East Village High School New Student Application/Essay

Thank you for your interest in East Village High School (EVHS). We offer an accelerated, middle college program in which students earn weighted college credit through our dual enrollment partnership with San Diego City College.

In order to apply to EVHS, students must have a **2.5 GPA (3.0 preferred)** in their most recent academic term. The attached form must be completed by a parent or guardian. In addition, each student must submit a New Student Application Essay to be scored by EVHS staff. The prompt for this essay can be found at the end of the application form. **Successful essays will be a minimum of 250 words in length and reflect a score of 2.5 or above on our school Writing Rubric for Applicants.**

Applicants must also be prepared to submit the following documentation upon request:

1. Middle school or most current transcript
2. Most recent state test scores in English/math.
3. Attendance and/or disciplinary records

Each application will be considered for 1) Strength of GPA/academic history and 2) essay score. Eligible students will be contacted by the school to schedule an interview. **This interview is considered the final component of the application process.** The purpose of the interview is to determine college readiness in accordance with state dual enrollment guidelines and San Diego Unified School District (SDUSD) Procedure 4322. [https://www.sandiegounified.org/sites/default/files_link/district/files/procedures/pp4322.pdf](https://www.sandiegounified.org/sites/default/files_link/district/files/procedures/pp4322.pdf)

**Enrollment interviews are generally scheduled weekdays between 3:00 - 5:00pm.**

**IEP Students:** EVHS is an atypical school of choice open to all students who meet the basic enrollment requirements identified above. Students who are eligible for an individualized education plan may apply in the same manner as general education students. Following a review of the application, parents/guardians of IEP students who meet all requirements will be required to provide the most recent copy of the IEP for review by EVHS resource staff. In an effort to ensure proper placement, a change of placement meeting will be required as indicated by our site [IEP Enrollment Procedures](https://www.sandiegounified.org/sites/default/files_link/district/files/procedures/pp4322.pdf) prior to enrollment.

Please call the school at 619.525.2000 if you have any questions.
