Session 2 Assessment: Public and Private Places and Body Parts

Category 1: True/False and Open Ended

Public vs. Private Places and Behaviors

1. Name 3 public places and name 3 private places.

Answer: Public places: school, park, pool, movie theater, mall, school bus.

Private place: bedroom and bathroom or a house/apartment when other people are not around.

2. What are things you can do in a private place?

Answer: sleep, study, read, listen to music, masturbate, take off or change clothes.

Public vs. Private Body Parts

1. What is the difference between public and private?

Answer: Public: other people are around and can see you and your public body parts.

Private: you are away from other people and they can't see you or your private body parts.

2. Name two public body parts and name two private body parts.

Answer: Public: hands, face, feet, arms, and legs.

Private: breasts, vulva, buttocks, penis, scrotum, and testicles.

Category 2: Tally

Educator or Data Recorder: Begin by reading a question and the three possible answer choices so students can hear all options. Read the question again and as you go through the possible answer choices, have students raise their hand when they hear the option they think is correct and put tally marks in the appropriate boxes.
