# IB-MYP Community Project

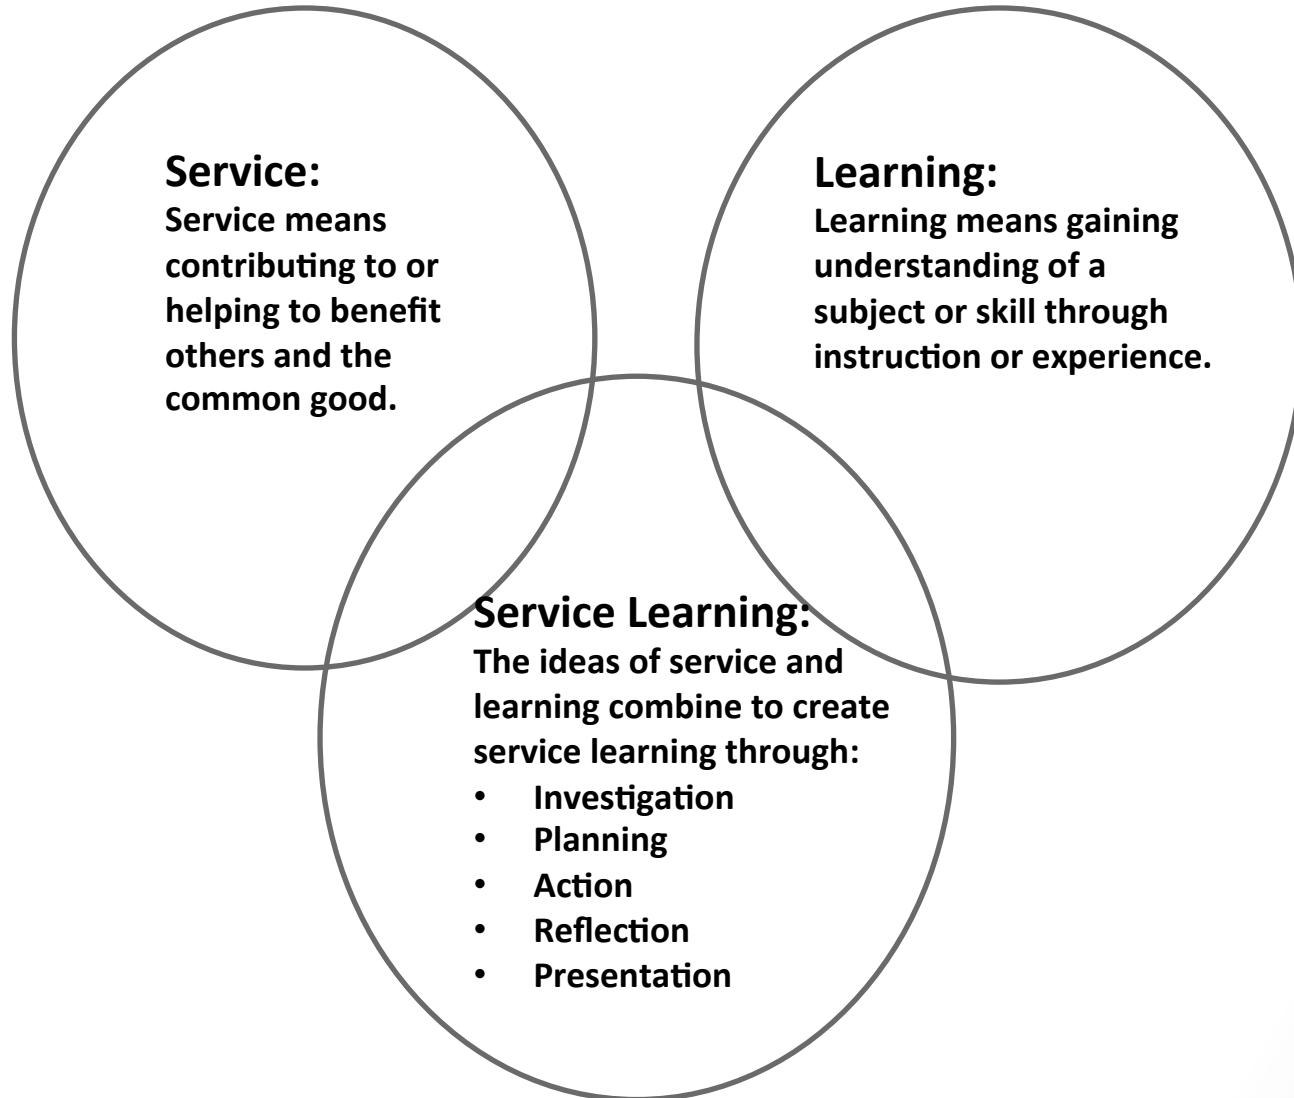

# What is the IB-MYP Community Project?

- The community project focuses on community and service and gives students an opportunity to develop awareness of needs in various communities and address those needs through service learning.
- The community project engages students in a sustained, in-depth inquiry leading to service as action in the community.
- The community project is completed in groups of a maximum of three students or individually.
- Is a required component for IB that all students in 8<sup>th</sup> grade must complete
- Is a requirement to participate in 8<sup>th</sup> grade promotion

# What is Service Learning?
