The following is a list of student school supplies that may greatly benefit your child’s ability to stay organized and productive during the school year. It is not required that these items be purchased and is meant only as a suggestion:

1 backpack/bookbag
1 wireless computer mouse for use with student netbooks
1 three-ring binder
1 package 500 sheets **college-ruled** notebook paper
1 set dividers
1 pen pouch
1 package blue ballpoint pens (usually come 8 – 10 per package)
1 package black ballpoint pens (usually come 8 – 10 per package)
1 red ballpoint pen (NOTE: Used only for student editing/correcting purposes)

The following are requested as donations to your child’s English classroom and will be used there by all students in my classes. These items are not supplied by the school to teachers. Your generosity in choosing even one of these items to donate would be most welcome. Thanks for raising the “fun” quotient of our class!:

- Kleenex (or any brand of facial tissue) **DESPERATELY NEEDED**!
- Wetwipes or other moist “babywipes” towelettes for cleaning off messy hands
- package of colored paper (especially red, acid green, and light blue)
- package of school-themed design paper suitable for printers
- labelmaker (Brother PT-D200, Epson LW-300)
- set of colored pencils

Of course, your time and expertise are always appreciated. Would you like to volunteer to help in some way? Perhaps you’d like to be a guest speaker or a classroom benefactor. I’d be happy to work with you to provide richer academic experiences for our kids. Please feel free to contact me regarding these or any other ideas you may have. Thanks!
