

Sign Up For Loma Portal's Seed to Sale Garden Club This Year!

Come grow with us!

Join our growing group of Loma Portal Farmers and help your community enjoy the healthy harvest from our edible school garden. There's so much life to discover, and food always tastes better when you grow it yourself. So come learn about the circle of life, harvest vegetables for yourselves, your school cafeteria and 3 student run farm stands so your friends and family can enjoy it too! Reserve your space early - this club is sure to fill fast!

Jan 18th - March 8th

All students welcome!

Thursdays 12:45 - 2:00 p.m.

**Farm Stands: February 1st, February 22nd,
March 8th**
