

Integrated Mathematics II

Serra High School

2016-2017

Instructor: Mr. Adams

Email: wadams@sandi.net

Course Description:

Our textbook is called Integrated CME Project Mathematics II. The focus of the Mathematics II course is on quadratic expressions, equations, and functions; comparing their characteristics and behavior to those of linear and exponential relationships from Mathematics I. This course includes standards from the conceptual categories of Number and Quantity, Algebra, Functions, Geometry, and Statistics and Probability (from *California Common Core State Standards: Mathematics*). Students will strive to achieve both Common Core content standards (what we know and are able to do) and practice standards (how we do it).

A complete list of common core standards for this course may be found at <http://www.cde.ca.gov/be/st/ss/documents/ccssmathstandarAug2013.pdf>.

Classroom Rules and Expectations:

Students will...

- Be on Time
- Be Prepared
- Be Respectful
- Be Responsible
- Stay Positive

Although bottled water is allowed, other food or drink is not permitted.

All school rules will be enforced.

Consequences:

1. The first violation of the above expectations will result in a warning.
2. Two warnings in one class period or 3 in the same week will result in a parent phone call or email.
3. A student, teacher, parent, and/or administrator conference may be held.

Course Materials:

The following supplies are recommended:

- Notebook or 3-ring Binder with Binder Paper
- Pencil or pen
- Graphing Calculator *
- Graph paper

* A limited number of Texas Instrument graphing calculators are available for checkout from the Media Center

Grade Scale:

90 – 100%	A
80 – 89%	B
70 – 79%	C
60 – 69%	D
0 – 59%	F

Grading:

Homework & Classwork	30%
Tests & Quizzes	55%
Final/Midterm	15%

Homework Policy:

Homework is comprised of any assignment you don't finish in class. It must be completed neatly. Homework will be collected as a packet every Friday. Late homework will be accepted for 70% credit.

Tests/Quizzes:

Students should expect one quiz and one test for each chapter. Students may do corrections on tests and quizzes to raise their grade. You will need to solve correctly each problem you missed, and write a brief explanation of what you did wrong to earn up to half the points you missed. You will have until the next test to complete test corrections or make up a missed test. It is the **student's responsibility** to meet this deadline!

Absences:

In the case of an absence, students have one day for each day missed to make up work. It is the **student's responsibility** to come to me for any missed assignments.

Citizenship:

- Conduct that is deemed inappropriate by the school in the student handbook may be subject to a lower citizenship.
- Attendance/tardiness/truancies will affect your citizenship. 4 tardies or unverified absences will receive an N and any additional will receive a U.

Tutoring:

- I am available every day before school and during lunch in my classroom.
- If you wish to meet after school, please schedule a day with me first.

Cheating:

Cheating, in any form, will not be tolerated. Any instance of cheating will be handled according to school policy. Please see page 14 of the Student Handbook for more information.

Return this page by Friday Sept 2nd
This will be counted as your first homework.
