**Please read the following policy carefully. After discussing it with your parent, please complete and sign the bottom portion. Please return it to your advisory teacher by January 25, 2019.**

Challenger Middle School's first priority is preparing students for high school both academically and socially. We are monitoring every student and want to make every effort to ensure their success.

We celebrate the accomplishments of our 8th graders at the end of the school year with a dance and promotion ceremony. We also have other fun activities throughout the school year. In order for 8<sup>th</sup> graders to participate in these activities, it is essential that students maintain appropriate academic progress and behavior.

To qualify for an activity, the student must meet the participation requirements on the grading period prior to the activity as identified on the Grading Period Chart below.
