

Senior Portrait Information 2017-18

Senior portraits will be taken by Lifetouch during kickoff/registration days on the PHHS campus from August 15-22. This is a change in location and dates from recent years in an attempt to make it more convenient for PHHS families.

Lifetouch mailed to PHHS juniors a packet with information on appointment days and times. If you did not receive a packet or if you need help with changing your appointment, please call:

Lifetouch at 858-935-6969.
