You will be contacted within three days after receipt of your application.

ENROLLMENT

Students accepted for enrollment will be scheduled to meet with their supervising teacher. Please arrive at the school office 15 minutes before your scheduled appointment to complete enrollment forms and be sure to bring:

- Dental assessment form signed by a licensed dentist (for students entering their first year in public school either in Kindergarten or 1st grade).
- Health check-up verification form signed by a physician (for students entering their first year in public school either in Kindergarten or 1st grade).
- Withdrawal slip if the school year is underway. Don't withdraw until notified of an enrollment appointment.
- Interdistrict Transfer if student resides outside San Diego City Schools’ district.

After meeting with your supervising teacher and signing your contract, textbooks, syllabi, and other school materials will be issued.

If you have questions, wish to discuss the school program or tour the site, please contact us.
