Brief Explanation:

California Education Code requires employers to have a work permit for each person under the age of 18 years working at their place of business. This regulation helps ensure the safety and well-being of the working minor. School districts issue work permits to make sure that employers of minors act within compliance of child labor laws and regulations and that the education of the minors is not being impaired by employment.

Secondary principals are asked to designate one member of their staff, and an alternate, to be the contact to sign applications and issue temporary work permits for students at their school site as part of their regular assignment (i.e., site registrar, counseling secretary, head counselor). The person(s) designated should be employed full-time and be in a position to monitor the students’ academic performance and attendance. By having a signer at each site, students may obtain temporary work permits in a timely manner and not jeopardize their employment.

A training on basic child labor laws/regulations and work permit application procedures has been scheduled for new designated signers. **There will be six (6) training opportunities: 1:30 pm to 3:30 pm on September 18, 19, 20 and September 25, 26, 27.** The training sessions will be held at the Revere Center, Room #3. New signers are asked to choose and indicate which training session they will be attending. The attached signature sheet has space for each signer to indicate the training date that best suits his/her needs. New signers must attend the training before signing any work permit applications.

Please complete the attached form with the signature(s) of your site’s designated work permit signer(s) and return it by **September 15, 2017** to Dawn Marino, Work Permit Office, Revere Center, Room #3.
NOTE: Your site may experience a large number of student requests for seasonal work permits in the coming weeks. By designating your site’s signer(s) now, your site will be able to assist these working students in obtaining new permits in a timely manner.

If you have any questions regarding work permits for minors, please call Dawn Marino, Work Permit Technician, at (858) 627-7355 for clarification.
