

La Jolla Elementary School Suggested/Optional Supply List
School Year – 2017-2018

The following is a list of supplies that each child will need for his/her designated grade. Please know that while we would appreciate your donation of the listed items, supplying them is completely optional. Our PTO provides funding to classrooms for supplies that are not donated by the parents in the classroom. Please also note that while we list brands because the teachers are familiar with the quality of these products, you may certainly substitute the brand listed with any like product. **Thanks for your continued support.
