

Senior Portrait Information 2017-18

All senior portraits need to be taken by October 31 and the yearbook photo selected by October 31 also.

Senior portraits were taken by Prestige/Lifetouch during kickoff/registration days on the PHHS campus from August 15-22. This was a change in location and dates from recent years in an attempt to make it more convenient for PHHS families.

Seniors who have not had their portrait taken yet need to call Prestige/Lifetouch at 858-935-6969 and make an appointment at the Prestige studio. The portrait needs to be taken by October 31 in order to appear in the yearbook. There is no charge for an appointment if you are only taking a yearbook photo.
