District Procedure 7540. Classification studies are excluded from the grievance procedure.

ARTICLE 8. HOURS OF EMPLOYMENT

Section 1: WORKDAY AND WORKWEEK

- A. The District recognizes the principle of an eight (8) hour workday and a forty (40) hour workweek for unit members employed on a full-time basis. The traditional workweek shall be Monday through Friday. For payroll accounting purposes, the traditional workweek begins on Monday at 12:00 a.m. and ends on the following Sunday at 11:59 p.m. Normally, the workweek shall consist of five (5) consecutive workdays and two (2) consecutive days off. The non-traditional workweek shall not exceed five (5) consecutive workdays starting any day other than a Monday.
- B. The District shall designate the length of the workday and workweek subject to other applicable provisions in this Agreement. Each unit member shall be assigned a regular, ascertainable number of hours per week.
- C. Unit members working in Outdoor Education may be allowed to work a flexible forty (40) hour workweek schedule, not necessarily limited to the typical eight (8) hour per day shift. The site administrator shall determine flexible workweek schedules after granting the affected unit members the opportunity to provide input.

Section 2: WORK SCHEDULE

- A. The unit member's supervisor shall establish the unit member's work schedule at the time of initial employment. A change in the work schedule is defined as the modification of a unit member's starting and/or ending time of a workday. The work schedule may be changed under **one of** the following circumstances:
 - 1. When mutually agreed to by the unit member and the supervisor or
 - 2. When a unit member is given a minimum of thirty (30) calendar days written notice prior to the effective date of a permanent change in work schedule, or five (5) workdays written notice for a temporary change in work schedule.
- B. In the event of an emergency the supervisor may modify/change the work schedule.
- C. The unit member's supervisor will discuss, with the unit member, any problems affecting the implementation of work schedule changes.
- D. Unit members may be temporarily exempt from a permanent change in work schedule providing the unit member verifies enrollment in a course in an institution of higher education, or verifies childcare issues which conflict with the proposed work schedule change, and which cannot be rescheduled at a time compatible with the proposed work schedule.
- E. A unit member's work schedule shall not be changed temporarily to avoid the payment of split shift or night shift differentials.

Section 3: INCREASES IN ASSIGNED TIME

The District retains the right to increase the assigned workday or work year for unit members, in accordance with the following procedures:

Article 8. Hours of Employment
Section 3 (continued)

- A. Whenever the District increases the workday or work year of a position, it shall offer such increases to unit members who hold the positions being increased.
- B. In the event the incumbent who holds the position declines an offer of an increase to his/her workday or work year, other unit members in the same classification at that site may request the increase in hours and shall meet with the selecting administrator and be considered for the position first, before all others.
- C. Prior to permanent increases in the workday or work year, unit members will be provided at least thirty (30) calendar days advance written notice of the change. Exceptions may be made in emergencies or by mutual agreement of the unit member and the supervisor.
- D. The District may temporarily assign a unit member to a work schedule not routinely worked by such unit member for a maximum of thirty (30) workdays unless otherwise mutually agreed to by the unit member and the supervisor. A unit member shall not be required to accept such assignment unless notified five (5) workdays prior to the effective date of the work schedule change.

Section 4: LUNCH PERIODS

- A. Each unit member assigned for more than five (5) hours per day shall be entitled to an unpaid duty-free lunch period of thirty (30) minutes. Taking into consideration the unit member's preference and needs of the program/assignment, unit members who work more than five (5) hours, but less than six (6) hours per day, may waive their lunch period upon mutual agreement of the supervisor and the unit member.
- B. Unit members shall not be assigned standby, or other duty during the lunch period, and are free to leave the work location during the lunch period.
- C. In accordance with Section 4.A. above, eligible unit members assigned to more than one site shall be provided with a duty-free lunch exclusive of travel time between work locations.
- D. If the unit member's duty-free lunch period is interrupted concerning work-related matters, the unit member shall be entitled to extend his/her lunch period by the same amount of time resulting from the interruption.
- E. Times when unit members may take their unpaid duty-free lunch periods shall be determined by the unit member's supervisor taking unit members' preferences and program/assignment needs into consideration. Normally, the lunch period shall be as close to the middle of the shift as feasible.
- F. Exceptions:

Specific positions may be assigned to work a straight shift, including a paid lunch period, at the request of the supervisor and with the approval of the Association.

Article 8. Hours of Employment
Section 5

Section 5: REST BREAKS

- A. Each unit member assigned for more than three and one-half (3½) hours per day shall be entitled to a fifteen (15) minute paid duty-free rest break approximately midway through the work period. Unit members assigned for six (6) hours or more shall be entitled to a fifteen (15) minute paid duty-free rest break approximately midway through the work period preceding the lunch period and again approximately midway through the work period succeeding the lunch period.
- B. Times when unit members may take their rest periods shall be determined by the unit member's supervisor taking unit member preferences and program/assignment needs into consideration. Unit members shall not leave the work site during rest breaks without permission in advance from their supervisors.

Section 6: SHORTENING OF THE ASSIGNED WORKDAY

Unless mutually agreed between the unit member and the supervisor, unit members shall not be permitted to shorten their workday by foregoing rest breaks and/or lunch periods.

Section 7: EARLY CALL-IN

- A. Occasionally, scheduled activities or unanticipated events may require early call-in of staff. Normally, a unit member called in to work early shall remain on duty until his/her regularly scheduled check-out time. A unit member may request permission to leave work early upon completion of his/her regularly assigned number of hours per day. Unit members shall be compensated for any overtime worked as a result of an early call-in in accordance with the overtime provisions in Article 7, Wages, Section 6, of this Agreement. When unit members have been called in at irregular times, they should confer with their supervisors and arrive at a mutually acceptable schedule for the following shift(s).
- B. Supervisors shall inform the unit members if they are being requested for an early call-in or a change in work schedule.

Section 8: CALL BACK

A unit member who is required to return to duty after leaving such duty station for the day or week will be compensated for a minimum of three (3) hours. In computing overtime in connection with such situations, a reasonable amount of travel time shall be included.

Section 9: OVERTIME

- A. The District reserves the right to assign overtime to any unit member and to compensate unit members for overtime worked in accordance with Article 7, Wages, Section 6. Under normal circumstances, unit members will be given twenty-four (24) hours advance notice of the need to work overtime. In emergencies, this advance notice will not be required. To the extent possible, ordinary overtime work and the method of compensation (either overtime pay or compensatory time off) shall be by mutual agreement between the unit member and the supervisor.

Article 8. Hours of Employment
Section 9 (continued)

- B. When it is not practical or feasible to supplement the existing trained personnel in key jobs with temporary or redirected personnel, the District may mandate overtime in these key jobs for extended periods of time. The supervisor or designee must approve peak period overtime.
- C. Except in an emergency, unit members will not normally be assigned overtime if they have used sick leave on the same workday that the overtime work is available.
- D. When compensatory time is agreed upon, the unit members shall be provided the opportunity to take such time off within six (6) months of accrual. If a unit member requests to take compensatory time off and the request is not granted during the six (6) month period, the unit member shall be paid for the accrued compensatory time. Compensatory time off records should be maintained in the appropriate school/department/site office.

Section 10: RETURN TO WORK PROGRAM

- A. The District is committed to providing transitional work assignments for a limited period to assist unit members who are temporarily restricted from performing their regularly assigned job duties due to an industrial or non-industrial injury or illness.
- B. Transitional work assignments are temporary job tasks that may be a modification of regular job duties or may be alternative job tasks outside the regular job duties, classification and bargaining unit.
- C. Transitional work assignments, without loss of regular pay, will be offered accordingly:
 - 1. Transitional work assignments are made for a maximum of ninety (90) consecutive calendar days.
 - 2. The work is within the restrictions that are outlined by the unit member's primary treating physician.
 - 3. The Return to Work Coordinator, with the input of the unit member, will identify transitional work assignments. Assignments may include work outside of the unit member's classification and bargaining unit.
 - 4. The transitional work assignment may be discontinued or changed as the unit member's restrictions are modified by the unit member's primary treating physician.
 - 5. The transitional work assignment will not result in the displacement or reduction in hours for any other classified employee.

need for the leave. In the case of an emergency, when written notice and request for leave cannot be provided in advance, written notice must be provided as soon as practicable. If the need for Family Care Leave is due to planned medical treatment or

- (1) In conjunction with any written notice and request for Family Care Leave due to the serious health condition of the unit member or to care for a child, spouse, domestic partner, or parent who has a serious health condition, the unit member must submit to his/her immediate supervisor certification from the health care provider of the person requiring care that includes:

 - (2) If Family Care Leave is required beyond the initial estimated date provided by the health care provider, the unit member shall submit a new written notice and request for Family Care Leave before any additional leave will be granted. In addition, the unit member must submit a new certification from the relevant health care provider.
 - (3) If the District has any reason to doubt the validity of any health care provider's certification, the District may require, at its own expense that the unit member obtain the opinion of a second health care provider designated by the District. In the event the second health care provider's opinion differs from the original certification, the District may require, at its own expense, that the unit member obtain the opinion of a third health care provider approved jointly by the District and the unit member. The opinion of the third health care provider shall be final and binding on the District and the unit member.

The District, however, shall not be required to reinstate unit member's returning from a Family Care Leave if, during the unit member's leave, the same or comparable position ceases to exist because of legitimate business reasons and, had the unit member not taken Family Care Leave, he/she would not otherwise have been employed at the time reinstatement is requested. A unit member returning from this leave will take preference over all others except for those laid off, in which case the unit member shall be ranked on the reemployment list according to his/her seniority. Upon resumption of his/her duties, the unit member shall be fully restored as a permanent unit member.

 - l. Seniority Rights. Unit members shall continue to accrue seniority while on leave.
 - m. Health and Welfare Benefits. The District shall continue to provide the health and welfare benefits as provided in Article 9 during the Family Care Leave to a unit member who is otherwise eligible for such benefits. However, a unit member who fails to return from such leave or who works less than thirty (30) days after returning from the leave will be required to reimburse the District for the cost of the benefits package unless the reason the unit member does not return to work is due to the continuation, recurrence, or onset of a serious health condition that would entitle the unit member to additional Family Care Leave (either affecting the unit member or the unit member's child, spouse, domestic partner, or parent) or other circumstances beyond the control of the unit member. The District, however, will not provide such health benefits for a unit member for any leave period beyond twelve (12) weeks unless these benefits are specified by other provisions of this Agreement such as paid illness leave.

The Chief Human Resources Officer or designee, Human Resource Services Division, shall determine that the provisions of this Section have been adhered to and shall grant or deny the application.
4. The Parties encourage unit members who may be eligible for disability payments under the Public Employees Retirement System (PERS) or the State Teachers Retirement System (STRS) to apply for benefits at their earliest opportunity.  - 3. Unit members receiving any compensation under Worker's Compensation provisions shall not be eligible to withdraw days from the Catastrophic Leave Bank until exhausting all such benefits.
 - 4. A unit member whose application for paid catastrophic leave is denied may request that the decision be reviewed by the Contract Administration Committee (CAC). The CAC shall ensure that all information contained in the review remains confidential and that the provisions of this Section were appropriately applied in evaluating the unit member's application. The CAC's decision shall be final and binding.
 - 5. Days from the leave bank shall be authorized on a first-come first-served basis. In the event the Bank is depleted, no further applications to use paid catastrophic sick leave will be granted.
- F. Either Party may request a review of the program annually, in October, and the Parties may mutually agree to negotiate appropriate modifications to the program which shall require formal ratification by the Association and adoption by the Board of Education. If during the annual review, it is determined that the Bank has maintained a balance sufficient to sustain withdrawals for the upcoming year, current members of the Bank will not be required to make an annual donation in order to maintain membership for that calendar year.
- G. The provisions of Sections 19.D.3. and 19.E.4. which relate to the application process and the approval of applications for the use of days from the leave bank shall not be subject to the grievance procedures contained in Article 15 of this Agreement.

The evaluation process is a method of measuring a unit member's performance against the standards of the position (defined as the factors on the Performance Evaluation Report Form).
- B. Performance Evaluation Reports may be used to provide a record of either a deterioration or an improvement in unit member performance or for recording formal commendations for outstanding performance.
- C. The District shall establish and maintain a continuing program of the unit member's performance evaluation. The program shall include provisions for preparation of written evaluations and a means of making the results of such evaluations known to the unit members.

Article 14. Discipline
Section 9 (continued)

Additional continuances may be obtained by mutual agreement of the Parties involved. The hearing will be confined to the reasons for action set forth by the Superintendent of Public Education or designee in the written charges and to relevant defenses set forth in the appeal. Equal opportunity will be afforded the Board of Education and the unit member to present evidence. The findings of the hearing officer will be rendered in writing to the unit member and the Board of Education within seven (7) workdays after the hearing is closed. The decision of the hearing officer in each case is final and effective on the date when rendered.

Section 10: LIMITATION ON NUMBER OF HEARINGS

A suspended, demoted, or dismissed unit member shall be entitled to only one (1) hearing before a hearing officer on the same reasons on which such unit member's suspension, demotion, or dismissal was based.
