Brief Explanation:

This circular provides a clear and consistent timeline and process for senior grading, transcript distribution, Grad Doc completion, and district exit verification for the 2019-20 school year in order to meet internal and external state reporting deadlines (i.e. CA Dashboard) and in consideration of staff work year calendars.

General Overview

**Exit Code: 100**

*Document Type 1, 2, 3, or 4*

Central office will assign Exit Code 100 to all students with Grad status, “SDUSD Graduate” and Diploma Types: 1, 2, 3, or 4.

Use this Grad Doc code to report students under the following Document Types:

**Document 1 or Document 2** *(SDUSD UC A-G Diploma)*

Students who have met all graduation requirements, by June 2019.

**Document Type 3 or 4:** Require waiver on file. Waiver needs to be included on Principal’s Certification of Graduates.

**Participation in Senior Activities:**

Only students who earn a diploma or certificate of completion by June 2020 may participate in commencement and senior activities in June 2020 *(reference Site Operations Circular # 2005)*.

**Exit Code: 120**

*Document Type 3: Certificate of Completion (Completer)*

Students who have earned a certificate of completion by June 2020.

**Important COC Note:** Certificate of Completion documents type will only be recorded in Grad Doc with documentation of parent consent as identified in the IEPs: “Parent Signature Page”, indicating the student is not in a course of study working toward high school diploma (i.e. non-diploma bound).

Student should only be awarded a COC when they are ready to leave the district.
Consideration should be given to asking 10-month registrars to work past their last day to complete the tasks needed to accurately accomplish the above responsibilities that are key to final district state reporting. The OTBS contract must be followed in terms of payment for time worked or for compensatory time recorded.

The district office will centrally change all Class of 2020 exit codes to graduate or certificate of completion, as reported on Grad Doc in June 2020. After summer school, the remaining class of 2020 students will be verified in PowerSchool to determine if they met all graduation requirements or if they are pre-enrolled in PowerSchool for the upcoming 2020/21 school year.

Sites will be responsible for verifying exit codes of all outstanding Class of 2020 students via the District Exit page by the 8/7/20 due date. Students not verified by the site will be reported as “Dropouts” for CALPADS reporting purposes.

**Federal Guidelines of Official Student Exit Documentation is explained in full detail in Site Operations Circular No. 2030: Monitoring District Leavers**

Per state and federal guidelines, **official written documentation** must be kept on file for students who leave the district before graduating and (1) enroll in a California private school or (2) enroll in an out-of-state school. Information provided by a parent or friend of the family whether in-person, by telephone, or email is NO longer considered sufficient documentation for these two types of transfers.

Examples of official written documentation include:

- A records request from the receiving school (mailed, faxed, or emailed).
- Written communication from an official at the receiving school acknowledging the student’s enrollment (mailed, faxed, or emailed).
- A copy of the student’s school schedule or report card on the receiving school’s letterhead.
Please note that if a student moved out of the country, information provided by a parent or friend of the family, and noted as such on the District Exit page, continues to be sufficient documentation.

The deadline for documenting Class of 2020 “district leavers” on your list is August 7, 2020; for the Class of 2021 or later, the deadline is October 23, 2020. After these deadlines, the exit codes for students without the required documentation will be changed to E140 (Dropout – truant) or E400 (Dropout – unknown reason).

If you have any questions regarding the district leavers process, please contact Mara Bernd (mbernd@sandi.net, 619.725.7164). Thank you for your efforts with this important task.

For additional information, contact Operations Specialist Veronica Ortega at (619)725-7284 or vortega1@sandi.net.
