

Unlocking The Genius

1. What are we doing? What is UTG? <https://youtu.be/YvEP5sFMVwc>
2. Student sign-in instructions: Click on the link to watch video instructions. <https://vimeo.com/230716881>.
3. Students go to the Thrively webpage (www.thrively.com/login)

To log in: click on the Google Log-in Button (see image below)

For example:

Student Liz Mariposa has a student ID of: 444335.
Her active directory password is: Fun#School17
Her email/username for Google is: 444335@stu.sandi.net
Her password is: Fun#School17

(If students are having difficulty logging in to Thrively, please contact your school site's IT representative.)

4. Select the course for your grade level and start with XP1.
Example:
 1. Students in grade 6 will click on the "Unlocking The Genius: 6th Grade Edition" course. [https://www.thrively.com/dashboard/child/0/course/-KubvJJXK_EN9-s -yuE?courseLoad=true](https://www.thrively.com/dashboard/child/0/course/-KubvJJXK_EN9-s-yuE?courseLoad=true)
