Subject: END-OF-COURSE EXAMINATIONS FOR HONORS-LEVEL COURSES

Department and/or Persons Concerned: High School Principals and Vice Principals; High School Counselors, High School Honors Teachers

Reference: None

Action Requested: Review guidelines and implement immediately

Brief Explanation:

This circular provides updated procedures regarding End-of-Course Examinations for all district-created honors-level courses. All district-created honors-level courses must satisfy the following University of California ‘a-g’ requirements:

1. Honors-level courses are specialized, advanced courses intended for 10th, 11th, or 12th grade students who have already completed foundation work in the subject area; however, any student demonstrating an interest in the course should not be excluded from participation.
2. Students in the 9th grade enrolled in any honors-level courses will not be eligible for the UC honors designation per University of California “a-g” requirements, <http://www.ucop.edu/agguide/a-g-requirements/honors/index.html>. Weighted credit will not be awarded to students enrolled in 9th grade honors-level courses.
3. Honors-level courses being considered for the UC honors designation will have a non-honors equivalent course offered at the same frequency (e.g., annually, every other year, etc.), in the same subject area, and at the same grade level.
4. For recommended prerequisites, see the district Course of Study, <https://www.sandiegounified.org/course-study>.
5. Honors-level courses must have a comprehensive district End-of-Course Examination. The purpose of the End-of-Course Examination is for students to exhibit depth of knowledge and sustained mastery of subject material. Weighted credit will not be awarded to students who do not participate in the comprehensive district End-of-Course Examination.
6. All students enrolled in honor-level courses must take the district End-of-Course Examination. All student scores on the district End-of-Course Examination must be uploaded to Illuminate for reporting purposes. (For Illuminate support; <https://www.sandi.net/staff/illuminate/getting-started-illuminate>).
7. If students enrolled in honors-level courses do not take the district End-of-Course Examination, student transcripts will reflect an academic mark in the non-honors equivalent course.
