

**Notice of Application Period for Charter School Facilities
Project Proposals
November 2, 2015 – November 20, 2015**

The Charter School Facilities Committee (CSFC) will be accepting completed applications for Charter School Facility Project Proposals using Proposition Z funding through Friday, November 20, 2015.

Please note that all Project Proposal submissions should have a completed 'Feasibility Study and Master Plan Process' using a San Diego Unified School District approved Architect. Please review the Guidelines for Submittal to ensure any additional documentation is complete and included with your submittal package.

Any questions relative to submission materials should be directed to Ray Rodriguez, Committee Consultant, at rrodriguez5@sandi.net.
