EBS First Grade Homework  
Week of 2-11-19  
NAME: ___________________  

---

**MONDAY**

*Creative Writing*

Choose one of the following topics to write about.

Your writing should be at least 4 sentences long, make sense, and have correct punctuation.

1. Write about at least 5 things that make you happy. Be sure to include reasons why those things make you happy to help support your thinking.

2. If you could become a different member of your family, who would you become? Why would you want to become that family member? Describe what you would do as that family member.

**OR**

*Book Report*—— Choose one FICTION book you read this week. Write at least 3 sentences that describe the beginning, middle, and end of the story. *Try to use vocabulary and character names from the story to make your sentences more descriptive.*

---

**TUESDAY**

*Reading*——Read for at least 15 minutes independently or with a partner and record one or more of the book titles on your reading log.

*Math—Complete one or more of the following math activities.*

1. Choose at least 5 two digit numbers from 10-50. Draw 10’s and 1’s to represent each number you have chosen.

   Example: I chose 23

   2 tens 3 ones

2. Angie starts counting at 106. She says 107, 108, 110, 111, 112…

   What number did Angie forget to say? Explain how you know.

3. Complete the following word problem.

   Isla picked 34 flowers. She put each group of 10 flowers into different vases. She gave the leftover flowers to her teacher.

   Draw a picture to solve and write math statements to answer the questions.

   *How many groups of 10 did Isla have?*
   *How many leftover flowers went to her teacher?*
*THERE WILL BE NO HOMEWORK OVER THE PRESIDENT’S DAY WEEKEND*

**WEDNESDAY**

*Reading*—Read for at least 15 minutes independently or with a partner and record one or more of the book titles on your reading log.

*Math*—*Complete one or more of the following math activities.*

1. Draw the chart below and write, which numbers are missing.

<p>| | | | | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>65</td>
<td></td>
<td></td>
<td>70</td>
<td></td>
</tr>
<tr>
<td>75</td>
<td></td>
<td>80</td>
<td></td>
<td></td>
</tr>
<tr>
<td>85</td>
<td></td>
<td>90</td>
<td></td>
<td></td>
</tr>
<tr>
<td>95</td>
<td></td>
<td>100</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

2. Why does the number 37 have 3 groups of 10 and not 4 groups of 10? Explain your thinking with math statements.

3. Complete the following word problem.

   The monkeys have 43 bananas. 10 bananas are in each bunch. Draw a picture to solve and write math statements to answer the questions.
   *How many banana bunches are there?*
   *How many bananas are left over?*

**THURSDAY**

*Reading*—Read for at least 15 minutes independently or with a partner and record one or more of the book titles on your reading log.

*Word Study*—Complete one of the following spelling activities. This week’s words are: sang, sung, song, winter, free, lake, paper, & Sunday.

1. Write each of your spelling words in **ABC** order. Then highlight all the **vowels** (a, e, i, o, u) with a **red crayon** and all the **consonants** (b, c, d, f, g, h,) with a **blue crayon**.

2. Write each of your spelling words in a sentence. Make sure to start with a capital and end with punctuation (. ? !). **Reread your sentences to make sure they make sense and underline the spelling word in each sentence**.

**FRIDAY-SATURDAY-SUNDAY**

Take time out for family and friends. Be generous with your time and love. Also, remember to snuggle up with a good book for fun each day.
