The ALMA Drama Program is designed for students to explore the subject of drama and the various aspects of performing arts. As they continue in the program, students will be involved in a number of school productions and community events.

The ALMA Drama program connects students more deeply to the world and opens them to new ways of seeing which creates the foundation to forge social bonds and community involvement. The students become critical thinkers, decision makers, and uses all their skills learned in their core classes.

Recently, the drama department has partnered with the Playwrights Project, which encourages and helps students write their own plays through a 13-week in-school workshop. The department also offers a fun and creative dance program through their partnership with Eveoke Dance Theatre.

In collaboration with the music department, ALMA presents *A Christmas Chaos* on December 20 and 21 at 6 pm. A rag-tag group of performers try to do *A Christmas Carol* with music interludes and a rousing sing-a-long.
