# Goals of Title I

# Parent Involvement

The School Site Council (SSC) provides parents with an opportunity to be involved in the academic program of the school. The SSC develops, monitors, and evaluates the Single Plan for Student Achievement (SPSA) to implement programs and services that support students.

# Parent Involvement at Our School

# Why Should You Care?

- In 2014 (allocated in 2015) Ocean Beach Elementary was ranked 77<sup>th</sup> of 96 schools on the Title I Ranking Report last year having 57% of our school (278 students) qualifying for free/reduced lunch.
- 2014 Title 1 \$= \$35,249
- \$127/student

# Why Should You Care?

- In 2015 (allocated this school year) OBE was ranked 73rd of 96 schools on the Title I Ranking Report last year having 64% of our school (264 students) qualifying for free/reduced lunch, a 7point increase!
- 2015 Title 1 \$= \$45,249 (\$10,115 increase)
- \$172/qualifying student

# Why Should You Care?

- Schools which have 60% or greater students qualifying for free or reduced lunch receive one extra day of nurse support.
- Directly because of the Title 1 increase we now have health office coverage 5 days a week!

# Why Should You Care?

- Each Title 1 funded student = \$172
- Each percentage increase results in \$5.50/per student
- As our school budgets continue to shrink, Title 1 \$ are one revenue source over which we have a measure of control.

# Why Should You Care?

- Parents can increase the Title 1 funding a school receives by filling out a Free & Reduced Lunch application
- More applications = more funding
- Title 1 \$\$\$ benefit all students
- No downside to applying, even if you are denied.

# Why Should You Care?

- More Title 1 funding allows school to pursue a greater number of options for the benefit of the students: nursing, counseling, guidance assistant, software programs, etc.
- Apply online at [www.obelementary.com](http://www.obelementary.com)
- Paper applications have been mailed home available, OBE has a limited supply
