Welcome to Room 454! While in this class we need to follow rules so that the teacher feels safe to teach and the students feel safe to learn.

1. **LISTEN CAREFULLY.**

- Be silent and attentive when the teacher or classroom visitor is talking.
- Be silent and attentive when another student has permission to talk.

2. **FOLLOW DIRECTIONS THE FIRST TIME THEY ARE GIVEN.**

- I will never ask you to do anything illegal or immoral, but when I do ask you to do or not to do a task, I expect it to be done immediately and without complaint.

3. **WORK QUIETLY. DO NOT DISTURB OTHERS.**

- Please avoid tapping, making noises, sighing or yawning loudly, talking, rapping, singing, etc. while I am teaching or while your classmates are concentrating.

4. **RESPECT OTHERS. BE KIND WITH YOUR WORDS AND ACTIONS.**

- Namecalling, harassing, and using profanity causes problems and creates a negative vibe.
- Disrespect of other students or their ideas is not okay for you to do.

5. **RESPECT SCHOOL AND PERSONAL PROPERTY.**

- Only touch, take, or write on things that belong to you, unless you have permission.
- Borrow or use materials only with permission.

6. **WORK SAFELY.**

- Horseplay, playfighting, running, tripping, hitting, crawling on the floor, and throwing objects is dangerous and will not be allowed.

**Breaking the rules will have negative results.**
**Following the rules will have positive rewards.**
