

Mrs. DeWitt holds a Master's degree in Cross-Cultural Education and a BA in both English Writing and Spanish Language. Prior to becoming an administrator, she taught Spanish, AVID, ESL/ELD, and English at the high school level. She also served as a coordinator for English Learners and schoolwide interventions. Before her arrival at Scripps, she was a vice principal who oversaw the development of master schedule, after school supports, and social/emotional services. In her role as principal, Mrs. DeWitt hopes to provide ALL students with the opportunities they need to be successful in high school and beyond. She is passionate about establishing partnerships within the community to better serve students and looks forward to working as a team with all stakeholders.

Mrs. DeWitt is the administrative contact for staff development, budget, master schedule, counseling, ASB, CCTE, Social Science, and classified staff.
