

# Calendar Transition

*District schools are moving to a common traditional calendar!*

## What's changing?

- \* Year-round schools in the Kearny, Lincoln, & Morse clusters are slated to begin on the traditional calendar for the 2016-17 school year.

## Why a common calendar?

Benefits for families & schools:

- \* Aligns elementary, middle, and high schools to a common calendar
- \* Families with students in different grade levels will no longer have to be on separate schedules
- \* Students of military families who receive orders will not lose instructional time
- \* Teachers and staff can attend training and professional development on one unified schedule

## The transition does not change:

- \* Bell times
- \* Transportation
- \* PrimeTime
- \* Number of instructional days for students (180)
