Attention: Renate Mendiola.

Brief Explanation:

PLEASE READ – New Information

Beginning January 1, 2011, a new process was established to obtain time certification information for the district. Each employee that is funded from categorical resources will be listed for each month worked along with the resource used to pay them. **The report includes any hourly work charged to categorical resources.** The principal, division or department head will be responsible for completion of the report. The manager must have first-hand knowledge of the duties performed and the salary funding source.

Review the report to ensure all employees funded from categorical resources are listed on the 2013 Time Accounting Certification Report. If an employee is listed in error or is missing from the report, please note the discrepancy on the report and complete a PAR to correct assignment. The Time Accounting Certification Report is an extremely critical process to the State and Federal Agencies. **It is imperative that the reports are complete and accurate. Failure to complete the certification report may jeopardize the district's ability to preserve Federal or State funding.**

You will receive a copy of this circular with the Time Accounting Certification Report listing all employees at your site. This circular also includes a generic example. **Please maintain a *copy* of the completed certification report at your site.**

Action to be taken

- Principal/department head reviews report to ensure all employees are reported with the appropriate distribution of funding indicated. Note correction on the report and follow-up with the appropriate PAR to correct any funding errors.
- Principal/department head reviews the report and maintains a copy at the site. Send original Time Accounting Certification Report to Renate Mendiola – Finance Division, Education Center, Room 3209, no later than **September 13, 2013**.

Please note: If an employee is no longer at your site, this form is still required. Please do not send the forms back incomplete. If you are able to certify that the employee performed the work under the federal or state categorical program, sign the certification and clearly indicate that the employee is no longer at your site. The responsible official should still sign and return the form by the due date.

Questions regarding this procedure should be directed to Renate Mendiola, at 619-725-7611, e-mail rmendiola@sandi.net.
