

Friday, Sept. 2, 2016

ANNOUNCEMENTS:

Attention Juniors & Seniors: Are you interested in learning about the field of engineering and what it can offer you in college and careers? UC High is offering introductory engineering courses for the first time! Principles of Engineering is an available elective that will offer insights into the major concepts that you will encounter in a college engineering course. Come find out about the engineering process, robotics, energy, and programming! Come see Mr. Richardson in Rm. 225 during lunch, or speak with your counselor. (Richardson)

Attention All Students: Would you like to audition for our Fall play? Calling all aspiring actors to join our show! See Mr. Moody in Rm. 214 during lunch or after school for more information about how to prepare a monologue for ***Almost, Maine***, our production for this year's dinner theater. Auditions will take place at 2:30 on Tuesday, Sept. 6th. See you there! Also, if you want to be involved in the production, see us every Wednesday for Theater Club meeting in Rm. 214 during lunch. Break a leg! (Moody)

Club Rush will be on September 16th. Pick up a club constitution form in the Attendance Office or Rm. 202, and then turn it in by Sept. 12th to Rm. 202. (Fallon)

Class dance practices for the October Pep Rally will begin soon. Please go to Rm. 202 during lunch next week if you are interested in participating. (Fallon)

The 2016 Football Season is now underway with a big win vs Sweetwater last week! All students still interested in playing football are encouraged to come out! If interested, please see Coach Josten in B-19 to complete the Athletic Clearance requirements, and see Coach Price in the B-22 bungalow at 3 pm any day after school. Go Cents! (Coach Price)

The first recycling meeting will be Tuesday, Sept 6th at lunch in Ms. Chadwick's room, 601. New members are welcome! We will be starting the recycling program again this year so PLEASE ONLY place paper and cardboard into the little blue bins in each classroom. The recycling club will get all the recycling to the recycling dumpster each week. Bottles and cans can be thrown in the trash and will be taken care of appropriately. (Chadwick)

Science Olympians-please come to room 604 at lunch today for a quick meeting. Anyone interested in joining is welcome to come find out what we're up to! (Quessenberry)

What's Up, UC? This is a reminder to all of you to start stretching! The Limbo Contest is taking place in the Quad on Tuesday, Sept. 6. Come on down to compete for class points! All UC Cents are calling out to Mr. O, Mr. P, and all other staff. Hope to see you there! (Fallon)

Attention all students: Are you interested in engineering design and robotics? UC High is forming a Robotics Club that will be designing robots and participating in competitions throughout the school year. No special skills or previous experience required. Opportunities include designing, metal working, programming, brand marketing, business and fundraising, community outreach, and many more. No requirement needed for math or science skills, just a willingness to work as a team, create, and have fun! If interested, please see Mr. Richardson in Rm. 225. (Richardson)

Seniors: There will be a TAPEX fundraiser all day TODAY. Please come and support your class. Also, next Tuesday through Friday, we will be selling Senior Class shirts for \$22 in front of the Student Store during lunch. And, on Friday, you will be able to get FREE tattoos and face paint for the game if you buy a shirt! Let's Go, Seniors! (Fornier)
