Centurions-It is vital that everyone keep safety in mind when arriving and leaving campus each and every day. Ignoring crosswalks and running across a busy roadway, especially Genesee Avenue, is never smart. Not only is it unsafe, it's illegal. Furthermore, when leaving school by foot, be sure to use the newly constructed walkway. Students found crossing the street at a non-designated spot, or walking in a traffic area, may receive consequences that include Saturday Success School. Be Smart and Be Safe! (Paredes)
