

What to Do When You Receive Your eProcurement Orders

This information is intended for all district employees who create and submit eProcurement requisitions for a site or department.

This information comes straight from our SDUSD Supply Center Supervising Stock Clerk to help ensure that your budgets continue to be funded and used the way you want and support the timely payment to the vendors and suppliers from whom you make your purchases.

Please follow these important steps throughout the year.

Special Requests (Important!)	<ul style="list-style-type: none"> AS SOON AS YOU RECEIVE THE GOODS OR SERVICES YOU ORDERED: <ul style="list-style-type: none"> ➤ Sign and date the accompanying packing slip(s)/invoices ➤ Scan the signed & dated packing slips to create a computer file ➤ Send an email to the Supply Center: supctrec@sandi.net with the scanned computer file attached. <ul style="list-style-type: none"> ▪ Be sure to type the P.O. number of that order in the Subject Line of the email (<i>you can find the P.O. # for the order in your Manage Requisitions page in eProcurement online. Don't use the ePro Requisition number</i>). ▪ In the email message, include any details about any damaged or missing items. State whether or not the items received are in good condition. ▪ The email message should say something like this: "Please create a receipt on P.O. 1234567" Additional details are welcome. ▪ For Term P.O.'s, attach the scanned packing slip or invoice after you have signed and dated it. Term POs needing dollar amount receipts should indicate the dollar amount for each receipt. Write in, circle or highlight dollar amount on attached packing slip or invoice. IMPORTANT! Send the above emails WEEKLY, not monthly. Please don't save them up and send 1-2 months' worth of these emails all at once. When you send many of them at once, it backs things up and slows everything down, especially near year-end. Plus the vendors need to get paid ASAP, and not months after the order was filled.
