I acknowledge and understand the following:

- Students are permitted to park on school premises as a matter of privilege, not of right;
- The school system retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property;
- The school system may inspect the interiors of student automobiles whenever a school authority has reasonable suspicion to believe illegal or unauthorized materials are contained inside the automobiles;
- Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant; and
- If my child fails to provide access to the interior of the car that he/she drove to school upon request by a school official, he/she may be subject to school disciplinary action and the revocation of his/her parking permit.
- Students must park in the designated student parking lot and parking permit must be displayed on rear view mirror. Permits will only be valid for this school year.
- No student may go to the parking lot during the school day—including lunch shifts.
- Excessive parking violations or tardiness to school will result in loss of the student’s parking permit for the remainder of the semester. More than 5 tardies per semester is considered excessive.
