ADMINISTRATIVE CIRCULAR NO. 216  
Office of Instructional Innovation

SAN DIEGO UNIFIED SCHOOL DISTRICT

Date:  October 1, 2019

To:  High School Principals, Counselors, and Registrars

Subject:  2019-2020 GPA UPLOAD FOR CALGRANT & FAFSA SUBMISSIONS

Department and/or Persons Concerned:  High School Administrators, Head Counselors, School Counselors, Registrars, PowerSchool Power Users

Due Date:  Follow all Cal Grant timelines as specified within this circular

Reference:  Administrative Procedure 4770: Graduation from Senior High

Action Requested:  Ensure data needed for the Cal Grant GPA upload are updated in PowerSchool by the deadlines outlined.

Background:
Education Code 69432.9 requires that all public schools electronically submit grade point averages (GPA) for all grade 12 students each academic year to the California Student Aid Commission (CSAC). The District and Registrars will electronically upload Cal Grant GPAs using the WebGrants system. This applies only to students whose parent/guardian has consented to the release of this information. The first GPA submission will be completed by the District by October 1, 2019.

The National College Access Network (NCAN) Free Application for Federal Student Aid (FAFSA) Challenge Grant was awarded to Cal-SOAP. This year Cal-SOAP will be supporting trainings for both counselors and registrars to support students in completing the FAFSA or Dream Act Applications. Cash for College student workshops will also be provided to support students in filling out the FAFSA/Dream Act application. The goal is to increase FAFSA submission rates by 10% for each high school. Cal-SOAP in partnership with CSAC will be hosting trainings for FAFSA completion on October 10th and 11th, 2019.

The California Student Aid Commission, put together the Race to Summit Dashboard, where schools can review their data. https://webutil.csac.ca.gov/Dashboard/. High schools are able to have two accounts for the CSAC portable in order to support submission data and application status of a student’s FAFSA submission.

Students must complete multiple components in order to be eligible for Free Application for Federal Student Aid or Dream Act. For a student to be considered for a Cal Grant award, the following actions must be completed:

1. The student must submit a completed Free Application for Federal Student Aid (FAFSA) OR the California Dream Act Application by the March 2, 2020, deadline.
2. Schools must ensure that certified Grade Point Averages (GPAs) were uploaded to the California Student Aid Commission (CSAC) by the March 2, 2020, deadline.

Implementation:
To support schools with the process of uploading GPAs to CSAC, the district’s ITSS department will create files in the “Non-SSN” format for submission to CSAC. Students who will be included are active students who are 12th graders or who are Class of 2020 or before (e.g., active Class of 2019, etc.). The only students who will be excluded are those for whom question 30 on the Preschool-Grade12 Enrollment Form 2019-2020 is explicitly identified as “opted-out”.

Any class of 2020 student who "opts-out" must be identified in PowerSchool, question 30, by Monday, September 16, 2019, to ensure student’s GPA is not uploaded with the first Cal Grant Extract 1.

IMPORTANT NOTE: Students not included in either Cal Grant Extract 1 or 2 will need to be electronically uploaded by site staff to CSAC.

The following timeline will be implemented by ITSS to extract and upload student qualification data to CSAC.
