

LCFF Report in PowerSchool

1. Select **sqlReports**
2. Expand the group of **Parent/Student Portal**
3. Run **LCFF Form Information** report

The screenshot shows the PowerSchool SIS interface for San Diego Unified School District. The breadcrumb trail is "Start Page > sqlReports". The left sidebar contains a "Functions" menu with "sqlReports" highlighted by a red arrow. The main content area is titled "sqlReports" and has a navigation bar with tabs for "System", "ReportWorks", "State", "Engine", "Setup", "SDUSD", and "sqlReports" (the last one is highlighted with a red box). Below the tabs is a table of reports with columns "Report" and "Title". The "Parent/Student Portal" report is expanded, and the "LCFF Form Information" report is highlighted with a red arrow.

Run sqlReport -

Label	Value
Name	LCFF Form Information
Description	This report will list students who are currently enrolled at your school, the parents/guardians who have or have not submitted the LCFF Form for the selected school year on the Parent Portal.
Directions	
Include Parents who submitted the form	<input type="button" value="No"/> Select yes if you want the report to show who has turned it in, otherwise "No" will only show who has not
Run for the selected students	<input type="button" value="No"/>
