Music Class Revue

December 17-21, 2018

TPES Auditorium

Just as we did last year, during the week of December 17-21, we invite you to observe our Musical Revue, when the students will be featured in small groups, entertaining you with their favorite musical numbers.

Please review the schedule below for the date and time that your student's class is in their musical rotations.

- Please wait outside the auditorium until you are invited in to be seated (*performances are back to back*).
 - *Seating & performances will occur in as timely a manner as possible.*
- Rotations are still taking place in all other disciplines - the teachers will be releasing and retrieving each class of students.
