

ADMISSION

The Board of Education encourages the enrollment and appropriate placement of all school-aged children in school. The Superintendent or designee shall inform parents/guardians of children entering a district school at any grade level about admission requirements and shall assist them with enrollment procedures.

Before enrolling any child in a district school, the Superintendent or designee shall verify the child's age, residency, immunization, and other applicable eligibility criteria specified in law, the accompanying administrative regulation, or other applicable Board policy or administrative regulation. New to district and returning pupils will be initially enrolled in accordance with CA Ed Code birthdate requirements and the district's Board Policies and Administrative Regulations for promotion/acceleration/retention.

(cf. 5111.1 - District Residency)
(cf. 5125 - Student Records)
(cf. 5141.3 - Health Examinations)
(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)

The Superintendent or designee shall ensure that the enrollment of a homeless or foster child or a child of a military family is not delayed because of outstanding fees or fines owed to the child's last school or for his/her inability to produce previous academic, medical, or other records normally required for enrollment.

(cf. 6173 - Education for Homeless Children)
(cf. 6173.1 - Education for Foster Youth)
(cf. 6173.2 - Education of Children of Military Families)

In addition, no child shall be denied enrollment in a district school solely on the basis of his/her arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other contact with the juvenile justice system. (Education Code 48645.5)

(cf. 5119 - Students Expelled from Other Districts)

When enrolling in any district school, including a school in their attendance area, children whose parents/guardians reside within district boundaries shall be subject to the timelines established by the Board for open enrollment. Children whose parents/guardians do not reside within the district or who are not otherwise eligible for enrollment in the district may apply for interdistrict attendance in accordance with the timelines specified in applicable Board policies and administrative regulations.

(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5117 - Interdistrict Attendance)

ADMISSION (continued)

(cf. 5118 - Open Enrollment Act Transfers)

The district's enrollment application shall include information about the health care options and enrollment assistance available to families within the district. The district shall not discriminate against any child for not having health care coverage and shall not use any information relating to a child's health care coverage or his/her interest in learning about health care coverage in any manner that would harm the child or his/her family. (Education Code 49452.9)
