Eligibility and Enrollment

The district's subsidized child care and development services may be available to infants and children through age 12 years and to individuals with disabilities through age 21 years in accordance with their individualized education program and Education Code 8208. (Education Code 8208, 8263.4; 5 CCR 18089, 18407, 18422)

Eligible families shall be those who document both an eligibility basis and a need for care, as follows: (Education Code 8263)

1. The family is eligible for subsidized services on the basis of being a current aid recipient, income eligible, or homeless and/or the family's children are recipients of protective

CHILD CARE AND DEVELOPMENT (continued)

services or have been identified as being, or at risk of being, abused, neglected, or exploited.

2. The family has a need for child care based on the unavailability of the parents/guardians to care for and supervise their children for some portion of the day because they are either working, seeking employment, participating in vocational education and training programs, seeking permanent housing for family stability, or temporarily or permanently incapacitated. Alternatively, a family satisfies the need requirement if the child is identified by a legal, medical, social services agency, or emergency shelter as a recipient of child protective services or as being, or at risk of being, neglected, abused, or exploited.

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with admission priorities. As vacancies occur, applicants shall be contacted in order of their priority. (5 CCR 18106)

First priority for enrollment shall be given to neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, upon written referral from a legal, medical, or social services agency. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8263)

Second priority for enrollment shall be given to families who are income eligible, as defined in Education Code 8263.1. Families with the lowest gross monthly income in relation to family size shall be admitted first. If two or more families are in the same priority in relation to income, the family that has a child with disabilities shall be admitted first or, if there is no child with disabilities, the family that has been on the waiting list for the longest time shall be admitted first. (Education Code 8263, 8263.1)

The district shall allow eligible children ages 11-12 years to combine enrollment in a before-school or after-school program with subsidized child care services during the time that the before-school or after-school program does not operate. Children ages 11-12 years, except for children with disabilities, shall be eligible for subsidized child care services only for the portion of care needed that is not available in a before-school or after-school program. (Education Code 8263.4)

After all children eligible for subsidized services have been enrolled, the district may enroll children in accordance with the priorities established by the Board of Education.

The district's decision to approve or deny services shall be communicated to the parent/guardian through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18118)

(cf. 5145.6 - Parental Notifications)

CHILD CARE AND DEVELOPMENT (continued)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 18095, 18119)

1. A determination during recertification or update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that he/she no longer wants the service
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

The Superintendent or designee shall establish and maintain a basic data file for each family receiving child care and development services containing the completed and signed application for services, documentation used to determine the child's eligibility and need, and copies of all Notices of Action. (5 CCR 18081, 18095)

Fees and Charges

Except when offering a program which is prohibited by law from charging any fees, the Superintendent or designee may charge fees for services according to the fee schedule established by the Superintendent of Public Instruction, the actual cost of services, or the maximum daily/hourly rate specified in the contract, whichever is least. (Education Code 8250, 8263, 8273, 8273.1, 8273.2, 8447; 5 CCR 18078, 18108-18110)

However, no fee shall be charged to a family that is receiving CalWORKS cash aid, an income-eligible family whose child is enrolled in a part-day California State Preschool Program, or a family whose income level, in relation to family size, is less than the first entry in the fee schedule. (Education Code 8273.1; 5 CCR 18110)

In addition, any family receiving child care on the basis of having a child who is a recipient of child protective services, or having a certification by a county child welfare agency that child care services continue to be necessary, may be exempt from these fees for up to 12 months. Any family whose child is receiving child care on the basis of being at risk of abuse, neglect, or exploitation may be exempt from these fees for up to three months, unless the family becomes eligible based

CHILD CARE AND DEVELOPMENT (continued)

on receipt of child protective services or certification of need by a county child welfare agency. The cumulative period of exemption for these purposes shall not exceed 12 months. (Education Code 8273.1)

Fees shall be assessed at initial enrollment and reassessed when a family is recertified or experiences a change in status. Fees shall be considered delinquent after seven days from the date that fees are due. Parents/guardians shall be notified in the event that fees are delinquent. If a reasonable plan for payment of the delinquent fees has not been provided by the parents/guardians, services shall be terminated if all delinquent fees are not paid within two weeks of such notification. Parents/guardians shall receive a copy of the district's regulations regarding fee collection at the time of initial enrollment into the program. (Education Code 8273; 5 CCR 18082, 18114, 18115)

Disenrollment

When necessary due to a reduction in state reimbursements, families shall be disenrolled from subsidized child care and development services in the following order: (Education Code 8263.3)

1. Families with the highest income in relation to family size shall be disenrolled first.
2. If two or more families have the same income ranking, children without disabilities who have been enrolled in child care services the longest shall be disenrolled first. After all children without disabilities have been disenrolled, children with disabilities shall be disenrolled, with those who have been enrolled in child care services the longest being disenrolled first.
3. Families whose children are receiving child protective services or are at risk of neglect, abuse, or exploitation, regardless of family income, shall be disenrolled last.

Whenever the district issues a notice to the families who will be disenrolled due to funding reduction, a parent/guardian may appeal the decision only on the grounds that the factors used to determine the family's disenrollment are incorrect. He/she shall submit the appeal within 14 calendar days of receipt of the notice, or within 19 calendar days if the notice was mailed.

The Superintendent or designee shall review the appeal and notify the parent/guardian, in writing, of the district's final decision within 10 calendar days of receiving the appeal request. Services shall continue to be provided pending the appeal decision.

Health Examination

A physical examination and evaluation, including age-appropriate immunization, shall be required prior to or within six weeks of enrollment, unless the parent/guardian submits a letter stating that such examination is contrary to his/her religious beliefs. (Education Code 8263)

CHILD CARE AND DEVELOPMENT (continued)

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

Attendance

Sign-in and sign-out sheets shall be used daily for all children for attendance accounting purposes. Attendance records shall include verification of excused absences, including the child's name, date(s) of absence, specific reason for absence, and signature of parent/guardian or district representative. (5 CCR 18065, 18066)

Absences shall be excused for the following reasons:

1. Illness or quarantine of the child or of the parent/guardian (Education Code 8208)
2. Family emergency (Education Code 8208)

A family emergency shall be considered to exist when unforeseen circumstances cause the need for immediate action, such as may occur in the event of a natural disaster or when a member of the child's immediate family dies, has an accident, or is required to appear in court.

3. Time spent with a parent/guardian or other relative as required by a court of law (Education Code 8208)
4. Time spent with a parent/guardian or other relative which is clearly in the best interest of the child (Education Code 8208)

An absence shall be considered to be in the best interest of the child when the time is spent with the child's parent/guardian or other relative for reasons deemed justifiable by the program coordinator or site supervisor.

Except for children who are recipients of child protective services or are at risk of abuse or neglect, excused absences in the best interest of the child shall be limited to 10 days during the contract period. (5 CCR 18066)

Any absence due to a reason other than any of those stated above, or without the required verification, shall be considered an unexcused absence. After three unexcused absences during the year, the program coordinator or site supervisor shall notify the parents/guardians. Children who continue to have excessive unexcused absences may be removed from the program at the discretion

CHILD CARE AND DEVELOPMENT (continued)

of the program coordinator in order to accommodate other families on the waiting list for admission.

Parents/guardians shall be notified of the policies and procedures related to excused and unexcused absences for child care and development services. (5 CCR 18066)

Rights of Parents/Guardians

At the time a child is accepted into a licensed child care and development center, the child's parent/guardian or authorized representative shall be notified of his/her rights as specified in 22 CCR 101218.1, including, but not limited to, the right to enter and inspect the child care facility and the right to be informed, upon request, of the name and type of association to the center of any adult who has been granted a criminal record exemption. (Health and Safety Code 1596.857; 22 CCR 101218.1)

The written notice of parent/guardian rights also shall be permanently posted within the facility in a location accessible to parents/guardians. Notwithstanding these rights, access to the facility may be denied to an adult whose behavior presents a risk to children present in the facility or to noncustodial parents/guardians when so requested by the responsible parent/guardian. (Health and Safety Code 1596.857)

Records

The Superintendent or designee shall maintain records of enrollment, attendance, types of families served, income received from all families participating in the district's child care and development program, and any other records required by the CDE.
