According to your site's Assignment Book, are there teachers at your school site who are not District GATE Certified but are teaching a GATE Cluster class for this school year? Yes No

Has a waiver been completed for these teachers? Yes No

How do the GATE Cluster classroom teachers identify academic skill levels and provide direct instruction, interventions, and/or acceleration for students identified as GATE Cluster?

Our Humanities GATE team works as a PLC through planning days to plan for differentiation. This includes:

- Pre and post assessments for reading and writing- "Perfect" writing/constructed responses
- Socratic Seminars with reflections
- Independent study projects (mid/end-of-year)
- Tiered projects
- Direct instruction

In addition to mastery of CCSS, what are your GATE program goals?

- A stimulating and challenging environment that provides a differentiated curriculum focusing on greater depth, pacing, complexity, and novelty as an integral part of the school day.
- Effective communication and articulation between the school, home and community via EdConect, e-mail, website, newsletters and brochures.

- Integrated learning experiences through interdisciplinary units.
- Development of skills in using technology.
- Opportunities for students to develop and nurture interpersonal and social skills.
- A comprehensive, research-based staff development program for teachers and parents that supports the academic, social, and emotional needs of advanced learners.
- Service to GATE identified students as well as all students with recognized gifted potential.
- Intentional enrollment of students from under-represented populations within GATE-Cluster classrooms.
- A Site GATE Team made up of the administrator, GATE Team Leader, teachers, parents, counselors and community members that meets periodically throughout the school year to discuss issues relevant to Gifted Education.
- Other: GATE Team made up of administrator, team leader, School Psych, counselor, teachers, parents and discuss issues related to GATE at SSC meetings and share out GATE DAC information.

What curriculum modifications are implemented to provide depth, complexity, and novelty within your GATE Seminar classes?

- The use of formal and informal assessments before, periodically during, and after each unit of study to determine level of differentiation of instruction.
 - Once levels of performance are evaluated, teachers determine appropriate balance of direct instruction, student driven inquiry and meaningful rigorous extension work.
 - Students grouped by ability in partnerships, small group, and/or whole class lessons based on assessment.
-

Instruction includes the ongoing use of GATE Best Practices (Check All That Apply):
