Student participation in senior activities such as prom and commencement is a privilege, not a guaranteed right. Early Grads **MUST** clear all unverified absences, tardies, and debts prior to attending any extracurricular activity. Student participation is not required, but every eligible graduate who wishes to participate must adhere to the rules set in place for participation in senior activities including commencement. Seniors currently enrolled at Kearny will need to clear all debts and attendance no later than June 6, 2019. Please check in with your small school for Saturday School dates
